Dear Jane:

Congratulations on your victory on March 5. I am sure you are very pleased with the strong expression of confidence which voters demonstrated in returning you to the City Council for another term.

I greatly enjoyed working with you on the Council during the past four years. Although I will surely miss my councilmanic responsibilities, I certainly do plan to continue my active participation in community affairs. I hope that participation will bring us together on some venture of mutual effort in the future.

Sincerely,

  
Salvatore Sanchez, Jr.  
Mayor Pro Tem
