Dear Members of WOMEN FOR:

A warm thank you for your generous contribution and endorsement! It is exactly this kind of support that is so vitally needed at this time. We are in the throes of mailings, printing up brochures, purchasing newspaper ads and radio time.

So far our campaign has been very encouraging - primarily due to the thoughtful efforts of supporters like yourselves and outstanding endorsements.

Congratulations to the WOMEN FOR: for putting dollars and endorsement in support of electing women to office. I intend to be a strong force in Sacramento for the concerns of women.

Thank you for the boost you have given my campaign!

Sincerely,

Jane Tolmach
