Mr. William Randolph Hearst
La Cuesta Encantada
San Simeon, California

Dear Mr. Hearst:

Thank you for the drawings of the
Bear Fountain and the copy of the letter from Miss
Gaertner.

While in Italy, I came across a
number of such cruel instances of similar treatment
of her co-religionists -- people of such fine quality,
that the cruelty of it all makes one unhappy to think
of it, particularly when there is so little a person
like myself could possibly do.

I like the fountain very much
and think that it is ideal for Wyntoon. It would be
very interesting if the sculptress could have the
opportunity to see it erected as well as to "unveil" it.

If there is anything you can think
of that I can do, I would appreciate your letting me know.

Very truly yours,

JM:F
