

SPECIAL AND INTERDISCIPLINARY PROGRAMS

The college has certain programs whose organization or administration does not fall within a single department. These programs are described or referred to in this section. Successful completion of courses in these programs, with minor exceptions, will lead to credit which may be applicable to certain departmental or college requirements. Interested students should consult the appropriate advisers.

ASIAN AREA COURSES

Fresno State College offers courses in many disciplines which are concerned with South, Southeast, and East Asia. Although there is no degree program in Asian Studies, by appropriate selection of electives a student can secure a useful background of study in this area as preparation either for graduate study or for his vocation. The faculty advisers in this area are: P. J. Mistry (Linguistics), S. Chang (History), G. Nasse (Geography) and S. M. Oppen (Art).

The following list includes the upper division and graduate courses most directly concerned:
