

Feb 24/30.

Dear Miss Morgan.

When I came to San Simeon Dec. 15/29, there were in the Garden at that time 14 men. at Present there is 9 ^{men} in the Garden, one of those is in San Simeon, Pay Roll \$1,435⁰⁰/₁₀₀ for Garden.

Miss Morgan, don't you think there should be a separate Budget to care for the Poultry Farm and San Simeon Garden's Pay Roll from Feb. ^{1st} to Sept. ^{1st} would be about \$12,000 for Labor only. This figure does not include any new Planting
