Dear Chairman:

The Democratic Central Committee of Contra Costa County at the regular February meeting, adopted a statement of policy urging those State Senators who have not yet given their names in support of the current FEPC bill before the legislature, to do so immediately.

We are hereby urging your committee to take similar action.

We are forwarding a copy of this letter to your State Senator, James J. McBride.

Hoping for successful passage of this bill,

Very truly yours,

*Mary McKeown*
