Here Comes The Showboat!

Men of The Year

Women's Club held its traditional Fathers' Day picnic June 11 under a cold forbidding sky which kept the crowd down. Nevertheless the group which attended cheered the four men who were chosen for Men of the Year Awards for service to Leisure Village.

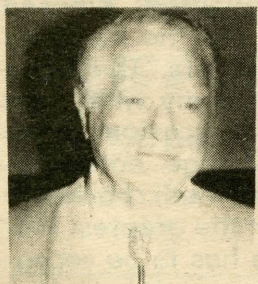

They were: Elmer Eymann, cited for long committee service and his present work as Coordinator of Emergency Services; John Lauten for his years of work for flood control; Robert Karlin was honored for his service as Stage Manager, Board Member, and long committee service; and Al Levinson was chosen because of his generous habit of photographing all Village events and doing it so expertly! Women's Club salutes you all!

Fun Fashion Show

The Women's Club Nostalgia Fashion Show was a delightful informal program that had something for everybody. There was music, humor, sentiment, romance, and an unusual collection of beautiful clothes. From the opening words of the commentator, "Eve probably fussed over the fit of her fig-leaf and all of us have sit-down shoes and stand-up girdles in our wardrobes," the show was a hit.

"The clothes we wore don't fit no more," (to "I've Heard that Song Before") could well have been a theme. Dorothy Karlin had written clever parodies of suitable songs for each model and, with Bill Marvel doing his usual "Marvelous" job at the piano, Dorothy, Ruth Hart, and Renee Greene (all in flapper outfits) sang them.

Grey law: Legal Aid for Seniors

When considering the needs of the elderly in our community, one generally thinks of medical, transportation, income maintenance, housing and food. The area of senior legal rights is rarely mentioned, yet the law plays a significant role in each of the areas.

For example, seniors living on a fixed retirement or government benefit program rely on this income and generally ignore the various regulations that guide their continuance. And senior renters need to know of their rights as tenants, while homeowners are concerned with the improvement or transfer of their property. Transportation and food, basics to us all, are guided by a variety of considerations when seen from an economic standpoint. A legal quagmire that interrupts a senior's income will severely impede his or her ability to obtain these basic necessities.

Grey Law is a nonprofit law firm that was established to protect senior rights and to provide access to the legal system. Unable to pay the costs of an attorney or find legal assistance, a senior with a legal problem may choose to ignore a frightful or stress-causing legal problem, and this can complicate his life. Indeed a legal problem can be a life or death situation if help is not found.

Grey Law's purpose is to provide legal advice, counseling, representation and document-preparation to those over 60, with the goal of improving the lives of the elderly.

To operate such a program requires the commitment of dedicated and concerned persons. Indeed, Grey Law would not survive without the financial and volunteer support of the Ventura County community. The volunteer program involves attorneys, paralegals, law students and those who help with fundraising activities.

It is now stretching to reach more county seniors, and with this expansion, will need an infusion of new support. If you are considering doing some volunteer work, think about Grey Law. (Telephone 653-0694)

Note: This statement was prepared by Lou Stagnitto, Program Coordinator, Grey Law, Inc. of Ventura. I.L.V. felt it might be of interest to many.

Nominating Committee Member Responds to Complaint

In answer to the Villager's letter concerning Nominating procedure in L.V., I would like to respond.

1. The CC&R's provision of having a nominating committee choose candidates for the Board of Directors is a valid and universally accepted method. The committee would be most useful, however, in the circumstance of having to choose among MANY volunteers to evaluate the best qualified candidates for the job.

2. When this Nominating Committee began its work in December, I was determined (as were others) to name 5 or 6 candidates to fill the three offices which would be vacated, so Villagers WOULD have a choice.

3. Announcements were made, letters were sent out, club meetings were attended, committees were reviewed, all to find qualified people. Every avenue we could think of was used to alert residents to the search.

4. More than 50 people were asked to consider being nominated for the Board. Every person whose name was suggested to us within the time limit was contacted.

5. The Committee received only 5 affirmative responses. Three were well qualified and were quickly nominated. The other two were fine, sincere people, but neither had a working knowledge of the business of the Village.

6. The Committee was obligated to consider the criteria for nominees: productive work or career experience, no conflict of interest, good health, knowledge of Village affairs, ability to make sound decisions on behalf of the entire Village.

7. If someone had wished to make a nomination by petition, it could have been started weeks ahead of the Committee report. Or, the parties could have come forward and offered their names for consideration. Much time and energy could have been saved, and we might have had more candidates.

Why did we nominate only three? Because that's all there were. It was neither the intent nor the desire to deprive Villagers of a choice. We are grateful to have had three nominees to present. Do you

want to change something?

Try to change people's attitudes toward accepting responsibility.

Betty Murray, V. 4

My deepest appreciation to all our good friends in Leisure Village for all your kindness and concern for my beloved husband, Lou, during his illness and at the time of his passing.

Your prayers, cards, tributes, and calls have helped ease the pain of our deep sorrow.

Thank you all.

Kate Shapiro, V. 19

Thanks a million to our many wonderful L.V. friends and neighbors for your concern, well-wishes, cards and personal visits during my recuperation after major surgery. Thanks especially for chauffeuring Rose to the markets! L.V. is truly the greatest place in the world to call home.

Murray Gassman, V. 26

We would like to take this opportunity to thank all the wonderful people in the village who were so concerned about Gordon before, during and after his back surgery. Your cards, calls, prayers, and good wishes were very much appreciated. God Bless you all.

An Expression of Thanks

I have had the pleasure of being a guest speaker in the Village in two recent years, and on those occasions discovered the expression of friendliness, warmth, and involvement exhibited by all the Villagers I was fortunate to meet. My parents, long-time residents, sat in the audience and were delighted, pleased and happy about the kindness shown by Villagers. The same is equally so for my wife, who on several occasions has danced for Village entertainment functions and charitable programs. But the greatest kindest response has to be recognized here--with: the wonderful outpouring of in-

Here we go again--

Did you write for ILV this month or last? Are you planning to write in the future? Many of you are not following our guidelines, even those of you who have been writing for many months. Our requirements are so simple, so standard---:

Plain white paper, 8 1/2" by 11"; name in upper left hand corner with telephone number; double space, typed; indent for paragraphs. DO NOT USE ALL CAPS.

PLEASE DO NOT USE THE YELLOW FORMS WHICH BELONG TO THE ASSOCIATION.

Our staff attempts to be as professional as possible in our relation to the publisher and our submission of material. Needless to say if your story comes in on used scratch paper, and in other shoddy manner, it cannot be used.

If you care enough to write your article, should you not care enough to make it as presentable as possible?

Village Artists Honored

Thelma Nunn, V. 5, local artist, was honored during May by having her oil paintings displayed at the Camarillo branch of Home Savings. She specializes in landscapes; one of her prize paintings was a recreation of the old Camarillo depot once located at Ventura and Lewis.

The beautiful color photographs which Al Levinson, V. 23, made to publicize Showboat will be on display at Santa Barbara Savings in Santa Rosa Plaza for the month of July. Some of these same pictures were in display in lobby hall to advertise the play but they were simply too good not to share with the general public.

Chinese brush paintings by Villager Frances Davis will be on display at Santa Barbara Savings and Loan in Santa Rosa Plaza starting July 1 through July 31.

Coming Events

On Sat., July 23rd, in the AR, Home Savings will present a musical concert for your enjoyment. Don't miss this entertaining event. Admission is free.

volvement and expression of support during the recent tragedy befalling my mother, Shirley Tratner of Village 17. After waiting a lifetime, Mom realized her dream to visit Israel and see some of our relatives, leaving on a Village group tour. Unfortunately, on the first stopover in England she was struck down by a stroke. It has left her without speech and paralysed on her right side. She spent a month in an English hospital, was flown home to Pleasant Valley Hospital, then on to St. John's Hospital for rehab work. On the past Sunday she was brought back to her home, reunited with my father, (it's a difficult situation for my Dad is a blind disabled veteran) and is presently under 24-hr. nursing care. But she is joyed at being home.

To all of her friends, travel acquaintances, to all the organizations, I and my brother and sisters want to tell you how deeply we appreciate all the words, cards, flowers of kindness and a special super thanks to those who were able to visit my Mom in England, and the hospitals in Camarillo, and Oxnard, and stop in to say

FORUM CALENDAR

Friday, June 24:--The Motion Picture Academy award-winning documentary, "If You Love This Planet," will be shown in the AR at 7:30 p.m., followed by a discussion of the nuclear weapons issue. Guest speaker will be Father John Fuller, of the Episcopal Church in Oxnard. Moderator will be Max Steinfeld (V. 40).

July and August:--Forum programs will be suspended during these months; however, the Forum Program Committee will meet the 2nd Monday each month in the Lanai Room at 3:00 p.m. All Villagers are invited to participate in the informative discussions, critiquing previous Forum programs and planning future ones.

"hello" to my father who sat alone, unable to assist his wife during this whole ordeal.

On behalf of my Mom, my Dad, and our family, thank you Villagers for your humanity!

Gruber and Esty Address Forum

By Harry Becker

In accordance with its stated purpose "to provide L.V. residents with information and viewpoints about issues that affect their lives," the Current Issues Forum recently heard a discussion of impending changes in the operation of Pleasant Valley Hospital and an illustrated talk on "The State of the City."

At the Forum's meeting on May 27th, Norman Gruber, executive director of PVH, told of the plan to convert the hospital to a non-profit corporation, so as to develop a structure flexible enough to meet future needs.

He said that the hospital would continue as a "Public Benefit Corporation," yet be in a position to derive income from certain auxiliary pursuits. Such income is needed to compensate for anticipated declines in Medicare and Medical payments.

Gruber said that the new

9 to 11 members, whose 2-year terms would be staggered to hospital board would consist of insure continuity of management.

Vice Mayor F. B. (Bill) Esty addressed the Fourth Anniversary Luncheon of the Forum on June 3rd at the Mercury Savings and Loan facility on Arneill Road.

Esty prefaced his remarks with the reassuring words: "The city is in strong financial shape."

He spelled out the various capital improvement projects that are being considered, such as a new city corporation yard, road improvements, including the Las Posas-Upland Road connection, and certain changes on Santa Rosa Road. None of these projects will require additional taxes, he asserted.

On July 1st Bill Esty will assume the chairmanship of the Ventura County Association of Governments.

Men's & Women's Clothing

You wouldn't be one of these, would you?

If you use the women's dressing room do you--

Pile your gear on the benches instead of using the lockers so that the benches are free for their intended use?

Lay wet suits on the benches?

Leave your shoes on the floor for someone to trip over?

Leave locker doors open so that someone coming in from the bright sunshine fails to see and injures an eye?

Dawdle in the shower, shampooing, conditioning, drying, moisturizing, powdering, dressing, the works, while others wait shivering in wet suits?

OF COURSE WE DON'T DO THESE THINGS, NOT IN LEISURE VILLAGE. We pride ourselves on being good neighbors and having good manners. After all, good manners is nothing more than consideration for others.

Yet, sometimes, perhaps it's permissible to dawdle if we are sure no one is being inconvenienced. But how are we to know? Some people are so quiet we don't know they're there. Others are so noisy we don't know if they are waiting or just visiting. Would a little bell be the answer? A tap would signal that someone is waiting, and then our considerate neighbor would hurry to oblige another happy villager.

Secret Underground Society at Leisure Village

Editor's Note: The following is a somewhat unusual story for Inside Leisure Village and requires a little background. Early one morning a staff-member was outside examining the patio garden when a voice was heard coming from under a geranium. It proved to belong to a large brown rabbit who introduced himself as Buck O'Hare, Chairman of the Board of Leisure Rabbit. He was accompanied by a shy doe, his wife, Bonny O'Hare. They live on the seventh green of the golf course. His own words follow:

I have been thinking for some time about getting a message to the humans who live here and hope you will put something in your paper. We rabbits are worried about you. You seem up-tight and overstressed. Perhaps if you lived more like we do, you might be able to take better advantage of this beautiful place. Let me tell you a little about us.

We rabbits and you humans alike experience two major miracles every day. These are

the arrival of the day and the arrival of the night. This has never failed. And, although we sometimes make a bad pun and say, "Hare today and gone tomorrow," we know that we can only live one day at a time and enjoy it. We think you don't do enough jumping and hopping. You seldom frisk about just for fun. You are missing an important part of the joy of living. People and rabbits are more alike than they are different and we would like to see you adopt some of our ways. Gather your carrots while you can.

We rabbits are truly a peaceable kingdom. We have never had a war or a rumour of war. We are a loosely organized society that is strongly family-oriented and close to nature. We get along with each other and like being together.

Of course, we have to train our children in survival because we do have some natural enemies--cats, owls, coyotes. We maintain our own Security Guard and our own patrols. Father rabbits teach the children

about running, digging, foraging, scouting; mothers watch over diets, clean ears and whiskers, and good manners. Our children are respectful and obedient but have plenty of time for play. Our main holidays are Mother's Day and Father's Day. Our family reunions are magnificent.

We observe humans closely (which is why my English is so good). We really like people although we wish you wouldn't use phrases such as "dumb bunny". We wish more of you would watch Saturday morning cartoons on television (we peek in your windows) because Buggs Bunny is our national hero. We like the Playboy Bunnies too but think their ears are a little inadequate.

We like to think we have a sense of humor since it is so important to enjoyment and we admit we are a little mischievous. It's true we nibble your flowers from time to time as a change of diet. We really should not have eaten all of Helen Esty's snapdragons some time ago but we must say

that they were delicious.

We enjoy watching the golfers too and know where a lot of "lost" balls are (In our burrows.) We also know about some secret strokes and mystery recoveries that we will not reveal (But, oh, if we did!) Sometimes we give a ball a little nudge too but that's why you have to have witnesses for holes-in-one.

It's fun to tease the dogs on their leashes. We like to jump out at them and stick our tongues out and say, "yah, yah, yah." However many of the dogs are really very polite. Farfel Armstead of V. 9 just nods; Terry Moore, also of V. 9 gives a pleasant tail-wag. However, Susie Bennett, V. 4, a small Cockapoo, thinks she is a wolf, and always loses any contest. We are always nice to Shu-Shu Kirby because he is very little and old.

Moonlit nights are our favorites for dancing on the golf course. We are grateful to Ed Abdelnour and the Swing-Dis-

VILLAGE CHORALE

1983 SPRING CONCERT

By Bob Barrus

"This was a real, nice clam-bake, we're mighty glad we came"--these lyrics from "Carousel" seem to sum up the feelings of the audience at the annual Spring Concert of our L.V. Chorale, under the superlative direction of Bob Riggs, on the evenings of June 3rd and 4th in our A.R. M.C. for the evening was Josh Fallick. Innovation was the key-note, as some new voices joined our regulars in solo performances during the program, as the strains of "Music Through the Years" filled the A.R. A dramatic beginning found Freda Drezner and Eldon Lukesh performing their first-ever solos, whilst taking us to the "Carmichael Races." Others were Ethel Belanger and Bea Fallick in a duet; percussive effects by our Tambourine quartet; and a melodic foursome of songs by our new Chorale Ensemble.

The varied melodies of Stephen Foster were performed

by Ethel Belanger and Norm Friedman. The "Beautiful Dreamer," Kay Avery, entertained the audience, with harmonic assistance from Bob Barrus and Norm Friedman. Featured soloists Ruth Hart, Elaine Shainhouse, and Joan Woodenschek brought forth the cry, "Encore!", "Encore!" from the audience on several occasions.

As the closing theme, "May the Good Lord Bless and Keep You" echoed throughout the Hall, the Chorale members were rewarded for their efforts by the generous applause of an appreciative audience. Our 1983 Chorale Concert was a great success, and in keeping with the fine tradition established by this singing group in past years.

Leisure Village--Florida

By Lee Edwards

Of course we all know there are other Leisure Villages being built around the country, besides our little Camarillo Paradise. But Leisure Village truly was the last thing on our minds as we drove up the "Tamiami Trail" North from the Everglades towards Fort Myers in Florida a couple of weeks ago. Until we saw that billboard along the highway: "A Safe Retirement ahead---Leisure Village", of course we just HAD to turn around and make an inspection tour:

Security seemed excellent, they not only took our name at the gate when we asked to see the models, but also the license no. of our rented car. Driving thru the lush landscaped grounds, we were immediately struck by the one great difference between Florida and California: The condominiums are built in blocks of houses three and 4 stories high, rather than the one-level ranch type houses we live in.

The Recreation Center and Sales Office was beautiful, and a very charming sales lady showed us all their facilities,

Grand Band Dance

Come for a fun-filled evening and dance to the live music of the very popular Pete Pontrelli and his band on Saturday, July 23, at 8 pm.

A new idea will be tried. In order to allow groups of friends to sit together, if ten tickets are purchased at the same time, a table may be re-

served. So get up your party.

Only 250 tickets will be sold.

Also, another innovation: the entire left side of the "ballroom" will be a non-smoking area.

Tickets on sale at the usual times, beginning Monday, June 27, 9 am.

comparing very well with our own except that their varied facilities serve only about 1800 people. Minimum age is 40 years, so that many buyers from the East and Mid-West, buy their L.V. homes for winter, or for vacations. The models were very luxurious. One bedroom-one bath models start at \$42,000 while the largest condominium (probably about equivalent to our Valencia model) is priced from \$87,000.

Monthly dues are higher, from \$96.- to \$156.- per month. Climate in summer is extremely hot and humid.

Orchestral Society

By B. Murray

L.V.'s Symphonette Orchestra has scheduled its Inaugural Concert for July 17th in the A.R. Arthur Kates, Director, is rehearsing with the musicians weekly in preparation for a program of light and classical music.

Newly-elected officers are Pres., Rawza Kates; V. Pres., Freda Drezner; Treas., Henry Levitt; Rec. Sec., John Contos; Corr. Sec., Ruth Hellman; Librarian, Gus Ferrara.

The Club expresses its appreciation to Don Horodas, the first president, for his leadership in organizing the Orchestral Society.

Membership is still open to all Villagers who play an instrument. Call Director Kates for information and rehearsal times.

Fourth of July Picnic

Monday, July 4th from 12 N. to 3:00 pm., we will have our annual 4th of July celebration with barbecued hamburgers and all the trimmings in the Picnic Area. For your convenience, the bar will be open for you to purchase beer and wine. Entertainment will be provided by the Rhythmettes, a special Barbershop Quartet and a patriotic dance number. Ed Abdelnour will also join us with his patriotic tapes on our new outdoor sound system. Tickets are only \$3.00 and will go on sale at the usual times in the Recreation Office.

PROFILE:

David and Isabel Dominguez

By Betty Murray

If a Collectors clique ever convened in L.V., David and Isabel Dominguez could be considered candidates for inclusion.

David collects clocks, and Isabel favors dolls. Combined, their home can qualify as a museum of time and toys.

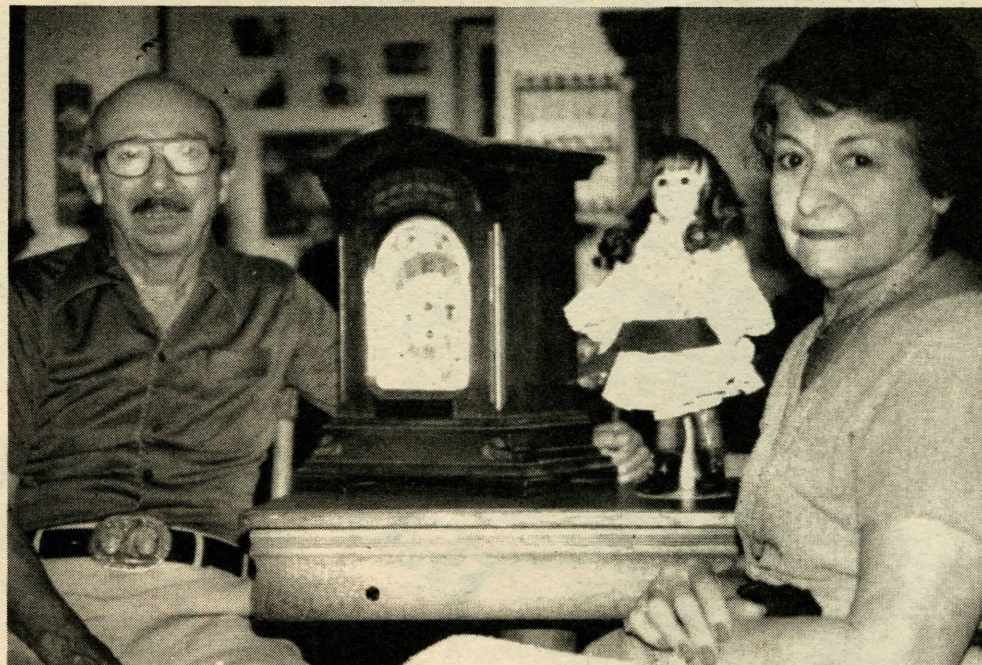

Dave's hobby began in 1941 when he got tired of watching Belle buy antiques, and he acquired his clock*1. When he found he could not fix it, he enrolled in a night school class in Antique Clock Repair. He was "hooked," and began to buy more. At one time, he owned over 400. He put them in operating condition and in a feat of timing, he set 52 clocks so they would chime continuously at the hour. It took about 5 minutes to hear them all signal noon.

The collection contains some clocks of rare value. He is most proud of his two Grand Sonnerie chiming clocks with their antique pendulums. He has a Japy Freres made in Paris between 1840-1850 which was

last owned by Clark Gable. A Seth Thomas calendar clock with two dials is another rarity.

As with many objets d'art, the collection increased in value many times. Selling only a portion bought the Valencia the Dominguez' now occupy. Dave has catalogued his treasures and though the house has dozens in the open, there are more than 100 still in storage.

Belle Dominguez just loves antiques: crystal, cut glass, furniture, buttons, handicrafts, lots more. Just ten years ago, her daughter sent her a greeting card with the picture of an antique doll on it. That did it! She had to have that doll, and since then, she has bought dolls, all kinds and sizes. She also took classes in restoring dolls, and has learned to dress them, re-wig them, and classify them; she has over 500 catalogued in her collection. Antique cupboards display many of them. Her oldest doll is a bisque beauty dating from 1865, and although the silk is in tatters, she still wears the orig-

inal French gown. Her most valuable doll is a French Ju-meau fashion doll made before 1900. Many of her dolls date from "our" childhoods, some bear personality names: Shirley Temple, Judy Garland, Sonja Henie, Ella Cinders, Dionne quintuplets. There are Madame Alexander and Bye-Lo babies.

David and Isabel both grew up in Los Angeles. They met when Belle was 7 years old at the Methodist Church located

near Sunset and Figueroa where Isabel's father Rev. Christopher Valencia served as minister. They were boy and girl friends on and off throughout school years until a momentous "blind date" arranged by Belle's sister helped them decide to get married in 1939. They have two daughters.

Dave Dominguez' father was a telegrapher for the railroad. Dave remembers his mother and father sending

Morse code messages to each other by finger tapping on the kitchen table to keep the children from knowing something. He fooled them by learning the code, too.

Dave landed a temporary 6 week job with the L.A. Dept. of Water and Power when he was graduating from LACC. He was re-hired several times, for six weeks each period, until he was granted status as a full-time employee. He lasted 40 years. Dave took college studies wherever a course was offered that he needed: chemistry, physics, engineering, hydraulics. His work experience covered the full span of water treatment, collection, distribution, and sanitary disposal for the DWP. He is familiar with the aqueducts from the Sierras and the Colorado, and also with research into the latest filtration techniques now being used.

Isabel Dominguez also had a career. After her daughters were out of high school, she went back to college to get a credential in Vocational Education with Cosmetology as a Major. She had been practicing in her own beauty shops for years. A determined crash

course at UCLA gave her the certificate which she used for 15 years at El Camino College.

Dave and Belle are well integrated into Village activities. Dave was a charter member of the Moped Club, and is now (with Belle), vice president of the Swingers Square Dance Club. He is a constant tinkerer in woodwork and with his clocks, and is also studying classical Spanish guitar. Their new motor home will take them out of the Village periodically, and will probably come back loaded with more antiques for their collections.

Belle is always busy. She plays both piano and organ, sews, tats, paints, tends some pet potted plants, and does all the things with Dave that have made their partnership companionable. She loves to talk about her collections, and the historical and practical things she has learned as a result of her interest in dolls.

David and Isabel Dominguez are a happy couple whose hobbies have brought them pleasure, challenge, satisfaction, and profit. Belle will always have a "child" to play with, and Dave will always have the time.

Twenty-eight models demonstrated a wide range of clothes from the past. The oldest garment was a nightgown over 100 years old. It had belonged to Bill Esty's grandmother. Another dress, red satin worn with a tiny bonnet, dated back to 1884. An authentic 1914 bathing costume and purple velvet walking suit with hobble skirt and matching hat from the era of World War I were other highlights. A nostalgic favorite was Rachelle Holtfrerich wearing an exquisite black beaded georgette cocktail dress which she had purchased at Haggerty's in 1930. It still fit her perfectly. Helen Gold created a first for L.V. (first strip-tease, very genteel) by slipping out of a filmy white pegoir to reveal a full petticoat and camisole; and then out of the petticoat to show her knickers and bustle.

Slinky flappers, shady ladies, and perfect ladies modeled everything from evening coats, fringed chemises, a beautiful collection of Hawaiian holokus, to the finale

which was a June wedding section.

After the models who demonstrated the trousseau nighties and "undies," Perry Horodas came on as Mother of the Bride. Six wedding gowns had been loaned by Women's Club members: Ruth Needham (her wedding was 63 years ago); Roselle Mayfarth; Esther Schaff, Helen Nash, Jan Brown, and Margaret Wilson. A special museum-quality dress dated 1900 was loaned by the family of Mary Dullam. The eighth bride was Carmen Read wearing her own dress of ivory satin-brocade. She had designed it and her mother-in-law had made it. The wedding had been performed Easter Sunday, by special dispensation, at the Queen of the Angels Church near Olvera Street. The priest had come from Spain for the service.

Models were as follows: Dorothy Barrus, Jan Brown, Frances Davis, Piff de Simone, Evelyn Faulkner, Grace Back,

Ruth Hart, Renee Greene, and Dorothy Karlin begging "for a little kiss, will ya, huh?"

Helen Stevenson, Anne Fossick, Mildred Mullery, Elaine Shainhouse, Mary Dullam, Bea O'Brien, Elaine Sherman, Kay Avery, Rachelle Holtfrerich, Frances Donahue, Hildi Lustig, Barbara Campbell, Daisy Bien, Rosamond Kohen, Helen Gold, Sue MacKaig, Esther Lerner, Gladys Grey, Perry Horodas, Emmy Sachs, Collice Barber, and Carmen Read.

Women's Club wishes to thank the many Villagers who loaned clothing: Vera Kinser,

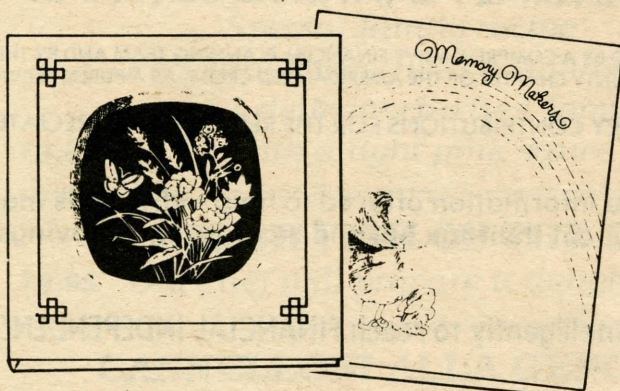

Sylvia Winterbaum, Bill Campbell, Helen Stevenson, Sue MacKaig, Mary Dullam, Barbara Campbell, Renee Greene, Kay Avery, Perry Horodas, and Marie Larkin of The Clothesline in Camarillo.

The show was organized by Dorothy Barrus. Renee Greene, Program Chairwoman, directed and produced.

Thank you everybody! Wasn't it fun?

SATURDAY NIGHT BALLROOM DANCE

By Anne Janoff

Remember the song "The Music Goes Round and Round and it Comes Out Here"? Since 1976, the Saturday Night Ballroom Dance has been making the music go round and round for the dancing pleasure of all Villagers attending.

On Saturday, June 25, the 7th Anniversary Dance will start at 8:00 p.m. Hosted by the Executive Committee, the \$1.50 admission promises a gala evening of dancing to the best dance-bands on recorded tapes, selected from their extensive library of dance music. Appropriate refreshments will also be served.

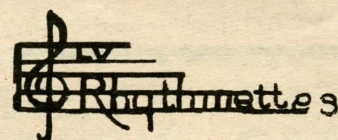

Since its beginning, the committee which operates under the auspices of L.V. Recreation Dept. has provided village residents and their guests with traditional ballroom fox-trots, waltzes and Latin dance tunes. Their collection also includes popular dance music of the big band era, jitterbug, swing and other recently evolved dance styles. There's something to please everyone in the dance selections presented.

The primary purpose of the Saturday Night Ballroom Dance is to provide dance music in an environment conducive to pleasant sociability with fellow villagers. From its inception, however, this group has also contributed substantially to improving the A.R. facilities, through the 50¢ admission charge. Examples of the improvements are: acquisition of an excellent sound system with supplemental equipment and components, additional folding banquet tables and chairs, serving accessories including large coffee urns and punch bowls, and recently a much needed extra coat-rack. The planned 1983 contribution will be a \$1500.00 replacement of the large folding doors for the auditorium storage room. In addition, the committee has extensively assisted the Recreation Dept. in planning, setting-up and providing music for the last two New Year's Eve parties and four special event 'Liveband' dances.

The success of the Saturday Night Ballroom Dance is due to well organized, smooth-running committee work headed

by Ben and Evelyn Drasin, Marie Whitney, Elmer and Elise Eyman, and Maurice and Vi Kasner. Behind the scenes jobs consist of Host Selection, Program New Tapes, Publicity, Refreshment, Group Dances, Cassette Taping and Technical. These responsibilities are taken care of by: Ellen Gonydyke, Martha Bushell, Steve and Ethel Belanger, Tom and Virginia Dunnion, O.C. and Ruth Marler, Uhro and Wanda Saari, Henry and Betty Hebert, Bill and Nettie Corwin, Max and Helen Lustig, Kay and Betty Murray, Roy and Beulah Lester, Dave and Ruby Teasdale, Ed and Frances Donahue, Joe and Ann Donahue, Cy and LaRue Boynton, Bob and Dorothy Barus, Leon and Carmen Read, Ben and Dorothy Feinstein, and Anne and Will Janoff. Many residents have also served as hosts and hostesses. Their participation has been an added attraction for the dances.

Thanks to the cooperation of the many competent villagers who give of their time and skills, the bi-monthly Saturday Night Ballroom Dances may be enjoyed by all.

The second L.V. Billiard Club tournament began on June 1st and at this time would be close to the final playoff. Check Billiard Club Bulletin Board for final championship match. Once again this final match will be televised and video taped and then shown on Channel 12 for viewing by all residents. This tournament has an added incentive to the losers of each elimination stage. They continue to be in the tournament where each losing team will play each other in an elimination process until there is a winner of the losers. This winner will play the winner of the winning side. So the winner of the losers will play the winner of the winners for the final match game and the championship.

The champions of this tournament will be awarded their trophies at the Mercury S and L Luncheon on July 7th, Thursday at 11:30 AM. Tickets are \$3.00 each. Please contact Bob Smith 484-9998 for your ticket. Next Board Meeting--July 7, Thursday Lanai Room at 10:00 AM. Next General Meeting--July 26, Tuesday in MPR at 7:30 PM.

GYPSY FOLK DANCERS

By Lucie Falk

May was a most stimulating month for our group, as we learned many new dances. We were very fortunate to have three guest instructors who taught and led us through the various intricate patterns of new Israeli, Romanian and Turkish dances. The instructors demonstrated each step with great patience and we hope to have them back again in the near future. However, due to timing, it may not always be possible to announce our guest instructors in our Leisure Village publications; therefore, please watch our local channel 12 and the bulletin board by the pool.

Following our instruction periods we reviewed our Greek and Balkan dances. We urge any one who enjoys folk dancing to join us every Thursday (EXCEPT the 3rd) of the month in the MPR from 7:30 to 10pm. No partners, and it's free!

By Will Schreiber

Winners of our Shuffleboard tournament in May were Howard Bell and Louise Colbert; in second place were Helen Bell and Hal Hughes. The singles tournament was won by Isidore Struhl with Orpha Hughes second. Trophies will be awarded at our barbecue on June 24th.

Our new officers will be installed at 7:30 P.M. on July 5th in the MPR. Members are urged to come and visitors are welcome to join our friendly group.

HOLE-IN-ONE CLUB

By George Huddleston

A recent check of our files has revealed that just twelve months ago the Hole-In-One Club membership totaled 186 members, 150 Men and 36 Ladies. We are happy to report that the total has now increased to 225, 176 Men and 49 Ladies, which works out to about three new members per month, up from an average of two per month a year ago. This must surely indicate that the L.V. Golfers are getting better or luckier.

Recent 1st time Acers in the Men's Club (Since March) are: Sam Perren, Dan Schultz, Jack Whalen, Nels Herbranson and Jay Praeger. The Ladies' Club added Evelyn Bearman, Sylvia Zittell, Gertie Dorward, Pat Holly and Esther Malkin to their Hole-In-One Roster. It should also be noted that Dorothy Caster made yet another (4) Ace on Hole no. 5 while playing a practice round with some fellow-members.

We are happy to welcome all these new members, all of

L.V. WOMENS CLUB

Women's Club June business meeting was brief because of the Fashion Show to follow but a lot was accomplished.

First it was obvious that the used clothing drive for Camarillo State Hospital was a total success. The lobby of the center was crowded with bags of donations which were taken directly to the hospital.

Sale of Bazaar Raffle Tickets opened. Each chance costs fifty cents. First prize is \$100 cash; second is a large afghan in decorator colors knitted by Harriett Miller.

At the request of the Board of Directors, Women's Club will pay for reprinting the "Rules and Regulations" for the Association out of funds set aside (but not used last year) for a major gift to the Village. Channel 12 was also given \$500 for editing equipment from the same fund.

The July meeting will feature the Fourth of July in a pa-

SOLO CLUB NEWS By Ethel Beyer

Since any news of the Solo Club would have had to be written 'before the fact' (our meeting on June 10 and our Potluck Dinner on June 17), it is hoped the report would say that these events were enjoyed by all in attendance.

The next regular meeting of the Club is set for July 15 at noon in the WCR. Please remember that we now meet on the third Friday of each month and bring our own lunch, with beverages provided by our hostesses.

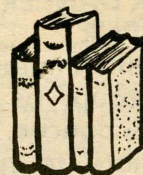

See you July 15!

BOOK REVIEW GROUP

By Jeanne Carlson

Listeners who attended the June Book Review enjoyed a "double-header." Bebe Rothenberg, new to L.V. proved herself to be a top reviewer when she discussed, "When Bad Things Happen to Good People," an inspiring and consoling book.

During the second half, Dorothy Barrus, an artist and teacher, discussed the life and work of her favorite Impressionist, the American painter, Mary Cassat. She also illustrated her talk with pictures including a beautiful copy of an original Cassat, done by Sallie Jacobs of V. 42. This was certainly a memorable review.

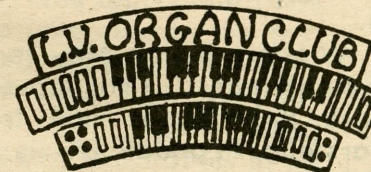

For the July 13 program, Elva Ward, a gourmet student and a gourmet cook in her own right, will review a book on the new nutrition from Reader's Digest Publications. Come and hear L.V.'s answer to Julia Child.

GEM AND MINERAL CLUB

By Don Holmes

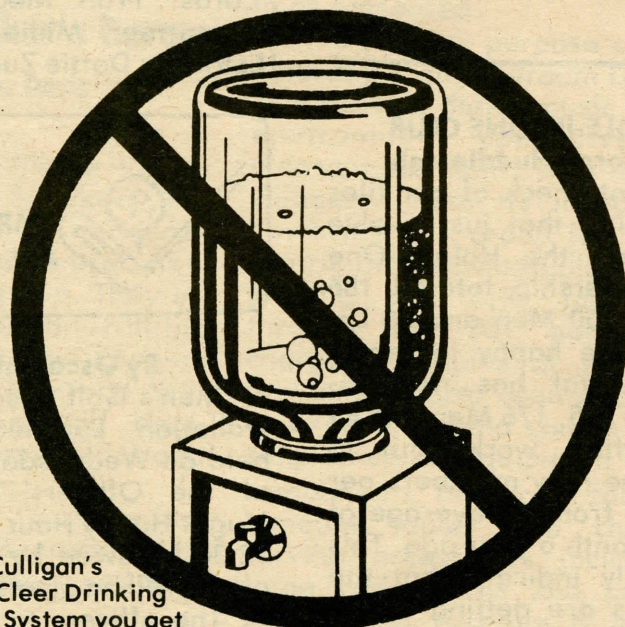

If you missed the last meeting, Charlie Gold demonstrated how to use diamond tools. The next meeting will be on Wednesday, July 27, at 7:30 in the MCR, when Lillian Skelenger will show the art and craft of stone carving and display samples of her work. Visitors are invited.

By Dorothy Konecko

Organ owners and appreciative listeners will hear songs of "LOVE" at the June 24 meeting of Organ Club at 1:30 PM in the Assembly Room. All Villagers are welcome. July 11 WORKSHOP 9-12 AM in AR. July 22 MEETING 1:30 PM in AR. Musical Theme: "PATRIOTIC" songs. July 25 PRACTICE 9-12 AM in AR.

**VILLAGE
SWINGERS
SQUARE
DANCE
CLUB**

By Romaine Lambert

The Village Swingers Square Dance Club elected new officers at a pot-luck dinner in the A.R. at the June general meeting. Bill and Dot Boyd, President, Associated Square Dancers of California (L.A. Area), installed the following: Pres., Jack and Lenore Broude; 1st V.P., Hal and Minna Hudson; 2nd V.P., David and Isabel Dominguez; Secy, Murray and Helen Hertzberg; Treas, John and Marjorie Rice; A. Square D, Representative, Al and Ruth Siegel. All are entering their second terms except for the Rices who succeed retiring Charles and Martha Kent who have served so efficiently the past year. Congratulations.

A busload of Swingers had high praise for David and Isabel Dominguez, Activities, for their expert and creative handling of that overnight bus trip to Lawrence Welk's. We who were not as lucky to participate hear that everything went smoothly, everyone had a

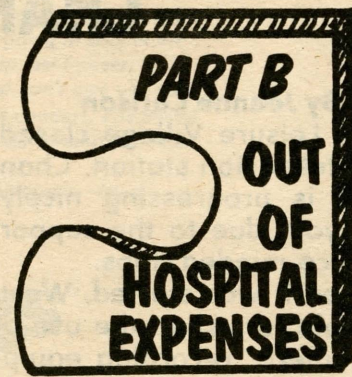

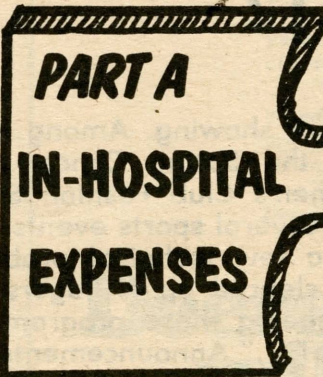

CANDIDATES' NIGHT

Candidates' Night, June 8, was very well-attended. Mike Sherman, Chairman of the Board of Directors, remarked that attending was a better way to get information than "to come up to the pool to get your rumours."

The candidates, David Corwin, Phil La Porte, and Lou Okun spoke impressively. The two ballot measures on earthquake and flood insurance and the question of desire for a new Craft Building added to the interest.

great time and the Whirlaways of Escondido were gracious in their welcome. The Club presented their guests with the mile long (well, not quite, but it stretches across our stage) streamer that put that welcome into words by computer! (Is this true?) Now the Dominguezes can get busy on the annual picnic to be held at our own picnic grounds this year.

Monty Wilson will guest call the June 28th dance. As for July, it's most probable that the new Board will keep us posted about more exciting events. They met with the old Board at the Broude's home on the 16th for a successful session.

CHANNEL 12

By Jeanne Carlson

The Leisure Village closed-circuit television station, Channel 12 is progressing nicely, thank you, due to the support of service-minded clubs.

When it was started, Western Cable furnished the use of a tv camera, recording equipment, and a dolly plus a supply of film. However, it was soon clear that in order to film local events, editing equipment was badly needed and, of course, film was always in short supply. Letters asking financial help were sent to the various clubs in May. The response was heartwarming. To date, organizations have donated over \$1,000 as follows: Ballroom Dance, \$100; Bingo, \$81.00; Dance Workshop, \$100; Gem and Mineral \$100; Moped, \$25; Organ Club, \$50; Shuffleboard, \$100; Swing-Disco-Jazz, \$100; Women's Club, \$500 (earmarked for the editing equipment). Channel 12 is most grateful.

As matters stand now, several programs are "in the cassette" just waiting to be edited

before showing. Among these are the Spring Concert, the Women's Club Fashion Show, and several sports events. After a few technical problems are cleared up, Villagers will be seeing these programs on "L.V.T.V." Announcements will be made in advance of the showing.

The Television Committee has also been made a standing committee of the Association.

For those who use the services of Portac (the computer which handles the message service for announcements), please follow the guidelines on the message blank, and remember we are trying to serve everyone. As it is, a good many messages sometimes have to wait in the "come-up file" (computer language for standing in line). As a rule of thumb we try to give a week of announcement time for club events unless tickets must be sold in advance. Of course, emergency messages and Association messages take precedence.

New Villagers,

Please Note

Did you know that Inside Leisure Village is a volunteer effort for your information and pleasure, and it is published and delivered free of charge to every villager on the 4th Thursday of the month by THE DAILY NEWS? What's the catch, you ask? Subscriptions, of course.

You not only help support ILV by subscribing to the Daily News, you help your staff as well, because the NEWS allows us to make a special offer to you. For each new three-month subscription which comes through our staff, the News will pay us a one-time \$4.00. We can use this for our continuing expenses. Villagers get a special rate, \$2.50 per month (\$3.50 elsewhere) and enjoy an excellent local paper.

If you wish to take advantage of a generous offer which we cannot publicize, please call 484-5805 (Lambert) or any other member of our staff. First-time, new subscriptions only, please.

One of our favorites is "Ears, left, Ears, right. Swing your bunny, and dance all night." Anyone living near the golf course might catch a glimpse some Saturday night.

These details are not really important. I merely mention them to show how happy we are and hope you humans can be too. "Simplify, simplify, enjoy, enjoy."

The new '83-'84 officers are: President, Jack Fosdick; Vice-Pres., Blanche Follen; Recording Secretary, Sylvia Altes; Treasurer, Herbert Schwartz; Corresponding Secretary, Billie Pachter; Executive Director, John Zoller. Plans for the '83 stage production were announced.

The next lecture sponsored by Your Neighbors Care Group will be held Monday, July 18, at 7:30 p.m. in the AR and will feature two films on early cancer detection, "Breast Self Examination" and "Testicular Self Examination."

We all know that early discovery of cancer is of very great importance and we urge you to attend and be informed.

Stuart M. Bloom, M.D. will speak and answer questions. Dr. Bloom is on the Board of the American Cancer Society which is loaning the films to us and urges everyone to look, listen and learn.

The statistics on cancer are frightening, it is therefore vital for all of us to learn self examination. Please, remember the date and come.

Catholics New To The

Village, Please Note

Since it is traditional for Catholics to recite the Rosary for the deceased, and because many who have come to our Village have left family and friends in faraway places, one of our former villagers felt the need to inform other Catholics when a Rosary is to be held for a deceased villager so that those left behind realize that he was among friends.

If you would like to offer your condolences in this manner should the need arise, we will be happy to call you. You have no obligation to attend at any time. Nor do we call you for any other purpose. If you are interested please call Mary Kay Franey at 484-3477 or Romaine Lambert at 484-5805.

On a more joyous note, there is another opportunity to pray the Rosary for the Living with others and meet a congenial and lively group of women each Friday from 11:00 to 12:00 at the home of Theresa Ianaro, 4209 V.4. This gracious lady will welcome you. If you need further information call Theresa at 482-2823 or her co-hostess, Marie Mack 484-9677.

ALL HART

By Ruth Hart

Busy days with so much going on in the Village and lots of news, so I'll get right on with it. Laverne Sartori, John's wife, V. 13, home from a 5-week trip in which she drove 7,694 miles, first to Corpus Christi, Texas, where she picked up her sister, then to Mississippi where they toured Shiloh National Military Park where their grandfather lost an eye while a Confederate soldier during the Civil War. On to Washington, D.C. After touring other states and famous places, her sister headed home and Laverne drove to New Mexico. John flew in to meet her and they spent more time sightseeing and stopped off in Laughlin, Nevada for a bit of gambling, then home. In her own words, it was simply super great.

Eva and Warren Sugg, V. 28, spent 2 months touring the Southern states in their new trailer: Arizona, Texas, Alabama, Florida Keys, New Orleans, etc. They sailed up and down the bayou in their little skiff viewing all the plantations

along the way. Eva wrote a beautiful letter and circulated it around the Village to her friends and neighbors and from her descriptions I felt like I was right on the trip with them. Harry and Anna Jacobson, V. 7, flew to Virginia to see their son for 2 weeks and to marry off their granddaughter in Pittsburgh.

Sylvia and Abe Plann, V. 11, home from Florida and New Orleans where they attended a 50th anniversary party.

Sylvia and Irving Feldman, V. 7, flew off to New Jersey, New York, and Florida for a couple of weeks.

Walt and Nancy Whitaker, V. 6, visited England for the second time, (first in 1981, and drove 2,083 miles) and this time driving on the left side, 2,072 miles. (that's who I saw driving through the Village on the wrong side of the road.) Yes, Walt says they hope to make the trip again.

Billie and Al Pachter, V. 28, had the pleasure of attending a swearing-in-ceremony of a Chief Justice when they flew to Canada to participate in a 3-day Bat Mitzvah celebration. Billie's cousin, Dr. Jack London, Dean of Faculty of Law at the University of Manitoba, (and

father of the Bat Mitzvah girl), delivered his speech bilingually, (French and English), at the swearing-in of Manitoba Chief Justice Alfred Monnin in Winnipeg. Billie and Al beamed all through the ceremony (or as Billie says, "quelled")

Pauline and Lou Plager, V. 16, off to Israel for 2 weeks. Louis's first time, Pauline's second, so she had a lot to show him. Lou and Iris Simmonds, V. 19, headed for 10 days in Hawaii. Phil and Yetta Farber V. 5, took off to Seattle to attend their granddaughter's graduation, (she's 18), then to attend her wedding in July. They'll also visit their son in San Francisco.

Our granddaughter, Julie, will also graduate this month (18) in San Francisco. I'll disown her if she marries so soon. I'm not ready to be a great-grandmother yet.

Sallie Jacobs, Harry's wife, V. 42, and her daughter, Iris, left for a 15 day trip to Spain, London, and Paris. Grandpa Harry is babysitting 3 teenage grandsons for 2 weeks while the ladies are away.

Don and Melanie Herrick, V. 23, after many months of pondering, bought a 22-foot Ranger R.V. Melanie named it

"Minnie's Motor Manor". good luck, but what happened to Mickey?

Kit Ross, V. 17, had a welcome visitor last month. She and Doug entertained her Mom who was 100 years young March 5th. She flew here with Kit's niece who was on her way to Disneyland. They even presented her with a pair of wings. She lives in Vancouver and met the Queen when she visited there recently.

Ruth and Rudy Eis, V. 11, are travelling to Pittsburgh to attend a wedding. Then on to the Poconos and a family reunion with 3 cousins and their husbands. This will be the first time they all will be together since they left Germany many years ago. Ruthie and Rudy will also visit Wisconsin, their former home.

Barbara Campbell, V. 33 won 14 awards out of 22 recently at the Descanso Bonsai Society Show for her beautiful plants. There were 35 participants, and 200 or so plants entered. Her husband Bob and her friends are mighty proud.

A belated Happy Anniversary to Hildi and Joe Lustig, V. 35, 11 years, March 27.

Village Painters

By Sally Becker

Didn't Village Painters have a great show on May 15th? Our thanks go to Marion Jayne, who chaired the committee, to all the artists who contributed their work, and to all the villagers who came to see the show.

The next meeting of the Village Painters, on July 6 at 1:00

p.m., will be something different. It is called "Painting with Tissue Paper." Helen Nash will show how she "tears and fits" and Marion Jayne will demonstrate how she "tears and throws." And you villagers can go from one table to another to see how Helen and Marion come up with a "painting." Don't miss it.

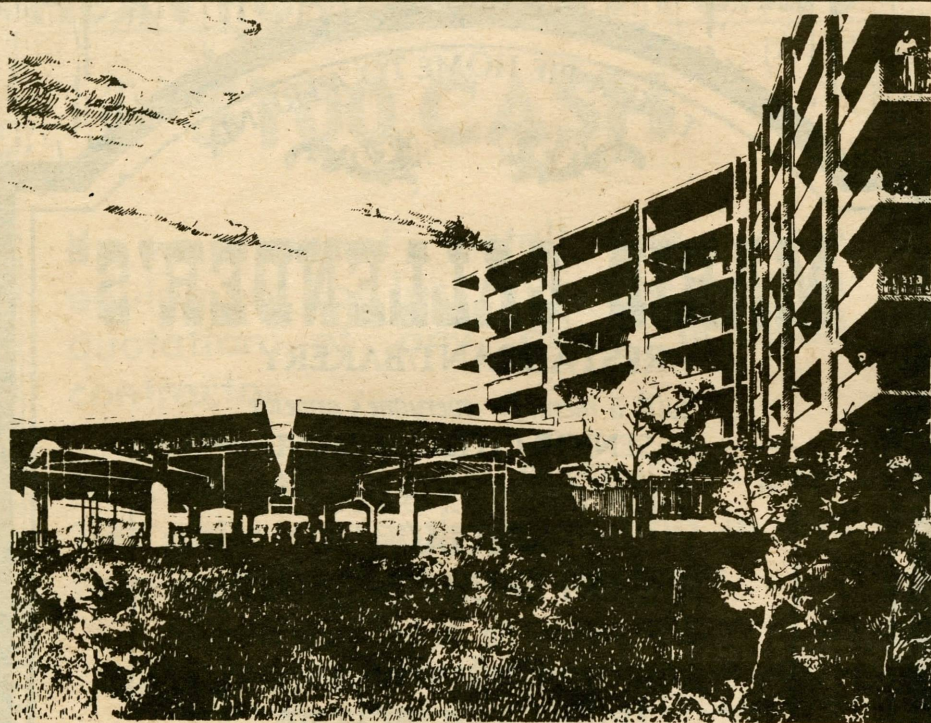

"Las Vegas Night" winners: Ellen Moore (2 nights at the Golden Nugget); Collice Barber, (dinner at the Bonaventure); Rose Weiss, (dinner at the Fireside).

More Fashion Show: Top, l to r, Jan Brown, "The Lady in Red"; Frances Davis looking for a sailor. Bottom Piff De Simone going swimming; Dorothy Barrus, the farmer's wife.

INSTALLATION SPECIAL!!

Let Us Spray

For every household problem,
there's a product we can spray;
There's Spray'n wash, and Windex, Adorn,
and Squeeze-Parkay.
There's nearly always something we can mist
or fog or foam,
'Cause it takes a heap 'o sprayin'
to make a house a home.
For personal enhancement
we can jet Chanel or Brut,
Or soda in a highball,
or Reddi-Wip on fruit.
For progress makes it easy;
one hardly lifts a hand.
Just press the little button, Zip!
Watch the stuff expand!
But be sure and check the label,
or you'll pay as I have paid;
The other day I sprayed my hair,
and found I had used Raid!

The art of successful investing is a question of balance.

Mission Federal's Money Market Certificates with guaranteed long-term rates are essential to a well-balanced investment plan.

With all the excitement about the healthy earnings and everyday cash convenience offered by Mission Federal's Insured MoneyMarket PlanSM, it's important to remember your long-term goals too — and guaranteed long-term interest to help you reach them.

We've discovered that many of our most successful customers use balanced strategy — always keeping enough (at least \$2,500) in an Insured MoneyMarket Plan to earn the daily money market rate. And . . . enough in our guaranteed Money Market Certificates to take advantage of our very highest rates.

The overall effect is to increase the average yield of your investments.

**Our Money Market Certificates
are guaranteed to lock in our
interest rates for 18 months to 6
years or more.**

With maturities from 18 months to 10 years, there's a Money Market Certificate suited to most any goal. And, you can be sure of reaching your goal because the rate is guaranteed and your money is insured up to \$100,000 by the F.S.L.I.C., an agency of the U.S. Government.

A Personal Financial Representative can help you select the Mission Federal investments which keep your balances in balance with your

individual goals . . . and even show you how you can borrow against your Mission Federal investments if you wish.

**Call your nearest Mission Federal
office for current rates. For de-
tailed information which can help
you select the best Money Market
Certificates for your
