Cal State Fullerton Campus

California State University, Fullerton is a broadly based liberal arts institution that also offers many professional studies such as business administration, education, engineering and nursing.

Classes were offered for the first time in 1959 and the first commencement — for five students — took place in 1960.

The university's 23,500 students come primarily from Southern California with many from other states and other nations. Most students commute each day to and from classes; many come to classes only in the evening.

Drawn from throughout the world, the 750-member faculty is noted for its commitment to effective teaching and scholarly activity. Research is actively pursued, typically with students involved.

The university enjoys full accreditation for its overall program. In addition, national recognition has been accorded to programs in art, athletic training, business, chemistry, communications, education, engineering, music, nursing, public administration, speech and hearing, and theater. All told there are 85 degree programs — 41 of them at the graduate level plus several credential programs and five certificate programs.

Reinforcing classroom instruction is an internship and cooperative education program that allows students to gain on-the-job experience while continuing their regular studies.

Another amenity is the extended education program. It provides classes, workshops, conferences and study tours without the formalities of regular admission to the university.

Still another strong point is the university's cultural events program. It includes a series that brings nationally-known professional artists to the campus for residencies as well as public performances and the Cabaret Repertory Theater Company, which performs regularly in Brea.

An extensive recreation program aimed chiefly at students but also open to community members is another highlight, as is the network of community support groups. Another is Continuing Learning Experience, which has spearheaded the fund-raising campaign to build a gerontology center on campus.

Further examples of community outreach are joint ventures with the City of Fullerton. One resulted in the Fullerton Arboretum, which opened on campus in 1979. Another produced lighting for the baseball field and adjoining soccer fields, while a third yielded two lighted softball fields.

To reinforce the university's commitment to high academic standards and community services, Cal State has embarked on a comprehensive fund-raising campaign. Its purpose is to raise the necessary non-state funding to make a very good university a great university.

ADMINISTRATION

Dr. Jewel Plummer Cobb, President

Dr. Jewel Plummer Cobb was appointed the third president of Cal State Fullerton on July 8, 1981. Her selection was the culmination of a nationwide search begun in November, 1980 to replace Dr. L. Donald Shields, who had resigned after a ten-year term to accept the presidency of Southern Methodist University.

Dr. Cobb had served as Dean of Douglass College at Rutgers, the State University of New Jersey, since 1976. There she also held the rank of Professor of Biological Sciences. Prior to her Douglass appointment, she was Dean of Connecticut College and Professor of Zoology for seven years. Previously, she was Professor of Biology at Sarah Lawrence College in New York.

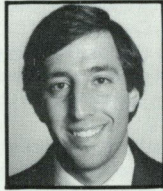

Born in January, 1924, Dr. Cobb is known for her work in cell physiology, her promotion of the advancement of women in scientific fields and her activities on behalf of minorities. She is the first black woman to head a major public university on the west coast.

Cobb earned her bachelor's degree in 1944 from Talladega College in Alabama and her M.S. and Ph.D. in cell physiology from New York University in 1947 and 1950, respectively. She is the mother of a son, Jonathan, who is a graduate of the Cornell University Medical School.

HEAD COACH JUDI GARMAN

Beginning her seventh season at Cal State Fullerton, Judi Garman has led the Titans to no less than a ninth place national finish in her six-year tenure while picking up 300 career victories along the way, a remarkable feat for the only coach in the program's history.

Garman established the program in 1980 and finished third in the conference, second in the region and ninth place nationally. Since then, Garman's teams have won every conference and five out of six regional championships while finishing second at the College World Series in 1981 and 1983 and third in 1982 and 1985.

Garman's instant success at Fullerton is only the latest in a remarkable string of accomplishments which stretch across the continent from Canada to the University of California, Santa Barbara to Golden West College in Huntington Beach to Cal State Fullerton.

At Golden West College in 1971, she inherited a team which was winless the previous year and took it to a 9-8 showing. Over the next four years she captured her first conference crown and the first of her four national championships.

Starting with nothing at Fullerton, she has taken the Titans to the College World Series in her first four years. Just missing the national twice while settling for second place.

Garman earned her bachelor's degree from the University of Saskatchewan in 1966 and immediately moved to California where she began working on her master's degree at UC Santa Barbara. While at Santa Barbara, she started club softball and soon had a varsity team. Upon completion of her studies she took the women's athletic directorship at Westmont College in Santa Barbara and coached the volleyball, basketball and tennis in addition to softball.

Garman then moved to Golden West College where, along with softball, she coached basketball (1973-76) and cross-country (1977-79). Twenty-one of her softball players received scholarships to four-year institutions, against who she manufactured a 34-11-2 record over the years.

In great demand as a speaker and instructor at clinics, Garman has conducted her own sessions at Golden West College and Fullerton, attracting hundreds of coaches and young softball players. She has also taken a Titan team to Sweden for a series of clinics and exhibitions.

Fishing and snow skiing occupy Garman time away from softball field. She has also been published in many physical education journals and was a pioneer in the equality in sports movement when she played Little League baseball.

TOTALS	300	82	2	.781			

ASSISTANT COACH KATHY VAN WYK

Kathy Van Wyk begins her fourth year as the Titans' assistant coach after a highly successful playing career at Cal State Fullerton and Texas Women's University.

Van Wyk, 25 had a sensational one year pitching career at Fullerton after transferring from Texas Women's University when its softball program was dropped. At Fullerton she compiled a 35-1 record with an earned run average of 0.18 and 270 strikeouts in 278 innings pitched. She was named both NCAA and AIAW All-American while receiving the Broderick Award for the nation's top softball player. Van Wyk also received an NCAA post-graduate scholarship.

At TWU she was a member of the 1979 AIAW National Championship team and was named Texas AIAW Player of the Year. In 1980 she was nominated for the Broderick Award after compiling a 40-6 record with three perfect games. In 1981 her record was 11-9 with a 0.63 ERA in 133 innings. She was also an ASA All-American when she played for the Orlando Rebels in 1979.

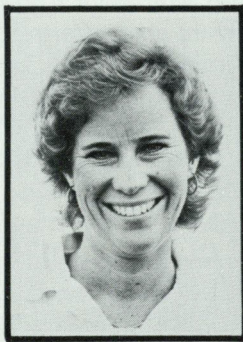

Van Wyk was born in Holland Michigan on July 21, 1960 and attended Holland Christian High School. She was named to the all-conference team and she played on the 1979 state championship team. She also played two years of volleyball and three seasons of basketball. In basketball she was once all-city and twice all-conference.

After coming to Fullerton she ran her pitching record to 33-0 before losing her first game in the College World Series and was named County Athlete of the Year by the Orange County Sportwriters Association for sports other than football, basketball or baseball.

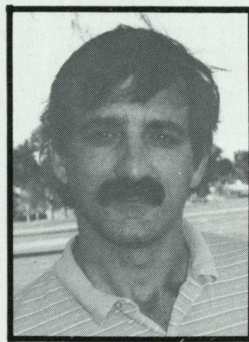

Last March, Kathy took her pitching talents to Australia to compete for the US National team at the World Friendship Tournament.

TITANS LOOK TO CONTEND AGAIN IN 1986

Loaded with two returning first-team All-Americans, the winningest pitcher in the program's history, one of the nation's top recruiting classes and 300 career wins, Cal State Fullerton Softball Head Coach **JUDI GARMAN (300-82-2)** has got to be excited about the Titans chances in 1986.

"Certainly we have some outstanding talent returning this season," notes the six-year coach. "But there are still some questions that are going to be answered before the season starts."

Lost off last year's third-place (NCAA Championships) team are first-team All-America pitcher Debbie Mygind (28-4, 0.27 ERA), starting rightfielder Lisa Baker (.262, 18 doubles), centerfielder Leslie King (.268), shortstop Lisa Noriega (.227) plus former all-conference catcher Maridee Richards (.185).

"When you lose two-thirds of your outfield, plus a starting pitcher of Debbie's caliber, you would certainly have areas of concern," notes Garman. "But with our new recruits, plus the off-season progress of some of our returners, I think the team should come together."

Headlining the returning class are senior All-Americans **JOANN FERRIERI** and **TERRI OBERG**. Ferrieri proved to be the nation's finest third baseman after hitting .328 for the season and closing out the year by being picked to the All-College World Series team. Leftfielder Oberg posted a marvelous offensive campaign last year with 7 HR's, 8 triples, 6 doubles and 35 RBI's. Oberg will move from the outfield to a possible starting spot at shortstop while also offering relief at catcher and third base thus leaving three outfield spots to be filled. Speed will be the name of the game for the Titan outfield as fleet JC transfer **CHENITA ROGERS (.703)**, returning senior **DIANE DODD (.172)** and redshirt sophomore **RINA FOSTER** presently hold the advantage. Yet some outstanding talent wait in the wings including newcomer **ALANI SILVA**, one of the nation's top JC hitters, powerhitting JC transfer **YVONNE SOLIS** or versatile returner **CORINA SMITH**. Silva and Solis seem the logical choices as the designated hitters.

"I am very pleased with the way our outfield presently stands," adds Garman. "We were able to acquire some additional power plus improving our overall team speed, a real priority."

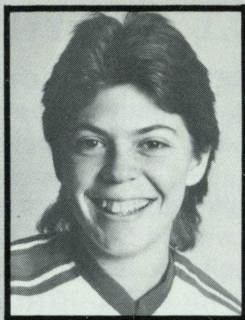

With Ferrieri set at third, shortstop should be either Oberg, UCLA transfer **CHERYL DAZALLA** or freshman **CHARIS MONROE**. Sophomore **VALERIE VAN KIRK (.160)** showed exceptional defensive talent and poise for a freshman and should be a lock at second base. Gold glove first baseman **ROBIN GOODIN** posted her finest all-around season after hitting .250, including a CWS home-run off UCLA's Debbie Doom. Freshman **ANDREA GRAY** will understudy Ferrieri at third base.

The departure of Richards leaves junior **MICHELLE GROMACKI** (.180) as the heir apparent to the catching job but competition could come from freshman **KRISTEN GOODALL** and Oberg, who has been recently working out at the position.

SUSAN LEFEBVRE, an All-American as a freshman, returns for her collegiate finale after posting a very fine 23-6 record with an ERA of 0.52 in 1985. She will be joined by the nation's top JC pitcher last year in **CONNIE CLARK** of Central Arizona CC. Look for junior **APRIL JONES** to see some action as will Ferrieri, who pitched for the Titans in her first two years.

The 1986 Titans will be shooting for a fifth appearance at the College World Series after only six years of existence. Last season, Fullerton spent a good portion of the year atop the national rankings only to fall to eventual NCAA Champ UCLA in the CWS semi-finals. The most glaring question of note remains how well the recruiting class can adapt to Division I softball plus the off-season development of the returners. Should all come together as expected, Fullerton should find a way to Omaha once again in 1986.

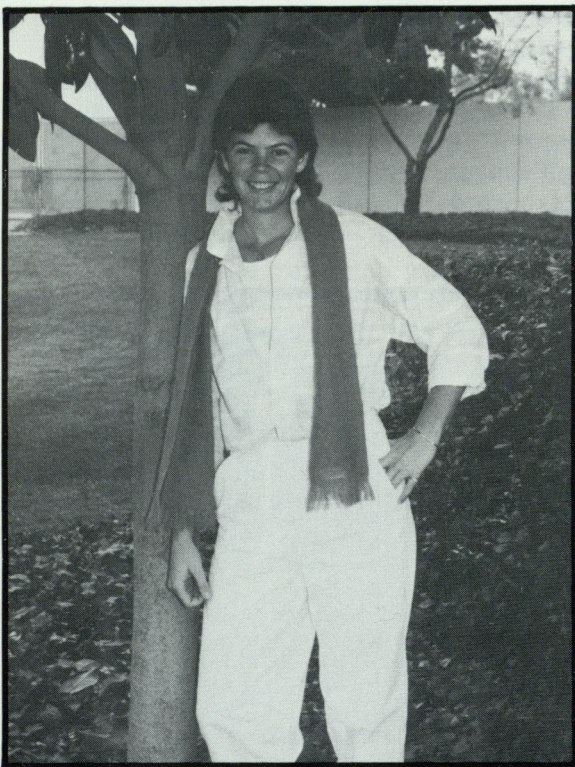

Connie Clark 20

Pitcher

5-10 Junior

Phoenix (Central Arizona CC), AZ

The nation's top JC pitcher in 1985, Connie will be expected to immediately fill the void left by the graduation of Debbie Mygind . . . An outstanding competitor according to her teammates who gets better with the game on the line . . . Throws a variety of pitches including a fastball, curve and an outstanding riseball. . . Attended Central Arizona Junior College where she posted a record of 24-2 last season. . . Named JC All-American. . . One of her two losses came in an exhibition game against Cal State Fullerton . . . All-State softball player at Greenway High School in Phoenix. . . Played ASA ball for the Sun City Saints along with former UCLA All-American Debbie Doom. . . Parents are Tom and Kathy Clark. . . Chose Fullerton over Arizona State.

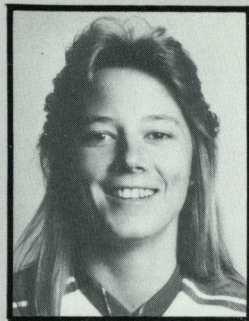

COACH GARMAN: In our first game last year Connie struck out 14 Titans. At that point we knew that we wanted her on our side. She has a great riseball and has improved her curve. Connie has a lot of experience and poise and will combine with Susan to give us the best pitching duo in the country.

2 Cheryl Dazalla

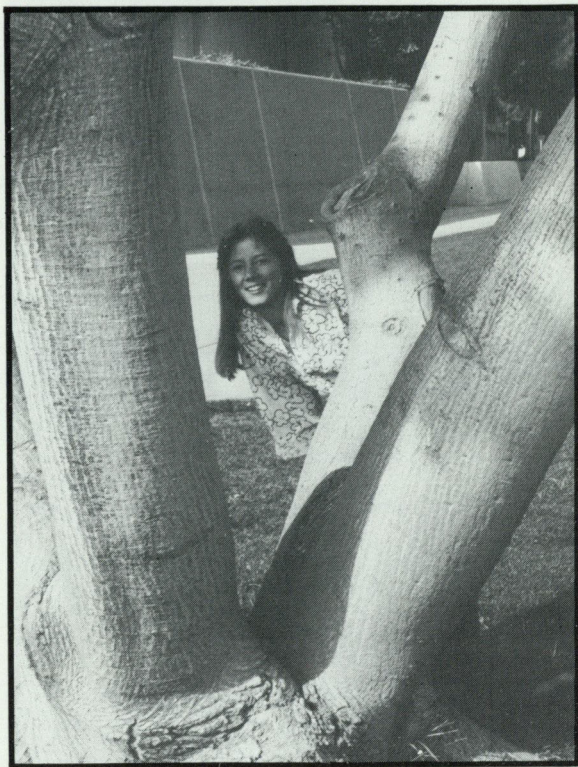

Utility

5-4 Sophomore

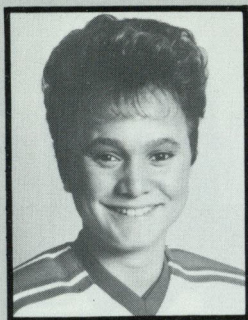

Valinda (Bishop Amat HS), CA

Transfer from UCLA who will offer immediate help at several different positions for the Titans. . . Should compete for the starting shortstop position while offering relief at any of the outfield positions. . . Star athlete at Bishop Amat High School where she was the softball MVP. . . Very highly recruited out of high school... Also competed in basketball. . . All-CIF selection in softball. . . Competed in the ASA for the West Covina Mustangs and Touch of Class. . . Parents are Tom and Shirley Dazalla.

COACH GARMAN: We are very happy that Cheryl chose to join our program. She will be a valuable asset because of her talent and her versatility. Cheryl is blessed with terrific defensive skills that I am sure will come into play for us this season.

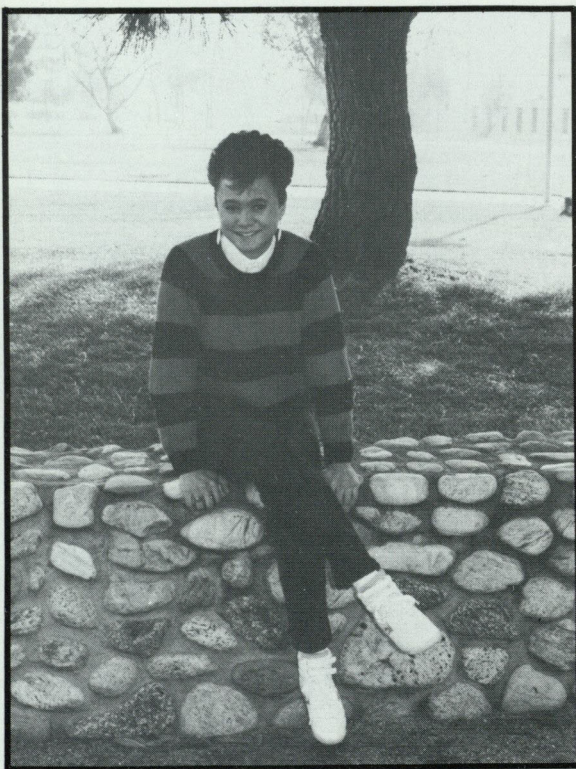

Diane Dodd 12

Outfield

5-5 Senior

Whittier (Fullerton JC), CA

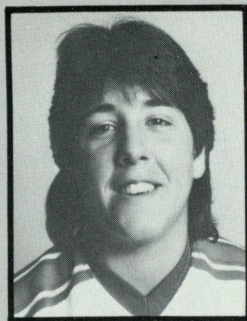

Expected to vie for a starting outfield spot this season after serving as an understudy in 1985... Great defensive player with outstanding speed... Did not enjoy a great season with the bat last year but has shown marked improvement in the fall... Played a key role in the College World Series when she was able to sacrifice the eventual winning run to third in the eighth inning of Fullerton's semi-final victory over Cal Poly Pomona... Awarded the 1985 Captain's Award for her strong leadership abilities... Outstanding athlete at Fullerton Junior College where she earned all-state honors in her freshman and sophomore seasons... Attended La Habra High School where she earned All-CIF honors in softball in her senior season... Parents are Fred and Beverly Dodd.

COACH GARMAN: Though she struggled with the bat last year, Diane always hustled, worked hard and never quit. Between seasons she worked on her hitting and we look for her to hit the ball like she's capable. Defensively, she is an excellent outfielder with a very strong, accurate arm.

1985	51	87	7	15	2	0	0	3	3	3	1	15	1-4	.172

21 JoAnn Ferrieri

Third Base

5-6 Senior

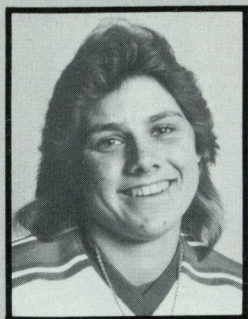

Parsippany Hills (PH HS), NJ

One of the nation's outstanding hitters... Culminated last season by being named a first-team All-America after leading the Titans with a .328 average... Also named to the all-tournament team at the College World Series after leading the event with a .437 average... Broderick Award nominee along with teammate Debbie Mygind... Great defensive player who posted a .966 fielding percentage at third base in 1985... Led the Titans with 64 hits while only striking out five times in 195 at bats... Is also capable of stepping into the Titan lineup as a pitcher... One of the finest softball players to come out of the New Jersey prep ranks... Three-time all-state selection at Parsippany Hills HS... Appeared in SPORTS ILLUSTRATED's "Faces in the Crowd" section... Parents are William and Carole Ferrieri.

COACH GARMAN: Her consistency is what makes her such a good ballplayer. JoAnn had a great season last year and we expect her to lead the team again this year. She is so fundamentally sound with the bat that she hits the ball hard everytime. That, together with her attitude, determination and desire, make her a great athlete.

	G	AB	RUN	HIT	2B	3B	HR	RBI	SAC	BB	HP	SO	SB-A	AVG.

Totals	172	438	45	130	18	1	1	46	21	20	2	24	3-4	.296

Rina Foster 5

Outfield 5-4 Sophomore

Las Vegas (Chaparral HS), NV

Another outstanding offensive and defensive threat for the Titans who will compete for the starting spot in centerfield... Sabbatical in 1985 to concentrate on academics... Great contact hitter who will complement the lineup with her switch hitting abilities... Enjoyed a very fine freshman season after hitting .273... Also posted a fielding percentage of .966... Called the "Pete Rose of softball" by Coach Garman... Twice named to the all-division and all-conference teams... Chaparral High School MVP for two years... Played on the Zone B Nevada State Champions... Also played volleyball on the state champion team... Parents are William and Carole Foster.

COACH GARMAN: Rina is the most aggressive outfielder we've ever had at Fullerton. She dives for balls better than anybody I have ever seen. Rina is a terrific hustler who combines talent with enthusiasm.

	G	AB	RUN	HIT	2B	3B	HR	RBI	SAC	BB	HP	SO	SB-A	AVG.
1984	53	66	22	18	3	1	0	13	9	5	0	8	1-2	.273

22 Kristen Goodall

Catcher 5-10 Freshman

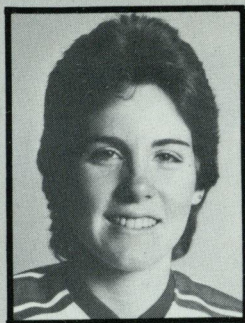

San Diego (Mission Bay HS), CA

Should complement incumbent Michelle Gromacki as an understudy this season ... Multi-talented athlete at Mission Bay High School in San Diego where she was a two-time All-CIF selection ... Also played basketball, volleyball and field hockey. ... Two-time all-league player in basketball. ... Parents are Rhonda and Sly Goodall. ... Chose Fullerton over UCLA, San Diego State and Oregon.

COACH GARMAN: Kristen is a physically strong athlete who can hit the ball very hard. In high school, she tied Trish Mang's (former UCLA All-American) home run record so we know that she's in good company. Even though it may take time for her to adjust to this level, she certainly has all the tools to be a good player for us.

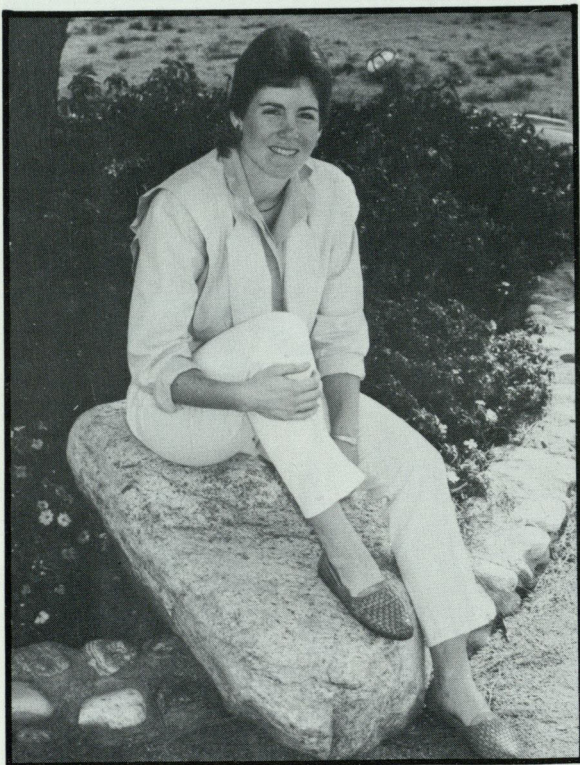

Robin Goodin 16

First Base

5-8 Senior

Bakersfield (West HS), CA

Came into her own as a junior and tallied her finest collegiate season. . . Bat .250 during the year that was headlined by a home-run off UCLA All-American Debbie Doom in the College World Series. . . The four-banger was the first of her college career. . . Has long been considered one of the premier defensive first basemen in college softball . . . Committed only eight errors in 644 chances last year. . . Posted a fielding percentage of .988... Strong candidate for post-season honors this year. . . Outstanding high school player for West High School in Bakersfield where she hit .524 in her senior year. . . Three-time team MVP. . . Fine student with a GPA of 3.0 at Fullerton. . . Parents are Richard and Fran Goodin . . . Opted for Fullerton over UCLA.

COACH GARMAN: I hate to think that this will be Robin's last season. Defensively, she is the best first baseman in the country, plus last year she gave us some big hits, particularly against UCLA. We fully expect Robin to have her best year ever.

	G	AB	RUN	HIT	2B	3B	HR	RBI	SAC	BB	HP	SO	SB-A	AVG.
1983	49	7	0	0	0	0	0	0	0	1	0	4	0-0	.000
1984	59	2	1	1	0	0	0	1	0	0	0	0	0-0	.500
1985	64	108	15	27	2	0	1	9	5	2	0	17	1-1	.250
Totals	172	117	16	28	2	0	1	10	5	3	0	21	1-1	.239

4 Andrea Gray

Infield

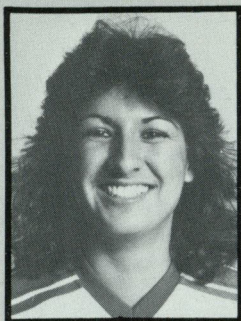

5-8 Freshman

La Canada (La Canada HS), CA

Has proven to be a very pleasant surprise to the coaching staff this season.. Should understudy JoAnn Ferrieri at third base. . . Walked-on in the fall and proceeded to earn a spot on the roster. . . Already possesses very fine hitting skills and also has very strong willingness to learn.. Two sport athlete at La Canada High School where she was softball team MVP ... Also played basketball. . . Great academic record with a 3.5 GPA. . . Parents are Michael and Anita Goodall.

COACH GARMAN: We were very impressed with how hard Andrea can hit the ball plus her strong command of fundamentals. Although she lacks the experience against the type of pitching we face, we are very eager to see how she develops.

Michelle Gromacki 10

Catcher

5-7 Junior

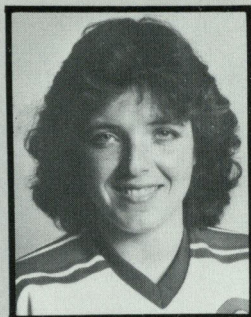

Antioch (Butte College), CA

Enters the 1986 season as the squad's number one catcher... Split time behind the plate last year with Maridee Richards... Finished the year hitting .180 in 50 at bats... Also possesses some power as evidenced by her two home-runs last year. . . Has proven to have very good speed. . . Stole three bases for the Titans... Failed to commit an error last season. . . Transferred from Butte College in Antioch, CA as a sophomore... Three-time team MVP at Antioch High School. . . Parents are Rick and Adeline Gromacki.

COACH GARMAN: Michelle can call a very good game and her personality is a real plus in terms of working with the pitcher. She has a strong arm and good quickness. During the off-season, she has gained more confidence with the bat and we fully expect her to be that much stronger for us this season.

	G	AB	RUN	HIT	2B	3B	HR	RBI	SAC	BB	HP	SO	SB-A	AVG.
1985	39	50	8	9	1	0	2	5	2	4	0	13	3-5	.180

3 April Jones

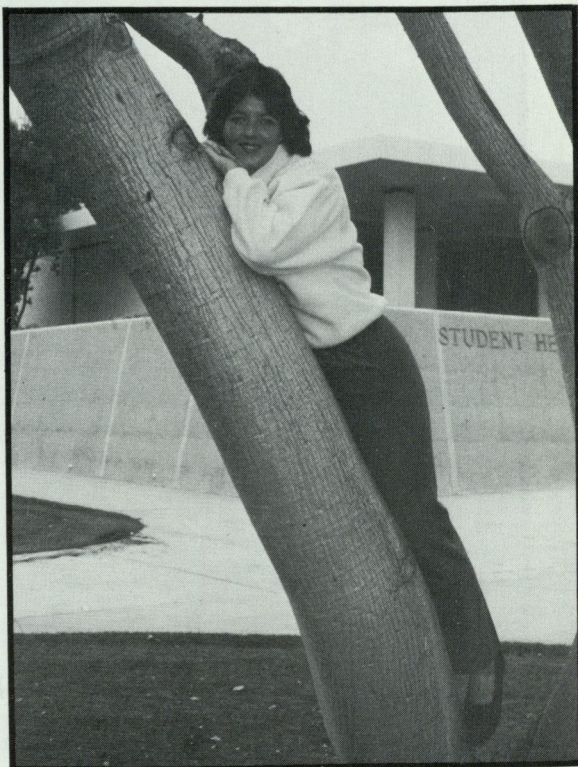

Pitcher

5-10 Junior

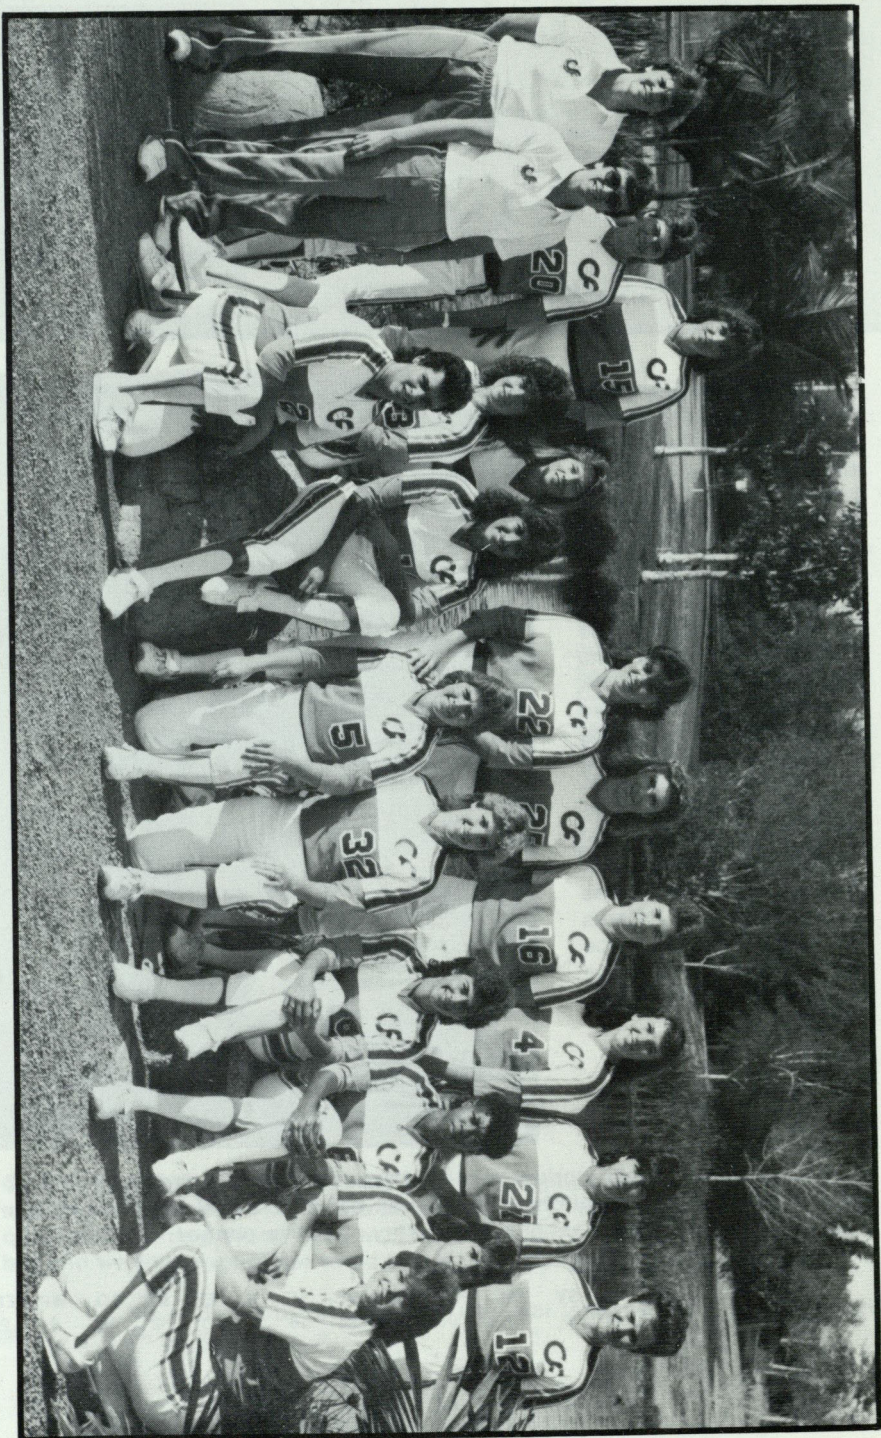

Carmichael (American River Coll.), CA

Proved to be an impressive pitcher for the Titans in limited action last season. . . In starting five games, she posted a 3-0 record including a no-hitter versus UC Riverside. . . Has improved upon her screwball and added a curveball to her repertoire . . . Should once again see action in spot situations behind LeFebvre and Clark . . . Transferred as a sophomore from American River College with a 28-9-1 record and an era of .73. . . Was team MVP and the school's co-athlete of the year. . . Attended Del Campo High School in Carmichael where she was all-conference. . . Parents are Stan and Florence Jones. . . Opted for Fullerton over Pacific and Fresno.

COACH GARMAN: April worked very hard over the summer and showed a lot of improvement in her pitches. If she can be more consistent for us this season, I would expect that she'll be a very effective pitcher.

Susan LeFebvre 32

Pitcher

5-7 Senior

Bellflower (Bellflower HS), CA

One of the program's all-time great pitchers will graduate this season holding the vast majority of the school pitching records... Enjoyed a very fine junior season by posting a 23-6 with an era of 0.52... 1983 All-American ... Showed great poise and competitiveness in her final outing of the season against Cal Poly Pomona in the College World Series. . . Came into the game with runners on 2nd and 3rd with two out in the sixth and the game tied at one. . . Forced the Bronco batter to pop-up and shut-out Pomona the rest of the way to pick up the victory... Three-time all-league and All-CIF selection at Bellflower High School ... CIF Player of the Year in 1982. . . Second cousin to former LA Dodger Jim LeFebvre. . . Parents are Ron and Donna LeFebvre.

COACH GARMAN: The dean of our pitching staff, we look for Susan to have a year like she did as a freshman. She is coming off a super summer and she should have the confidence to keep it going.

25 Charis Monroe

Utility

5-9 Freshman

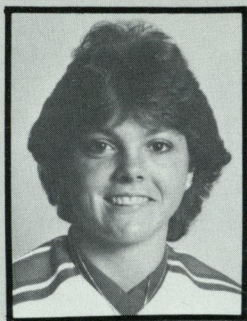

Huntington Beach (Ocean View HS), CA

One of the several top recruits brought in by Coach Garman... Capable of playing shortstop or any of the outfield positions for the Titans ... All-CIF performer at Ocean View HS in Huntington Beach ... Combines good speed with a fine arm and is capable of making an immediate impact on the team... Also played for the Orange County Batbusters in the ASA ... Parents are Elliott and Jill Monroe... Opted for Fullerton over UCLA.

COACH GARMAN: I have followed Charis for a number of years and we are very pleased that she is now a Titan. She combines good speed, range and a strong arm plus can hit. Charis has all the tools and experience to make an immediate impact.

Terri Oberg 7

Shortstop **5-7 Senior**

Campbell (West Valley JC), CA

Enjoyed an amazing season for the Titans that led to being named to the first-team All-America squad. . . Tremendous hitter who hit a team and conference (WCAA) high seven home-runs, eight triples and 35 RBI's. . . Played 1985 in leftfield but will be transformed into a collegiate shortstop this season after enjoying great success in the ASA ranks. . . Will combine with Ferrieri to give Fullerton an All-American tandem on the left side of the infield. . . Two-year all-conference and all-state selection at West Valley Junior College. . . Also played basketball. . . Attended Blackford High School where she earned three all-league notations and named school's athlete of the year in 1982. . . Parents are Don and Jo Oberg. . . Opted for Fullerton over UCLA, Pacific and Fresno.

COACH GARMAN: This year, Terri will play the infield where she feels more comfortable. We will still look for Terri to hit the ball out of the park for us but we are concentrating on her making more contact.

1985	61	181	24	54	6	8	7	35	5	4	0	40	1-1	.298

6 **Chenita Rogers**

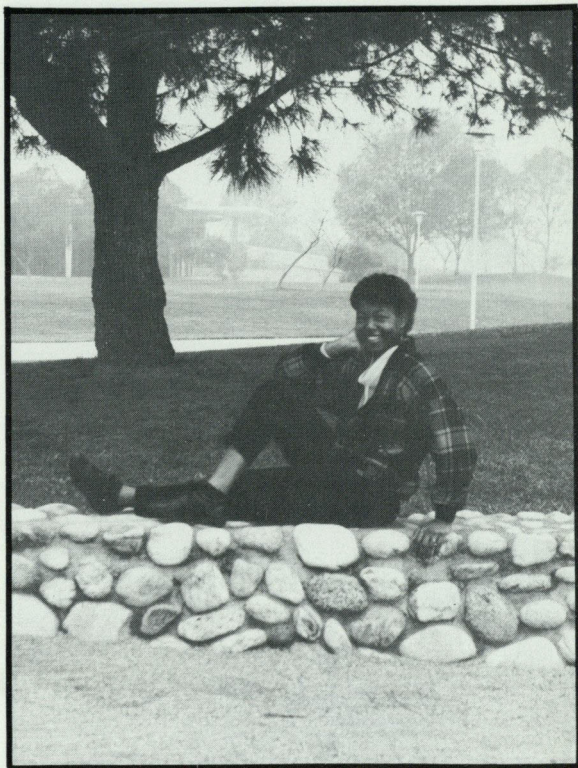

Outfield

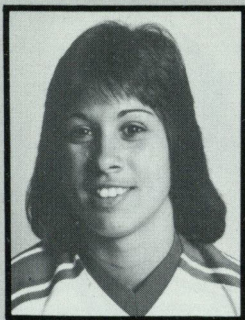

5-7 Junior

Sacramento (Sacramento CC), CA

Another one of the program's exciting newcomers... Coach Garman expects Chenita to immediately step into one of the outfield spots. . . Blessed with tremendous speed that led to her posting a batting average of .703 at Sacramento City College... Earned All-America honors in the ASA ranks for the Sportstime Express in Northern California. . . One of the team's hardest workers ... Attended Luther Burbank High School in Sacramento ... Parents are Harold and Mary Rogers.

COACH GARMAN: With her speed, Chenita will make a lot of things happen for us offensively and defensively. One of our team's priorities was additional speed and Chenita will give a lot of teams fits. She is working very hard and we really enjoy having her on the team.

Alani Silva 18

Outfield/DH 5-5 Junior

Santa Ana (Rancho Santiago JC), CA

JC transfer for the Titans who combined speed with outstanding power. . . One the top JC players in the state last year at Rancho Santiago Community College . . . Conference, regional and state tournament MVP. . . Should compete for one of the outfield spots or DH for the Titans. . . Attended Kauai High School in Kalaheo Kauai, Hawaii. . . High school team MVP. . . Parents are Paul and Helen Silva. . . Opted for Fullerton over UCLA.

COACH GARMAN: A super athlete and a great competitor who pitched and hit Rancho Santiago to the state championship. Alani is a very strong, very fast athlete who can hit the ball out of sight. We are also very excited about how well she's doing in the classroom.

13 Corina Smith

Outfield

5-7 Junior

Vista (Vista HS), CA

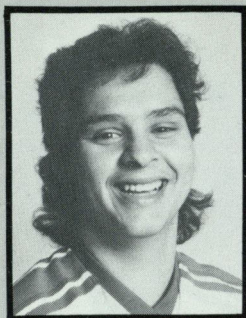

Saw limited action last season as a defensive replacement but could become a bigger factor this season ... Blessed with good speed, Corina often entered games last season as a pinch runner... Possesses a great team attitude... Tallied one hit in three at bats last year but still got into 32 games for the Titans. . . Should benefit from last season's experience. . . Two-time all-league selection at Vista High School in North San Diego County... Lettered in tennis, basketball as well as softball as a prep... Outstanding student with a 3.67 high school GPA. . . Parents are Vernon and Jeanne Smith.

COACH GARMAN: Corina gained a great deal of valuable experience last season and contributed in a number of ways. We all really appreciate her team attitude.

	G	AB	RUN	HIT	2B	3B	HR	RBI	SAC	BB	HP	SO	SB-A	AVG.
1985	32	3	8	1	0	0	0	0	0	0	0	0	0-0	.333

Yvonne Solis 23

Outfield/DH 5-5 Junior

Anaheim (Orange Coast JC), CA

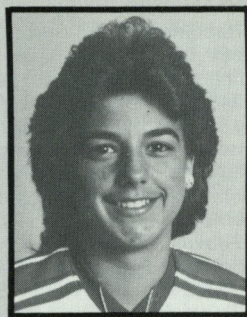

Strong hitter for Orange Coast College last year who could possibly see some action this season as a designated hitter or an outfielder. . . All-conference selection at OCC. . . Three-sport star at Western High school where she competed in volleyball, basketball as well as softball. . . Team MVP in softball. . . Parents are Pablo and Benita Solis . . . Opted for Fullerton over Oregon State and Indiana State.

COACH GARMAN: Yvonne is another player that can hit the ball very hard. She also has the experience to come into spot situations and hit the ball in the clutch.

8 Valerie Van Kirk

Second Base 5-3 Sophomore

La Puente (Workman HS), CA

Proved to be an outstanding find for the Titans last year while starting the entire year as a freshman second baseman. . . Despite not enjoying a great year at the bat (.160), Valerie showed tremendous poise defensively while committing only six errors in 246 chances (.976 FP)... An exciting player to watch who is also very quick on the base paths. . . All-CIF performer at Workman High School in La Puente . . . Three-time all-league selection in basketball, volleyball and softball. . . Second-team All-San Gabriel Valley. . . Named to Who's Who Among American High School Students. . . Played for the Inland City Raiders and the California Raiders of the ASA. . . Parents are Wayne and Dora Van Kirk.

COACH GARMAN: I thought that Valerie had a tremendous year for us defensively. As a freshman, she seemed to be the one who always had to make the big play and she always did it. Now that she is used to the pitching, I expect her to do well with the bat. Valerie has to be considered an All-American candidate at second base.

1985 COLLEGE WORLD SERIES

Heading into their fifth CWS in six seasons, the Titans felt confidently that they could break the jinx and take the national championship. Fullerton was the tournaments' number one seed and had handily defeated all competition throughout the regular season. In that a vast majority of CWS teams had fallen to Fullerton during the year gave the Titans all the more confidence and security. But this was the national championship where a hot team can run the gamut into the title.

Fullerton was coming off a relatively easy regional championship series with Central Michigan with back to back 5-0 victories. The Titans had relied all season on strong bats (Ferrieri .328, Oberg 7 HR, 8 3B and 35 RBI's) plus outstanding pitching (Mygind 26-3, LeFebvre 22-5) and the Chippewas learned that early in both games before bowing out. The Titans were ready for the College World Series.

GAME #1: If the Titans came into their first game of the tournament overconfident, that wore off quickly as the pitchers' duel between Mygind and Adelphi's Julie Bolduc carried into the eighth inning tied at 0-0. After entering the eighth inning, the game went to the international tiebreaker whereby a runner, the last batter to get out, starts at second base. For Fullerton in the top of the eighth, Leslie King opened up the inning at second. Right fielder Lisa Baker sacrifices King to third but is thrown out at first. JoAnn Ferrieri next steps up to the plate and proves why she is an All-America by lining a single to left-center. She is thrown out trying to stretch it to a double but the run still scored giving Fullerton a 1-0 lead. Oberg closed out the inning flying out. FINAL SCORE: Fullerton 1, Adelphi 0

GAME #2: The Titan's second appearance in the College World Series would mark another chapter in one of softball's most celebrated rivalries. UCLA had fallen to Fullerton twice in the regular season but the Bruins were the defending national champs and looked to continue. Mygind took the mound for Fullerton in game 2 while UCLA's All-America Debbie Doom countered for the Bruins. The game was scoreless into the third when the Titans struck on a Bruin defensive miscue. With two outs in the bottom of the third, Oberg singles up the middle. The next batter Ferrieri grounds to shortstop. UCLA's Leslie Rover goes to make the easy play for the force at second but Bruin second baseman Chris Olivie isn't at the bag and the ball rolls to right. Oberg goes to third and Ferrieri stays at first. Lisa Baker pokes a single to center scoring Oberg while Ferrieri stops at second. Robin Goodin closes out the inning with a ground out but the damage is already done and the Titans lead 1-0. Fullerton got one more on Goodin's first collegiate home run while Mygind went the distance to allow two hits along with seven strikeouts. FINAL SCORE: Fullerton 2, UCLA 0

GAME #3: The CWS's two undefeated teams met for the first time since the PONY Tournament with different results this time. Earlier in the year, the Titans handled Lori Sippel and the Huskers with a 2-0 victory. This time the Titans caught Nebraska when they were hot. Susan LeFebvre went for Fullerton and quickly fell behind 3-0 in the third. That would be all the Huskers would need but the Titans did benefit from a solo home run from Terri Oberg in the sixth. Nebraska went on the get two more to close out the scoring. FINAL SCORE: Nebraska 5, Fullerton 1

GAME #4: The first semi-final contest featured two arch-rivals, both with one loss on the brink of elimination. Cal Poly Pomona and the Titans have played some of softball's most exciting contests this season and today's would be no exception. Fullerton opened with Mygind while the Broncos countered with All-America Rhonda Wheatley in a battle of softball's top pitchers of 1985. Fullerton grabbed an early lead when first inning leadoff batter Leslie King is hit by a pitch. After Oberg strikes out, Ferrieri doubles to right-center scoring King. Baker and Goodin pop up stranding pinch runner Corina Smith at second. Titans take a 1-0 lead. The lead holds true until the bottom of the fourth when the Broncos score when Lyn Callahan singles home Alison Stowell, who had also singled. With the score tied, Pomona threatened in their half of the sixth by putting runners on second and third with one out. Mygind is replaced by Susan LeFebvre who proceeds to force Bronco catcher Donna McElrea to pop out and Stowell to strike out. With the score tied in the eighth inning, the tiebreaker rule goes into effect. Titan Valerie Van Kirk starts out the inning on second and is sacrificed to third by DH Diane Dodd. A King grounder to short sends Van Kirk home but she is thrown out at the plate with King safe at first. With two outs, Terri Oberg singles King to second. JoAnn Ferrieri then steps up and singles to right scoring King and giving Fullerton a 2-1 lead. The Broncos test

LeFebvre once again while starting Kathy Powell at second. The sacrifice attempt finds Powell advancing to third while batter Jenny Moore is safe at first. Moore steals while Shar Bilyeu is up putting runners at second and third with no outs. Bilyeu pops up to Goodin for the first out. Kandi Burke grounds to short with the runners holding for the second out. McElrea is intentionally walked to load the bases to bring up Stowell. Stowell strikes out to end the tournaments most exciting game. FINAL SCORE: Fullerton 2, Pomona 1

GAME #5: A rematch of game two with the winner to face Nebraska for the national title. The game opened with Susan LeFebvre for Fullerton and Tracy Compton for UCLA. LeFebvre went 3 1/3 before giving way to Debbie Mygind after allowing three hits without a strikeout. The game remained scoreless till the bottom of the seventh when Leslie Rover of UCLA singled past shortstop, Jennifer Simm sacrificed her to second before Gina Holmstrom singles to put runners on first and third with one out. Right fielder Chris Olivie steps up to the plate and singles to left, driving in Rover and sending UCLA to the championship finals once again. The Bruins had to beat Nebraska twice, which they did, to capture their second consecutive NCAA title. FINAL SCORE: UCLA 1, Fullerton 0

INVITATIONAL TOURNAMENT

Cal State Fullerton's Pony Invitational Softball Tournament continues to be the country's most prestigious mid-season event as it attracts the nation's top team to Southern California. Two of 1985's top four national finishers will be participating along with several others who qualified for the NCAA Tournament.

Leading the double elimination field will be defending tournament champion and 1985 NCAA third-place finisher Cal State Fullerton, fourth-place Cal Poly Pomona, fifth-place Adelphi, sixth-place Northwestern along with perennial powerhouses Texas A&M, Fresno State and Pacific.

Some of collegiate softball's elite will be participating in the event including Northwestern's Lisa Ishikawa, Cal Poly Pomona All-American Rhonda Wheatley, Shawn Andaya of Texas A&M plus Cal State Fullerton's All-American duo of JoAnn Ferrieri and Terri Oberg.

The Pony Tournament gives softball fans in Southern California an opportunity to see the kind of talent only found in the College World Series in May in Omaha, Nebraska. The tournament proves to be a preview of what school's have what it takes to capture the national championship while others look to benefit their program by upsetting national powers. Last year, several thousand fans caught the climactic championship game featuring local rivals Cal Poly Pomona and Cal State Fullerton. Don't miss out on the event of the season. This year's tournament will be held on March 20-23. Call 773-CSUF for ticket information.
