35TH

ANNUAL COMMENCEMENT

CALIFORNIA STATE UNIVERSITY, HAYWARD

JUNE 10, 1995

For your pleasure and comfort

Welcome to the thirty-fifth commencement of California State University, Hayward. To make your day more enjoyable, please note the following:

Food, refreshments, graduation gifts and memorabilia are available for purchase. The University Union is also open for business. Cal State Hayward Alumni Association is selling a variety of CSUH Alumni logo items at the top of the stadium. Gift memberships in the Alumni Association are also available.

Restroom facilities, pay telephones and water fountains are accessible in all campus buildings which are open for your convenience. Portable latrine facilities are also available and are located at the top of the bleachers and at the field level outside the Field House.

Immediately following the commencement, you are invited to attend a school graduation ceremony. Please see the map to find the location of your graduate's school ceremony. Each school has selected a color to help you locate its ceremony. Follow the balloons in the color of your graduate's school to the ceremony:

School	Color	Location
Arts, Letters & Social Sciences	Red	University Stadium
Education	Blue	Meiklejohn Lawn
Science	Gold	North Science Lawn
Business & Economics	Green	Amphitheatre

Contra Costa:
Graduates who have completed courses offered at the Contra Costa Campus and their guests are invited to attend a reception in their honor at the Warren Jarrett Patio Area, which is located just outside the south entrances to the CSUH Library Courtyard.

For your safety

Do not attempt to drive to the individual school graduation ceremonies. Please walk or ride a free shuttle.
A photographer will capture graduates as they walk across the stage at the school graduation ceremonies. Graduates will receive purchasing information for commencement photos in the mail within a few weeks.
If you have any questions, look for individuals wearing red CSUH commencement caps. The University gratefully acknowledges these student volunteers who generously gave their time to assist you.
The audience is asked to remain seated until all graduates have left the commencement area.
In case of any emergency there are two ambulances on standby.

Graduation with Honors

Honors at graduation are awarded to undergraduate students in three classifications:

- CUM LAUDE means "with praise" and goes to students with grade point averages of 3.55 to 3.74.
- MAGNA CUM LAUDE means "with great praise" and goes to students with grade point averages of 3.75 to 3.84.
- SUMMA CUM LAUDE means "with highest praise" and goes to students with grade point averages of 3.85 to 4.00.

Graduates who have achieved the above designations were awarded the Honors Medallion at a separate ceremony on May 21. The medallion depicts a laurel wreath surrounding the seal of California State University, Hayward. Our honors graduates wear their medallions today as a demonstration of the University's commitment to academic excellence.

Honors notations for Winter/Spring and Summer Quarter graduates are based upon student records as of the end of Winter Quarter. Official designations are dependent upon the complete student record.

The students whose names appear in this commencement program were considered for the degrees indicated at the time the program was printed; this is not an official degree list.

Presidents Message

Dear graduates,

Today you join over 50,000 alumni of Cal State Hayward. You will meet your fellow graduates almost everywhere you go in the greater Bay Area and many places beyond. It is a bond that you will have forever. You have all spent an important part of your life at this university. It has left an imprint on what you know and how you approach life.

As you go about your busy lives, I hope you will keep Cal State Hayward in your thoughts. A university, like an individual, must continue to incorporate new information and experiences. Our alumni are an essential source of feedback, innovation, even inspiration.

I encourage you to stay in touch with favorite faculty - you would be pleased to hear how joyfully they repeat news about the accomplishments of former students. On a more formal basis, membership in the Alumni Association is a rewarding step. You'll be regularly informed about the University through publications and mailings, and you'll have opportunities to participate in events and projects when and if your time allows. Members of the Association are here today, as they are at each commencement. It's their way of supporting you and reaffirming your place in an ongoing community.

Congratulations.

Norma S. Rees
President

PRESIDENT'S PLATFORM PARTY

- Dr. Norma S. Rees, President, California State University, Hayward
Dr. I. King Jordan, President, Gallaudet University, Washington, D.C.
- Ms. Noreen Alldredge, Director, University Library

Statewide Nursing Program

California State University,
Dominguez Hills

The Statewide Nursing Program of California State University Dominguez Hills offers full accredited nursing programs throughout California authorized by the Chancellor of the California State University.

The program offers upper division and graduate level coursework leading to baccalaureate or master's degrees. Degrees and certificates are awarded by the Statewide Nursing Program, California State University in the name of Board of Trustees of the California State University, Dominguez Hills.

B.S. in NURSING

Shelley Barnhill
Linda Dianna Bifano
Nanci Boehme-Moes
Christine Marie Costa
Diana DelRio
Marcela Hendriksen
Deborah Naccarini
Brian Douglas Taylor

M.S. in NURSING

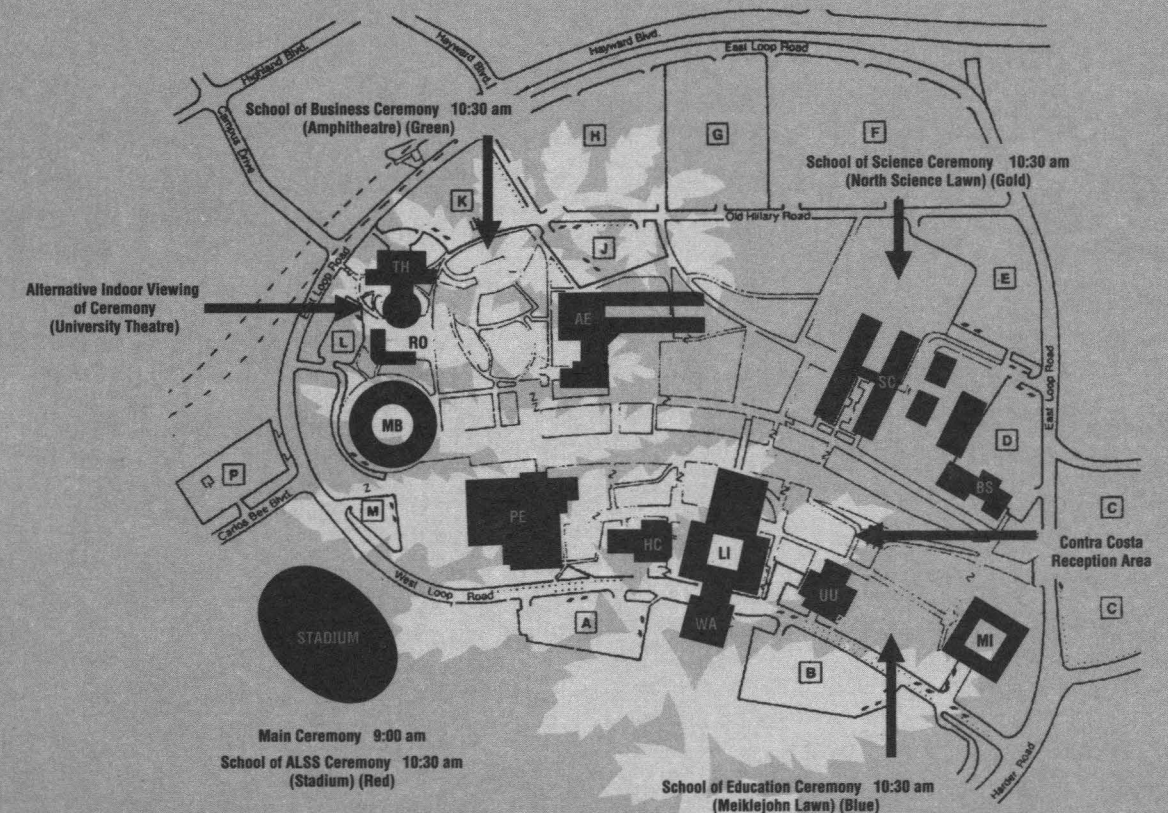

Martha Ann Goulart
Sharon Kay Reder

Regalia

The academic regalia worn at commencement continues a tradition which began in twelfth century Western universities when robes and hoods were the standard garments of the day. This tradition was revived in the United States during the seventeenth century by students who felt the robes not only added dignity to the commencement ceremony, but also provided uniform dress for rich and poor graduates alike. All candidates for degrees wear plain black gowns and black mortarboard hats. For the faculty, the type of gown and color of the hood designates the field in which the individual received his or her highest degree. In some cases the color of the gown also indicates the institution from which that degree was granted. Bachelor's and master's gowns have pointed sleeves. Doctoral gowns have rounded, open sleeves. There are no trimmings on the gown for bachelor's and master's degree recipients. Doctoral gowns are trimmed down the front with black velvet and have three velvet bars across the sleeve. In some cases, the gown is trimmed in a color designating the field of study rather than in black. Hoods are worn around the neck and over the gown. Cal State Hayward hoods are lined with the University's colors: red, white and black. The outside of the hood is trimmed in a color representing the discipline in which the graduate earned the degree. The doctoral cap is worn with a gold tassel. Exceptions to the mortarboard may be present.

Graduates pictured in this book were asked to pose at a place on campus that had particular meaning to them.
