

## HISTORY DEPARTMENT

### (In the Social Science Division)

Professors: Wiley (Chairman), W. Smith

Associate Professors: Canales, Cobb, Nelsen

Assistant Professors: Bohnstedt, Comegys, Grivas, Matthew

A primary function of the History Department is to give students a liberal education in world and American civilization. It aims to bring to them an understanding of modern society by reviewing the achievements of the past. Thus the department aims to prepare students to be enlightened citizens equipped with the broad cultural background essential to studies in the fields of education, philosophy, literature, law, government, journalism, public service, and business; all of which today demand a greater grasp of vital domestic and foreign problems.

The department offers a major and a minor in history for the bachelor of arts degree, a graduate program in history for the master of arts degree, and courses for use in teaching credential programs.
