From the President

As president of California State University, Fullerton, I am pleased to welcome you to the university's 2010 commencement celebration. Commencement is a very special time for degree candidates, families, friends and other members of the campus community. It is a time when we celebrate the successful conclusion of degree programs designed to foster the development of humane leaders prepared to meet the opportunities and challenges of a changing, diverse world.

For more than 50 years, Cal State Fullerton has turned students' dreams of earning a college degree into reality through the excellence of our academic and student affairs programs. More than 200,000 graduates are now Titan alumni, and they are making significant contributions in California, the nation and throughout the world. It is my hope that you will take from your experiences here, the spirit of Titan Pride that resides with the students, faculty, staff and administrators at California State University, Fullerton.

Today the university honors more than 10,000 undergraduate and graduate students who completed degree requirements in January or who are scheduled to do so in June or August of this year. It is fitting that recognition of your accomplishments should be in the presence of your professors, relatives and friends who have participated in a variety of ways in helping you attain your academic goals. As candidates for graduation, you are the proud products of our academic enterprise.

We hope that you forever will be life-long learners dedicated to the pursuit of excellence and the importance of life issues, and that you find opportunities in your life to continue to discover, innovate, achieve and contribute to the world at large in a positive manner.

On behalf of the faculty, staff and students of California State University, Fullerton, I extend heartiest congratulations to the Class of 2010 upon reaching this educational milestone. I wish each and every one of you the happiness of a productive life, the respect of your fellow human beings, and the love of your family. The future is yours and what you make of it!

Milton A. Gordon
President
California State University, Fullerton

From the Alumni Association President

Congratulations 2010 Graduates! As a proud Titan from the class of 1977 and president of the Cal State Fullerton Alumni Association, allow me to extend my compliments to you on a job well done.

You have accomplished a spectacular achievement! College graduation marks a new milestone for many of you. By virtue of your degree, you are now a member of the Cal State Fullerton alumni community of more than 200,000 graduates.

Your student experience was as much of what the university provided as of what you put into it yourself. The same can be said for your relationship with CSUF after graduation. As alumni, you play significant roles in our local, state and global communities. You serve among the ranks of astronauts, professional athletes, Pulitzer Prize-winning journalists, doctors, lawyers, nurses, teachers, legislators, scientists, award-winning actors and producers, business leaders, and successful members of our nation's military.

CSUF has been so successful because of its students, faculty, staff and you – the alumni. As you embark on new journeys and goals, I encourage each of you to stay connected to Cal State Fullerton by staying or getting involved in our alma mater. One easy way is through involvement in the Cal State Fullerton Alumni Association. The Association provides you with many opportunities to remain connected to your alma mater and, in the process, continue your professional and personal growth. Through membership, you access a network of committed and involved Titans and students through networking, programming and services.

Consider all the people who mentored you, supported you, and encouraged you in the attainment of your degree – faculty, staff, family, friends, coaches and alumni. Now, it is your turn! Continuing your relationship beyond graduation and sharing of your time and talent is extremely important to those who aspire to follow in your footsteps. It'll make you feel good about yourself and provide you with rewarding experiences long after graduation.

Be proud to be a Titan. Get involved. Stay involved.

Once again, congratulations and best wishes for continued success and happiness in all your future endeavors.

Verne Wagner '77
President
Cal State Fullerton Alumni Association

About the Program

LIST OF CANDIDATES: Students eligible to participate in the 2010 commencement ceremonies are January 2010, June 2010 and August 2010 candidates who filed for graduation prior to the announced deadlines.

GRADUATION WITH HONORS: Honors at graduation are awarded to undergraduate students in three classifications and take into account all courses taken at Cal State Fullerton and other institutions of higher learning. The minimum grade point averages follow: cum laude, 3.5 to 3.74; magna cum laude, 3.75 to 3.89; summa cum laude, 3.9 to 4.0. Students who have earned honors at graduation have been awarded ribbons with medallions that bear the seal of the university: white ribbons denote cum laude; orange ribbons denote magna cum laude; and blue ribbons denote summa cum laude. Program notations indicating achievement of these awards are based on the students' records at the end of the fall 2009 semester. Official award of appropriate diplomas and recognition of honors achieved (which are indicated on the diplomas as appropriate) are contingent upon the candidates having met all university requirements and related criteria.

PRESIDENT'S SCHOLARS: Students who are President's Scholars are noted in the list of candidates. The President's Scholars Program recognizes academic achievement, leadership, extracurricular activities and community service. Private donations from friends, parents and alumni fund the President's Scholars Program.

FACULTY MARSHALS: The faculty marshal leading the procession in each commencement ceremony has been honored as the Distinguished Faculty Member of that particular college. This distinction is bestowed by the president upon the nomination of fellow faculty members.

UNIVERSITY HONORS: Students graduating with University Honors have earned 24 units of Honors coursework, achieved a minimum grade point average of 3.5, and completed a Senior Honors Project. These students have been awarded medallions for their achievement. Program notations are based on the students' records at the end of the fall 2009 semester. Official award of University Honors (which is indicated on the diploma) is contingent upon the candidate having met all university requirements and related criteria.

PHI KAPPA PHI: Among those participating in commencement ceremonies are students wearing a white ribbon with a zigzag design. These students have been elected to membership in the Honor Society of Phi Kappa Phi, a national organization founded in 1897. Students are selected for membership from all of the recognized academic disciplines based on records of outstanding scholarly achievement.

PHOTOGRAPHY AND DVDS: The CSUF Alumni Association has arranged for a commercial studio to photograph each graduate at the moment he or she crosses the platform. Proofs and information on ordering prints will be mailed, with no cost or obligation, to participants. The university will also offer for sale, DVDs of each of the university ceremonies and individual college ceremonies taking place on Saturday and Sunday. If you are interested in purchasing a video for any of these ceremonies, please see www.fullerton.edu/commencement.

Ceremonial Regalia

The history of academic dress goes back to the medieval European universities of the 14th century. European universities continue to follow varied patterns in cut and color of gown and type of headdress. United States universities have standardized the academic dress so that its features are generally uniform throughout the country.

THE GOWN: The gown is ordinarily black for academic degrees. The pattern varies with the degree held: pointed sleeves for the bachelor's degree; short sleeves for the master's degree; and round, full sleeves for the doctorate. The bachelor's and master's gowns have no trimmings. The doctoral gown is faced down the front with black velvet and trimmed with three bars of the same material across the sleeves – or the color of this velvet may be that of the subject in which the degree is granted.

THE HOOD: Hoods are not usually worn for the bachelor's degree. The master's hood is shorter and lacks the panels of the doctoral hood. Hoods are lined with the color of the school, two colors being shown by putting chevrons of one color on the other color. The binding or edging of the hood is velvet of the color pertaining to the subject of the degree.

THE CAP: The standard cap is the mortarboard, usually the color of the gown. The standard tassel is black, but at Cal State Fullerton many students wear tassels reflecting their disciplines. Doctoral caps have gold tassels.

TRIMMINGS: Color trimmings on doctoral gowns and hoods indicate the following: light blue, Doctor of Education; dark blue, Philosophy; white, Letters; brown, Fine Arts; golden yellow, Science; purple, Laws; pink, Music; green, Medicine; scarlet, Divinity; crimson, Humane Letters; and light coffee (drab), Business Education.

THE MACE: The mace is a ceremonial symbol of authority carried in academic processions at commencements and convocations. Originating in the Middle Ages, it once was a formidable weapon, held ready to protect the person of dignity. The university mace, first used in 1975, and the mace holder, first used in 1979, were designed especially for Cal State Fullerton by John L. Berg, who earned his Bachelor of Arts in Communications in 1973, and Master of Arts in Art in 1976. The design of the mace reflects the university's architecture, colors (blue and white) and location—the site of the first commercially grown valencia orange grove. The stem is of cocobolo, a wood orange in color, while the university's colors are represented through the use of ivory and niello. At the top of the mace is the university seal.

GRADUATION WITH TITAN PRIDE: Cal State Fullerton is proud of the graduating class of 2010. Out of respect for each graduate, we expect graduates and guests to remain in their seats until the conclusion of each ceremony. We also ask that cell phones be turned off during the commencement events. Smoking and alcoholic beverages are not allowed at any of the commencement events.

EMERGENCIES: First aid stations are located in the parking lot of the Student Health and Counseling Center on the east side of the Titan Gymnasium, and on West Campus Drive west of the Stadium. If you need assistance, call 657-278-3333 or inform an usher or anyone at an information table.

Saturday, May 22, 2010

RUDY HANLEY is the president and CEO of SchoolsFirst Federal Credit Union formerly known as Orange County Teachers FCU, headquartered in Santa Ana, California. The credit union, with \$8 billion in assets, provides a full range of up-to-date financial services to more than 400,000 members from 30 branch locations, and is the third-party administrator for school retirement plans for more than 140 school districts in Southern California.

As a member-owned financial cooperative, SchoolsFirst FCU's number one priority is to provide the highest quality service to school employees and their family members. This has helped it become the largest educational credit union in the nation and the 5th largest overall.

Prior to joining SchoolsFirst FCU in 1982, Mr. Hanley worked for the California Credit Union League (CCUL) and the Washington, D.C. office of the Credit Union National Association (CUNA). He started his career as a high school math teacher and tax and small business consultant.

A graduate of the University of California at Irvine, Mr. Hanley has a bachelor's degree in mathematics and a teaching credential. He obtained his Juris Doctorate from Western State University, College of Law.

Mr. Hanley is a member of, and has served on, numerous boards and committees. He has written numerous articles and is a frequent speaker at conferences and seminars.

Sunday, May 23, 2010

PAUL FOLINO presently serves as executive chairman of Emulex Corporation after joining the company as president and chief executive officer in May 1993. In this role, he focuses on strategic investments and initiatives for the NYSE publicly traded corporation with a market capitalization of over \$850 million and over 80 million shares outstanding.

Mr. Folino has received numerous awards. He was recognized as the 1999 Orange County Co-Entrepreneur of the Year for technology; received Ernst & Young's 2000 Orange County Director of the Year for high-growth technology; was recognized in 2006 by the *Los Angeles Times* as "one of the top 100 most influential" people in Southern California; and was recognized by the *Orange County Business Journal* as one of the 2008 "Top 50 Most Influential Business Leaders" in Orange County. Cal State Fullerton awarded Mr. Folino the 2005 Orange County Titan award at its Front & Center Gala and, in 2006, he received the "Orange County Philanthropist of the Year" by the Association of Fund Raising Professionals.

As a devoted supporter of Cal State Fullerton, Mr. Folino serves on many university boards including the Board of Governors and the Mihaylo College Dean's Advisory Board. He also served as the co-chairman for the Mihaylo College Building on Excellence Capital Campaign. Not only did he inspire other friends and alumni to give to the campaign, he contributed a \$1.2 million gift, and the new street near Mihaylo Hall was named in his honor.

In addition to sitting on several Cal State Fullerton boards, he also serves on the non-profit boards of Chapman University, Orange County High School of the Arts and the New Majority, as well as the Commercial Bank of California and Microsemi Corporation in the corporate sector.

OUTSTANDING PROFESSOR

DR. MARCELO E. TOLMASKY, professor of Biological Science, joined Cal State Fullerton in 1995. Dr. Tolmasky's life's work has been including his students in his research of bacteria's resistance to antibiotics, and he has excelled in getting thousands of students at Cal State Fullerton and other parts of the globe interested in it as well. Colleagues and students alike praise him for his dedication, scholarship and teaching ability. Tolmasky directs the Center for Applied Biotechnology Studies. He heads the Health Promotion Research Institute, the Minority Health and Health Disparities International Research Program, and the International Research Training Program for the Los Angeles Basin.

In addition to 200-plus presentations and seminars, Tolmasky co-edited the book "Enzyme-Mediated Resistance to Antibiotics Mechanisms, Dissemination and Prospect for Inhibition." He has also authored or co-authored 93 papers. As Principal Investigator, he has brought the campus over \$3 million in research grants.

Commitment to Civility

A COMMITMENT TO CIVILITY AT CSUF

As members of the university community, we are committed to ensuring an environment where learning and the creation and dissemination of knowledge are foundational goals and where freedom of speech and expression is viewed as an essential characteristic of a community of scholars. To reach these goals it is imperative that we foster a climate where civility is valued, appreciated, and expected and where all members of the community are treated with dignity, respect and care.

"Civility" comes from the Latin noun *civitas*, which has several meanings – namely "citizenship," "the body of citizens," "the city-state," "friendliness," "affability," and "geniality," – and, thus, may be equaled with courtesy – a style and manner that elevates human interaction and discourse. Civility is apparent when we are aware of the impact that our communications, practices and behaviors have on others and when we acknowledge each person's worth, cultural perspective and unique contributions to the community.

Establishing a civil climate is a shared responsibility of all community members – students, faculty, staff and administrators. Civility is the expression of respect for others and for the tasks we share. It is best modeled through a willingness to listen to alternative views, respecting diversity and encouraging ideas. It is our belief that differences of opinion should reside within a framework of respectful discourse and lead to mutual understanding.

Therefore, we believe that civility is a cornerstone of our university mission and values, and we reaffirm our commitment to civility on the campus – both inside and outside the classroom. We will both individually and collectively strive to treat each other with dignity, respect and care in all of our interactions.

Approved by the Academic Senate, April 6, 2006

Titan Pride

Since its founding in 1957, California State University, Fullerton has emerged as a leading institution of the 23-campus California State University, which is the largest public university system in the nation. Core to our mission and our success is providing an exceptional education that is accessible to the students we serve.

With an enrollment of nearly 36,000 students, the university's eight colleges offer more than 100 degrees programs – 55 undergraduate and 50 at the graduate level – including a doctorate in educational leadership, plus numerous credential and certificate programs. With full overall accreditation, many of our high-quality programs are further distinguished by national accreditations and associations. A number of them have achieved national prominence because of our outstanding faculty and alumni achievements.

Cal State Fullerton is known for its distinguished faculty of 1,670 members, many of whom have garnered national and international reputations in their respective fields and who are actively engaged in a balanced combination of teaching, research and service. What sets them apart is the exceptional learning environment they create for their students.

At Cal State Fullerton, an outstanding education includes providing students with the academic and student support services to help them complete their degrees and contribute to their communities, the region and nation, as well as our global community.

We are proud that *U.S. News & World Report* consistently lists Cal State Fullerton among "Top Public Universities," ranking it No. 8 among the nation's top public master's-level institutions in the West. Recently, Cal State Fullerton was also listed in *U.S. News & World Report's* "Best Graduate Schools" for "Best Business Schools" and "Best Education Schools."

From the vigilant guidance of our first president, Dr. William B. Langsdorf, to the visionary leadership of our current president, Dr. Milton A. Gordon, Cal State Fullerton has mirrored the expansive growth and vitality of this region. It also reflects the face of California's diverse population. We are particularly pleased that *Diverse Issues in Higher Education* ranks Cal State Fullerton sixth in the nation in terms of baccalaureate degrees awarded to underrepresented students. In fact, the university is ranked No. 1 in California and No. 5 in the nation by *Hispanic Outlook in Higher Education* in

its listing of the top 100 colleges and universities awarding bachelor's degrees to Hispanics.

The physical features of our campus continue to grow to meet the needs of our university community. Steven G. Mihaylo Hall, new home of the Mihaylo College of Business and Economics, opened in fall 2008, and the Student Recreation Center opened in spring 2008. New construction projects well under way include a third phase of student housing, scheduled for completion in summer 2011, and a new parking structure on the east side of campus, which is scheduled for completion in summer 2010. In addition a new Children's Center will open in January 2011, and our Irvine branch campus continues to serve the residents of central and south Orange County.

Our success has not been limited to the classroom.

"Titan Pride" has been the rallying cry to more than a dozen national team championships in seven different sports, including four NCAA Division I national championships in baseball (1979, 1984, 1995 and 2004) and one in softball in 1986.

We are also extremely proud of our students' commitment to making a difference in their communities. For the third consecutive year, Cal State Fullerton students earned a coveted place on the 2009 President's Higher Education Community Service Honor Roll, which is the highest federal recognition a college or university can receive for its commitment to service and civic engagement. Titan students gave 1.3 million hours of service, which earned an "Honor Roll With Distinction" designation.

Our alumni also give back, from those who volunteer their time and share their expertise with students, to the generosity of donors whose names are inscribed on outstanding facilities such as Dan Black Hall, Joseph A.W. Claves III Performing Arts Center and Steven G. Mihaylo Hall, home of the Mihaylo College of Business and Economics.

Our proud alumni number more than 200,000 and include inspirational role models and leaders in every field – business and education, government and public service, science and technology, health professions and the arts. Titan Pride makes a difference and so has Cal State Fullerton in our commitment to help students fulfill their potential and realize their dreams of higher education.

The choice of the elephant as Cal State Fullerton's mascot sprang from a May 1962 event that captured the world's attention: "The First Intercollegiate Elephant Race in Human History. To engage students in college life, student leaders challenged other colleges and universities to enter an elephant in a campus contest, never suspecting the deluge of interest that would follow."

Ten th

Alma Mater

Where the mountains and the ocean lie, near by on either side

Fair and gleaming tall in sunlight, stands the Titans home and pride.

Fair and gleaming tall in sunlight, stands the Titans home and pride.

Every color, creed, persuasion, finds a welcome in these halls

Never languishing unheeded 'til the love of learning palls.

Never languishing unheeded 'til the love of learning palls.

Summer hills like tawny lions, Winter mountains cloaked in snow

Land of stately eucalyptus, where the mind and spirit grow.
