326th Day—39 days to follow

CLEAR
CLOUDY
RAIN
SNOW

This day 10:35 in Dallas Texas
President Kennedy & Gov Connally
of Texas has been shot. The
attempted assassination has left
both alive but in critical condition.

The one man who is totally concerned
about America, human equality,
foreign aid and friendship has been
shot. What will happen to our
country now. Conservatives, Southern
segregationists, are moving in. The
 Negro will have a greater struggle,
all rights will not receive security
aid, youth will not be able to
developed in a liberal environment.

11:20 ABC-TV = Kennedy shot
in the head. Oswald has been
called for last rights.

Natural rightists!
