

Dear Miss Morgan:

The cost
of the bath room furnishings
for A is \$2541.50. This is
an extravagant price and
if I had known it I would
never have authorized
it.

You submitted estimates
on cost of floors walls
and everything else. I think
I should have had an estimate
on this stuff - half of which
I won't use and the other half

I could very well have
gotten along without.

Hereafter will you kindly
submit estimates on any
proposal that runs into
money.

In most cases the cost
can be modified and in
some cases eliminated
entirely.

Sincerely

W R Hearst.

P. S. There is further the
matter of the design. It is
not what Mrs Hearst had
in mind. This too could
have been corrected if the
design had been submitted

along with the estimates

In fact it seems to
me that the way to do
these domestic things
personal furnishings
walls, ceilings, carpets,
shutters that we have
to live with is to submit
the designs and the estimates.

Will you kindly proceed
in these matters as we
did in regard to the ceiling
and design.

Yours very sincerely

W R H
