Miss A. M. Flood
Secretary to
Mr. John Francis Meylan
Crocker First National Bank Building
San Francisco, California

Dear Miss Flood:

We do not know the rental
agreement arranged for with the Stringer Storage
Company, so cannot pass on the general storage
bill.

However, we do look after moving
and packing of articles from the warehouse to the
customs court, etc., and in January okehed the
bills enclosed.

Very truly yours,
