MEMORANDUM

Dear Jane:

The labor dispute with Sheriff's  
Deputies and threat of possible  
strike consumed my time and  
energy over the week end. I'm  
sorry I could not meet with  
you and Jerry Brown - Sometime  
when you can spare a noon hour,  
have lunch with me. I would like  
to talk to you about the political scene  
in Ventura County. Best Wishes - Ken
