00:40:40:04 - 00:41:44:15

Speaker 6

Con una You ask ask knowledge for Spanish. And I also technology for spanish to stay as instant for everyone. AWS payment have the wisdom to be the knowledge to create a set imagen We have and we will means we have it means to understand. More national takers. Y si hay knowledge wisdom and imagination technology ways to sells Material objects that we know Littleton and Muy music knowledge that is the foundations studies days and more of technology.

00:41:44:17 - 00:42:28:29

Speaker 6

Y sí, Technology es constantly growing. It's like a players in his own continue to grow and roll and so we know we have to controlling now the first challenging technology is the challenge how we use It would it is technology one most fue. Vino negro. We. Used we know Garrity No human. No iguales. Twitch No user and this is a knowledge.

00:42:28:29 - 00:42:57:10

Speaker 6

Which we can see you see that there will iPad things Happening. There is is going to be negative North Society. And this is something We have to just have to change the machine. I found technology to be people. This is to say how much control o technology and the indirect.
