MEMO TO: Jane Tolmach  
FROM: Det Merryman  
SUBJECT: Women's Division

Why has the Women's Division stopped functioning?  
Not putting on more events but following up on the  
initial intent. Where is the Finance Committee?  
Where are the results of Project Inventory? Why hasn't  
the dead wood been removed from the Women's Division  
Chairmen? What's happening with registration? Are  
you junking the press monitoring? In general, where  
are we going!!!

Please...I want to talk to you.
