Mrs. Daniel M. Tolmach

Oxnard, California

Dear Jane:

It was very good of you to invite all of us to move in with you at the time of the Ventura Workshop.

We have just become involved in the Little League, and I am not certain if the whole family will be able to come. But they probably will, and may we accept tentatively?

I will let you know well in advance whether or not it works out.

We are looking forward to seeing you.

Cordially,

Alan Cranston
