

I'M WRITING
YOU BECAUSE
I FINALLY
SAVED ENOUGH
STAMPS TO
TRADE IN FOR THIS PAPER.

5/65 (5/18/65)

Hello, Paul.

'Tis a beautiful morning.

Thank you for being you,
for trying and...
for caring.

Where ever paths may twine
a part of you'll linger
within my filled world...
A world - now so much
more...

A love to
the future -

Note accompanying photo
of Patricia and me in front
of her apartment in early days
of the month.
