Dear Jane,

Of course I remember you —  
and was delighted to hear from  
you. We are working so hard — and  
it is always great to hear  
we have support and offers to  
help. I am sure you'll be hearing  
from someone soon and I hope  
you'll be back in your area in

the coming year.

Best wishes to you - and  
Thank you for writing.

Best
