## *“How to be a Chicana Role Model”*

*Centennial High School*

*Performing Arts Center*

*October 17, 2003*

*6PM*

***Through writing, young people can break down negative and demeaning stereotypes of their own community. But the majority of the students I speak to haven't read anything that's similar to their world. So, if I were them, I'd challenge a teacher about that or pick one person who is supportive about my writing, my voice. It's not always going to be your teacher, your parent or even your best friend.***
