

welcome to

CALPOLY

On behalf of the Open House Executive Committee, I am proud to be among the first of many to welcome you to Cal Poly and the 6th Annual Open House. Our theme this year is "Breaking New Ground" and promises to be bigger and better than in previous years. This spectacular two-day event is the culmination of an entire year of hard work and dedication by the student-run committee, student clubs, faculty and staff.

Whether you are a prospective student, parent, current student, alumnus, faculty, staff or member of a surrounding community, this year's Open House has something for you. We again welcome the Cal Poly Spring Rodeo, Open House Tractor Truck Pull and IEEE's RoboRodentia 5 and are proud to announce new events such as the Equestrian Club's Horse Show and the first ever Open House Golf Classic.

Friday, Admitted Students Day, is primarily focused on students that have been conditionally admitted to Cal Poly, and their parents. It is on this day when you can get a feel for the fine academics that Cal Poly is known for nation-wide. Take full advantage this opportunity to talk to faculty, tour your department and ask as many questions as you can. The colleges have been preparing for your visit since last year's Open House, and are excited to have you here.

Saturday is a showcase of student life, and is open to the public. Departments are still open for tours of displays and exhibits, and in addition, over 200 student clubs and organizations set up educational, informational and concession booths for you to visit. While you explore the club booths, don't miss our special events. Main Stage events on Dexter Lawn showcase special club performances, the Second Stage at the Library Amphitheater provides music by local and student groups, and the Carnival area is a great place to bring the kids for fun and exciting games. Experience the excitement of the Rodeo, Tractor Pull and Horse Show. So bring your eyes and appetite and be sure to check out food booths serving everything from Korean BBQ to tri-tip sandwiches and ribs.

Above and beyond anything else, have a great time exploring Cal Poly and everything that we have to offer. We hope you enjoy Open House 1999!

ALUMNI

Cal Poly Alumni Association

The Cal Poly Alumni Association is about relationships. Not just creating them, but enhancing existing ones and building on new ones between you and Cal Poly, your professors, your classmates, your WOW group or any of the more than 350 groups and organizations you may have been involved in.

Our goal is to be the link to some of your fondest memories. To do this for 95,000 alumni, we rely on two sources of support:10,000 active members who provide the lifeline of the Association and its programs and creative partnerships with organizations such as MBNA and Harris Directory where we are able to provide a valuable service as well as generate revenue for the Association. Through these endeavors, we are able to support admissions outreach with alumni networks, enhance student life with valuable programming, student scholarships, Open House and Homecoming as well as assist alumni with regional development such as relocation and career networking and leadership support.

Thank you for your love and support of Cal Poly. While you're on campus, please visit our booth on Dexter Lawn. We have something for everyone!

8:30-9:30 AM Continental Breakfast (Members only)
(Plaza in front of Dexter Lawn)

9:00-4:00 AM Alumni Association booth with representatives from every college. Come and get your free gift from MBNA.

Congratulations Incoming Cal Poly Students!

Get Your Financial Service Needs Covered At The Golden 1!

The Golden 1 Credit Union offers Cal Poly students and their families a full range of low-cost financial services - with many products designed to meet the special needs of students. And our office is conveniently located just 2 blocks from campus!

You And Your Family Are Eligible To Join!

As a student of Cal Poly SLO, you and all the members of your family are eligible to join The Golden 1. All it takes to join is a one-time \$1 membership fee and \$25 deposited into a savings account. The Golden 1 is California's largest credit union, with over 50 offices and 190 ATMs statewide to serve members

Check Out Our Student Pack!

To meet students' financial service needs in one easy-to-use package, The Golden 1 offers the Student Pack. The Student Pack provides a package of financial products designed exclusively for full-time university students.

Student Pack Features:

- A Golden 1 Student VISA Card, with low rates, no annual fee, and no co-signer.
- A Student Pack Checking Account with no monthly service charge and a \$200 line of credit for overdraft protection.
- A Golden 1 ATM Card or ATM/Check Card.

We Offer Student Computer Loans!

Today, a personal computer is a basic necessity for most students, and the Golden 1 offers low-rate student computer loans.

Apply for a student computer loan at our San Luis Obispo office and take advantage of loan amounts up to \$5,000* for terms up to 48 months.

To learn more about The Golden 1 or to become a member, visit our San Luis Obispo office or call 1-800-448-8181 or (916) 732-2900.
