Jane Tolmach, Chairman
A
Oxnard, California

Dear Jane:

Tomorrow I will be announcing my endorsement of Senator Edmund Muskie for President.

In working with the Senator on tough anti-pollution laws, I have admired his leadership, and I believe he is one Democrat who can win the presidency next year and extricate us from a war and a recession so badly affecting our nation.

He has my full confidence and support, and I hope yours.

Sincerely,

JOHN V. TUNNEY
United States Senator
