Guess how many cigarette butts picked were collected on Earth Day

The results of a cigarette butt clean up by Fresno State students are on display this week in the Henry Madden Library with an **April 26** contest to guess how many butts were collected. The clean up was conducted April 20 as part of Earth Day activities by [Project IMPACT 4 Life](#), a group of Fresno State students concerned with second-hand smoke exposure who advocate for a smoke-free campus. The winner of the contest, which is open to the public, will receive a \$50 Visa gift card announced at the final display event **11 a.m.-1 p.m.Friday** in the Free Speech Area. Students also will gather signatures at the event to petition for a smoke-free campus. Currently, smoking is permitted only in 22 designated outdoor areas on campus. **INFO:** Ruchia Kaur, president of the IMPACT Club, at 559.836.2522 or ruchia@gmail.com.
