

EOP STAO Male Alliance Program

Mission Statement

The purpose of Stand Together As One (STAO) is to work with underrepresented young men to increase awareness of issues that affect academic success, retention and graduation rates, by providing academic and personal guidance, career development, and intellectual and emotional support.

Program Accomplishments

- The EOP STAO Program has increased its members from 10 to 30 students within a year
- The EOP STAO staff has conducted over 23 workshops center around male issues and strategies to help enhance their academic, personal, and professional development.
- 74% of our male students have come in at least once for a EOP STAO Bro Talk Session.
- Our male students have studied over 700 hours this semester alone and have average 13 hours a week of study time.
- The EOP STAO Program has participated in community services events and have raised over \$500 dollars to support the kids at Valley Children Hospital.

Testimonials
