

from A or B for a total of 84 units. The major incorporates within its structure the general education requirements for the degree.

The major is designed to meet the needs of: (1) students wishing to qualify for a teaching credential authorizing multiple subject teaching, and (2) students desiring a liberal arts foundation for professional training in medicine, law, journalism, and various fields of public service.

Since the major utilizes 84 units of the 124 units required for the degree, careful planning by the student is essential if all requirements for the degree, or requirements for the degree and credential, are to be satisfied within a four-year time space.

Students in their first semester at CSUF are *required* to consult with the Coordinator, Liberal Studies Major, in the first two weeks of the semester. Appointments are to be made in Room 125 Education-Psychology building.
