

## STUDENT LIFE

College students are expected to assume the responsibilities for personal conduct appropriate to their age and maturity. On that account rather wide freedom is granted by the college administration to the students as individuals and as organized groups. This responsibility has been accepted in an admirable way by the students of the college, and an unusual degree of self-government has been established. A student court has authority to deal with cases involving interpretation of student regulations or their violation. A committee on student life composed of faculty and students evaluates the student life program and makes recommendations on policy and procedure. Regulations as to satisfactory scholarship, disqualification for unsatisfactory work and related questions bearing upon college requirements are administered in accordance with college policies.

## ORGANIZATIONS

Membership and active participation in a reasonable number of student organizations are strongly recommended by the college. Student groups of this type are an excellent means of obtaining experience in leadership, cooperation, group action and social competence. Participation in student government is also encouraged. Many opportunities exist for participation in student affairs through election to student body and class offices, appointment to student committees, and attendance at meetings of the Student Council.

### FRESNO STATE COLLEGE ASSOCIATION

All regular students are members of the Fresno State College Association, the organization of faculty and students who have united to conduct the extracurricular affairs of the institution. A board of directors composed of faculty members and students controls the finances of the bookstore, the cafeteria, athletics, and other activities involving the collection and expenditure of student funds.

In return for a fee of \$12, collected at the time of registration, each student and faculty member is issued a Fresno State College Association membership card which permits the holder to participate in all activities of the association and admits the holder to association affairs without charge or at a reduced admission fee determined by the board of directors of the association. The principal activities supported by this fee are athletics, publications, music, drama, and certain medical services for students.

### STUDENT PUBLICATIONS

Membership in the Fresno State College Association entitles the holder to free copies of the four major student publications. The *Collegian*, published triweekly, is the official news publication. A handbook and a directory, appearing soon after the fall semester opens, contain general information about the college and an address list of faculty and students. The college annual, known as the *Campus*, appears during the final month of the college year. (To obtain a copy of the *Campus*, a reservation fee must be paid at the opening of the fall semester and membership in the association must be held both semesters or one semester plus a charge of \$2.50.) All student publications distributed on campus are under the general control of an eight-member board of publications composed equally of faculty and students.

### ASSOCIATED WOMEN STUDENTS

All women students are automatically members of the Associated Women Students. This organization coordinates the activities of various women's organizations on the campus and sets standards of conduct and of group living for women students.
