Dear Mr. Hearst:

We have notice that a German ceiling is due here in a few days with a collect charge of \$169.90 payable to Hoyt, Shepston & Sciaroni, against it; also a bill of lading of \$31.53, total \$201.43 needed.

Shall this be warehoused with the other Wyntoon material in the Haslett warehouse? It is the least expensive in warehouse charge, also in drayage and handling.

Yours very truly,

JM:F
