message

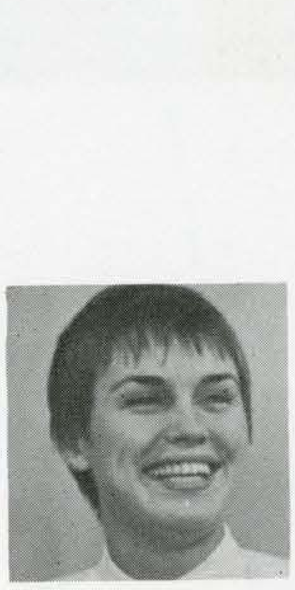

The San Jose State College of today, of which the 1961 La Torre is a pictorial history, is one dotted by towering scaffolds, suspended steel girders, and solitary cement pillars. It is one in which barricaded walkways, blocked entrances, and disappearing crosswalks have harassed many students.

Adding to the confusion of the construction scene were the tools of progress. The noise of pile drivers and air hammers disrupted many classes, and wheelbarrows, shovels and dirt covered once-green lawns.

In 1951, the college had an enrollment of 5,293 students. Today, the enrollment has reached 14,648. But the growth of the student body has not surpassed the growth of the college as a whole.

The students, the faculty, and the college are carrying on a constant search for new and better ways of life. The search has led to the inevitable period of growth and transition.

This growth will not only benefit the student of today, but the student of tomorrow as well . . . who will begin again the cycle of search, growth, transition, and further search . . . for knowledge.

the college . . .

Paradoxically, San Jose State College fosters both uniformity and individuality. The college fosters a desirable uniformity in setting up a standard criterion in education, a criterion which requires that each student, regardless of his major field of study, satisfy certain basic requirements judged to be necessary in the formation of liberally educated men and women. But it is equally significant that the college provides the student with opportunities for individual growth and development — not only intellectual, but also psychological and social.

The student must take the initiative. He must utilize the services and facilities which the college offers him. He must recognize that his ultimate growth and development hinges upon his taking advantage of services which the college makes available to him.

Two of the most important services are rendered by the College Writing Clinic, which provides a practice lab for students deficient in written English skills, and by the Counseling and Guidance Center, where psychologists advise students with serious mental and emotional problems.

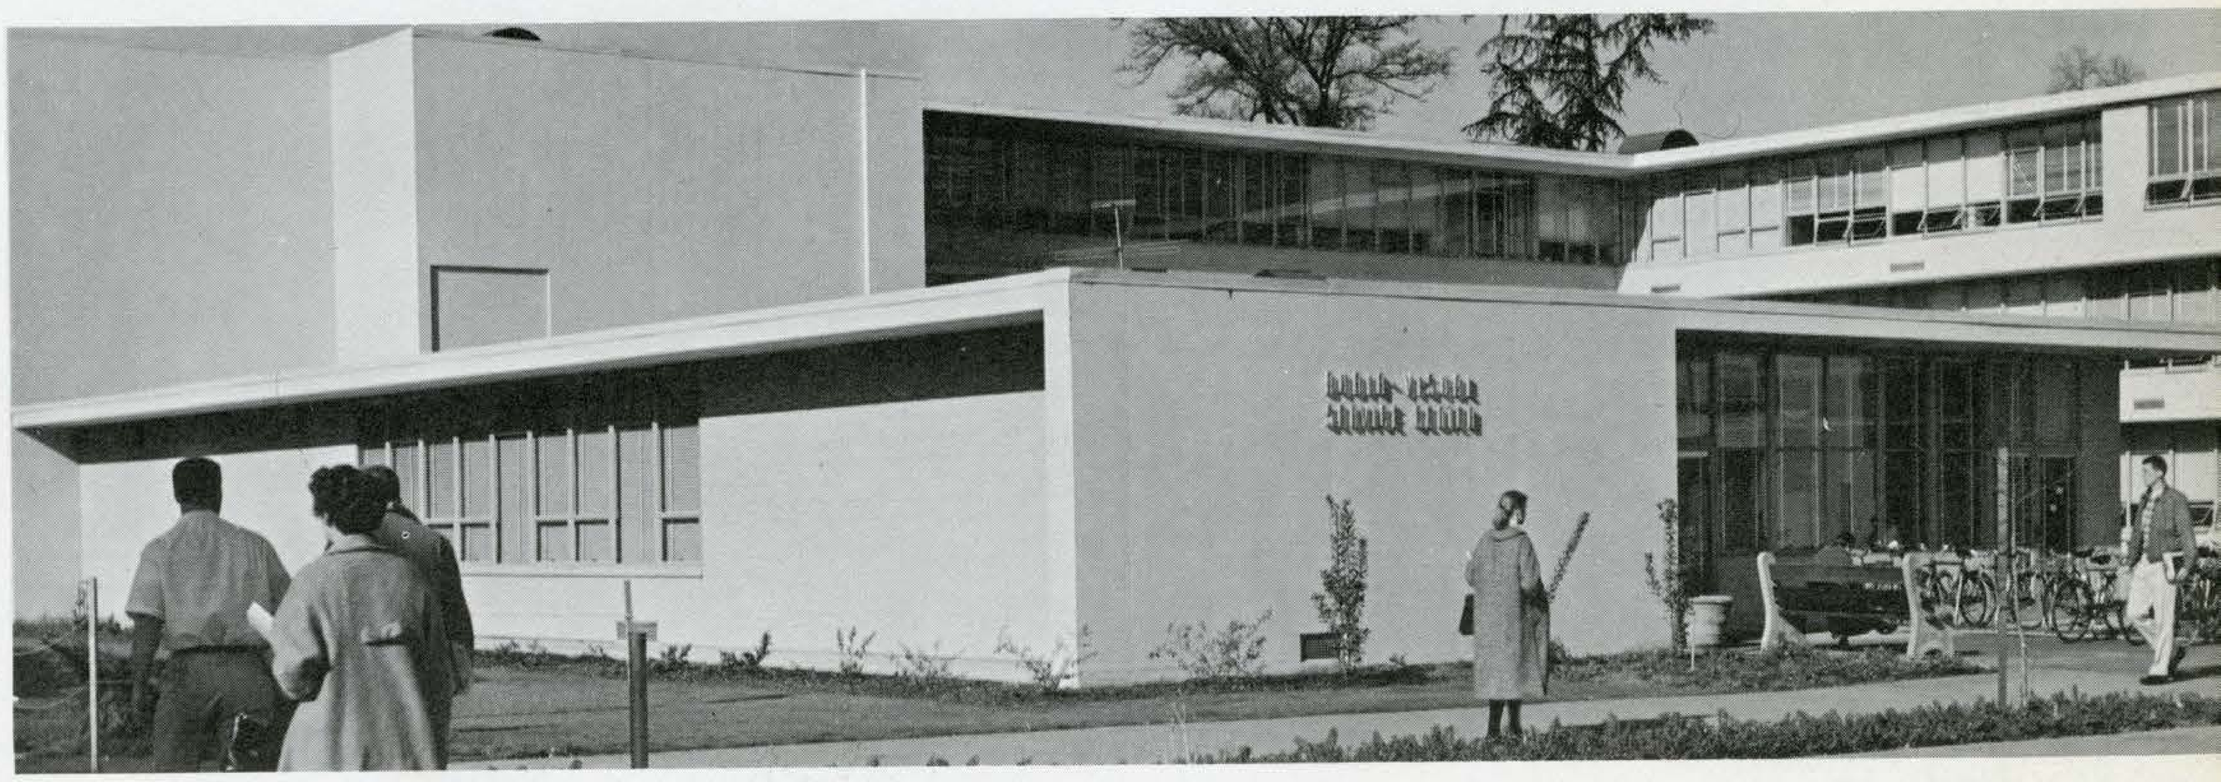

THE COLLEGE LIBRARY IS AN "OPEN ACCESS" LIBRARY, ITS USERS HAVING FREE ACCESS TO ALL BOOK STACKS.

and its services

To help students maintain their highest level of efficiency, the college provides the Student Health Services. Services include health examinations, health counseling, immunizations, X-rays, physical therapy and laboratory work.

The Audio-Visual center provides filmstrips, films, projectors, recorders, and all other audio-visual equipment for both students and faculty.

placement service

San Jose State College maintains a centralized job placement service in cooperation with the various deparments of the college and as part of the student personnel program. Under the guidance of Placement Officer E. W. Clements, the Placement Service carries out its function of providing business, educational, industrial, and part-time student placement services.

The office provides information of the employment opportunities and practices of schools, businesses, industries, and various government and private agencies; arranges for effective contacts with employers; and seeks to promote positive relations between employers and students and alumni. It also offers a counseling service to students interested in knowing what vocational opportunities are open to them.

alumni

Maintaining current address records on all graduates of the college is the function of the Alumni Association. The association sends a monthly alumni newsletter giving the latest information on college happenings to all members. The association arranges Annual Fall Homecoming Activities for alumni and Spring Alumni Week, which is held during the first week of May. Library privileges at the college are granted to members of the Alumni Association. Membership dues are $5.00 per year. Governed by a Board of Directors elected by the general alumni members, the association meets once each month during the school year.

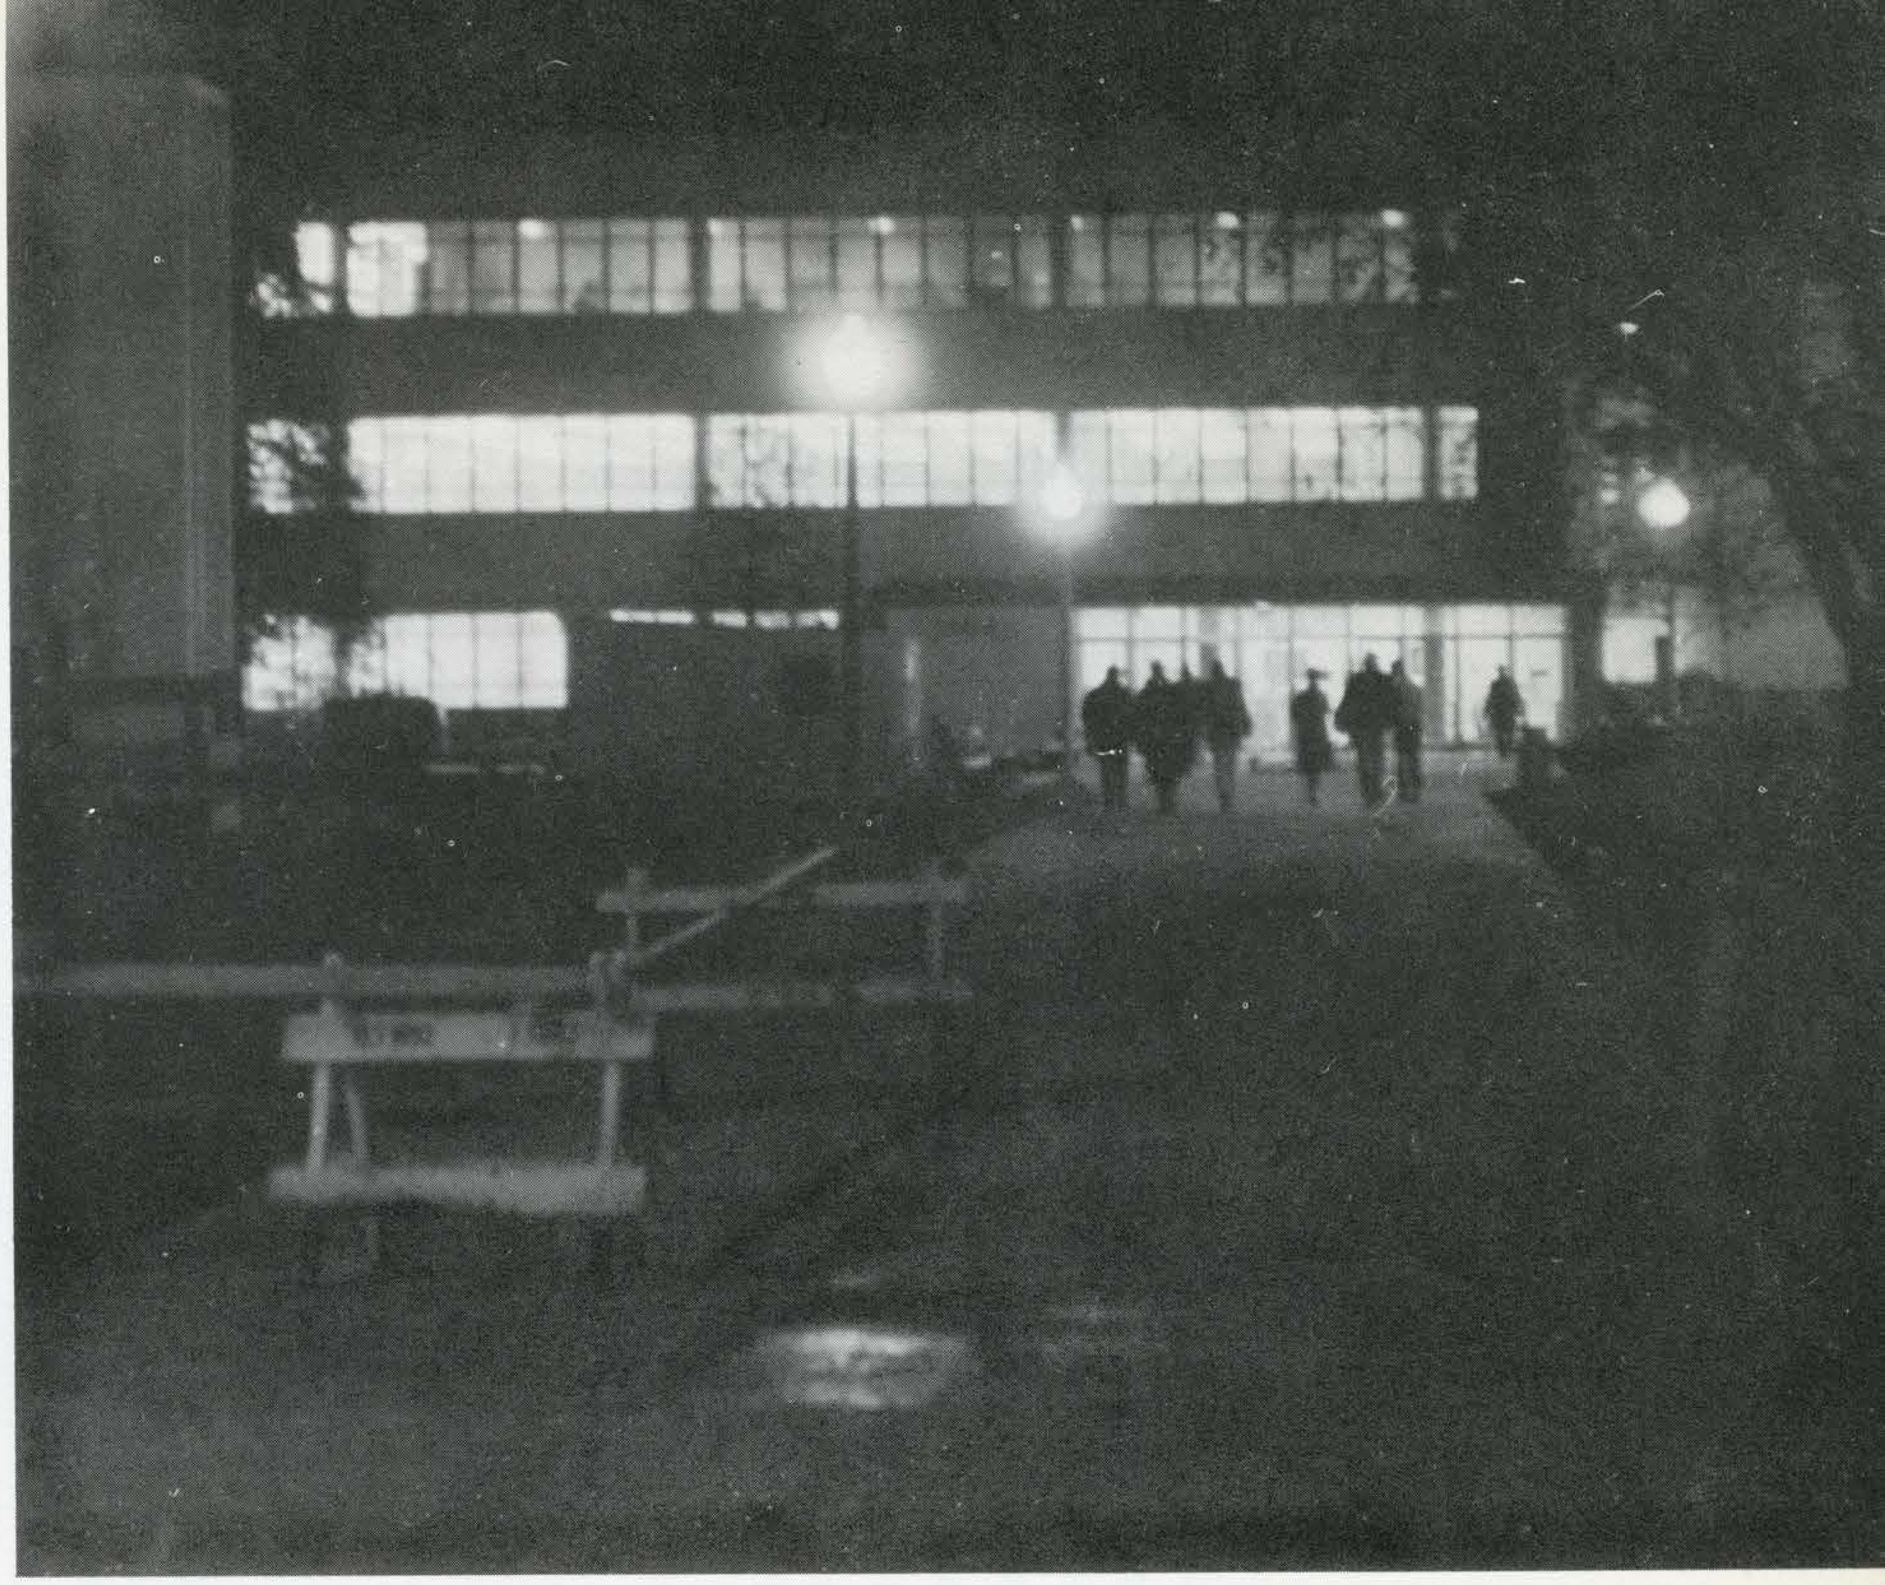

EXECUTIVE DIRECTOR OF THE ALUMNI ASSOCIATION, KEN ROED, AND SECRETARY MRS. MELBA HOOK, ASSIST IN COORDINATING ALUMNI AFFAIRS.

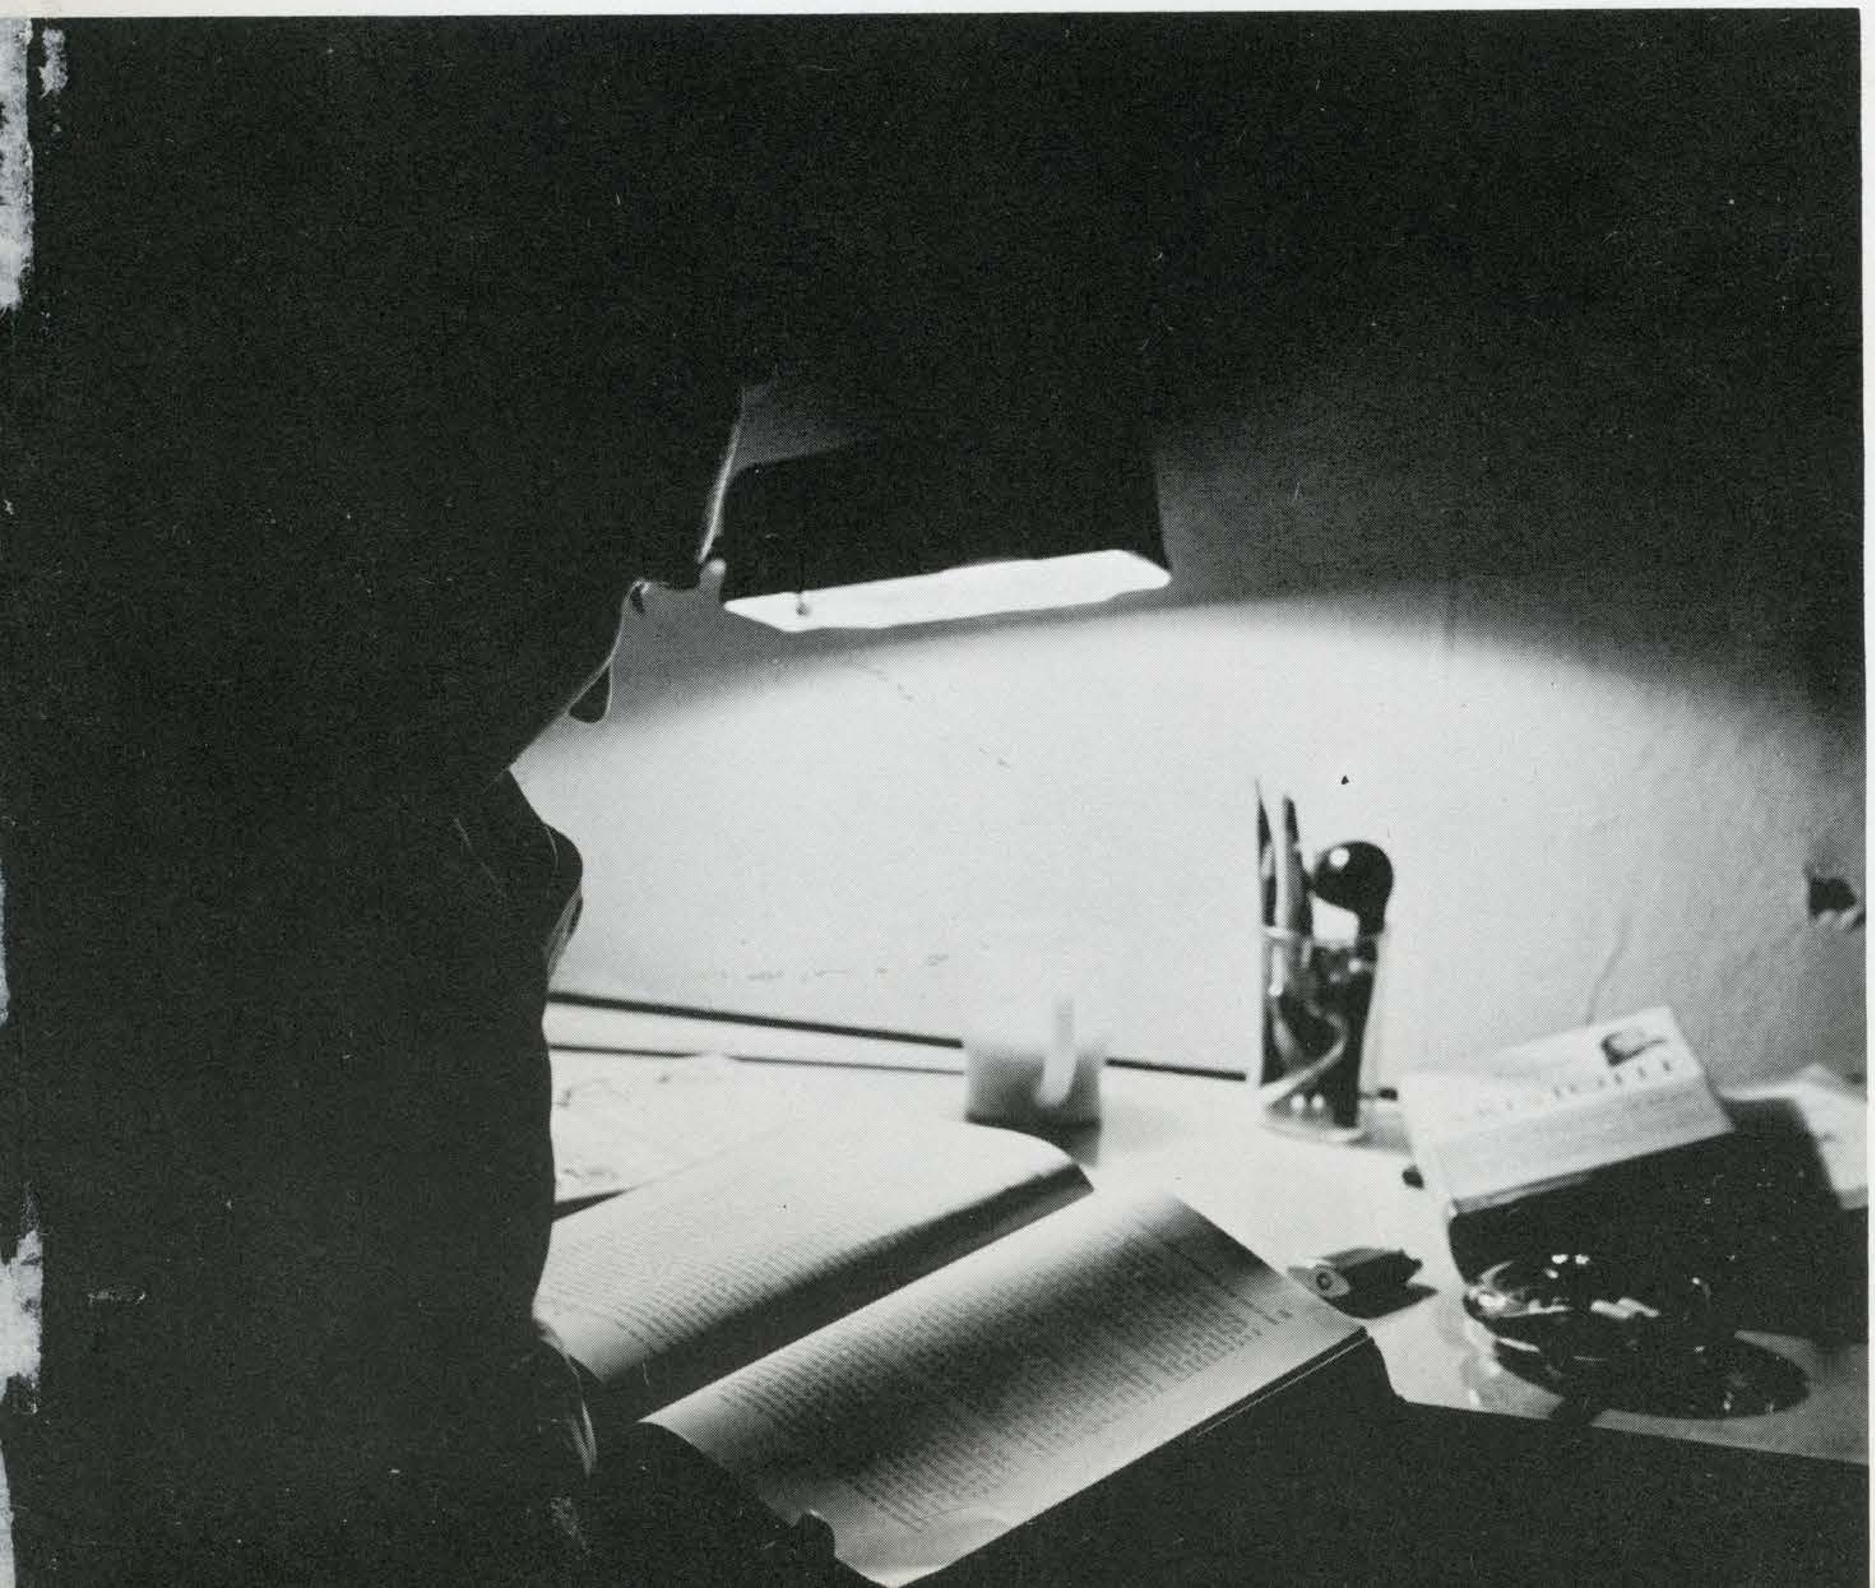

extended day classes

In order to serve the entire adult population of Santa Clara County, San Jose State College offers extended day classes. These classes run from 4:30 p.m. to 10 p.m., with approximately one-third of the entire student body in attendance, of which the greatest majority are classified as limited students.

Credits earned in these classes can be applied toward a degree. A program as varied as the day classes is available to both graduate and undergraduate students.

extension classes

The Extension Service, San Jose State College's off-campus educational program, offers a wide range of accredited courses to area teachers, business people, and others. All classes must meet minimum enrollment numbers — differing according to location of the class — in order to continue beyond the first meeting.

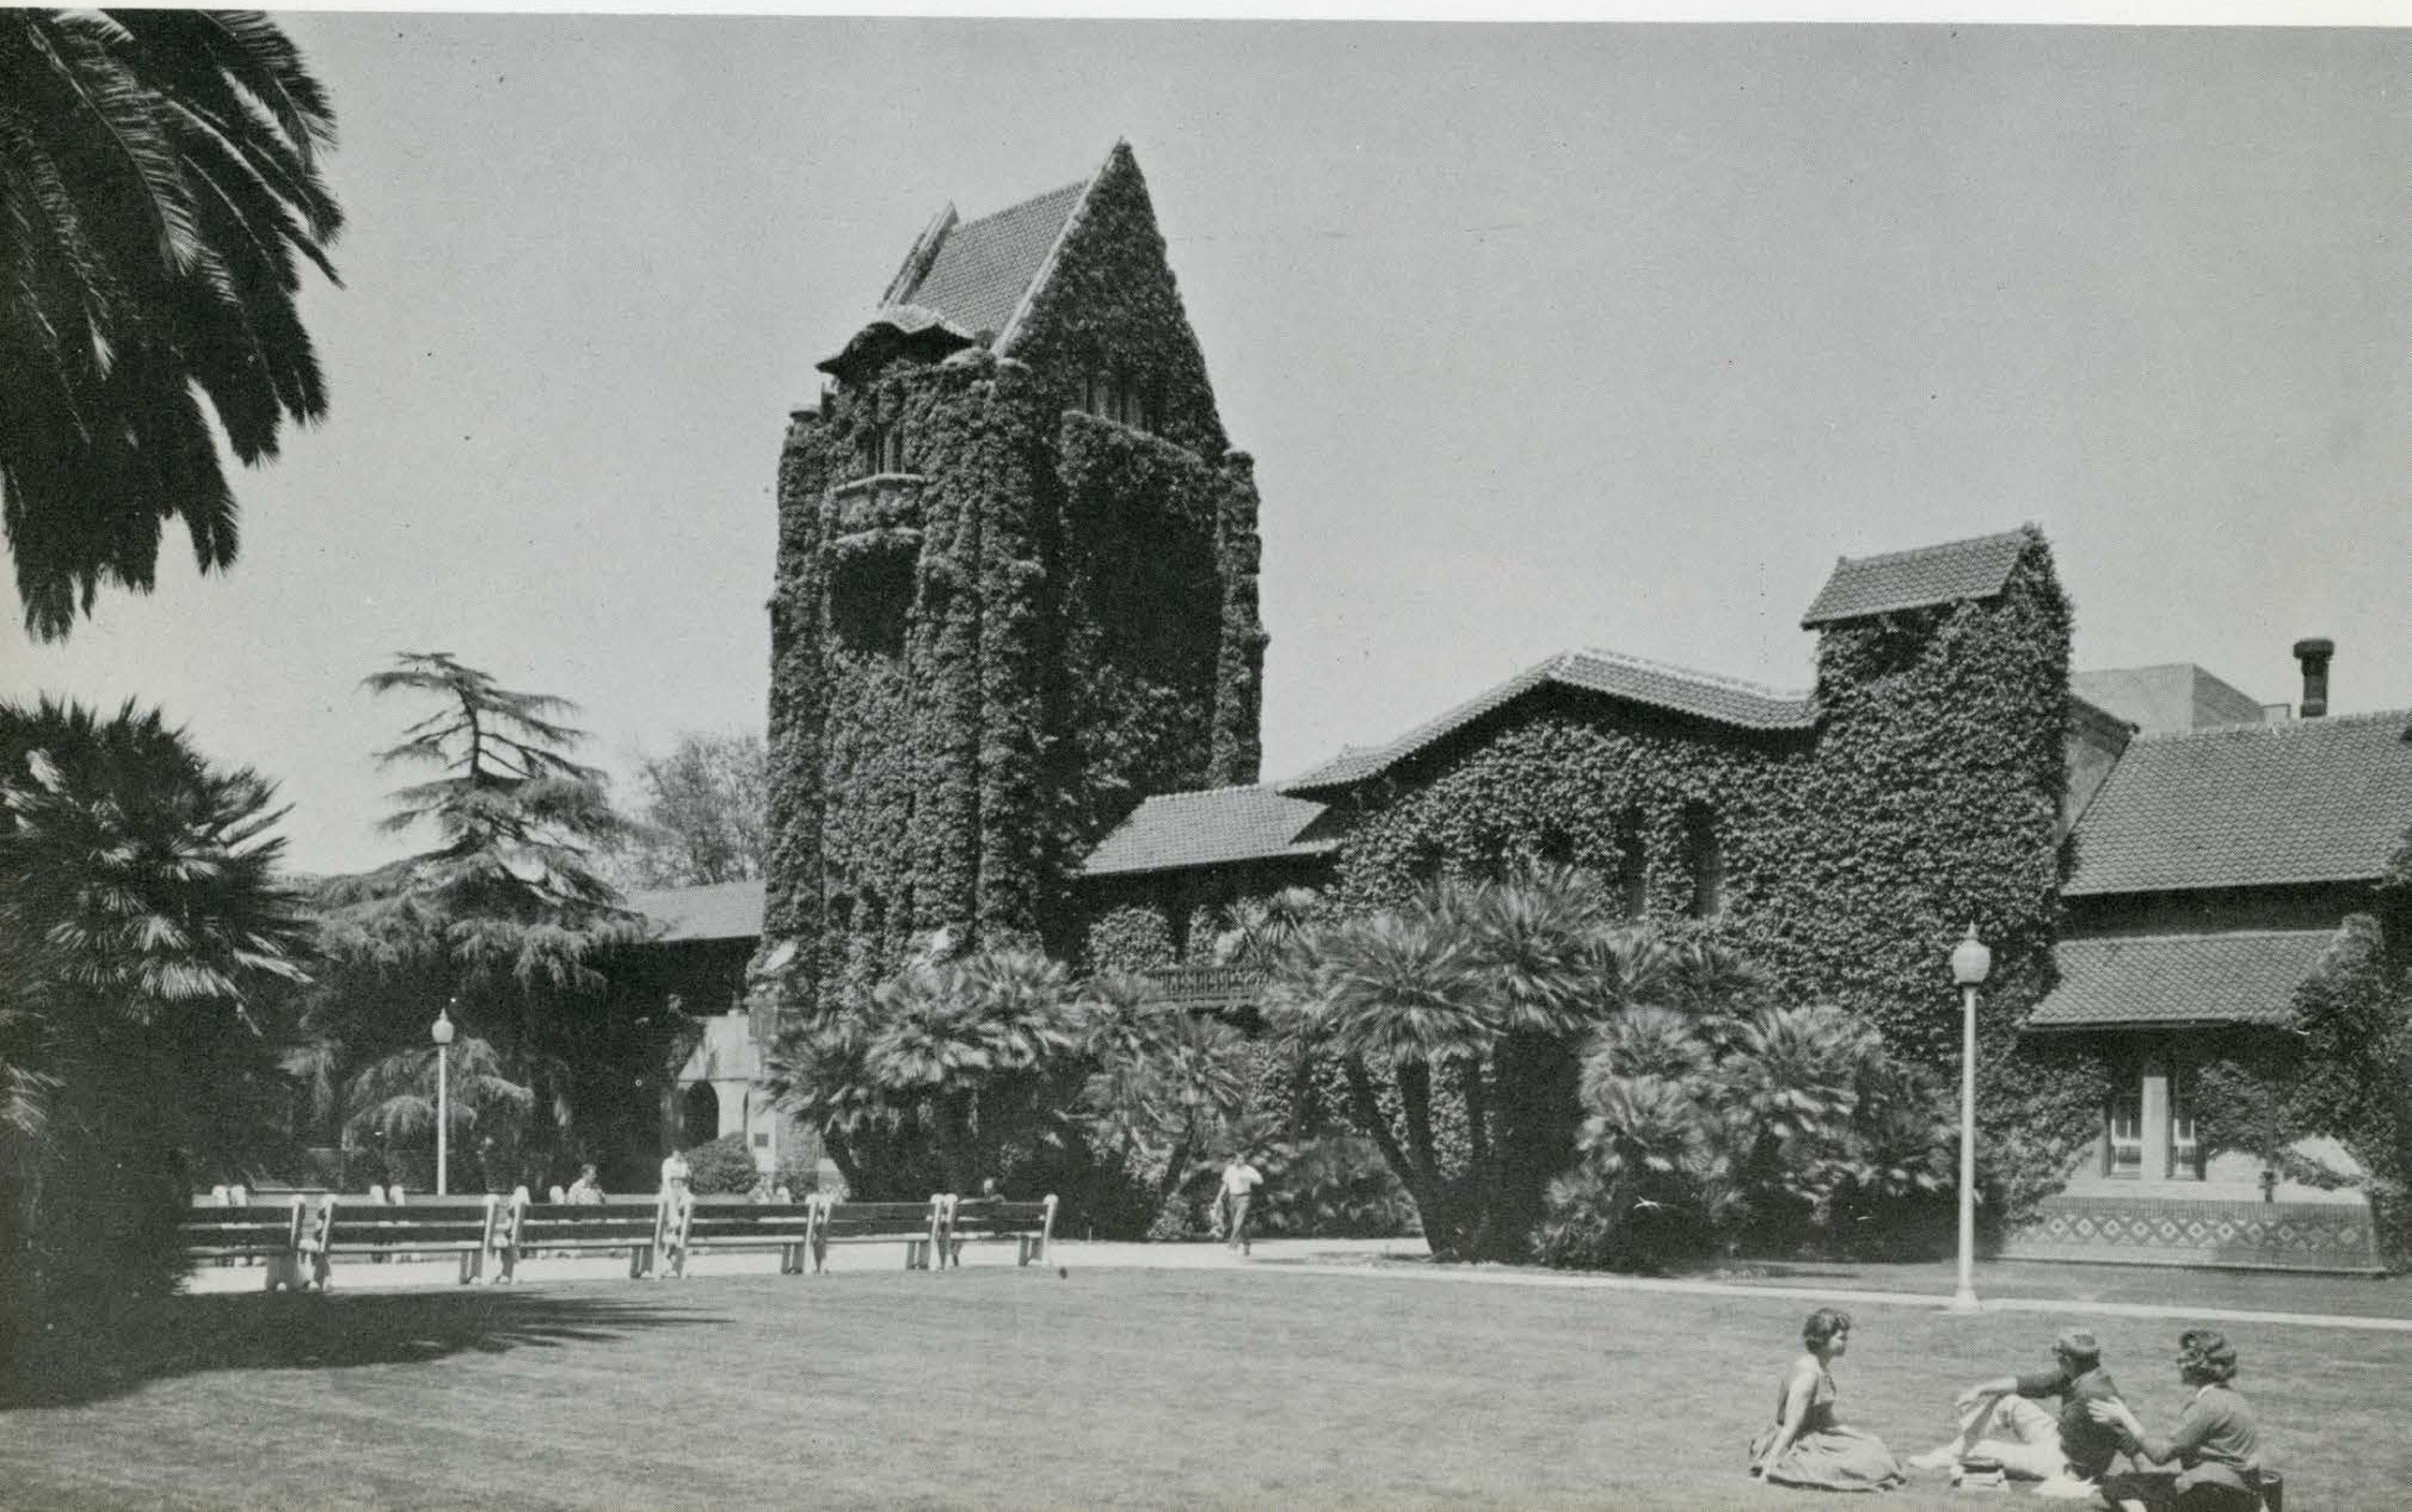

School systems and other groups have the services of the Extension Division at their disposal. The Extension Service covers Santa Clara and five other area counties.

Dotting the campus lawns and walks during the ten weeks of the college's 1960 Summer Session were 9334 students.

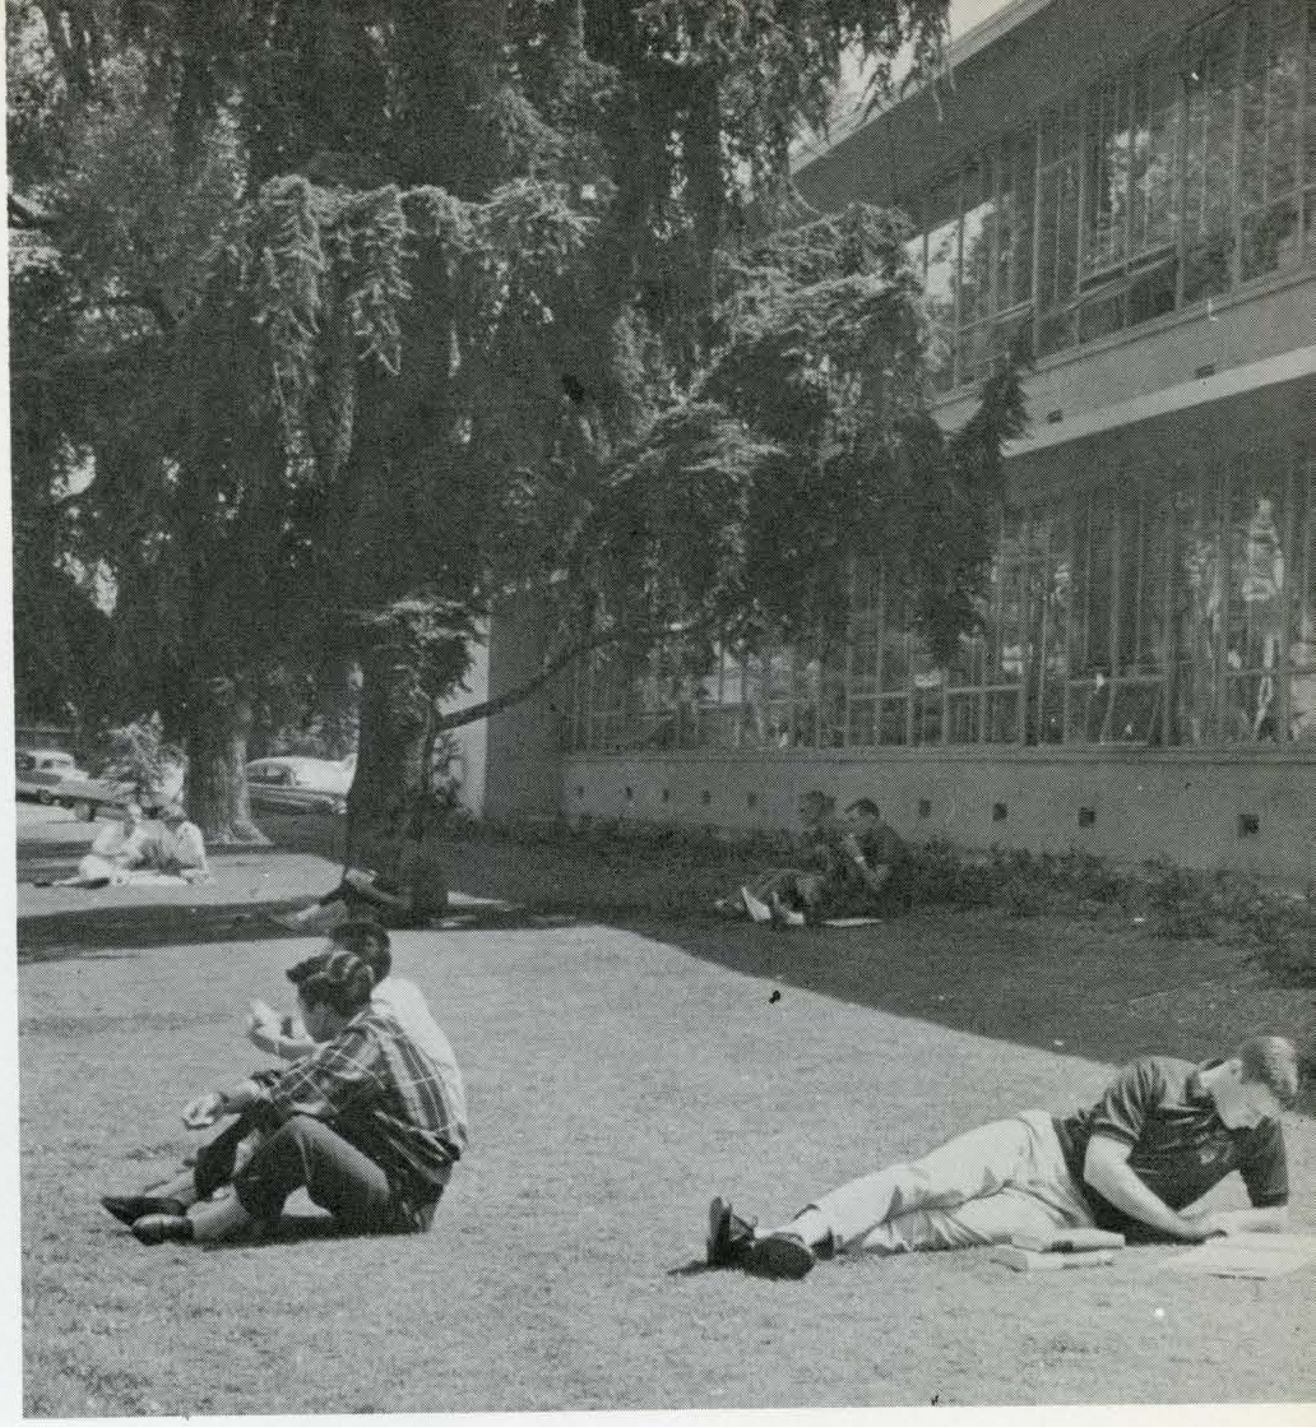

These students, 335 of whom were awarded B.A. and B.S. degrees upon completion of the session, participated jointly in the academic and recreational offerings of the college and the area. Workshop courses drew record enrollments.

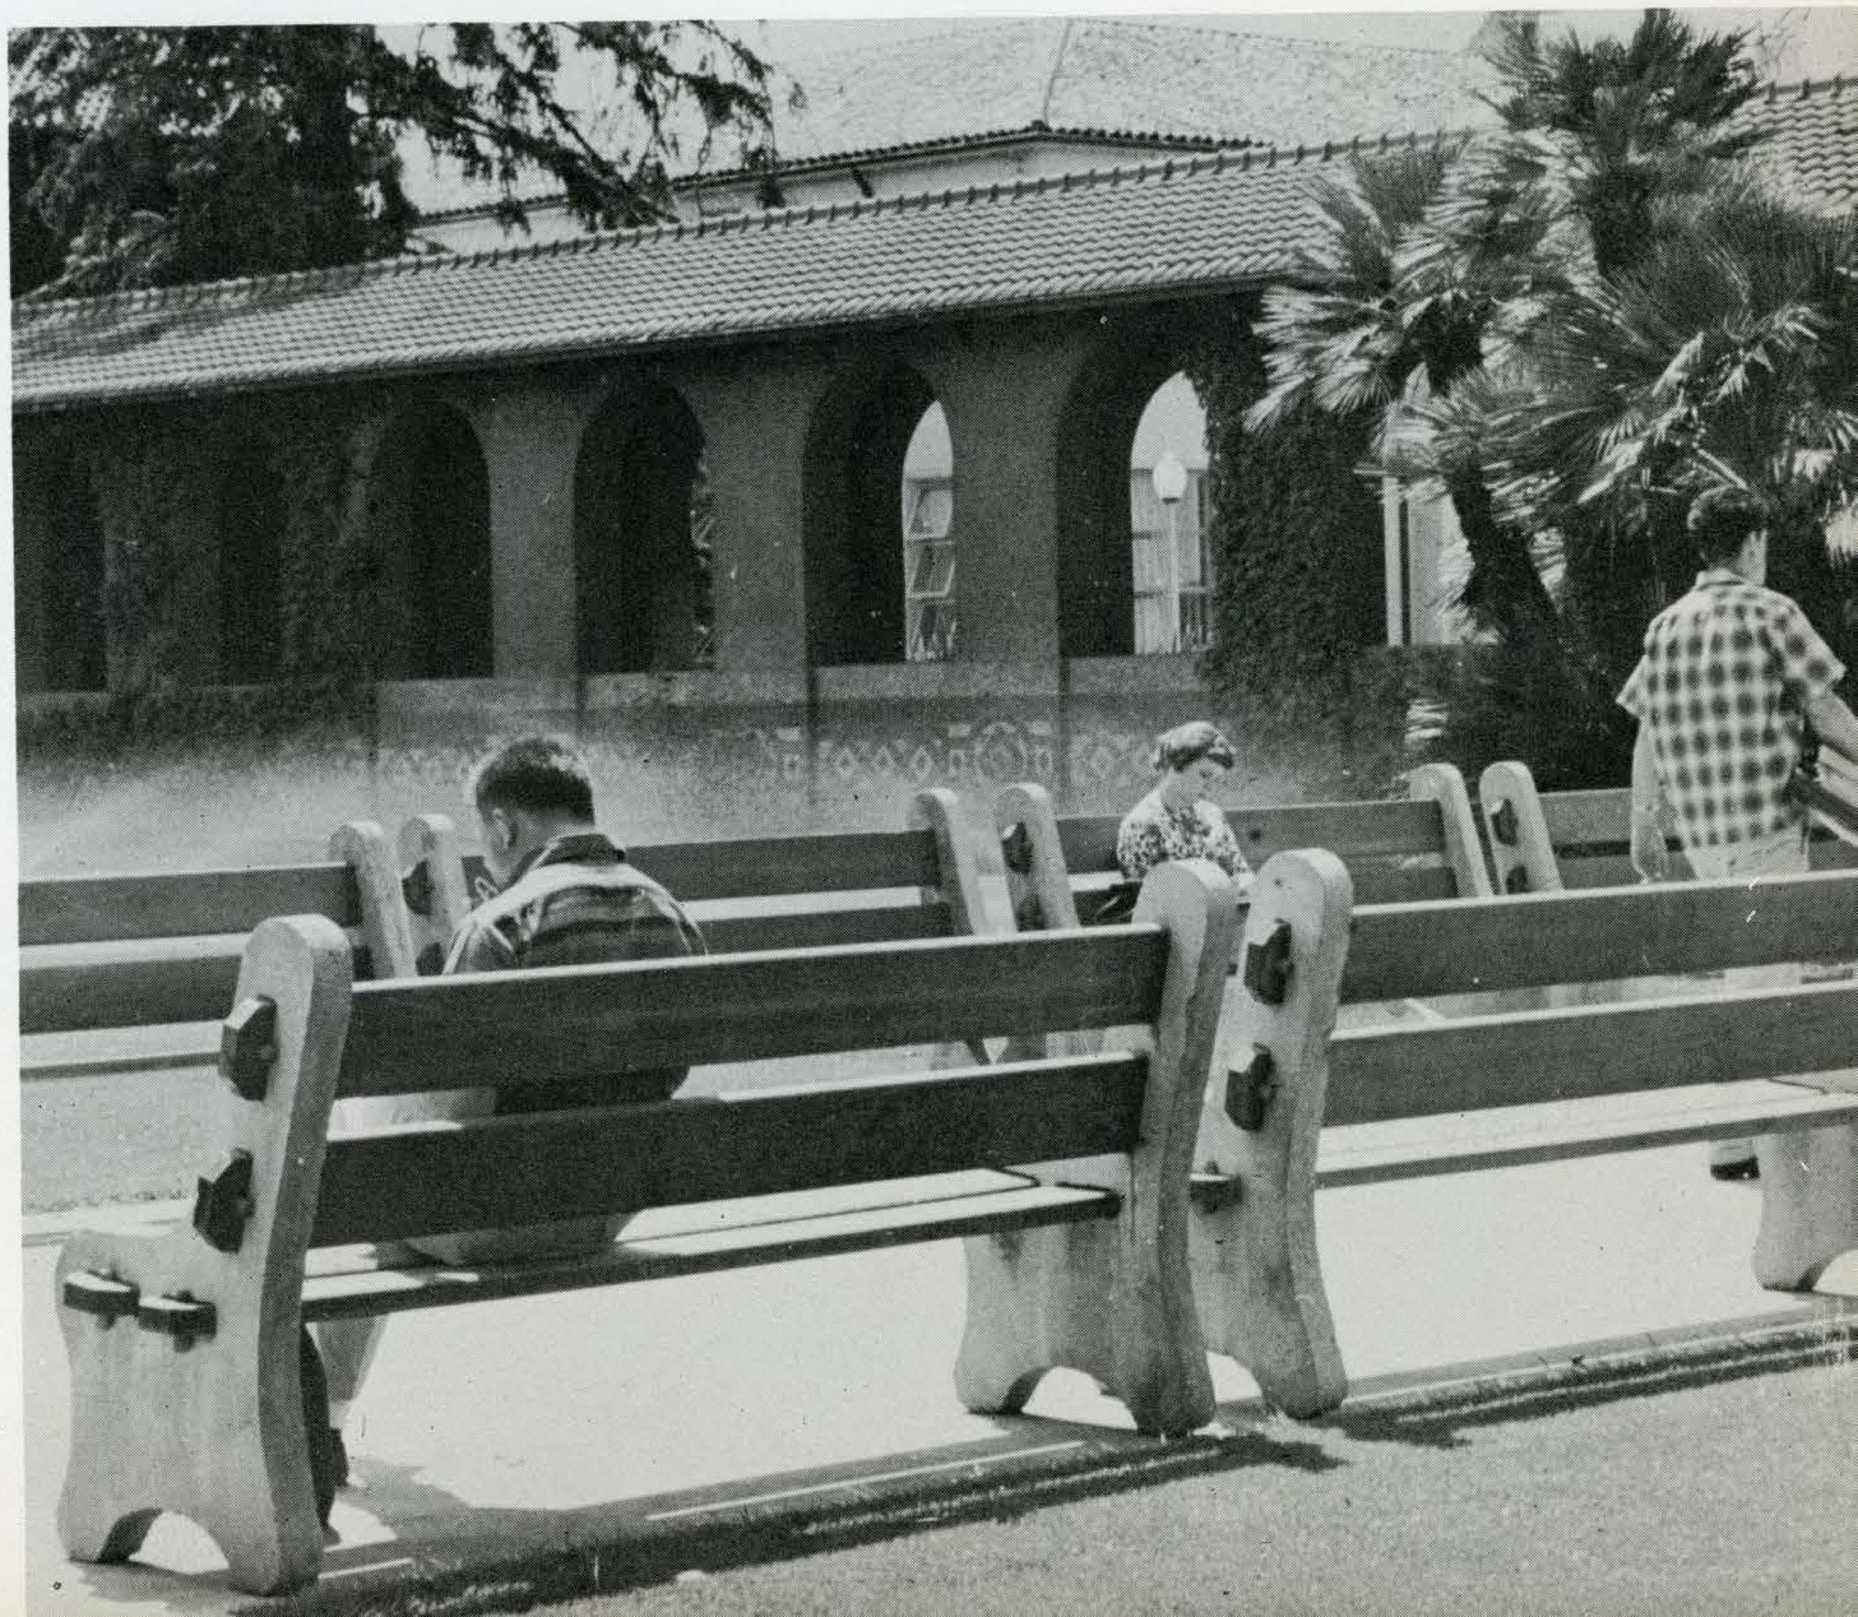

Teaching in many of the academic areas were visiting faculty members. Highlighting the recreational activities offered by the college were programs featuring guest lecturers and performers. A Summer Session barbecue also attracted many students.

president's message

This yearbook is the pictorial record of your College Year — an attempt to capture on paper a succession of important moments in many lives, including your own.

In a way, these pictures are far superior to the human memory — a fact that you will appreciate more and more as your recollections grow dim with the years. And yet, these pictures would be flat indeed without your personal memories to supply the added dimensions of remembered sounds, colors, and excitement of college life.

I am sure that you have become stronger, wiser, more interesting people during your stay here. May this yearbook always remind you that you have tasted at the Pierian spring. But no matter how much you have experienced already, the best is, must be, yet to come. The earnest wish of all your friends of the faculty is that you will continue throughout your lives to enjoy the fruits of learning and to progress steadily toward the horizon of your potentialities.

Members of the college's administrative staff are a dedicated group of men and women concerned with both the objectives of the institution and the welfare of the student.

The average student comes in little personal contact with the administrative staff, but the staff's efforts on the behalf of the student body as a whole should not be overlooked.

The demand on their time, by the students, committees, school and state is such that their working hours are far more than the normal eight. The reward for their hours of active concern and participation is in the feeling of satisfaction that follows a job well done.

The Art Department's 3-story new building is one of the most active on campus. The building features an Art Gallery in which various art shows are presented throughout the year. The Gallery is one of the most interesting features in the new building.

The department offers a variety of courses for anyone interested in the many specialties in the art field.

The department also offers a unique service through its Art Service Studio. These services are for those who are student-teaching and need such things as posters, flash cards and charts. Students on campus can also make use of the studio.

The old Art Wing of Tower Hall will be the new home of the Journalism and Advertising Department when remodeling is completed in the fall of 1961. The department has been located in the old "Barn" since the early 1950's.

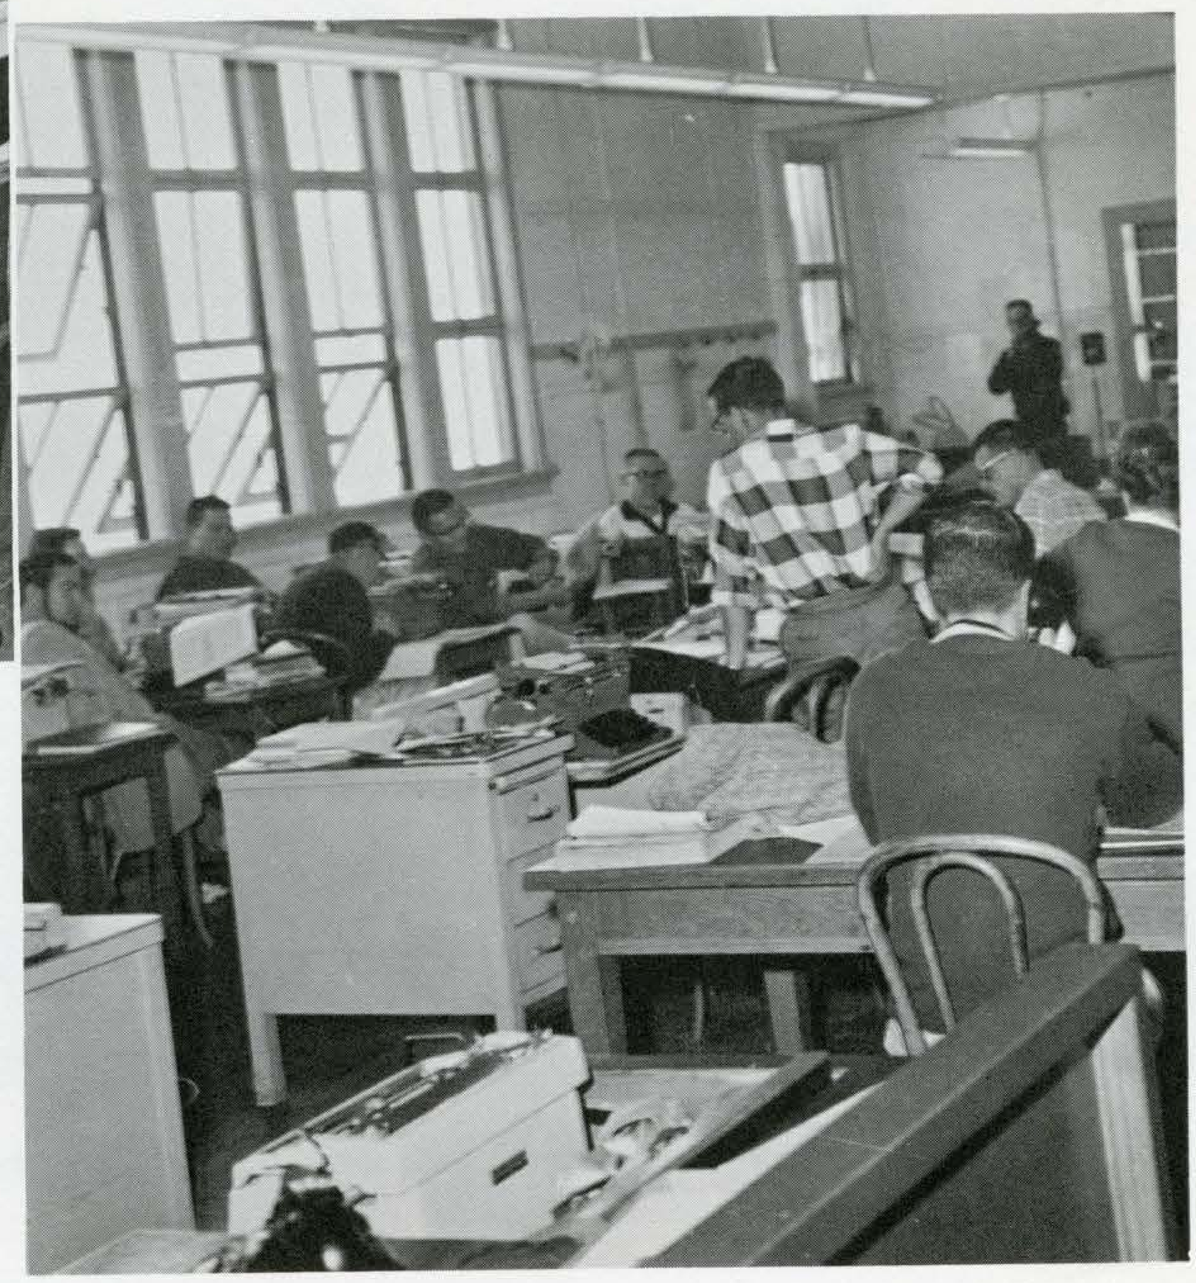

Within the department are located the offices of three main campus publications: the Spartan Daily, La Torre, and Lyke.

The department offers courses to three major categories. These are Advertising, Public Relations, and all phases of Journalism.

Boasting "one of the best departmental buildings of its kind in the world" is the San Jose State Industrial Arts Department.
Housed in the year-old 4 million dollar, 100,000 sq. ft. building, the department is headed by Ralph C. Bohn. The program offered students in the department is the largest such program in the state, and provides instruction for future industrial arts teachers, business and industrial arts majors and industrial design majors. A graduate program in teacher education is also offered.

music

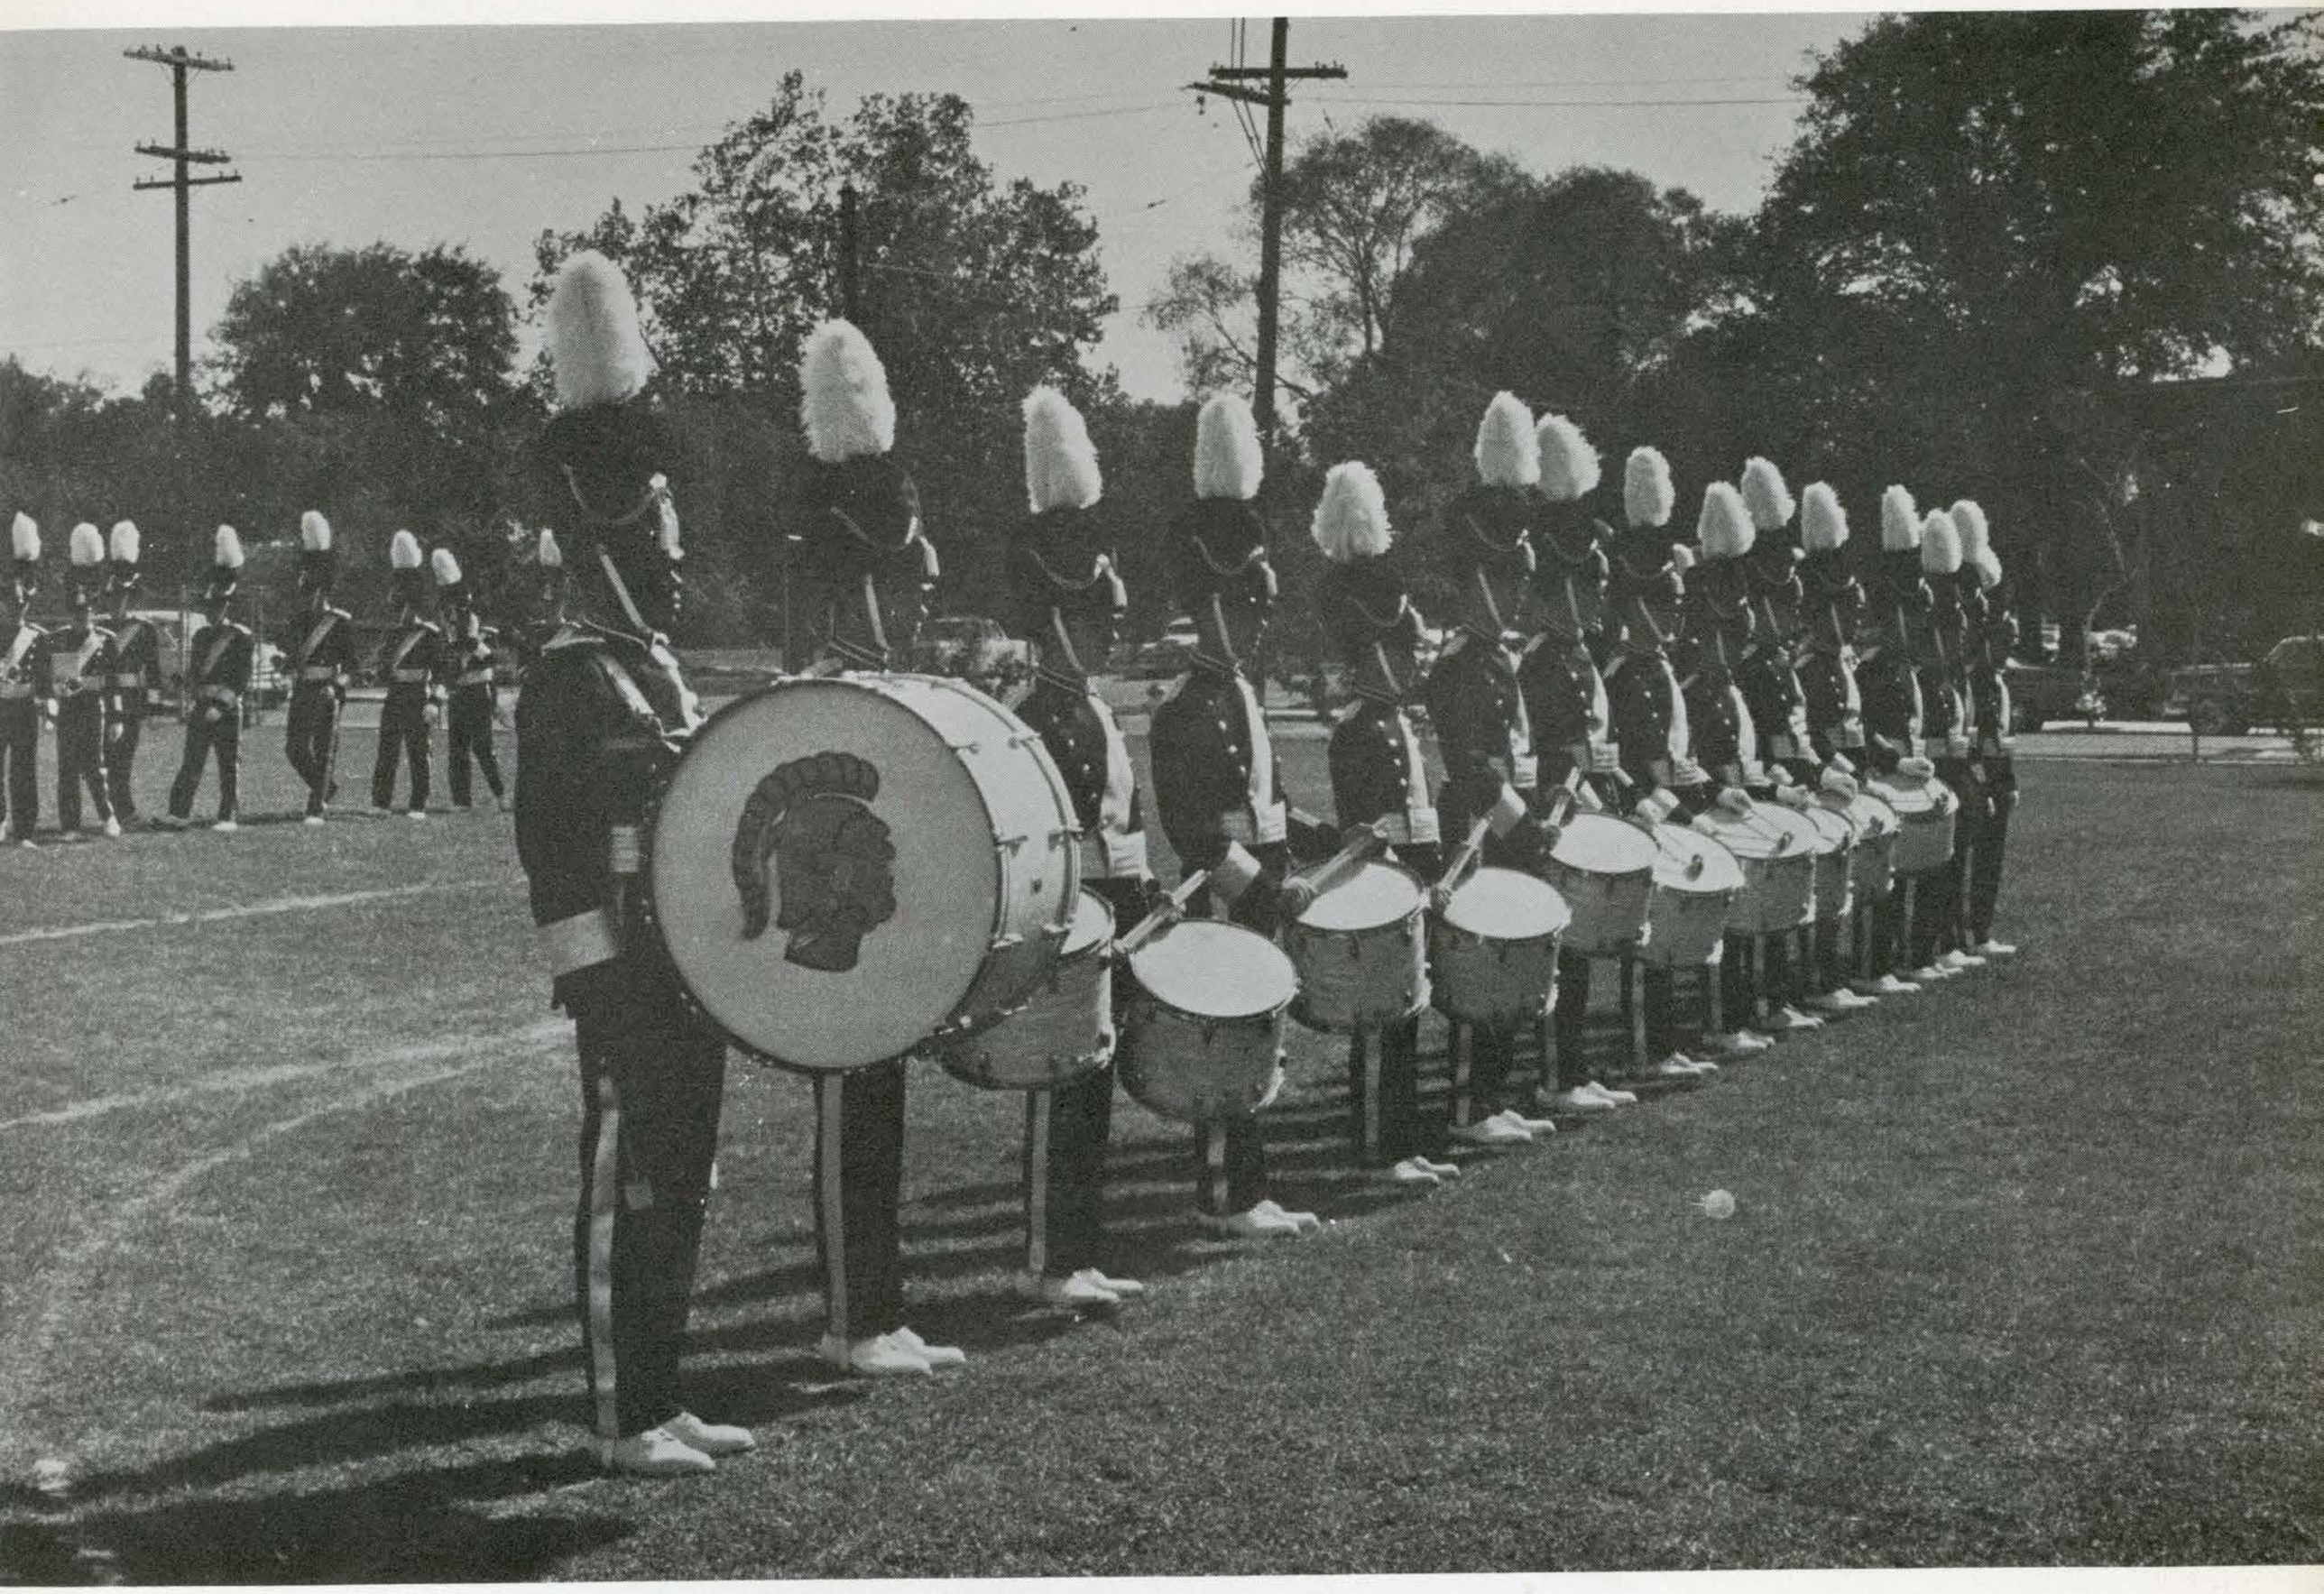

The Music Department offers programs for the individual music student that are designed to satisfy needs for cultural growth, stimulation of artistic development, and to provide preparation for either teaching or professional careers. Training is under the supervision of specialists with artist teachers guiding the study of piano, voice, band and orchestral instruments. A thorough study of music theory and literature establishes the foundation for musical and artistic growth.

The Music Concert Hall, with latest in sound and recording equipment, includes a recital room and a modern Concert Hall where the annual concert series is presented. These concerts feature solo recitals, chamber and ensemble groups, and the larger organizations. Department offices, large rehearsal hall, studios and practice rooms are included in the new Music Building.

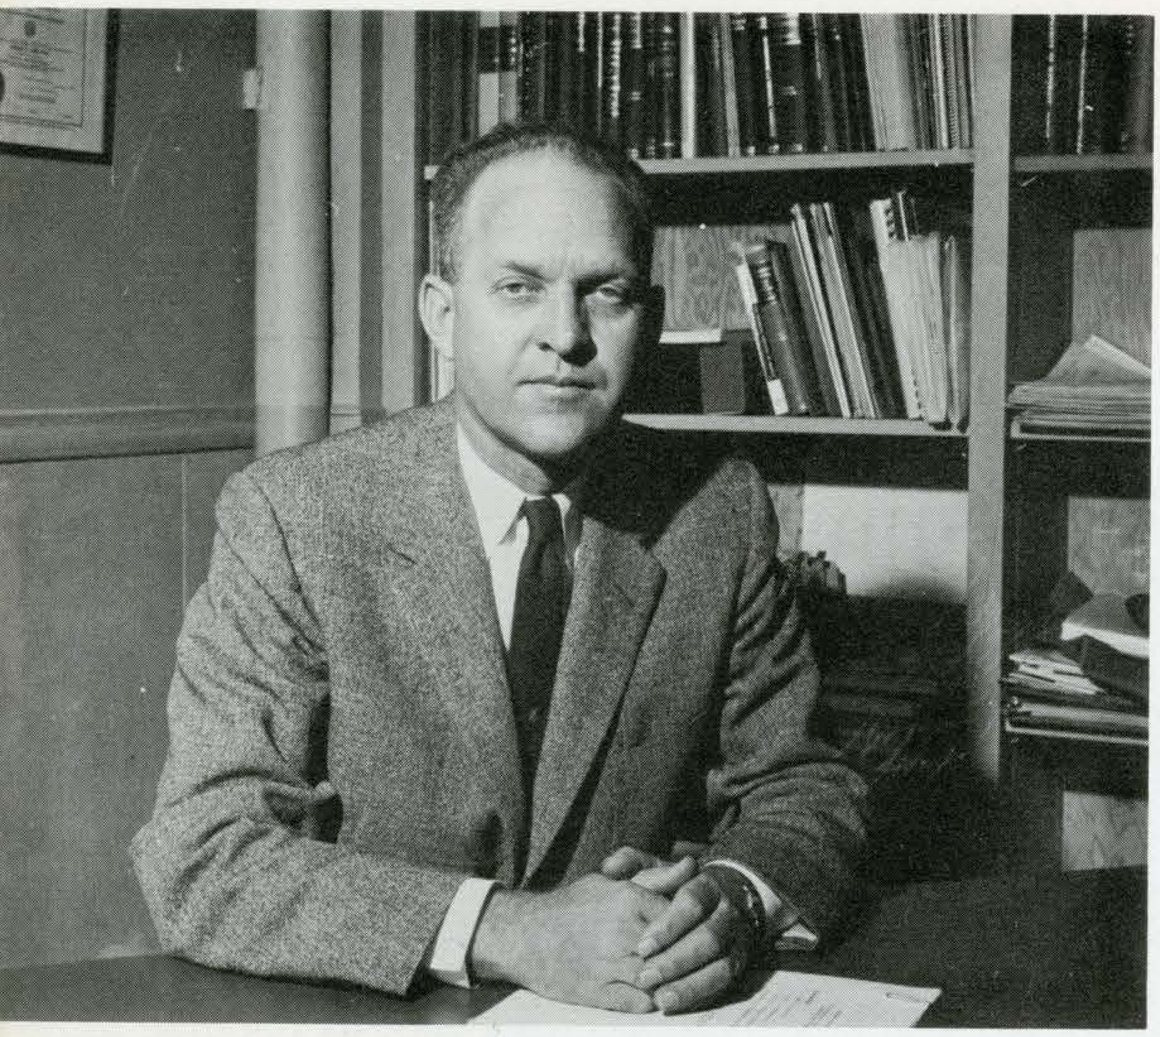

Musical activities include the symphony orchestra; concert, marching bands; opera work shop, a cappella choir, glee clubs and madrigal singers; and string, brass and woodwind chamber groups.

When San Jose State's new engineering building addition is completed, the facility will be one of the largest such facilities for engineering education in the nation.

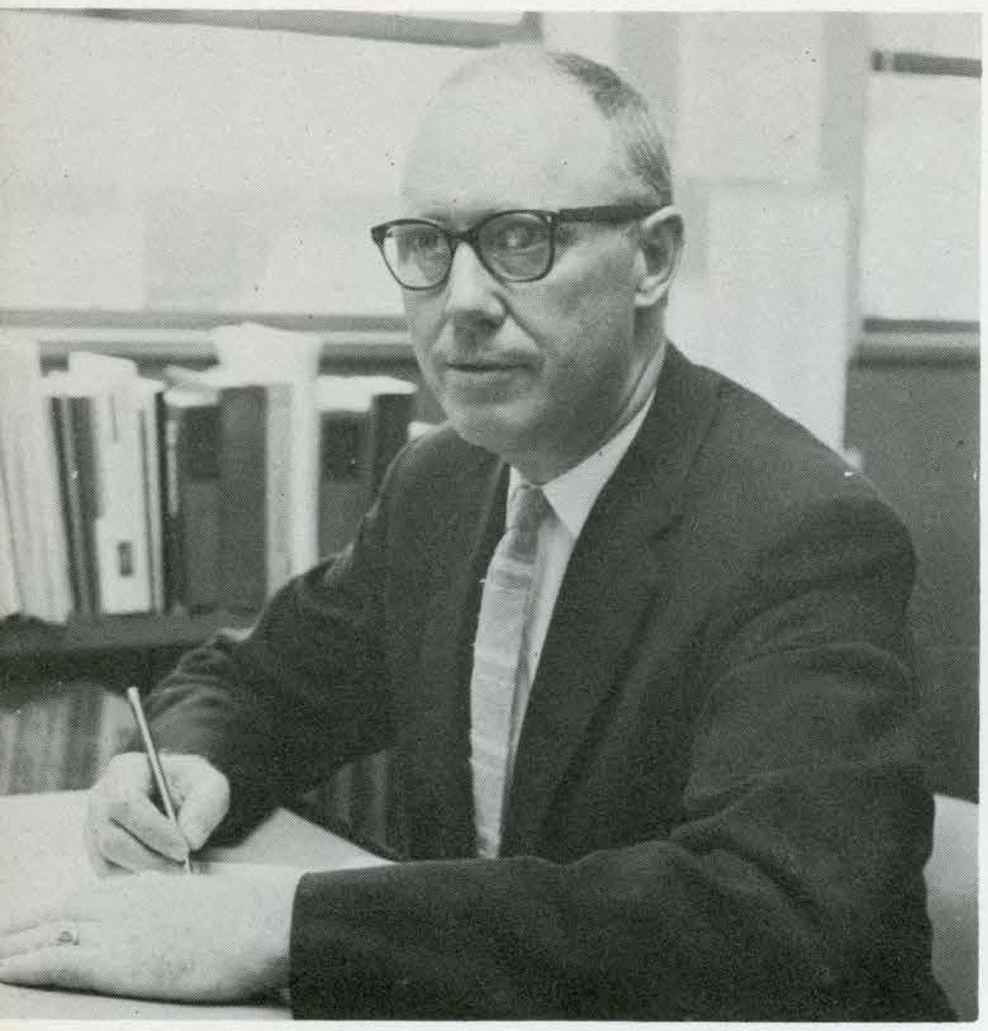

The $9,764,200 building expansion program being carried on will be well-equipped for student and faculty research activity. The complete physical facilities, which will be available upon completion, will help insure that San Jose State College's engineering graduates are experienced in research techniques.

Education is one of the departments for which San Jose State is best known. The Education department is one of the largest on campus. The prospective teacher must pass requirements in the basic subjects of arithmetic, social studies, grammar and speech, along with a health examination. San Jose State provides an observation and student teaching program, which enables the students to get adequate practical experience before their first jobs in the classroom. The credentials offered by the Education department are Kindergarten-Primary, General Education, and the Junior High credential. Special Secondaries are offered in a variety of fields. Many advancements in the education field are being made on the San Jose State campus today.

education

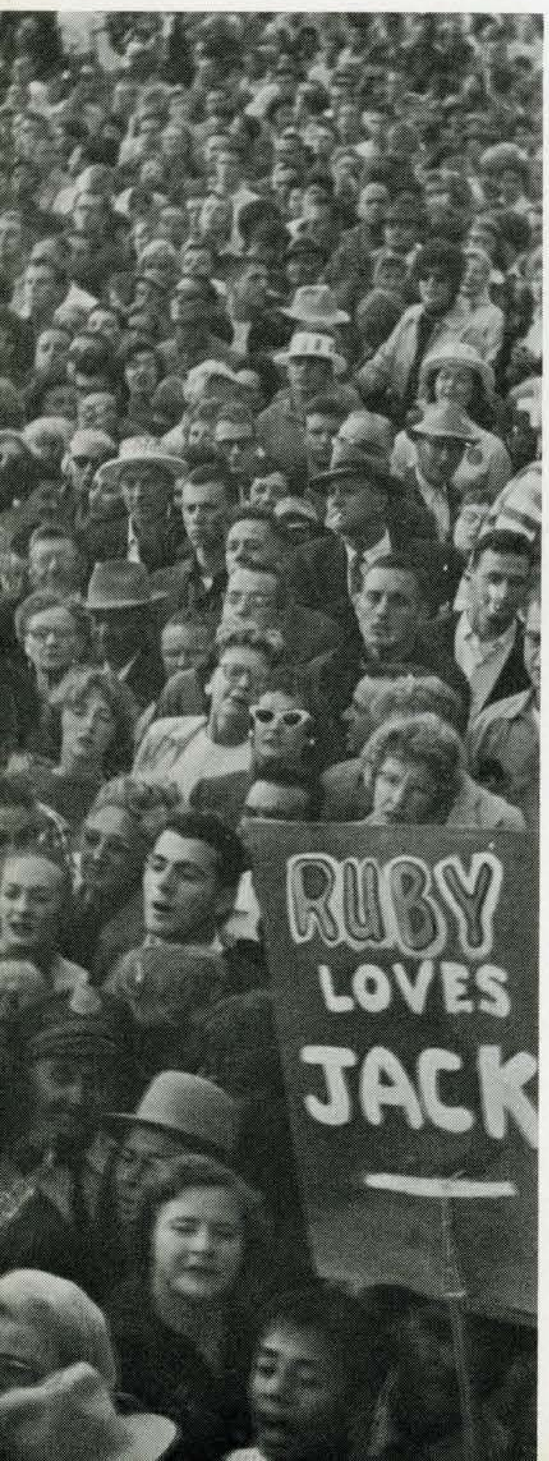

leadership

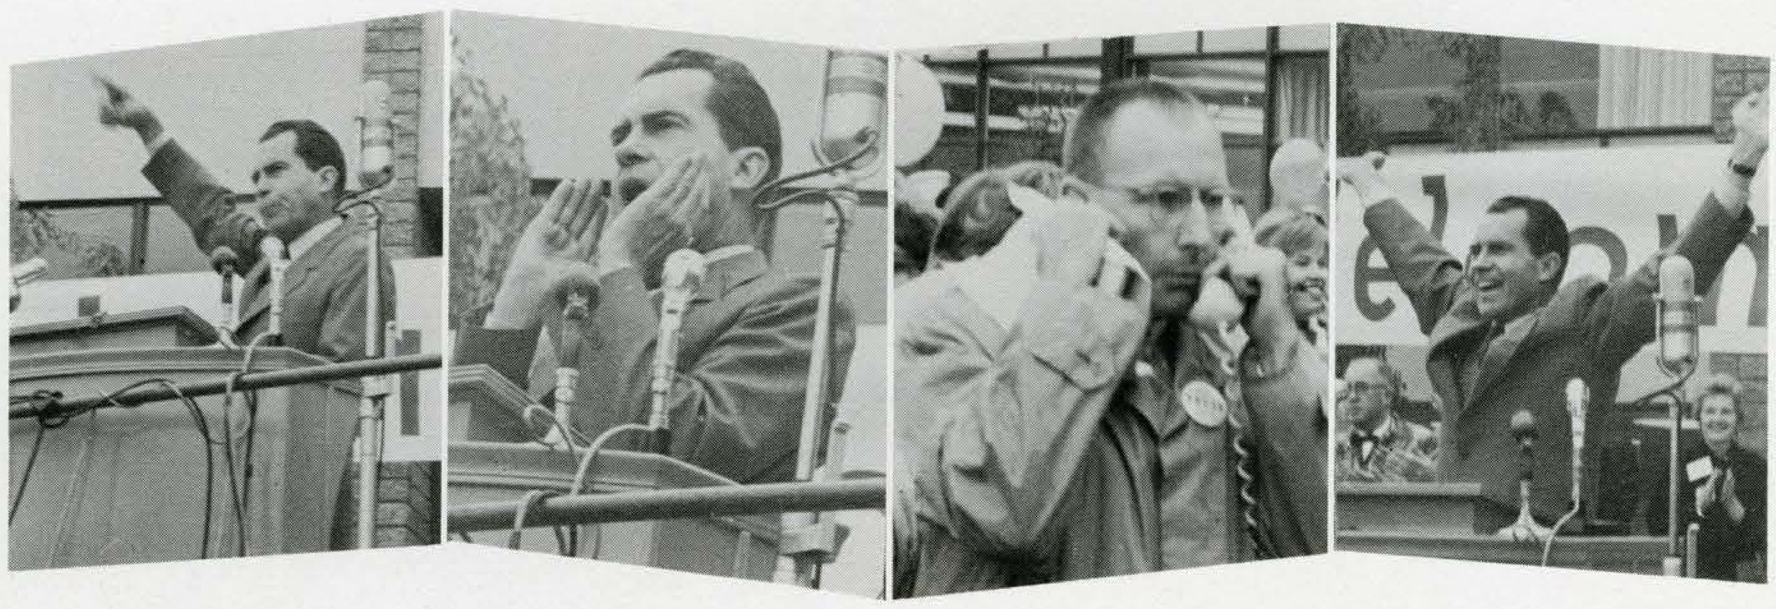

The 1960 presidential campaign, chosen as the year's most outstanding news event, was perhaps the most vigorously contested political rally in our history. In their efforts to inform the public both candidates brought their campaigns to San Jose.

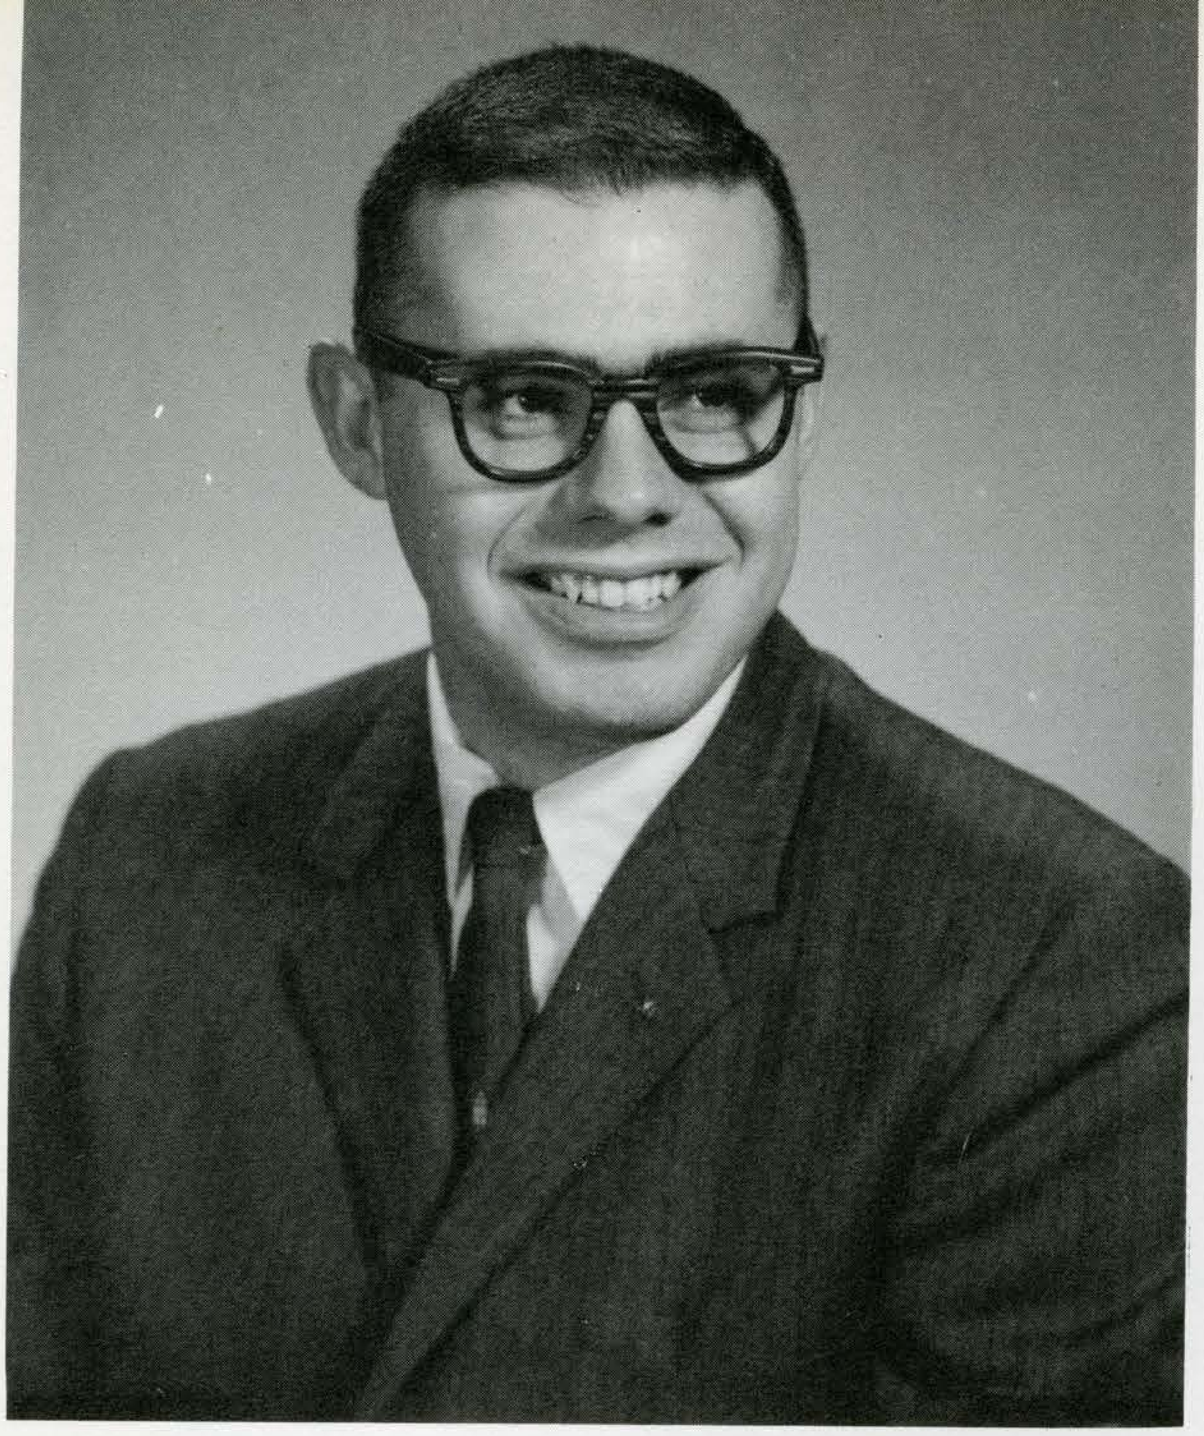

Characterized by young men and new ideas, the campaign ended with the victory of the senator from Massachusetts, John F. Kennedy.

JOHN F. KENNEDY
PRESIDENT OF THE UNITED STATES
1961 — 1964

TO STUDENTS AND GRADUATES OF SAN JOSE STATE COLLEGE:

Those of us who are graduating this year from San Jose State College and those who will graduate in the future will face many new challenges and responsibilities in the outside world. We should not forget, however, that we have a continuing responsibility to this institution which has made and will make, for us and others, higher education such a meaningful experience.

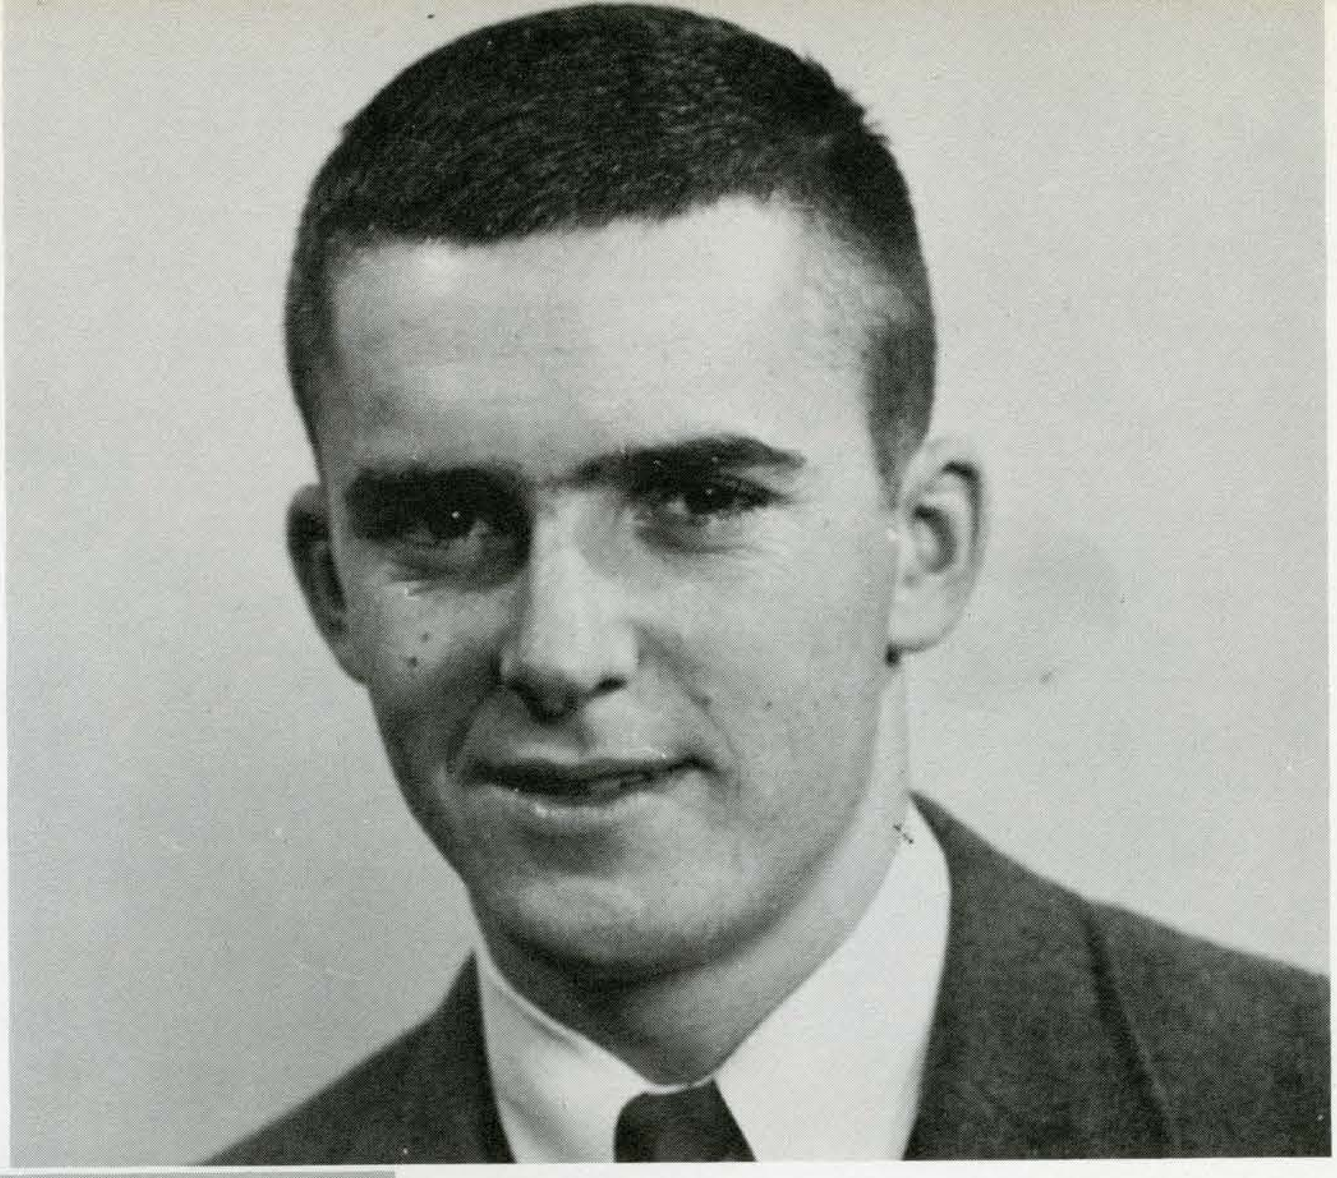

The growth and prestige of the college depends a great deal on how we as students and graduates meet this continuing responsibility to San Jose State College. In the past we have had to depend for the most part on administrative and faculty personnel to support our growth and prestige, but the real responsibility lies with us, its present and prospective products.

We have in the last four years truly begun to become a college campus. We have seen the construction of new classrooms, a cafeteria, and new dormitories; parking facilities, and perhaps a Student Union Building which will enable the maximum in intellectual, physical, and social educational experiences.

But we, as present and prospective graduates of San Jose State, must first realize and accept our responsibility to support this institution of which we are a part and a product; and after this is done, we can support it verbally, financially, through participation in the Alumni Association, and by our actions in our chosen fields of work.

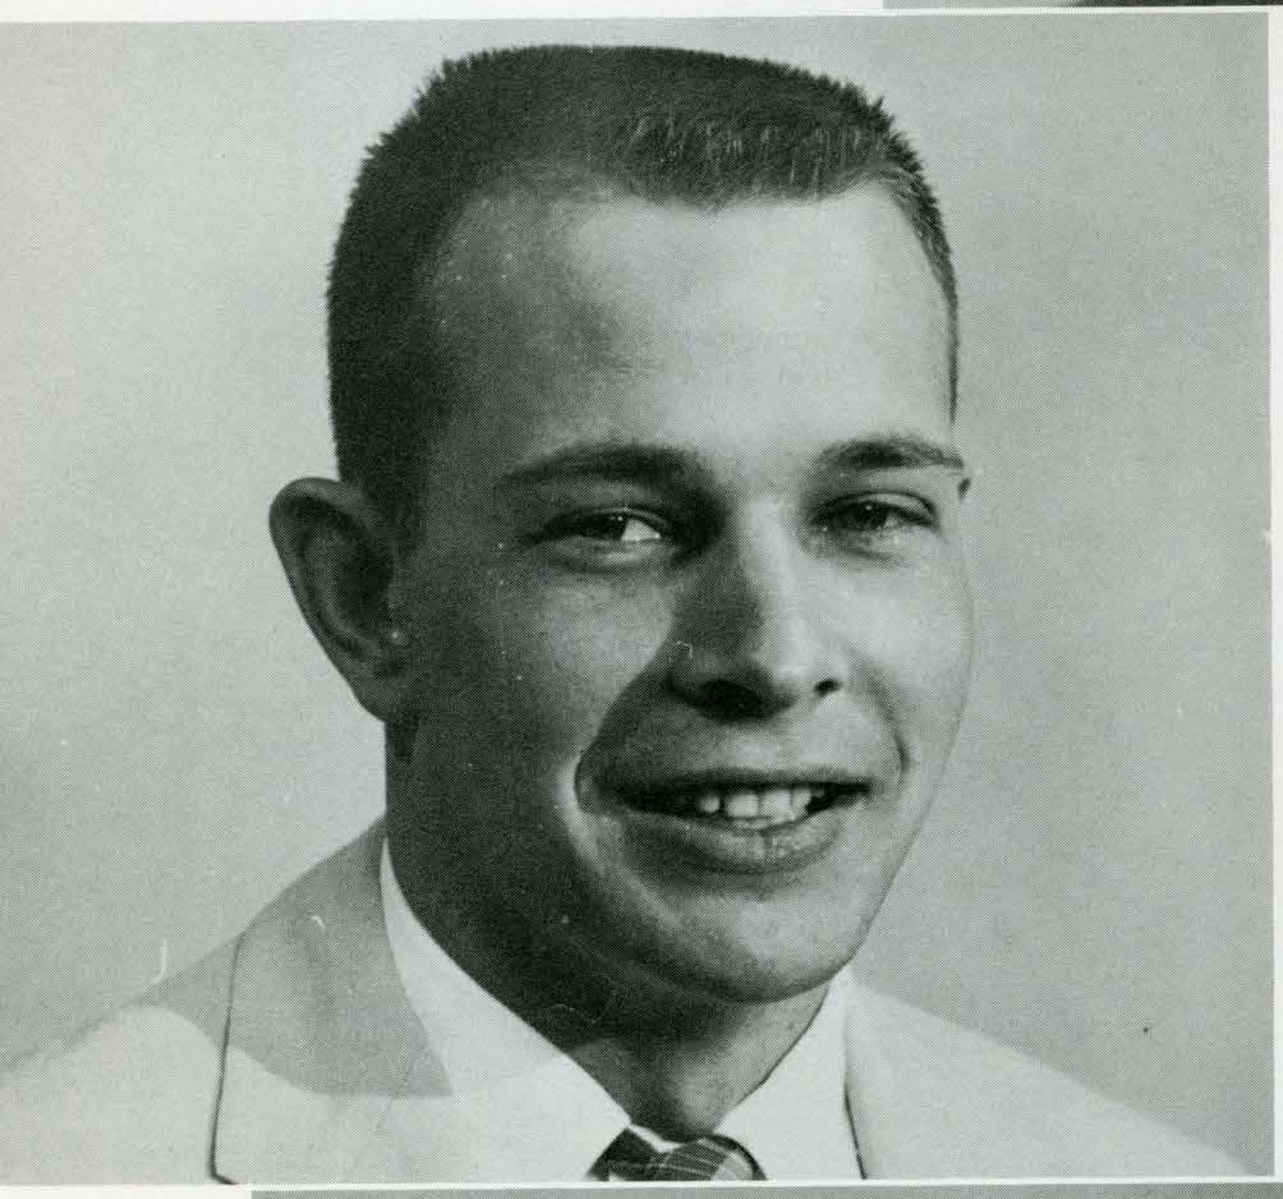

My sincere hope is that we accept this continuing responsibility, not only to help ourselves, but to help those who will come after us. The age in which we live and the need which is ever present demands our continuing support of San Jose State College, an institution of higher learning, our college campus.

Sincerely,
ROBERT (Pat) McCLENAHAN

The Associated Women Students have had a very successful year. In the fall, AWS sponsored the Big-Little Sister Program, New Women Student Orientation Meeting, Christmas Door Decoration and the Student-Faculty Tea. In the spring, the program includes March Melodies, Housing Conference, New Intellectual Program, and Women's Week. The members participated in the conferences scheduled by the Intercollegiate Association of Women Students, the national organization, of which SJS advisor, Miss Terri Galvin, is executive secretary.

The Judicial Branch of AWS worked hard all year to maintain a high standard for women students. The board revised the constitution in order to establish a stronger foundation for a more effective organization with a better qualified and diversified representation of women students.

The goals of AWS are high, but this year has been a milestone for the group.

The Blue Key is an honorary organization having a selected number of members, with Dr. Walter as the advisor.

The members of this organization participated in giving a resume to the prospective college students in high schools in this area, on what is expected of them upon entering college. A faculty dinner was enjoyed by all the members during this past school year. The Blue Key also planned various functions with the Black Masque, which is also an honorary organization.

To Student Affairs Business Manager William Felse and those who man the Student Affairs Business Office, TH 16, the La Torre staff wishes to express their thanks.

It was the business office force who handled the many organization and residence space contracts for the 1961 yearbook. The efficient force kept the contract lists up to date and credited all payments to the **La Torre** account. Chaotic confusion descended upon the office when appointments for senior and greek pictures were being made, but the courteous secretaries managed to take care of the onrush, despite missing sign-up sheets, lack of sitting times, and other daily crises.

The tower hall office was called upon to assist further when the yearbook sales staff announced that the 1961 book could be purchased there.

The able assistance of the office's staff with all yearbook financial matters has been, and is, greatly appreciated.

Thank you.

The La Torre staff.

ASILOMAR, WITH ITS PICTURESQUE SCENERY, MAKES THE PERFECT LOCATION FOR THE FUN-FILLED DAYS AT FRESHMAN CAMP.

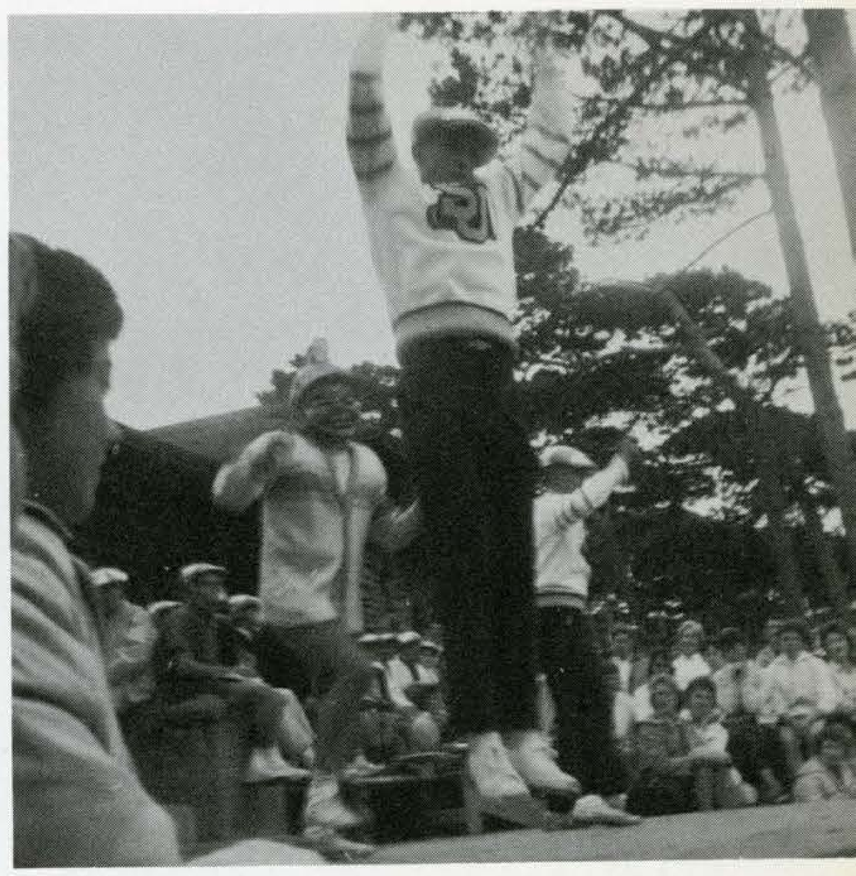

freshman camp

september 16 - 18

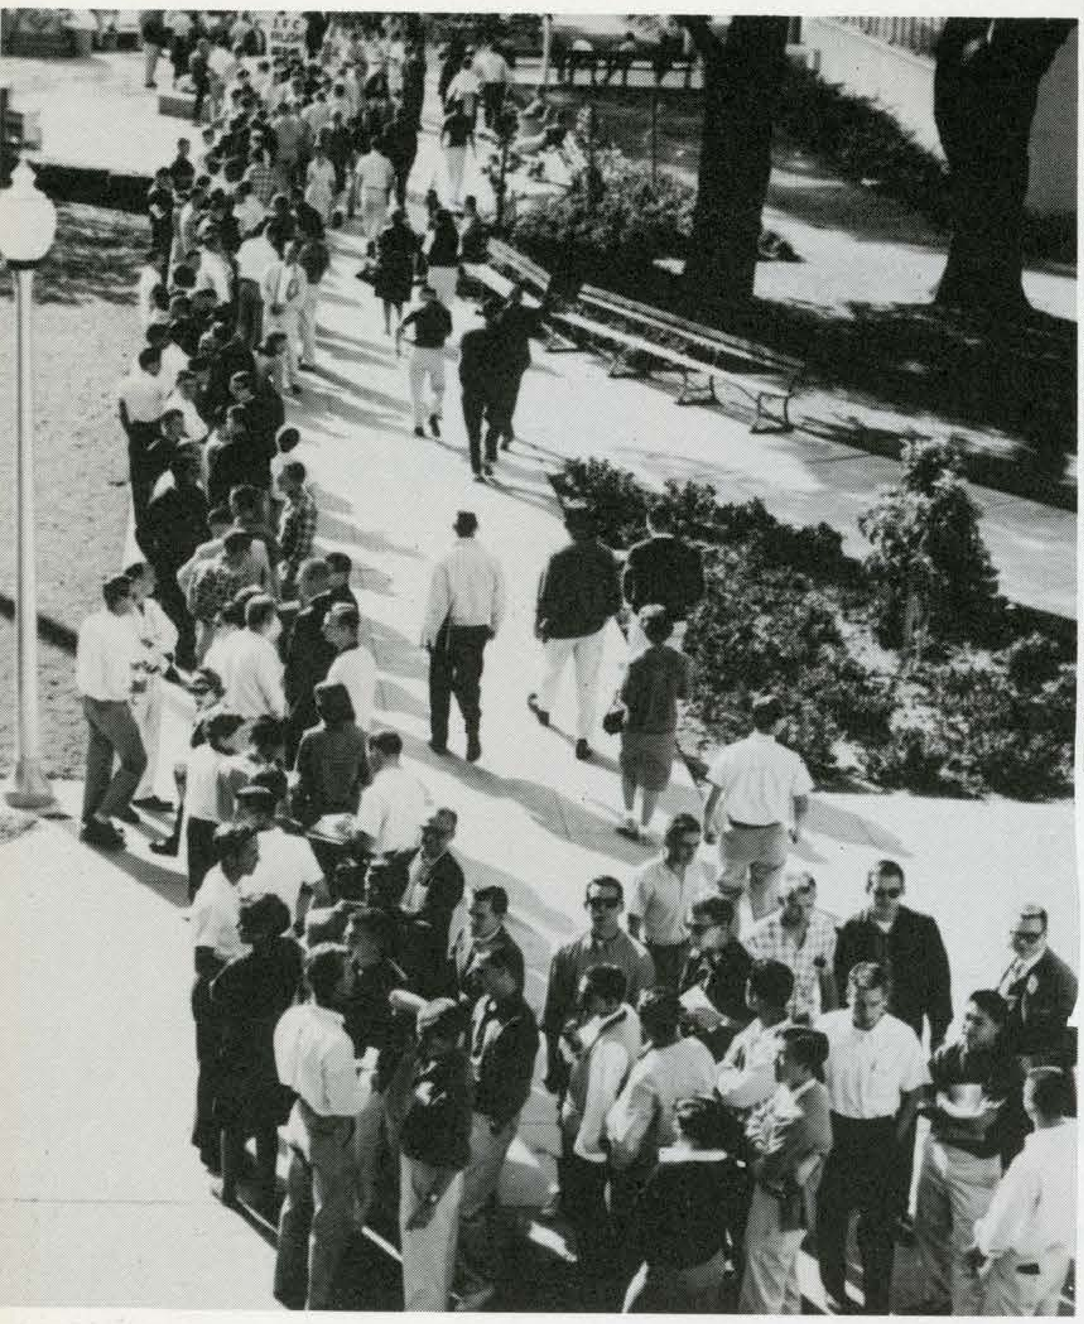

Asilomar on the Monterey Peninsula, with its magnificent scenery, attractive buildings, and good food, offered a three-day vacation to approximately 450 enthusiastic Freshman Campers. Presented by the Associated Student Body, Freshman Camp was a wonderful introduction to college life and Spartan activities. Freshmen and transfer students met with student leaders from San Jose State for a varied program of recreational, social and informational activities.

registration

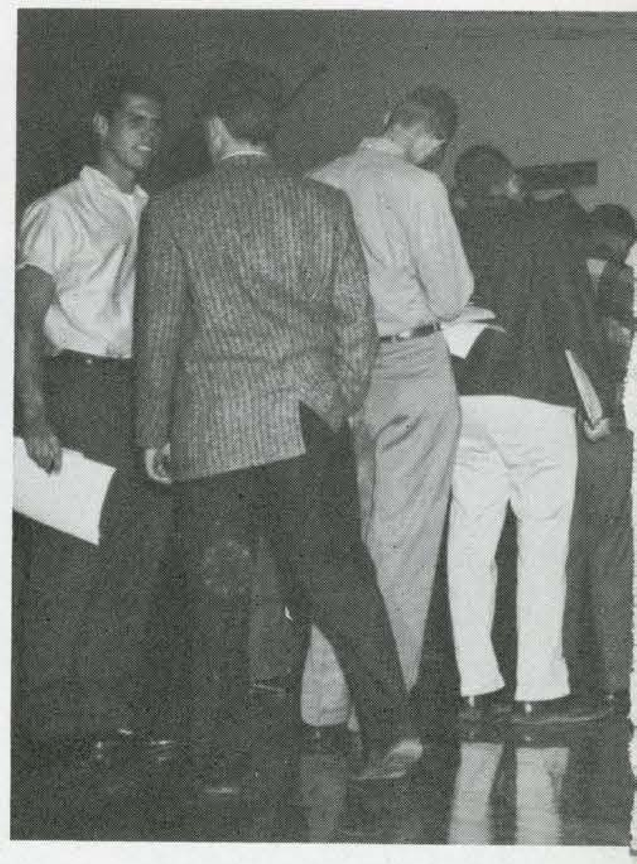

september

22 and 23

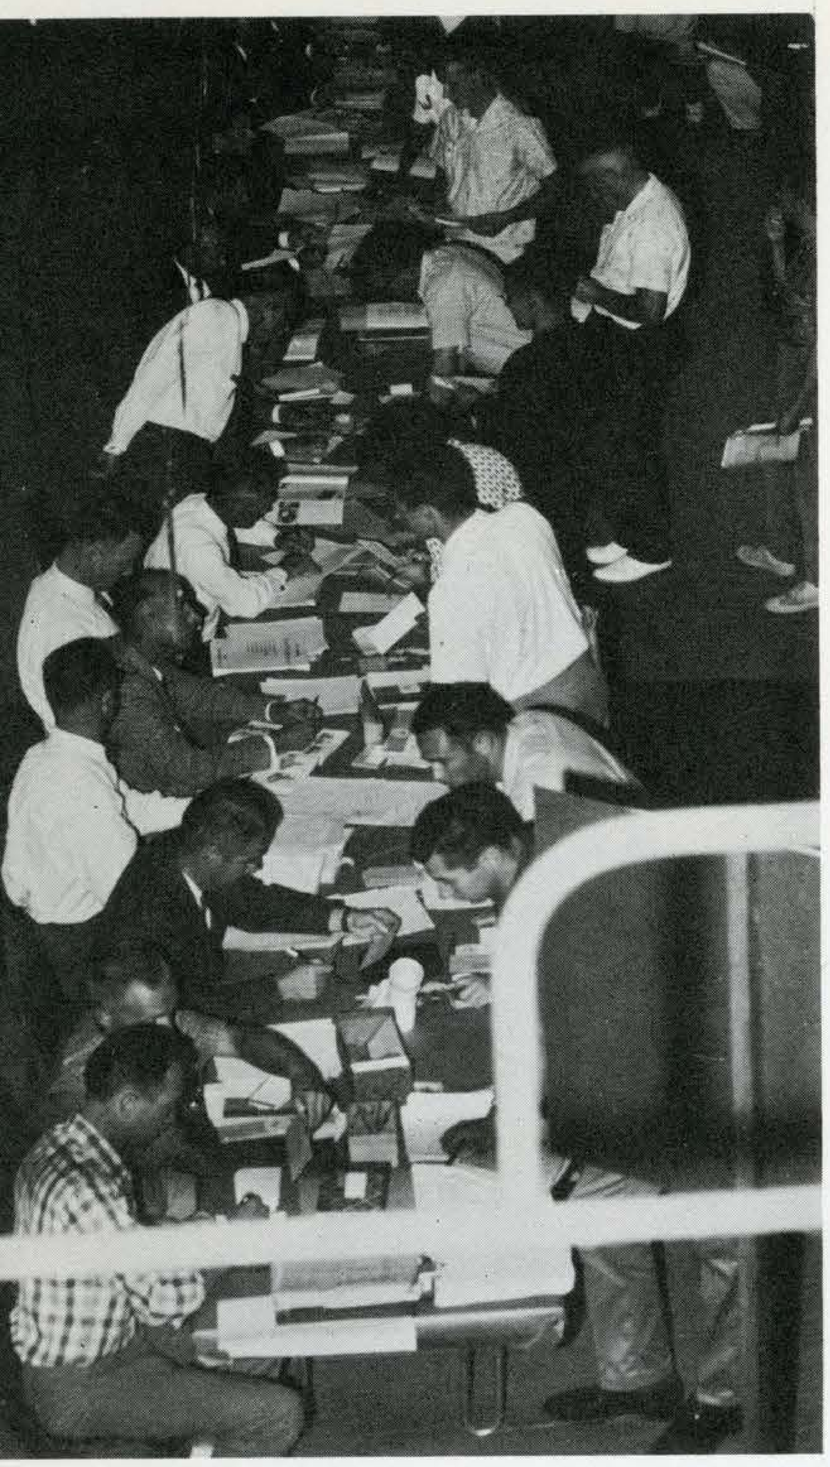

WHILE STANDING AMONGST THE CROWDS, EACH WONDERED HOW HE WOULD BE ABLE TO COMPETE WITH SUCH GREAT COMPETITION.

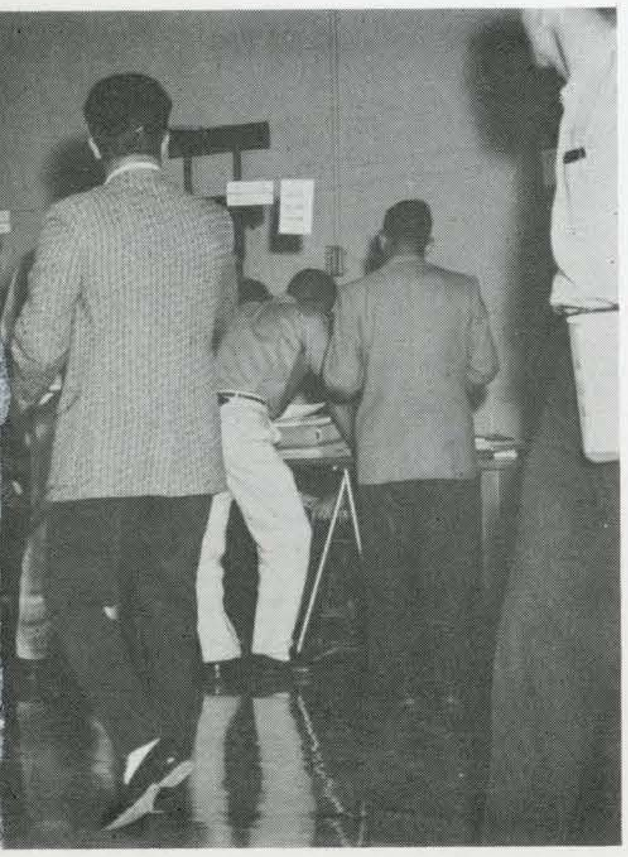

All Spartans can remember the hustle and bustle of registration. The endless lines, I.B.M. cards, green arrows, racing from gym to gym, scribbled validations, and the heart-break of closed classes make this day an unforgettable step of the stairway to a higher education.

EVERYONE HURRIED FROM BOOTH TO BOOTH IN HOPES THAT THEIR DESIRED CLASS WOULD NOT BE CLOSED.

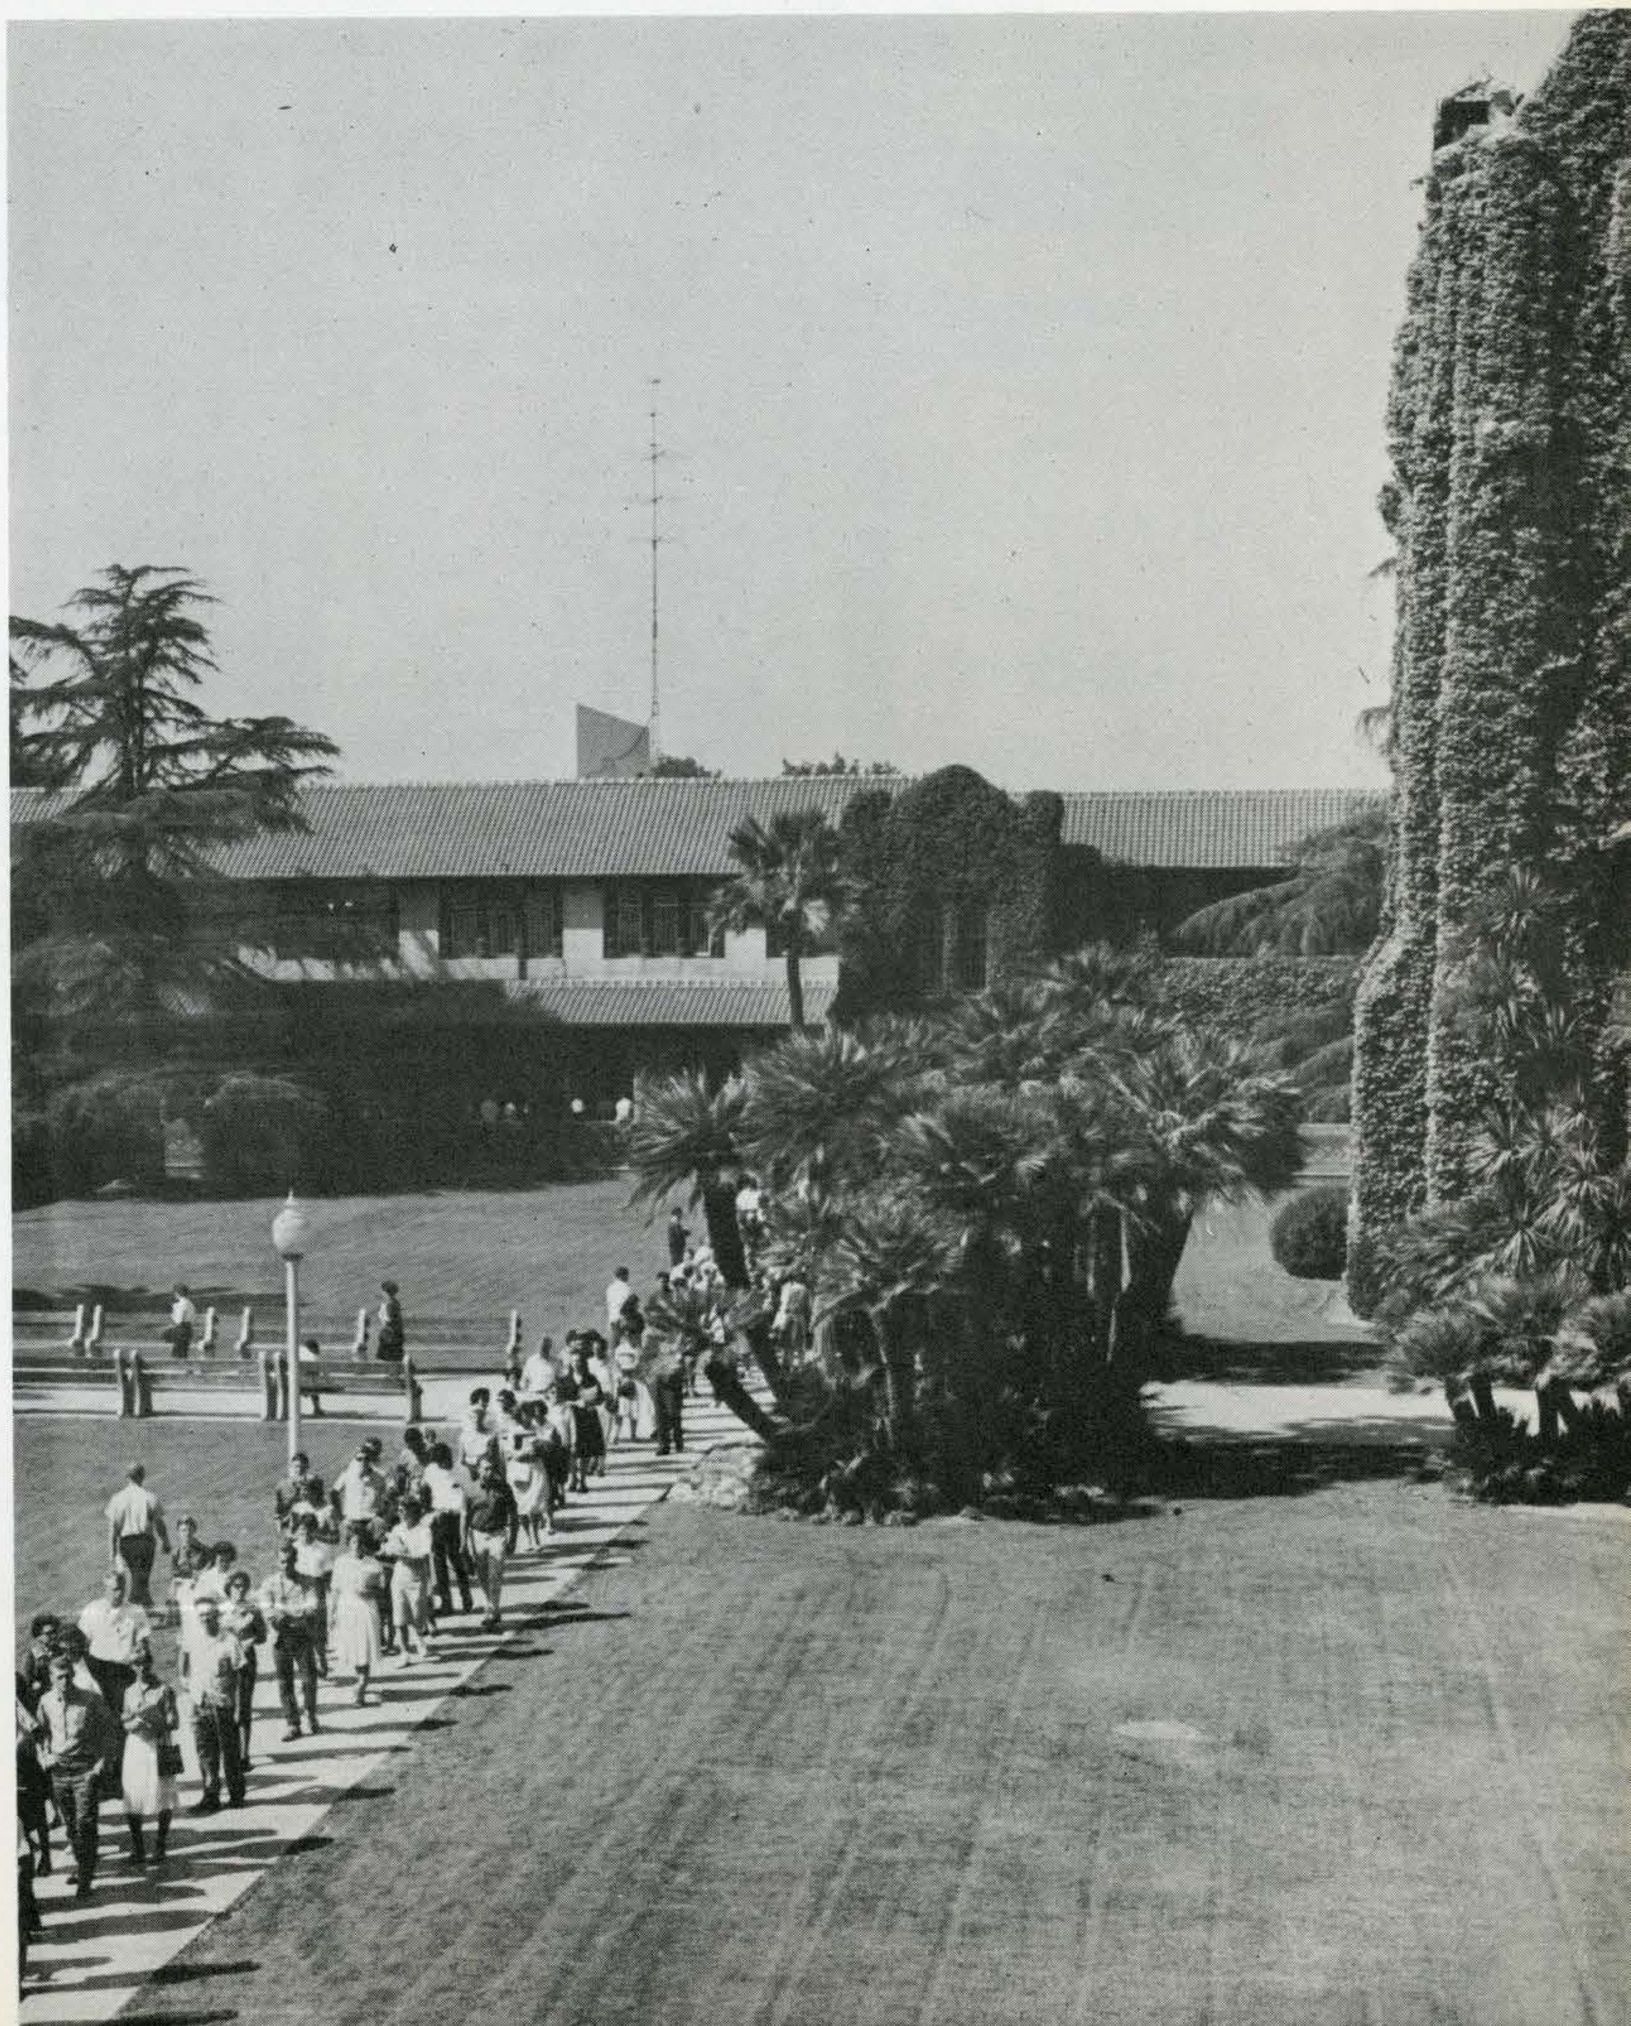

AT THE END OF THE DAY AS THE CLASSES WERE CLOSED, THE LINES GREW SHORTER IN LENGTH.

THE TRADITION OF SILENCE IN THE INNER QUAD WAS BROKEN DURING REGISTRATION AS THE NOISY, IMPATIENT CROWD FORMED A LINE WHILE WAITING.

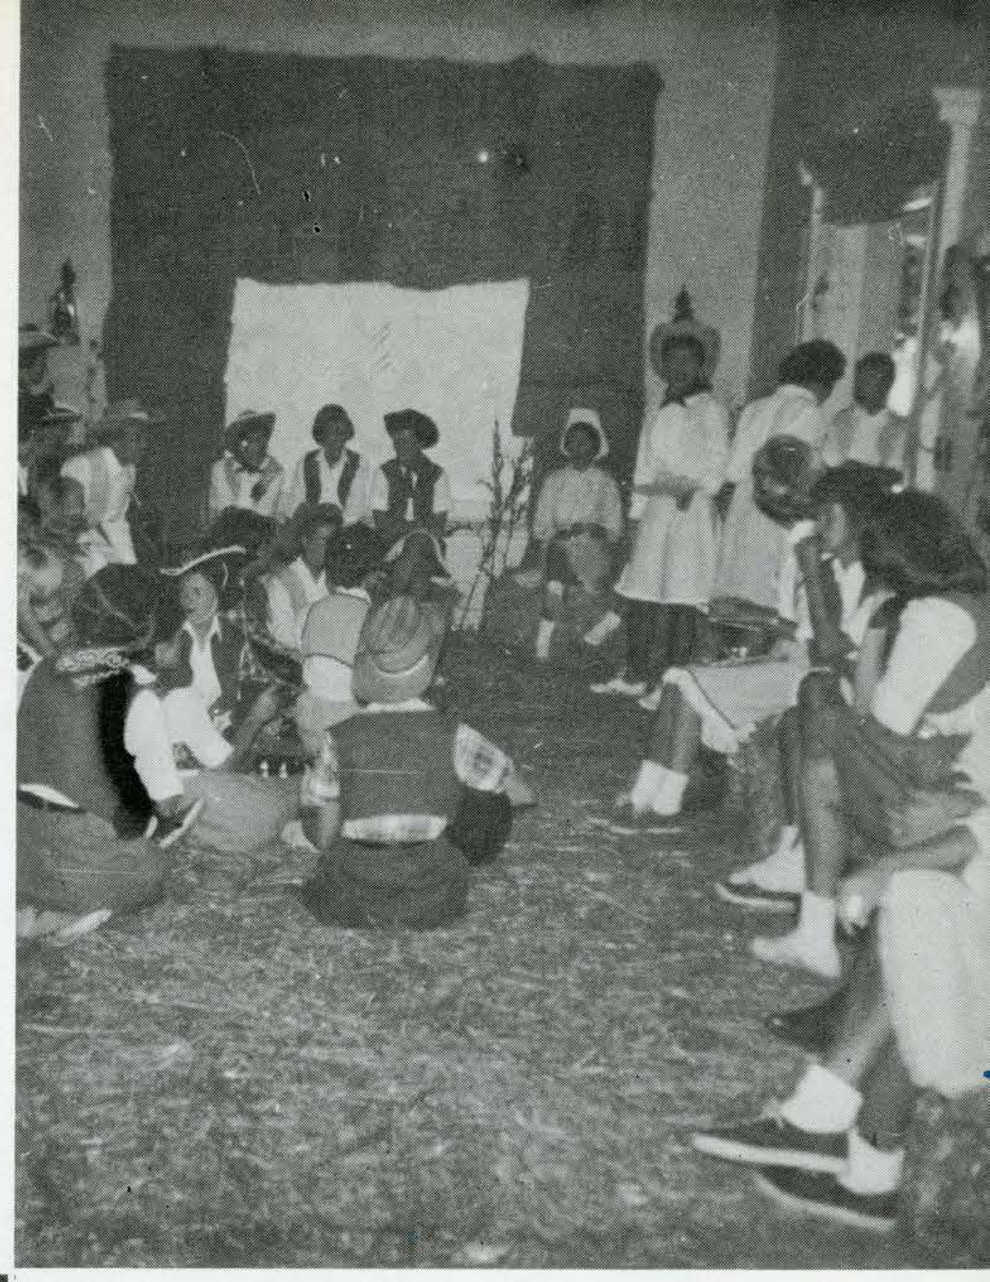

THE RECEIVING OF PACKETS WAS THE REWARD OF WAITING IN THE ENDLESS LINE, BUT AS MANY FOUND OUT, IT WAS ONLY THE BEGINNING OF MORE CONFUSION.

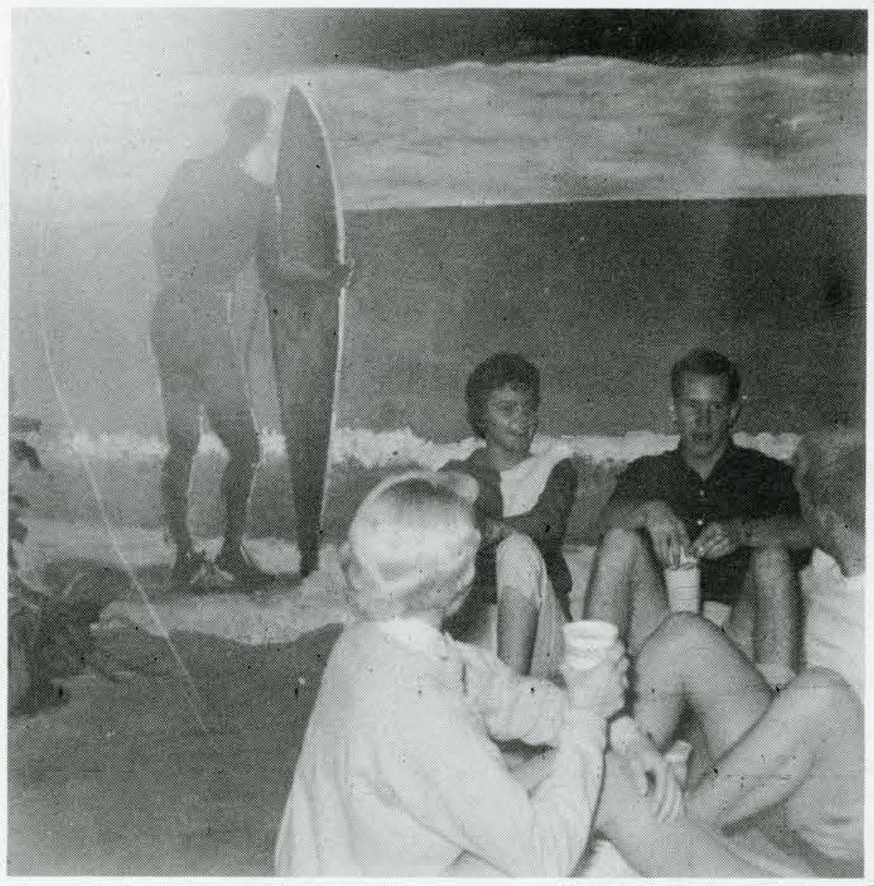

THE RUSHING PERIOD ENDS WITH HAPPY SMILES ON EVERYONE'S FACES.

WITH THE THIRD PARTY STRESSING THE COSTUME THEME, THESE COWGIRLS FOLLOWED IT THROUGH.

THE FRATERNITIES, TOO, WERE OUT TO SHOW THEIR RUSHEES A GOOD TIME.

rush week

september 24 - october 5

The informal and friendly parties of rush week gave the new rushees a wonderful chance to become familiar with fraternity and sorority life. At the same time, they made many new acquaintances, and this also gave the different houses a chance to meet each rushee personally.

THE ELABORATELY DECORATED HOUSES LEFT A BIG IMPRESSION ON THE NEW RUSHEES.

On October 24 of United Nations Week, Stanley D. Stevens, an SJS graduate who spent three months working for the 14th general assembly of the United Nations, spoke on the topic, "The United Nations — Twixt Hope and Disaster."

Stevens discussed his experience as a conference officer, and stated some of his views of the world picture. His speech marked the first time a student has spoken under the lecture committee's sponsorship.

elections for queen

october 13 and 14

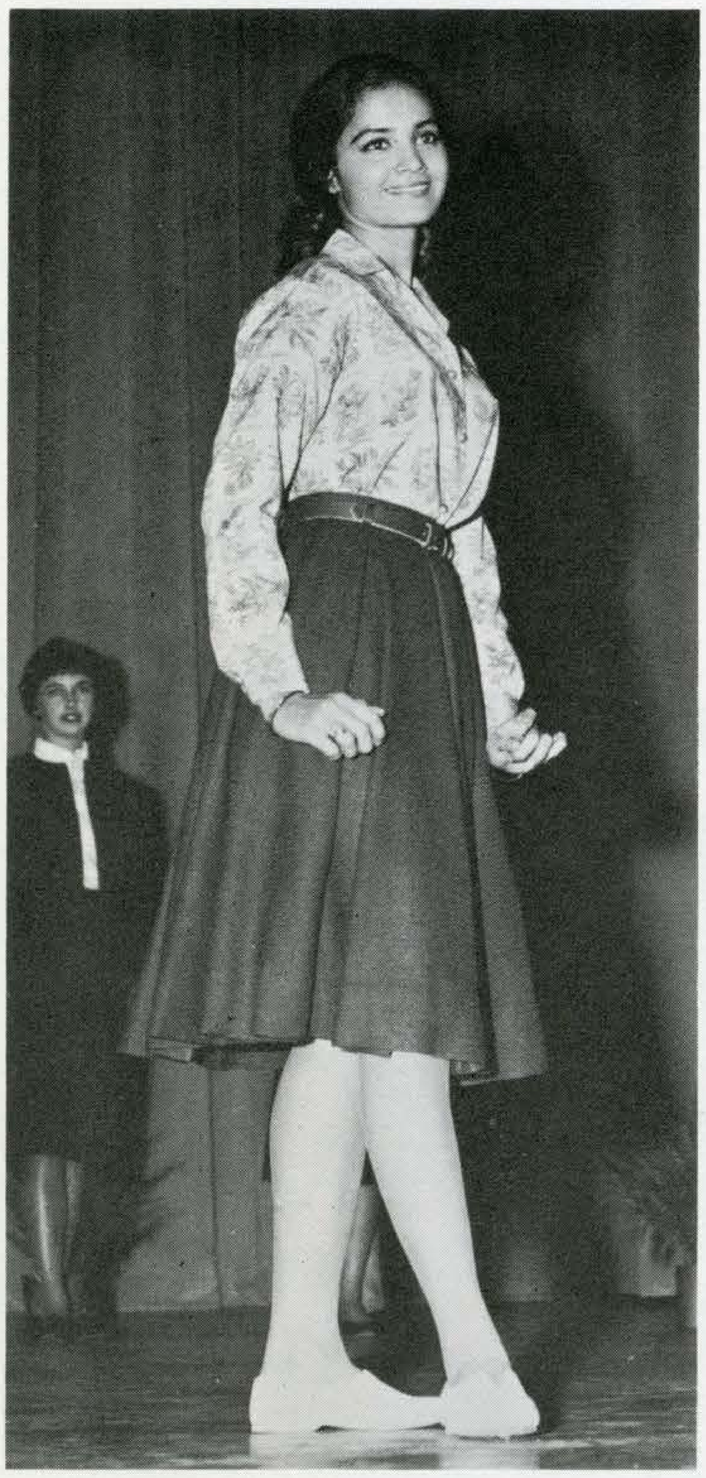

The election of homecoming queen brought many spirited Spartans to the polls to express their choice. The results narrowed the difficult decision down to ten lovely ladies.

THE CHEERLEADERS, SONG GIRLS, AND S.J.S. BAND ROUSED THE SPIRIT OF THE HEARTY CROWD OF ONLOOKERS.

THE COMBINED ENTRY OF SIGMA ALPHA EPSILON FRATERNITY AND KAPPA DELTA SORORITY CARRIED OUT THE JUNGLE THEME AS IT WENT ON TO WIN THE SWEEPSTAKES PRIZE AS BEST ALL AROUND FLOAT.

After numerous hours of preparation, the Homecoming parade proved to be one of the biggest and showiest ever presented. The theme, "Spardi on a Safari," indicated that Spardi and his Friends intended to eat the Washington State Cougars alive in the football game following.

Sweepstakes trophy for all-around excellence was awarded to the joint entry of Sigma Alpha Epsilon fraternity and Kappa Delta sorority. It also topped entries in the fraternity-sorority division. Other first-place winners were the Dormitories, independent class; S.J.S. Army ROTC drill squad; and Newman Club, novelty class.

THE ROYAL FLOAT CARRYING THE QUEEN AND HER FOUR ATTENDANTS WAS A MAGNIFICENT SPECTACLE.

romeo and juliet

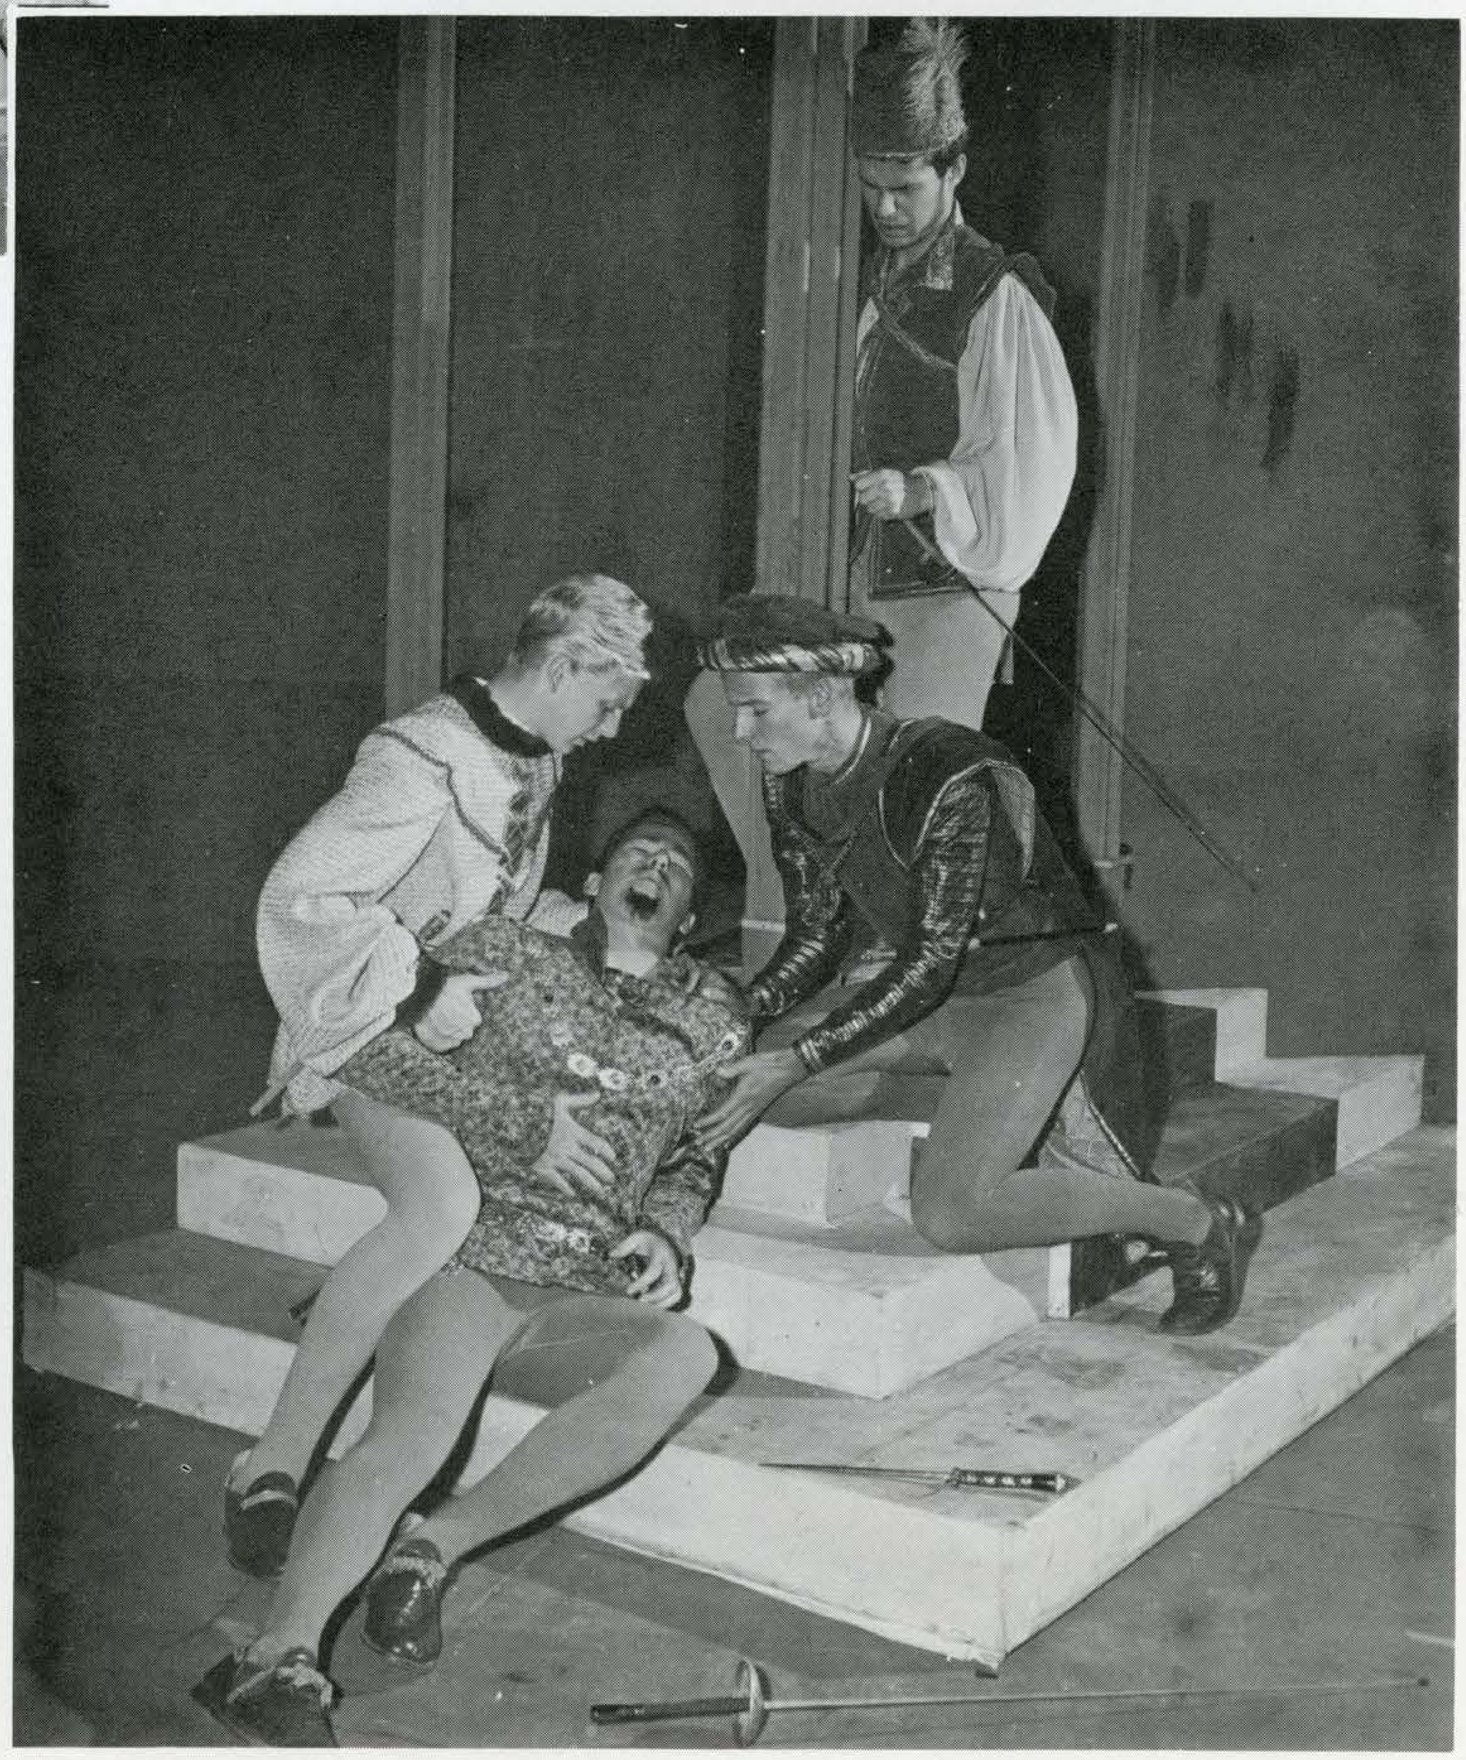

october 28,29

november 2 - 5

Shakespeare's immortal tragedy, "Romeo and Juliet" opened the 30th season of the Speech and Drama department. This delicately handled presentation was put forth in a simple, but direct fashion. The set was done in classic simplicity, while the costumes were colorful but not over-done. The capacity audience, which filled the College Theatre every night of the performance, praised the play as being a tremendous success.

jose limon

february 26

The Cultural Affairs Committee presented the world-renowned Jose Limon dance troupe Sunday, February 26, in the Morris Dailey Auditorium. The program included a repertoire of classic and recent works.

The Argentine dancer conducted a dance symposium Sunday afternoon in the Women's Gym. Some 175 dancers participated.

Limon won the Nobel Prize in 1957 for his creation of a dance to a musical score by Norman Dello Joio. The troupe had just returned from a tour of Western and Central Europe.

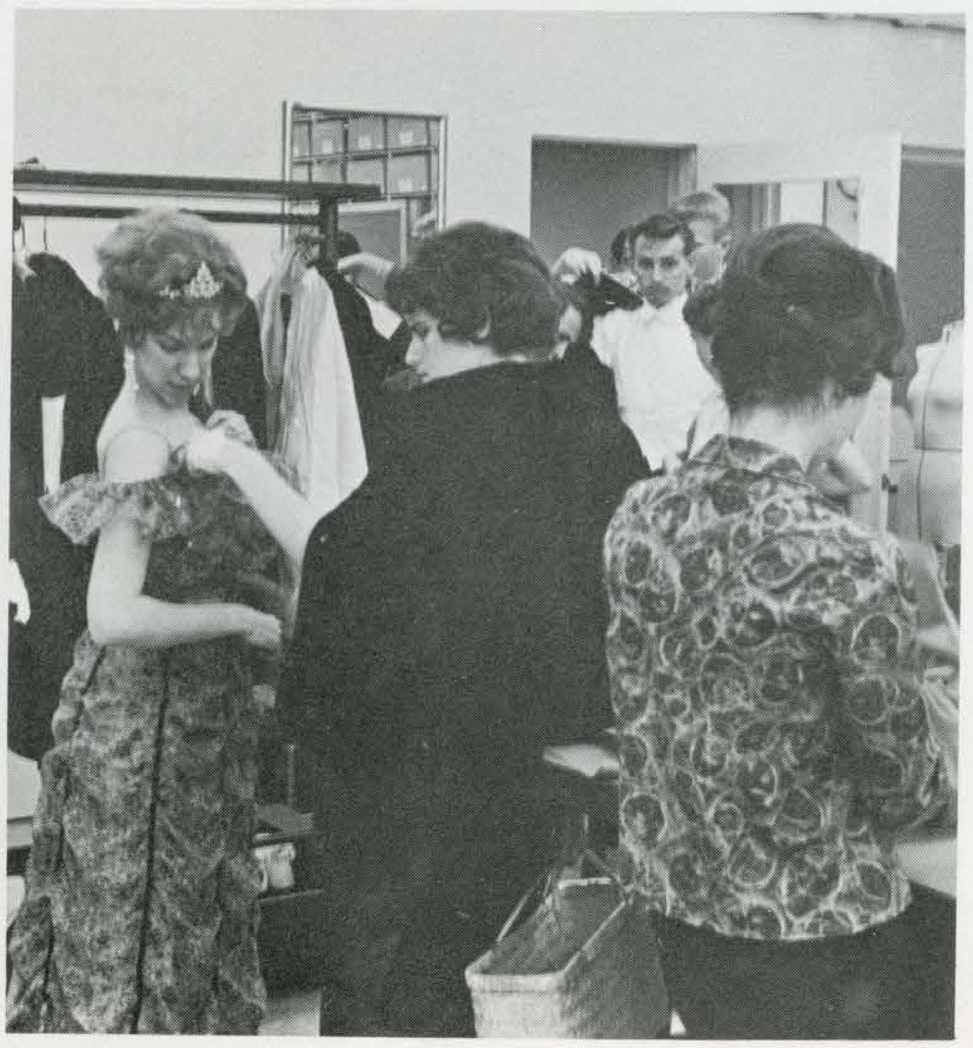

The drama department presented "Riny 'Round The Moon," a sophisticated French comedy, on March 10, 11, 15 and 18. The story is essentially that of a four-way "love triangle" involving a ballet dancer and twin brothers. Play was directed by James C. Dunn under the supervision of Miss Elizabeth Loeffler, associate professor of drama. Included in the cast were Richard Rossomme who played the dual role of the twins. Bonda Lewis, Anne Kissack, Ben Shelton, Richard Ogden, Carolyn Reed, Donna Stinecipher, Maria Wida, Donald J. Hughes, Bruce Lovelady, Cheryl Del Biaggio and Alton Blair.

gorgeous gams

march 13 - 17

Sixteen pairs of legs competed in the Freshman Class's annual contest for the title of Gorgeous Gams.

Voting was held the week of March 13 through 17 at booths set up at various locations around the campus. Voters showed their preference by contributing money under a photograph of the contestant's legs. Freshman Dennis Fregger was chairman of the affair.

"Nature in Four Seasons" was the theme of March Melodies this year on March 17th. Bonnie Corbin and Wendy Bouret were co-chairmen of the event. Groups entered and the theme they chose included: Alpha Phi, rain; Alpha Chi Omega, swinging on a star; Clair Ellen, songs of the wanderer; Hoover Hall, day and night; Kappa Alpha Theta, trees; Kappa Kappa Gamma, after the storms; and Delta Gamma, through yonder green valley.

duchess hall

This year was a very active one for the girls of Duchess Hall. They began with an exchange with the boys from Birch Manor. They contributed their efforts to the decoration of the AIS Home-Coming float. Other highlights of the year were birthday parties for each girl, passing the candle to announce engagements and participation in March Melodies. The Christmas activities included an annual party, caroling, and preparing a food basket for an underprivileged family. The officers of the house are: Dorna Le Anderson, president; Joyce Hachmann, vice-president; Mary Quigley, treasurer; Kathy McGurrin, social chairman.

halls of ivy

During the year the Halls of Ivy girls were active in campus affairs. Song girl Jackie Erickson from the house was their candidate for homecoming queen. Social exchanges with other campus groups provided new acquaintances for the coeds. The Christmas door contest and the March Melodies were projects participated in. Pinnings and birthdays kept the girls busy with serenades and celebrations. Just before the Christmas holidays, an open house brought together friends and relatives of the girls. The second semester another open house was given for the parents to see how their daughters lived. The house president was JuDee Losee; social chairmen were Carolee Shradel and Mickey Minton; and treasurer was Judy Scott.

After winning the first place in the Christmas Door Contest with their entry of Frostie the Snowman, the girls of Coral Manor went on to enter the intra-mural volleyball competition. They also contributed to the Spartan Spurs Christmas Drive. March Melodies were another source of excitement and entertainment. The year was rounded out with the annual barbecue.

elmwyck

Elmwyck girls have had a lot of fun this year. They enjoyed an exchange with Hi House and many parties. During these parties they asked members of the faculty over for dinner. The girls had a Christmas party complete with Santa Claus. Miss Ann Alillis announced her engagement. The final activity of the fall semester was a burial service for Susie Rat who gave her life to service in the anatomy and physiology laboratory.

the pink tub

The Pink Tub, so named because of its distinctive geranium planted pink bathtub on its front lawn, is operated under the direction of Keith and Terry Kalderback. During the Spring term of 1960 the Pink Tub was second in collective grade averages for men's boarding houses. The Tubbers have high hopes for the same this year. Social activities include date nights, coffee hours, guest speakers and dinner exchanges with women's living groups.

the wilson's

The boys at Wilson's Boarding House have really had a busy time this year. They have held exchanges with several women's houses including Dibari House and Merrilee Hall. At Christmas time they held an interhouse Christmas Party. Sports are very important to the boys in the house and they sponsored both a football team and a basketball team. The year was rounded out by a swimming party and picnic at Alum Rock Park.

Magnolia Manor was the home for 31 girls this year. Mr. and Mrs. Jack Rutan, besides acting as parents away from home, encouraged the girls to participate in many activities. House officers for the year include: President, Jeanette Fain; Vice President Patricia Wilson, and Secretary-Treasurer, Darlyne Fong. The girls had many good times both planning and attending their house activities which included a house dance and a Christmas Party. The Christmas Party seemed like something extra special because of the fact that they entertained an underprivileged family.

delta gamma

Delta Gamma Sorority was founded at Lewis School, Oxford, Mississippi in 1873.

The sorority's national philanthropy is sight conservation and aid to the blind. The Gamma Eta, Delta Gamma chapter at San Jose State contributes to the national program by soliciting funds, purchasing electric canes and giving a Christmas party with Delta Sigma Phi fraternity for blind children in the area.

The Delta Gamma Anchorman was selected during the spring semester from representatives from each fraternity and honored at the house's annual Anchorman Dance.

delta zeta

Delta Zeta Sorority was founded at Miami University in Oxford, Ohio. The local chapter was established on February 28, 1948.

The philanthropies of Delta Zeta consist of help, gifts, and cheer given to a leprosy patient at Carvel Hospital; gifts for Agnew patients and Gallaudet College for the deaf. The only college for the deaf in the United States, Gallaudet College is supported solely by Delta Zeta sorority chapters.

Sorority activities included Homecoming, the Delta Zeta Man contest, Big and Little Sister party, Pledge Dance at Aptos Beach Inn, Father-Daughter Banquet, Greek Week and several exchanges.

Kappa Alpha Theta was founded at De Pauw University in 1870, and the San Jose State chapter was established in 1948.

1960-61 was a busy year for the women of Kappa Alpha Theta. Working with the Lambda Chi Alphas, they took third place in the Homecoming Float competition. The Pledge Dance was held at the Golden Doors in Los Gatos, and there were many fraternity exchanges.

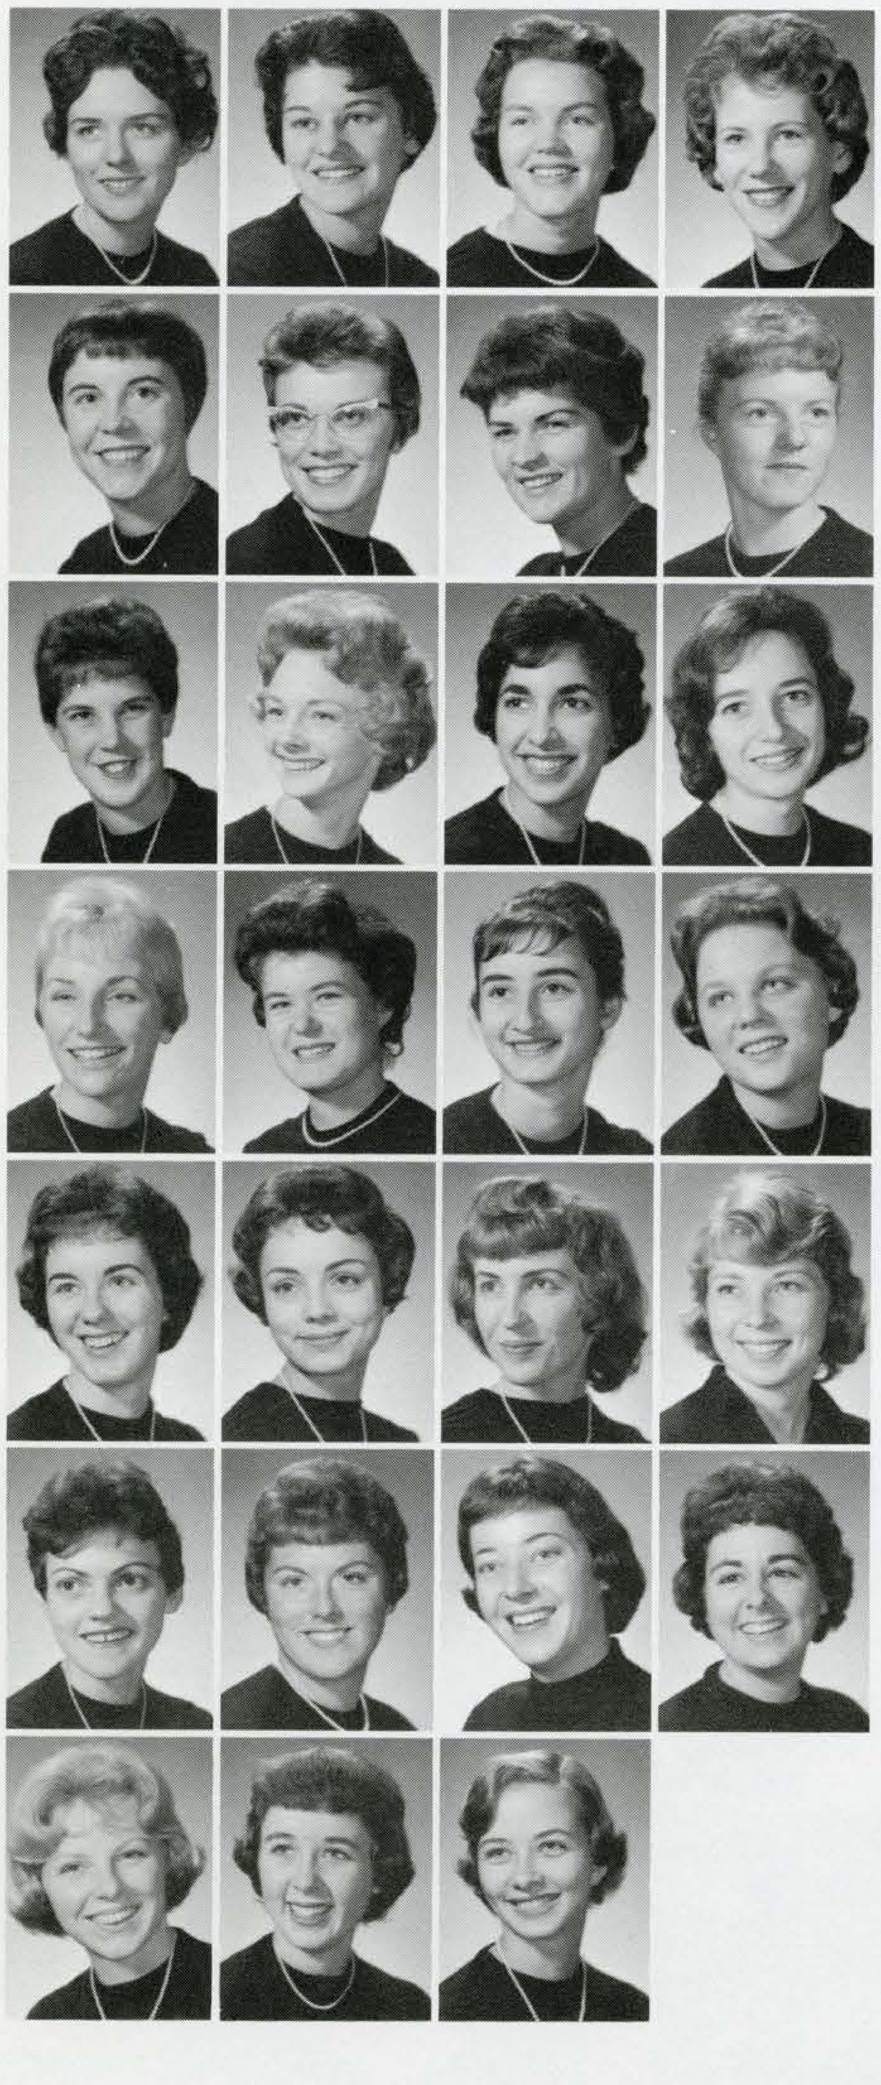

Christmas activities centered around the annual orphans' party held with Sigma Alpha Epsilon fraternity. Through the Foster Parents' Plan, the Thetas adopted a German war orphan, Helen Lombadari.

Members priminent in campus activities were Nancy Crandall, Panhellenic President; and Robin Finley, who was selected "most active member of the class of '62." Della Kahn was chosen Sigma Nu White Rose Princess, and Betty Babcock was selected Lambda Chi Alpha Crescent Girl.

Sigma Kappa sorority was founded at Colby College, Waterville, Maine, on November 9, 1874. The Beta Rho chapter was established on the San Jose State campus in February of 1948. The sorority has 97 collegiate chapters.

The national philanthropy is the support given to the Maine Sea Coast Mission and its work among the coastal and seafaring people of the area. The annual local philanthropy is a Christmas party held jointly with Delta Sigma Phi fraternity for the underprivileged children in this area.

House activities consist of a Smorgasbord for the faculty, which is given at Christmas time; March Melodies; Intrasorority sports; a homecoming house decoration; and a Parents' Day. A dance is also given each semester to honor new pledges.

The purpose of the Interfraternity Council is to promote harmonious relations among the member fraternities, to govern and regulate interfraternity relations, and to serve as spokesman for the fraternity system in its relations with the college and the community.

This year IFC sponsored a contest among the fraternities for the most constructive pre-initiation week activities. They also sponsored a Little League baseball team, and held their annual IFC Formal. Working with Panhellenic, they published "The Columns" and sponsored Greek Retreat. IFC completed this year's activities by hosting the Western Regional Interfraternity Conference.

All things considered, 1960-61 turned out to be a fine year for the Delta Sigs. Today one of the larger fraternities at San Jose State with over 65 members, the DSPs were active in all phases of campus and Greek life.

Some of the noteworthy events of the fall semester included the Christmas party for blind children with the ladies of Delta Gamma, and the party for underprivileged children with the Sigma Kappas. They constructed house decorations instead of a float for Homecoming — a San Jose first, and saw the crowning of their candidate, Mary Leela Rao as the Homecoming Queen. Alpha Phi Darlene Riesz was chosen Carnation Girl at the annual Carnation Ball at San Francisco's Mark Hopkins.

Spring semester saw beach parties and exchanges, participation in the Spring Sing and the Push Cart Relays. They topped off the year with the Sailor's Ball, an infamous nautical affair at which water is conspicuously absent.

Delta Upsilon was founded in 1834 at Williams College. The San Jose chapter was established in 1948.

This year the fraternity was selected to represent the Interfraternity Council at Happy Hollow Children's Park. Each Christmas the members of Delta Upsilon and Gamma Phi Beta entertain underprivileged children at a party. In addition, this year the men worked for the Muscular Dystrophy Foundation.

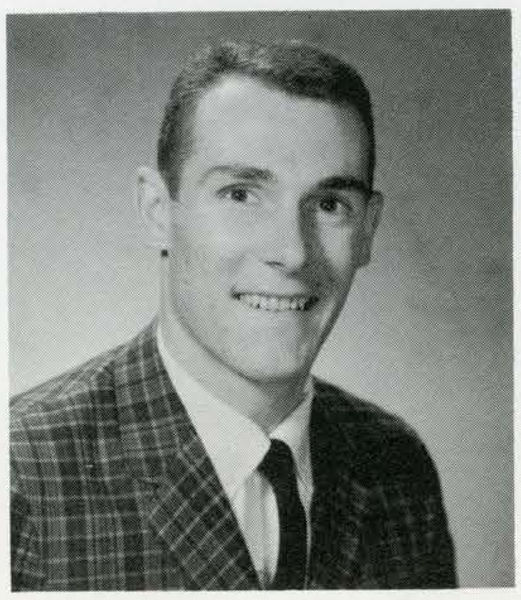

Socially, the year was highlighted by the Full Moon Formal in the fall, and the Kanaka Kapers luau in the spring. The interim periods were filled by exchanges, movie nights, and occasional overnights.

For the eighth consecutive year the fraternity won the annual Turkey Trot and the Interfraternity Council volleyball championship.

Lambda Chi Alpha National Fraternity was founded on November 2, 1909, and since then has grown into an international organization with 152 chapters. San Jose State's chapter of Lambda Chi Alpha was founded in 1947, where it is best known for its sponsorship of the Annual Pushcart Relays. Other major activities of Lambda Chi Alpha include the Crescent Girl Formal, the Christmas Ball, the annual ski trip to Squaw Valley, and the participation in the Pacific Coast Conclave which was held this year in Reno, Nevada. Lambda Chis are also active in IFC sports, Homecoming, and Spring Sing.

Again this year the Lambda Chi pledge class selected their pledge class queen from the pledges of the campus sororities. Miss Betty Babcock of Kappa Alpha Theta was crowned this year in the contest Lambda Chi pledges originated last year.

After the first week of school, which was devoted to pledging, the PKA's settled down to a regular school grind. Intramural football gave them a break from studies early in the semester. The house won seven games and lost four. Their first social event was the trip to the COP game. Two buses were chartered to carry the fellows and their dates to the rain at the game in Stockton. Towards the end of the semester the first annual Fireman's Fling was held. Dates were picked up on the fire engine and brought to the house.

Spring semester included the Fireman's Ball, at which the annual Dream Girl is chosen. Also, Founder's Day is a big day celebration at the Pi K A house.

sigma chi

Sigma Chi fraternity was founded at Miami University in 1855 and is the oldest national fraternity on the San Jose State campus.

The fraternity strives for a balance in the areas of scholarship, social, athletics and student government.

Highlighting the year was the annual Sweetheart of Sigma Chi Dance held at the Flamingo Hotel which featured the crowning of the Sweetheart of Sigma Chi. Other activities throughout the year included the Christmas Dance, Military Ball, Beachcombers' Ball, Halloween Dance, the annual Christmas Party for underprivileged children and informal exchanges with various sororities on campus.

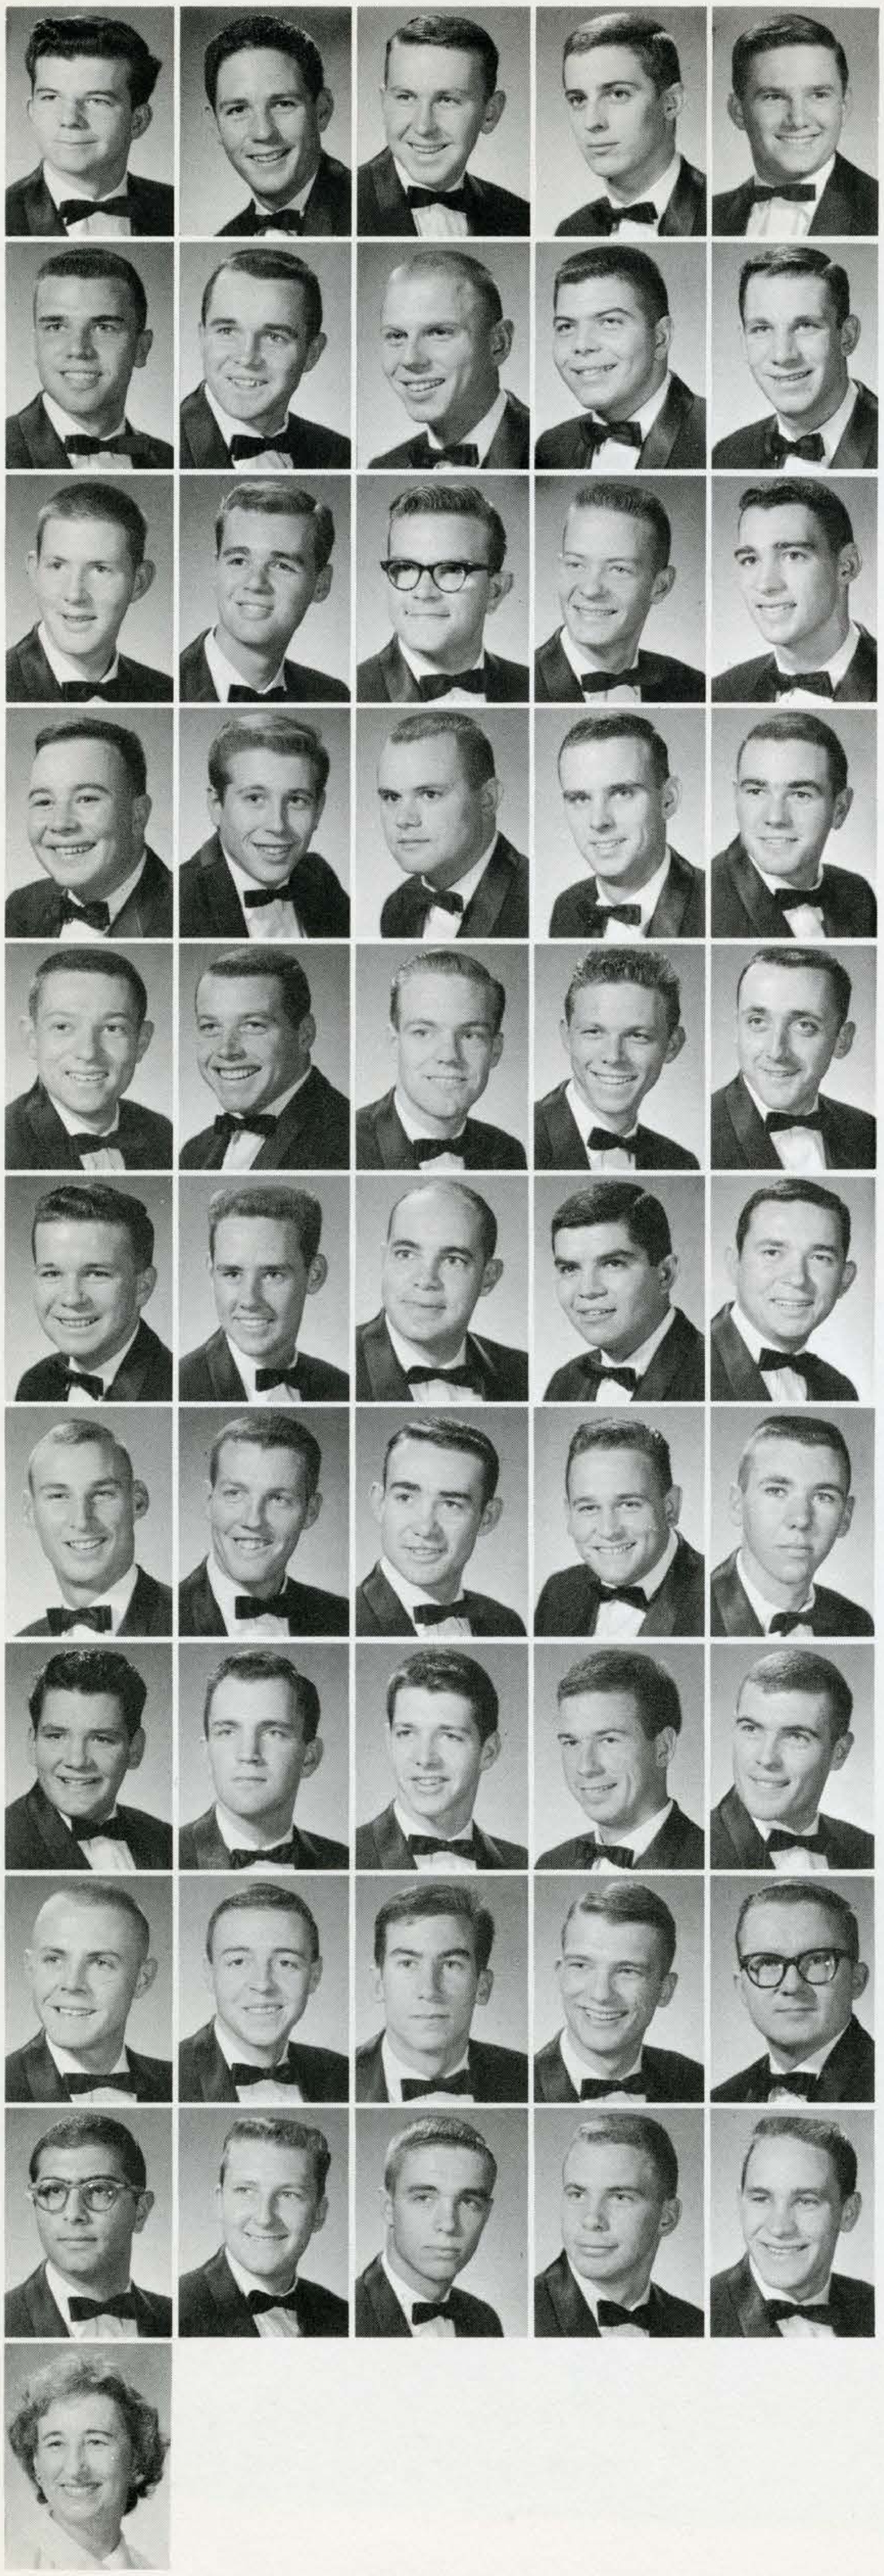

The Sigma Chi's also participated in the intercollegiate division of the annual Frog Jumping Contest held at Angels Camp, California.

Sigma Phi Epsilon was founded at the University of Richmond, 1901. San Jose's California Epsilon Chapter was established in Spring, 1958. As the Sig Ep's pin is in the shape of a heart, the brothers take an active part in helping with the Heart Fund Drive every year. The chapter also contributes help to the Camp for Underprivileged Children Project, which is sponsored entirely by the Sig Eps. The Queen of Hearts Ball is the Social Highlight of the year. The Queen is chosen from one of the sororities and reigns for two semsters.

This year the Sig Eps made their appearance on the 11th street row and joined in all the infamous fraternity fun.

The brothers of Theta Xi, with a highly successful fall rush, launched one of their most successful years under the leadership of Bob Brooks and Bob Sharp. They started the year with a series of house parties following the football games. The highlight of the fall semester was the annual Cinderella Ball at which Carol LaBoube of Kappa Kappa Gamma was crowned 1960 Cinderella Girl at the Cliff House in San Francisco.

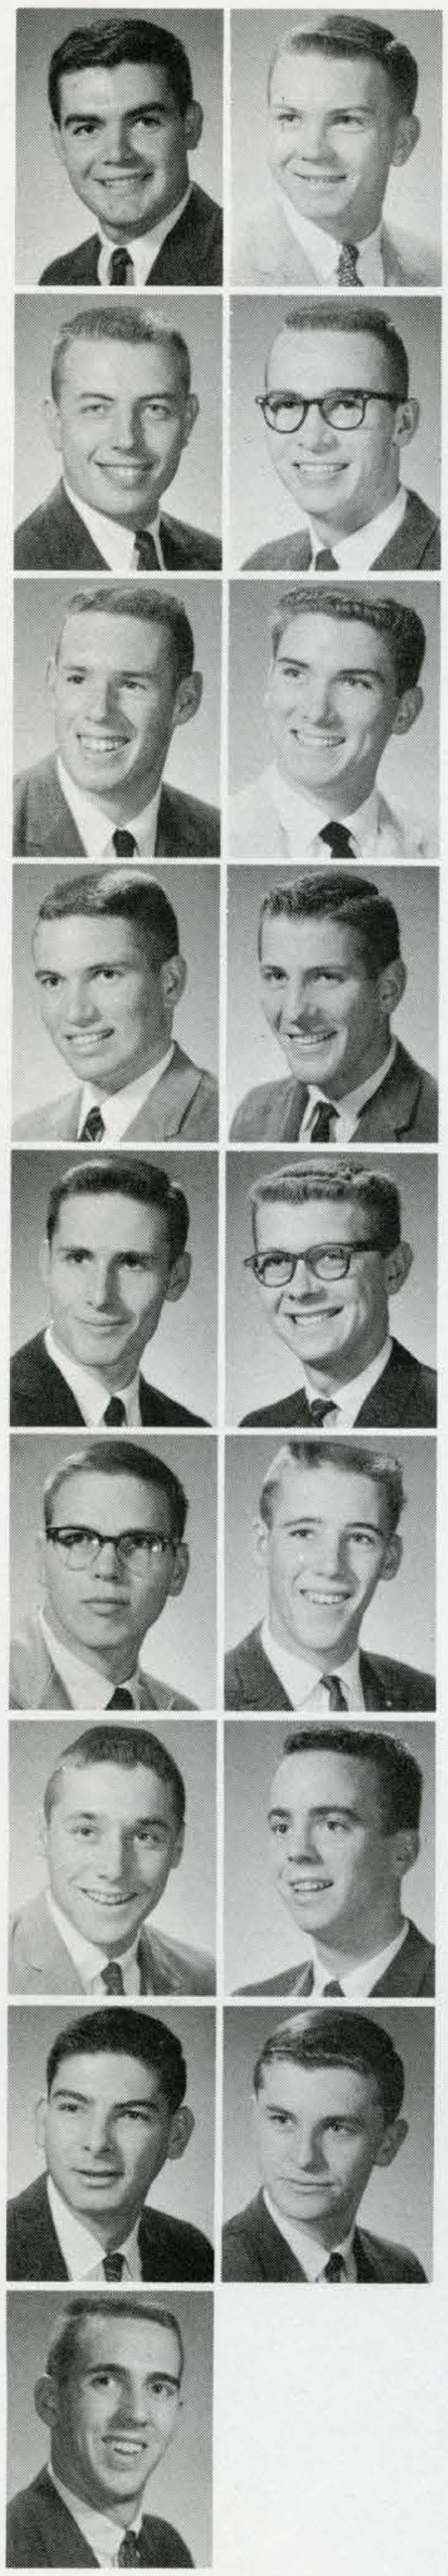

The Spring semester activities included the Blossom Time Ball, the Luau, and the highlight — the 10th Anniversary of Beta Beta chapter at San Jose State which was celebrated at the annual 6294 banquet.

Sigma Pi was established in 1897 at Vincennes University in Indiana. Beta Eta chapter was founded in October, 1950, and rejuvenated in October, 1959. The national fraternity was originated and continued in order to establish true brotherhood and to advance scholarship. The highlight of Sigma Pi this year was in February when they moved into their newly acquired house.

Sigma Pi had several after-game dances, a Halloween Dance in Los Gatos, Founders' Day Dinner celebration, and the Spring Orchid Ball held at the San Francisco Yacht Club.

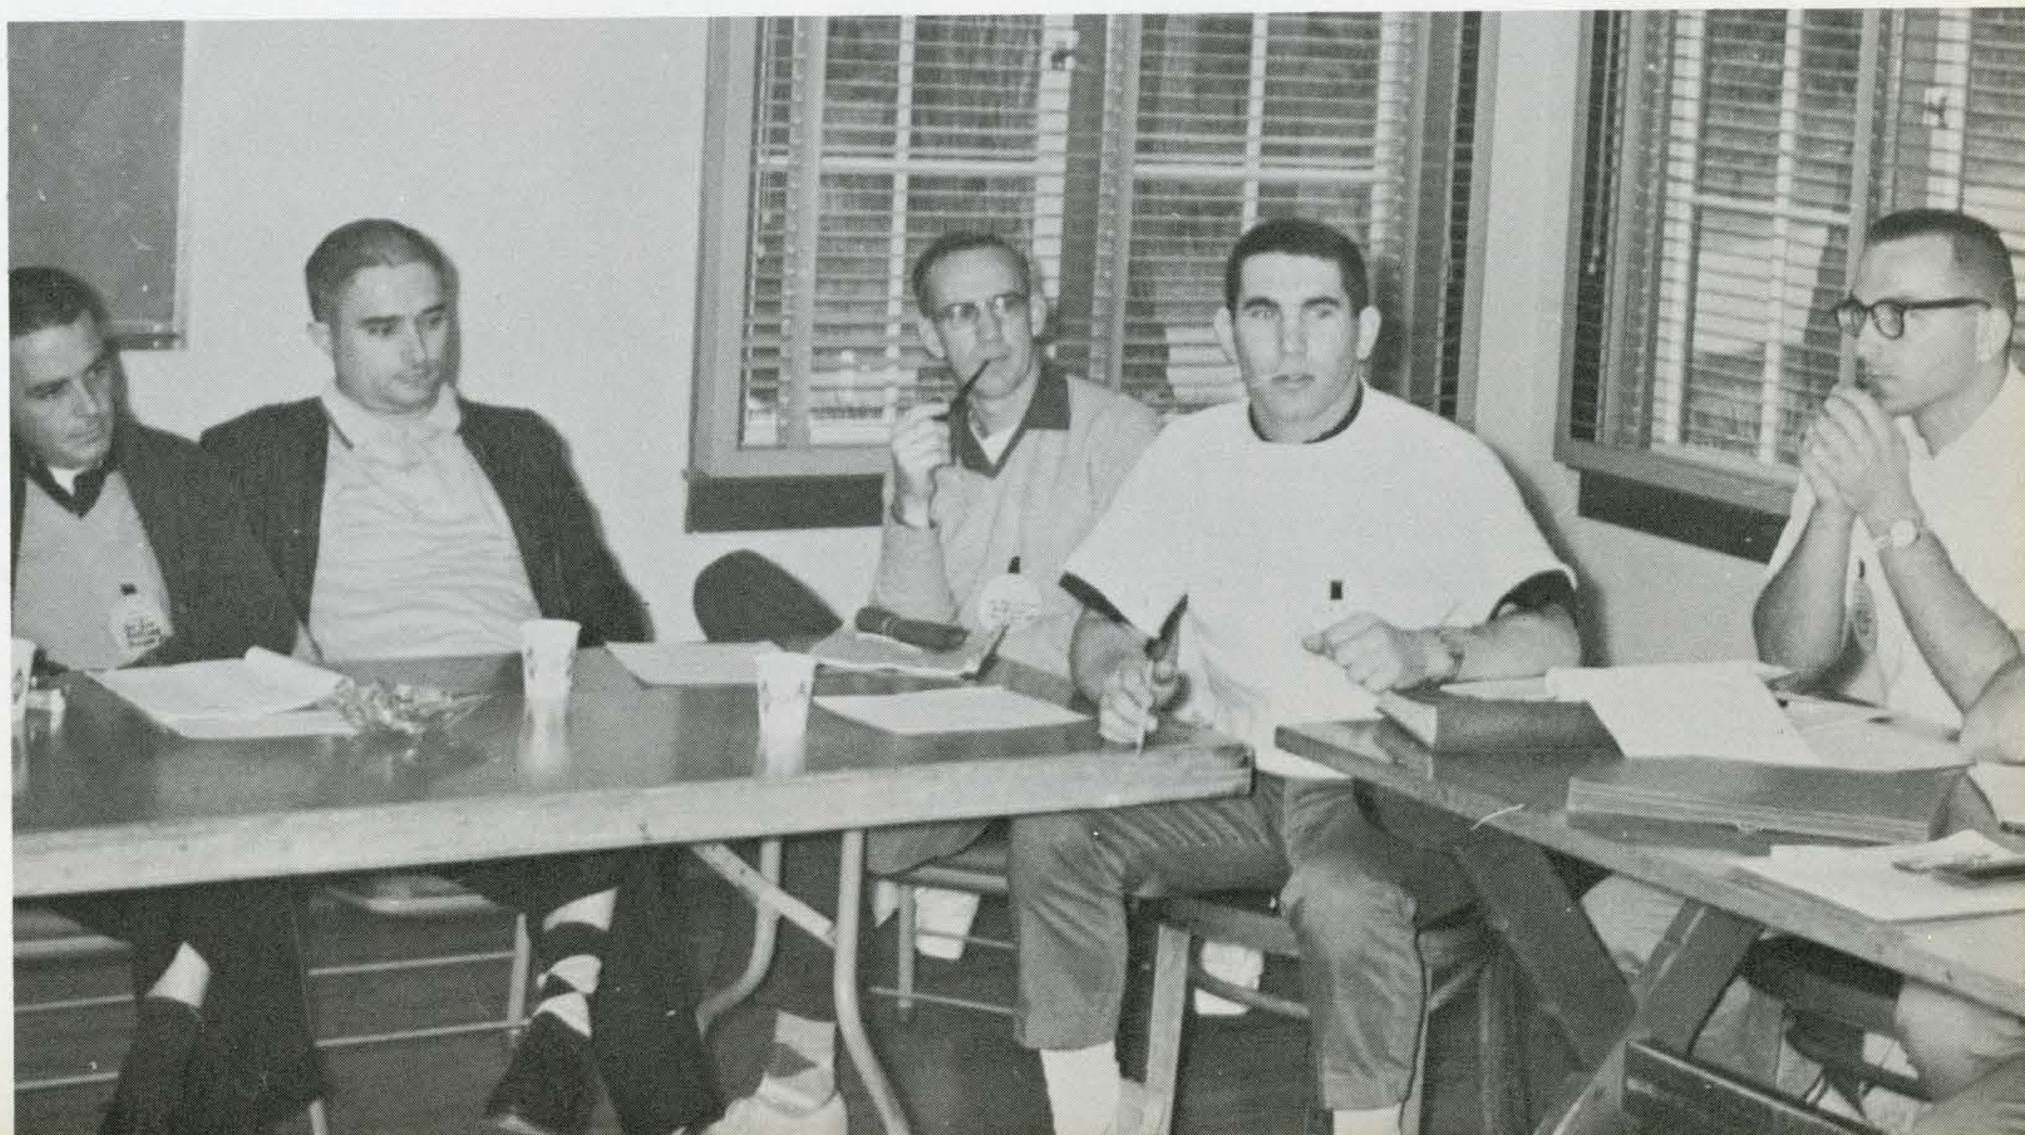

The second annual Greek Retreat was held March 4th and 5th at Asilomar Conference Grounds. Chuck Allard and Barbara Egan were Co-chairmen of the planning committee. Others on the committee were Adele Rossi and Phil Meserve. Four officers from each Fraternity and Sorority attended the retreat. There were also ten faculty members present.

The Retreat was held in order to evaluate the present Fraternity and Sorority programs in light of the developments of preceding semesters. This was accomplished through the discussion group and case study methods. All aspects of Fraternity and Sorority life were discussed. The main theme of this year's retreat was the bringing of the Fraternity and Sorority programs into focus with their basic goals and objectives.

Along with the many fine teams which have brought fame to San Jose State are a group of individual standouts who stand head and shoulders above their athletic counterparts. SJS has had more than its share of stars who fall under this category. 35 Spartans have won national titles and four have been on the U.S. Olympic team.

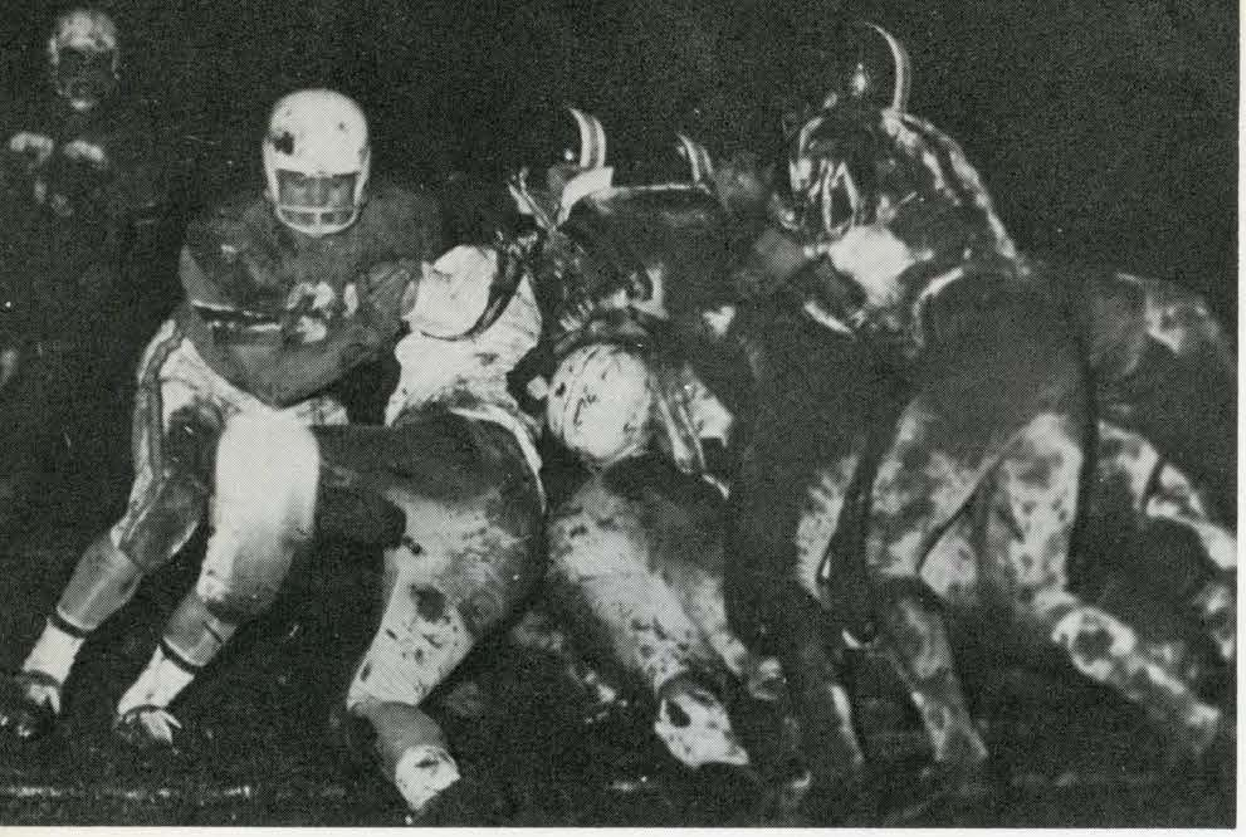

Spartan boxers (pg. 290) have accounted for 19 of the NCAA titles with most of the others begin won by members of the track squads. In these two sports, SJS is consistently among the nation's best. Athletes who have gone on to fame in pro sports include Art Powell, Tony Teresa, Dan Colchico, Tom Louderback, Ray Norton, and Billy Wilson (football), boxer Chuck Adkins, and golfer Ken Venturi. NCAA champs of recent vintage include Ray Norton, Errol Williams, Charlie Clark (track); Whitney Reed (tennis); and Archie Milton, Ron Nichols, Dave Nelson, Steve Kubas, Stu Bartell, and T. C. JOHNNY JOHNSON

Fullback Johnny "Touchdown" Johnson, playing in his first college game, scored all three Spartan TDs and collected 91 yards rushing to lead SJS to a one-sided 21-8 victory over hapless Brigham Young.

The Spartans rolled up 455 yards compared to a mere 86 for BYU, as the locals' offense and defense blended to perfection.

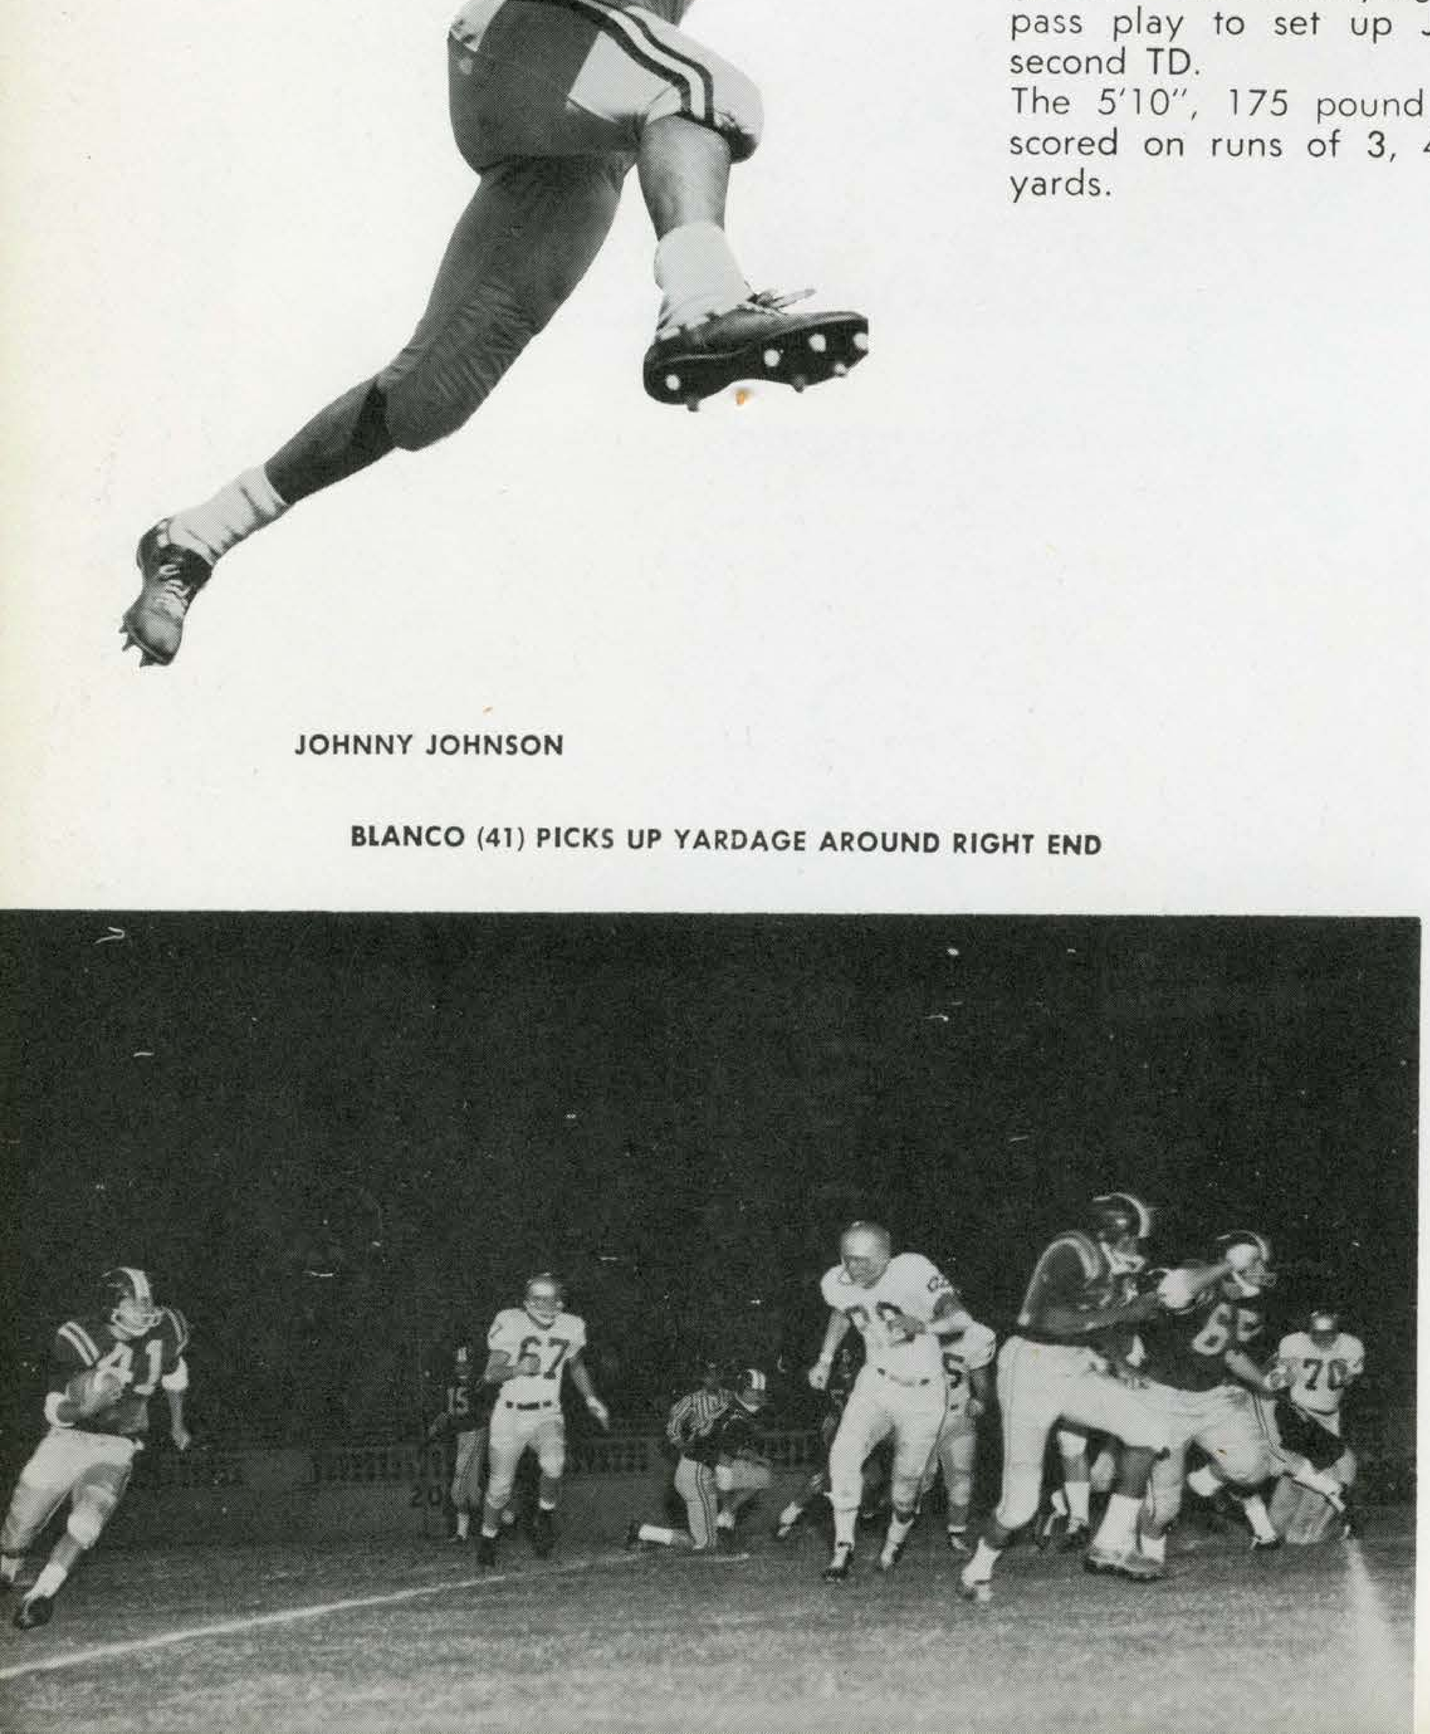

Quarterback Mike Jones and halfack Mac Burton combined talents for the game's longest gainer — an electrifying 58 yard pass play to set up Johnson's second TD.

The 5'10", 175 pound fullback scored on runs of 3, 4, and 3 yards.

Upsetting talented Arizona State for the third straight year, SJS knocked the Sun-Devils from the unbeaten ranks with a terrific 12-7 win at Tempe.

"Touchdown" Johnson's 44-yard second half dash to paydirt with ASU ahead 7-6 proved to be the margin of victory.

Led by center Hank Chamness and tackle John Sutro, the Spartan line was instrumental in the triumph.

A Jones-to-Donahue pass gave SJS its other TD.

Playing on a rain-soaked U. of Oregon turf, the Spartans exhibited one of their worst performances in losing to the Ducks at Eugene, 33-0.

With the exception of Kent Rockholt, who became the nation's leader with his booming punts, all the Spartans had "off-days" in being decisively outclassed by an excellent Oregon football team.

GOAL POST RIOT . . .

BEFORE . . .

With "Touchdown" Johnson packing the mail for four six-pointers, the Spartans enjoyed their finest hour in crushing the neighboring Stanford Indians, 34-20, at Palo Alto.

Joining with Mike Jones to completely baffle the Tribe with explosive runs and dazzling fakes, Johnson scored on sprints of 3, 29, 1, and 2 yards. His 29-yard jaunt was the day's outstanding play — a well-executed draw up the middle through a bevy of redshirts.

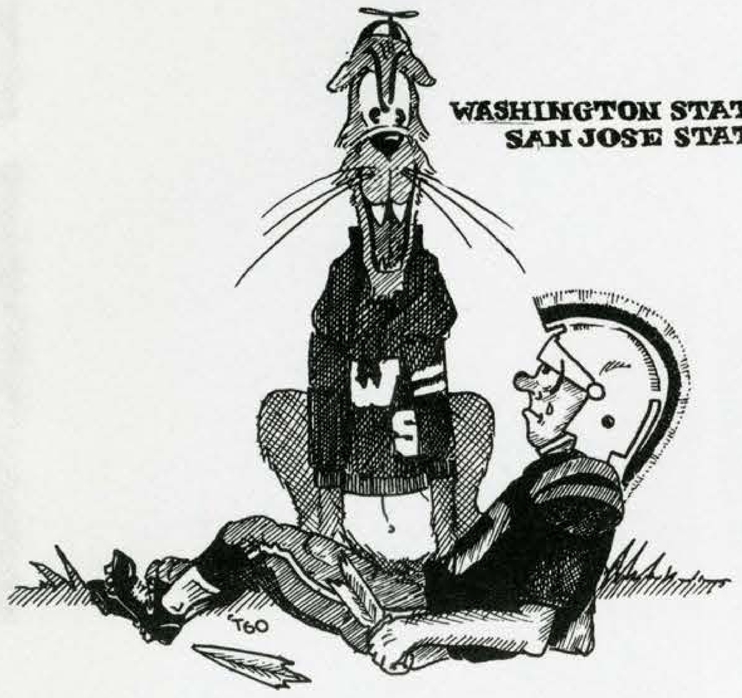

Jones hit Mac Burton on a 53-yard pass play for the other tally, as he completely outplayed Stanford's Dick Norman.

Washington State University entered the Spartan's Homecoming Game as the nation's top passing grid team with QB Mel Melin using Hugh Campbell as his main target.

WSU staggered the Spartans 29-6 in what was billed as a toss-up.
Sophomore end sensation Campbell nabbed 7 Melin aerials to pad his NCAA receiving lead.
San Jose State, with strong play by the interior line, hung in at 15-6 until two fourth quarter Huskie dazzlers broke its back.

...they saw

Cougar coach Jim Sutherland saw the largest crown in Spartan Stadium history — 19,000 plus — fill the local arena to capacity.
He saw the locals display a poor performance before the highly partisan audience.
He also saw gutty SJS halfback Freddie Blanco literally put on a one-man offensive show in vain.

here's mud in our eye . . .

Proving once more that they're not good "mudders," the Spartans dropped their Big Game to COP, 26-20, on a mud-shrouded Stockton Memorial Stadium gridiron.

When the chips were down, the highly inspired underdog Tigers rose to occasion in thwarting late SJS comeback bids to hand the Spartans their eighth straight loss at the hands of "Moose" Myers' Bengals.

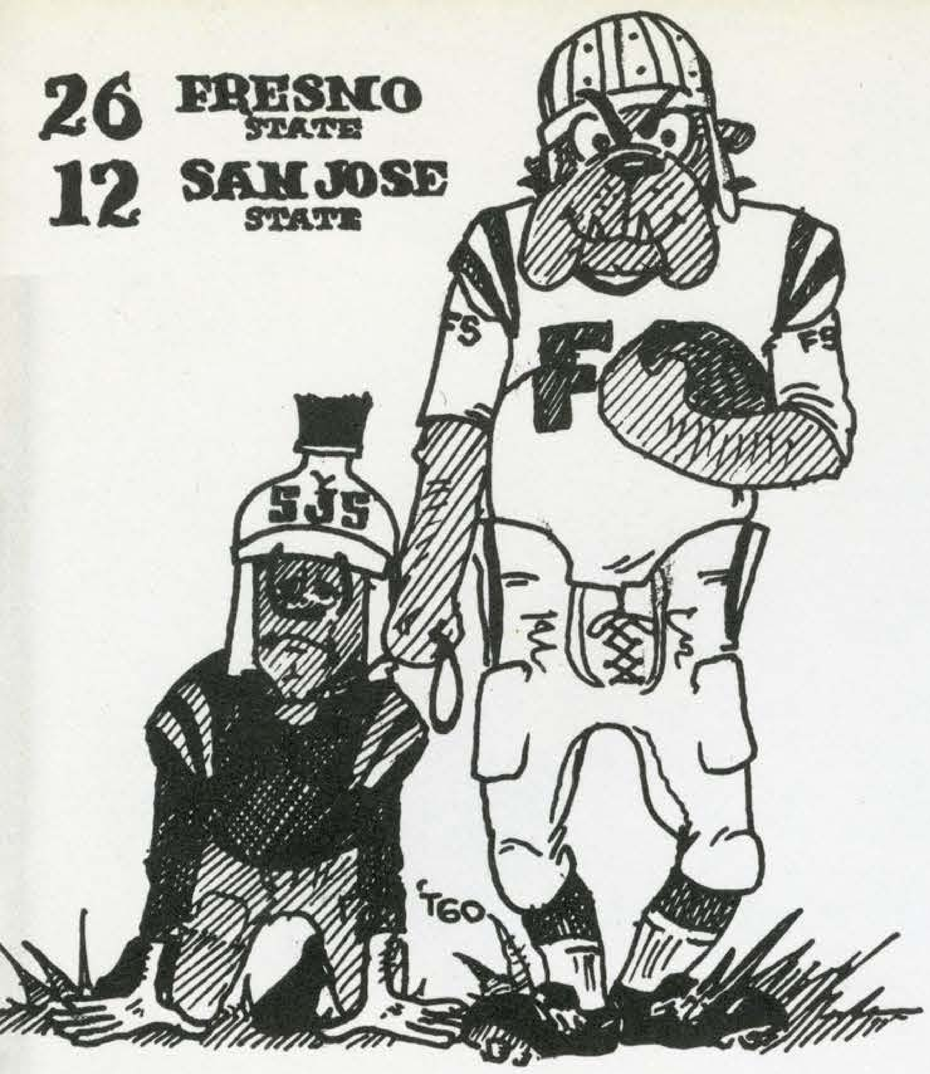

Blanco, once more, was the big gun in the SJS offense.

Living up to its reputation as one of the finest small college teams in the nation, gutty Fresno State toppled the once-mighty Spartans, 27-12, as Little All-American halfback Dale Messer dazzled the highly partisan SJS fans with three touchdowns.

The upset was the eighth consecutive win for the Bulldogs, who ended the season at 9-1 after clobbering COP 32-7.

"Touchdown" Johnson tallied one of the SJS scores while the other came on the game's most spectacular play - a 40-yard "alley-ooper" from Mike Jones to Phil Clifton.

By virtue of a freak last-second safety, SJS tripped the visiting Idaho Vandals, 22-20, to snap a three-game losing skein.

It was the Spartans' final home game, and a good one.

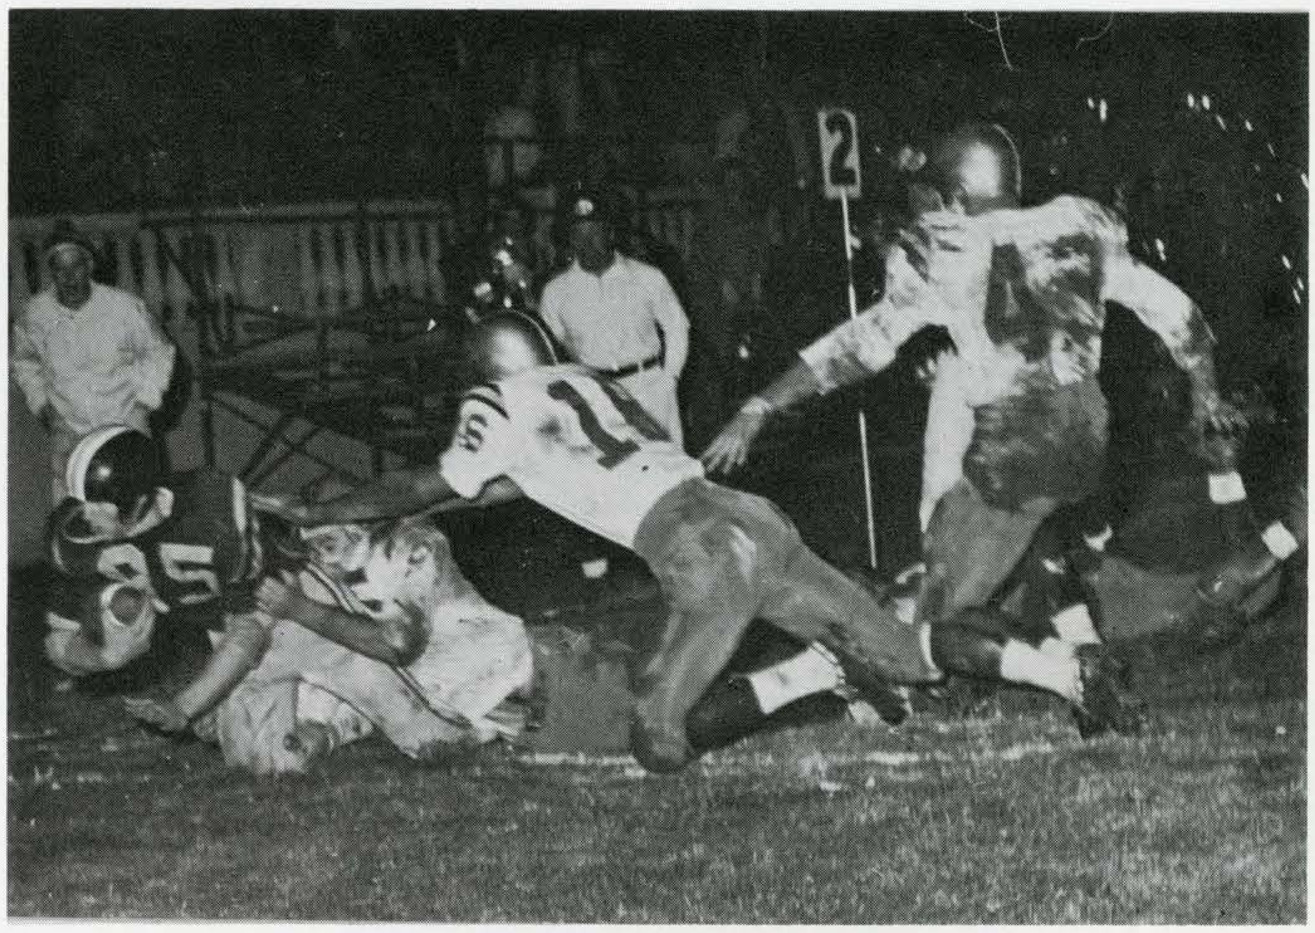

Trailing 20-12 with five minutes to go in the game, the locals tied it up as senior end Claire Appledoorn scored on an end sweep and duplicated the play for a two-point conversion.

With 11 seconds on the scoreboard, QB Chon Gallegos threw a desperation pass to Mac Burton which was intercepted by a Vandal on the two.

The Idahoan carried the hide into the end zone and was tackled by Burton for the winning safety.

Saving its best for the last game of the season, SJS overpowered Hawaii in Honolulu with a vicious offensive attack that featured the passing of Mike Jones and the running of Willie Williams to paste the Rainbows, 48-6.

Punctuating their puzzling season with a five-day Hawaiian holiday, the Spartans rolled up 347 yards while an air-tight defense held Hawaii scoreless until the last few minutes of play.

Jones tossed three TD aerials while Williams returned a kickoff 85 yds.

season standouts . .

As a fitting tribute to the first winning football season since 1955, several Spartan gridders were honored in post-season polls.

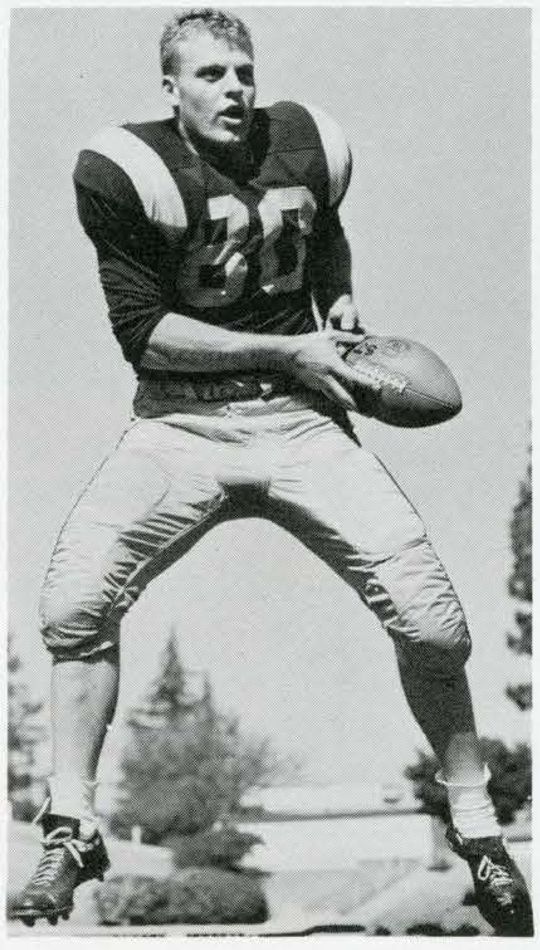

Quarterback Mike Jones, guard Dick Erler, and end Jim Cadile received All-American honorable mention by the AP. Fullback Johnny Johnson was on UPI's All-Coast first team. Jones and end Claire Appledoorn were both drafted by the Oakland Raiders.

For individual performances Johnson won the Wiley Smith Bag twice, Jones once.

Coach Bob Titchenal was UPI's "Coach-of-the-Week" after the win over Stanford.

a deceiving record

Despite a not-too-impressive 3-2-1 record, coach Bob Jones' freshman gridders were one of the most potent yearling squads SJS has ever fielded.

Paced by an outstanding group of former prep standouts, the Spartababes were at their best in mid-season — rolling up 93 points against their rivals' 16 in collecting three straight triumphs.

In his first year as an SJS coach Jones guided his troops to an upset 14-14 tie with "one of the finest Stanford freshman teams in years" while being assisted by graduate students Dave Hurlburt and John Webb. Halfback Tom Cousey was the top ball carrier with 401 yards and a 5.2 average.

Top passers were Bob Bonds and Walt Roberts, using Dave Johnson as their main target.

LEMME' GO — SPARTANS GARY RYAN (WITH BALL) BREAKS FROM CLUSTER AS REDLANDS' GLEN VORPAGEL (55) AND BOBBY LISTER (right) LOOK ON. SJS WON, 55-41.

. . . Competing in an area that has won national acclaim for its defensive emphasis, San Jose State was the NCAA defense leader throughout most of the season before being nosed out for top honors by neighboring Santa Clara in the last week of play.

Nevertheless, SJS yielded only 50.2 points per game while leading its rivals in field goal attempts, rebounds, and personal fouls committed — all indicating the aggressive brand of defensive ball that coaches Stu Inman and Danny Glines initiated in their first year at State. In a 30-29 loss to point-stingy S.C., the Spartans re-wrote the WCAC record book in the defense department.

NORM IN ORBIT — NORM BOSTOCK (40) HAD BIGGEST NIGHT OF CAREER WITH 20 POINTS IN 60-45 WIN OVER UOP.

. . . BUT NO OFFENSE

SJS opened and closed the season with its best offensive efforts, a 74-54 win over FSC and a 74-72 upset triumph over St. Mary's, but sandwiched in between was the pathetic sight of a team averaging less than 50 points per game, often hitting less than 25 per cent of its shots, and losing a total of four games by a total of five points.

At that, the team improved on its '59 slate of 6-19 to a mark of 11-14 with a sophomore-studded lineup that indicates a bright Spartan cage future.

THE L-O-O-NG SEASON . . .

. . . Taking on some of the nation's finest hoop teams in its non-conference schedule, SJS posted a 6-7 mark, including a 46-41 upset win over a Rocky Mt. toughie—Idaho State.

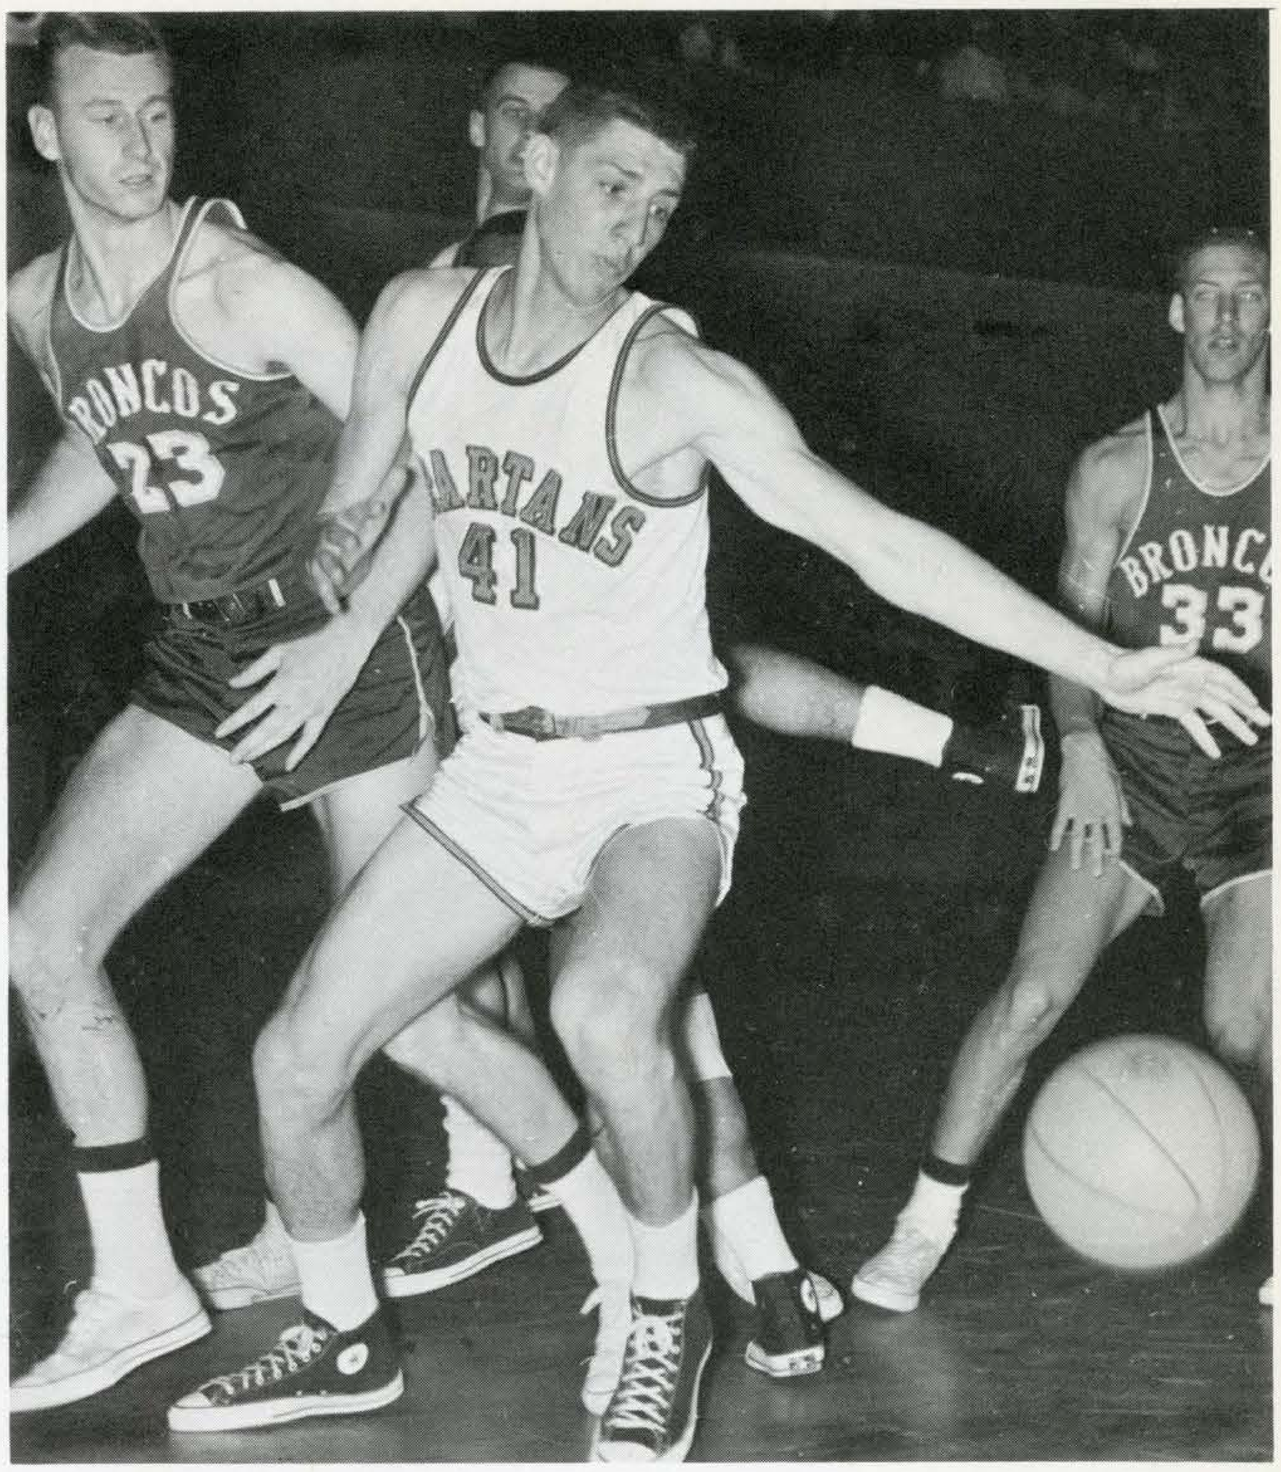

Other non-conference victims included Redlands (55-41), Cal Aggies (63-39), Fresno State (70-54), and S. F. State (55-44). Highly ranked Utah, with Billy McGill scoring 30, handed the Spartans their most embarassing loss, 82-48. Other non-loop losses found St. Louis (52-26), Washington of St. Louis (49-47), California (43-39), and Fresno State (68-63) emerging victorious over SJS.

DON'T TOUCH IT, IT'S HOT — SPARTANS BILL YONGE (32) AND BILL ROBERTSON (41) APPEAR TO SHY AWAY FROM BALL ALONG WITH REDLANDS' GLEN VORPAGEL, AS DENNIS BATES (right) LOOKS ON.

. . . ITS SWEETEST REWARD

Swinging the cat by the tail, Stu Inman's win-hungry Spartans surprised everyone but themselves in returning from an unproductive road trip to post a stunning 53-51 upset win over defending champion Loyola in the first round of the annual WCAC Holiday Tournament at USF. The following tourney defeats to St. Mary's (41-40) and Santa Clara (48-42), were anti-climactic to SJS, which posted its greatest upset of the season by edging the high-flying Lions. Center Joe Braun paced the win with 12 points, all coming in a second half that saw the determined Spartans erase a 22-19 halftime deficit. The second-rounder saw the Spartans hold All-American Tom Meschery to one field goal in blowing a one-point decision on the foul line.

- **A 5-7 RECORD**
- **A FIFTH-PLACE FINISH**
- **THE UPSET-OF-THE-YEAR**

The scrappy SJS cagers completed their WCAC schedule with a respectable 5-7 mark for fifth place, a great improvement over the 1959-60 mark of 2-10.

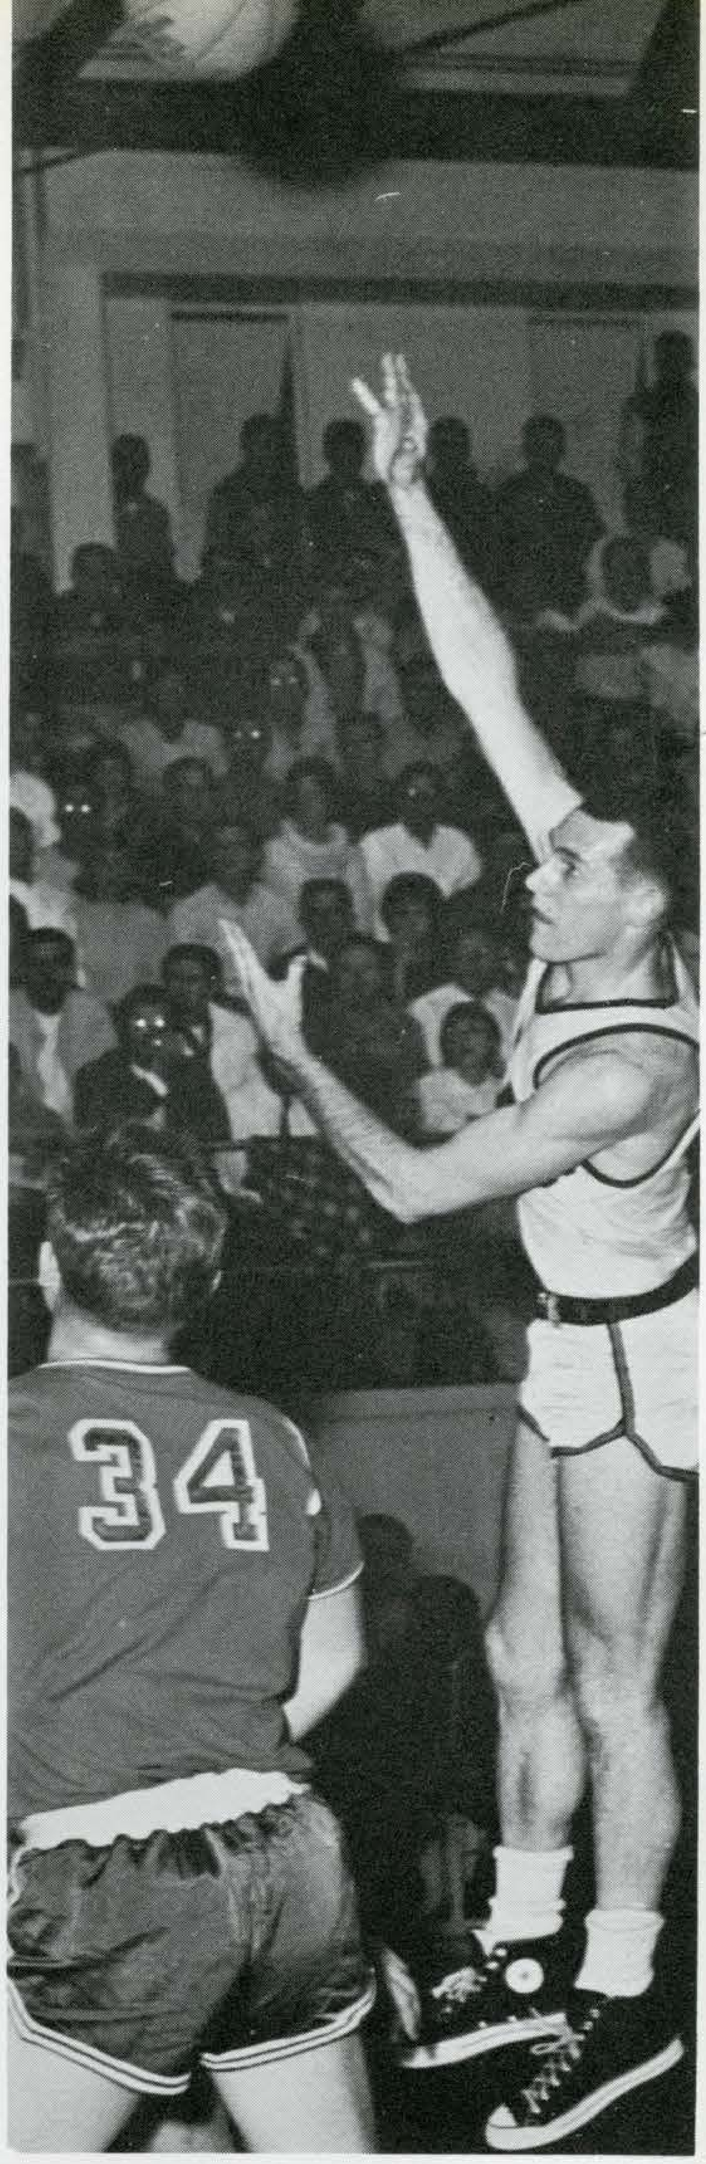

Stu Inman's varsity swept a pair from Pepperdine (68-46, 67-56) and UOP (48-44, 60-45), lost two to USF (49-38, 40-39), Santa Clara (45-31, 30-29), and Loyola (54-45, 55-46), and split a duo with St. Mary's (65-46, 74-72). The latter, being staged at Moraga, no doubt was the league's biggest upset and ended the Spartan season on a sweet note.

Bill Yonge and senior Norm Bostock won "Player - of - the - Week" honors during the course of the league season.

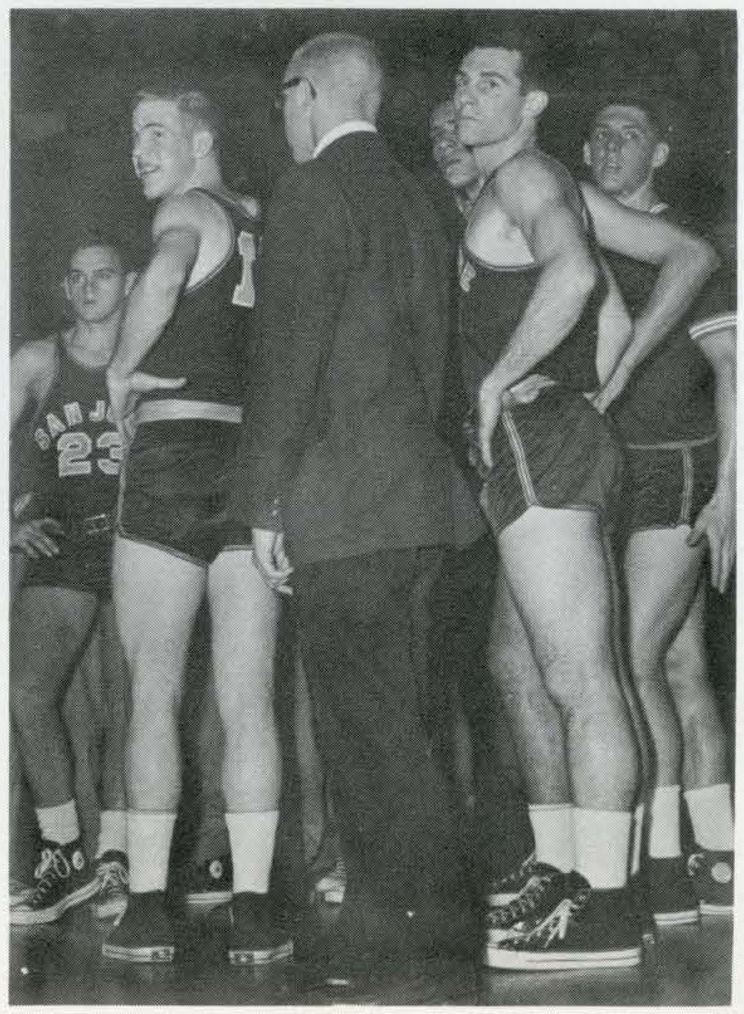

Dennis Bates set a seasonal scoring high of 22 points against Loyola. Bostock and center Joe Braun, the statistical leader in practically every department, were the only members who will not return next season.

a carbon copy . . .

Rookie coach Danny Glines' Spartan frosh completed the 1960-61 campaign with one of the finest records ever accumulated by an SJS yearling cage team.

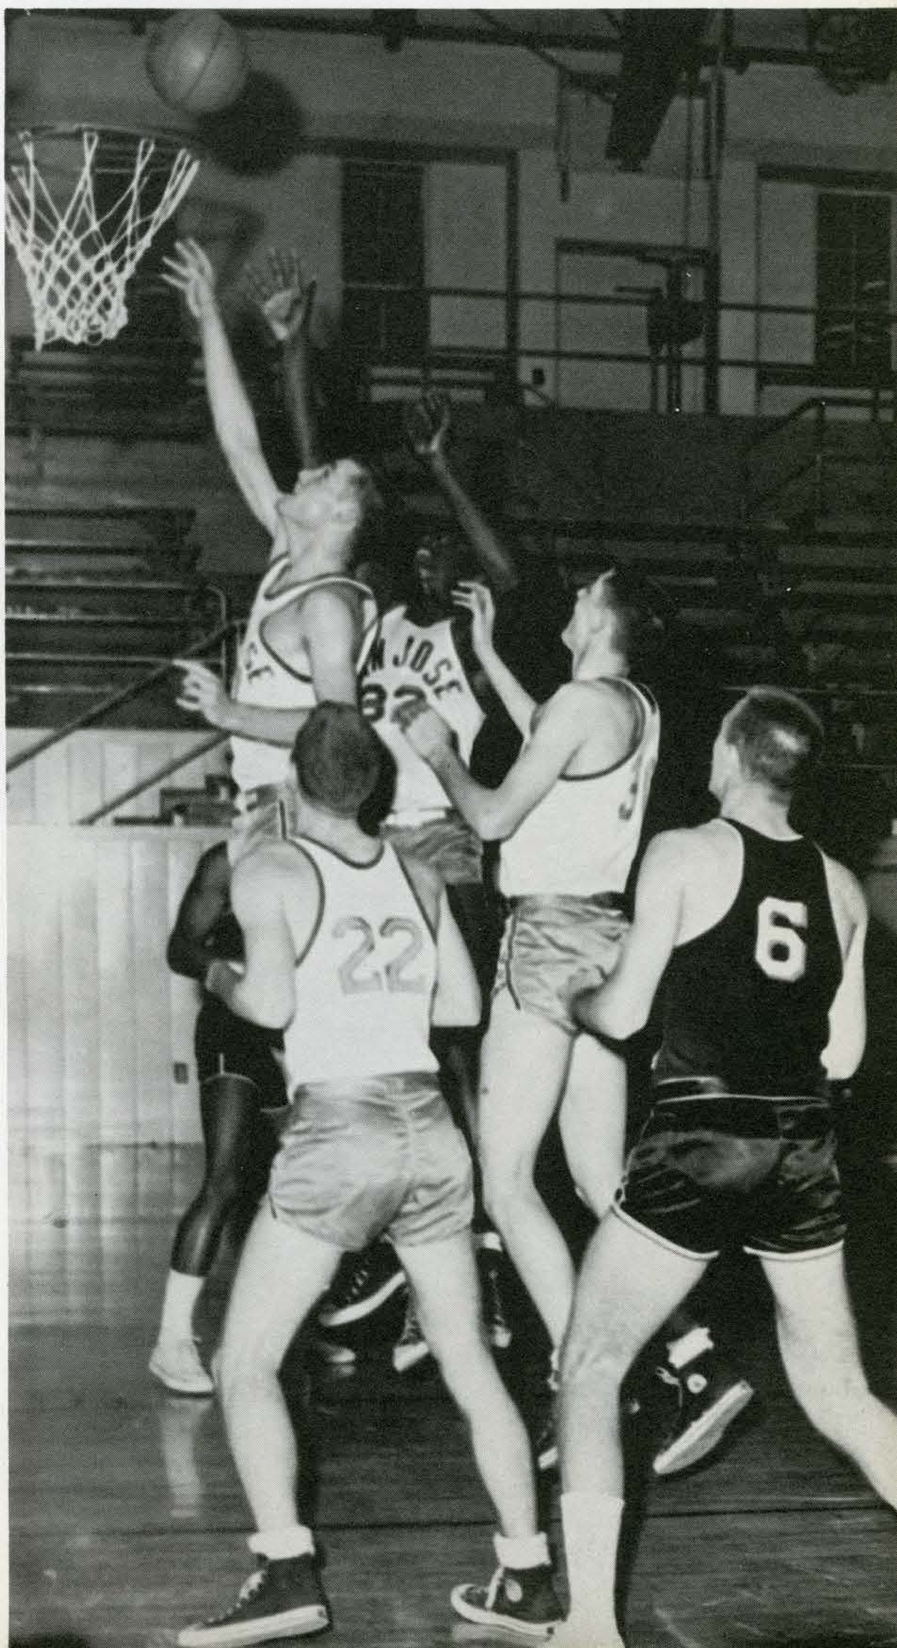

Its 12-6 mark included upset victories over Stanford, USF, and Santa Clara frosh squads and a composite 4-1 mark against junior college competition.

After jumping to a terrific start with a 9-1 mark, including eight in a row, the Spartababes hit a mid-season slump, but finished strong.

The team was a carbon copy of the defensive-minded varsity, limiting opponents to only 48.6 points per game. However, it displayed a little more punch than its varsity counterparts, scoring at a 53.1 clip.

Center Harry Edwards was named to a post-season all-frosh five.

. . . SJS SPRINTERS STILL NATION'S BEST

With Bud Winter, "builder of sprint champions" and assistant track coach of the 1960 U. S. Olympic team, still handling the Spartan reins, San Jose State once again is among the country's leaders in intercollegiate track.

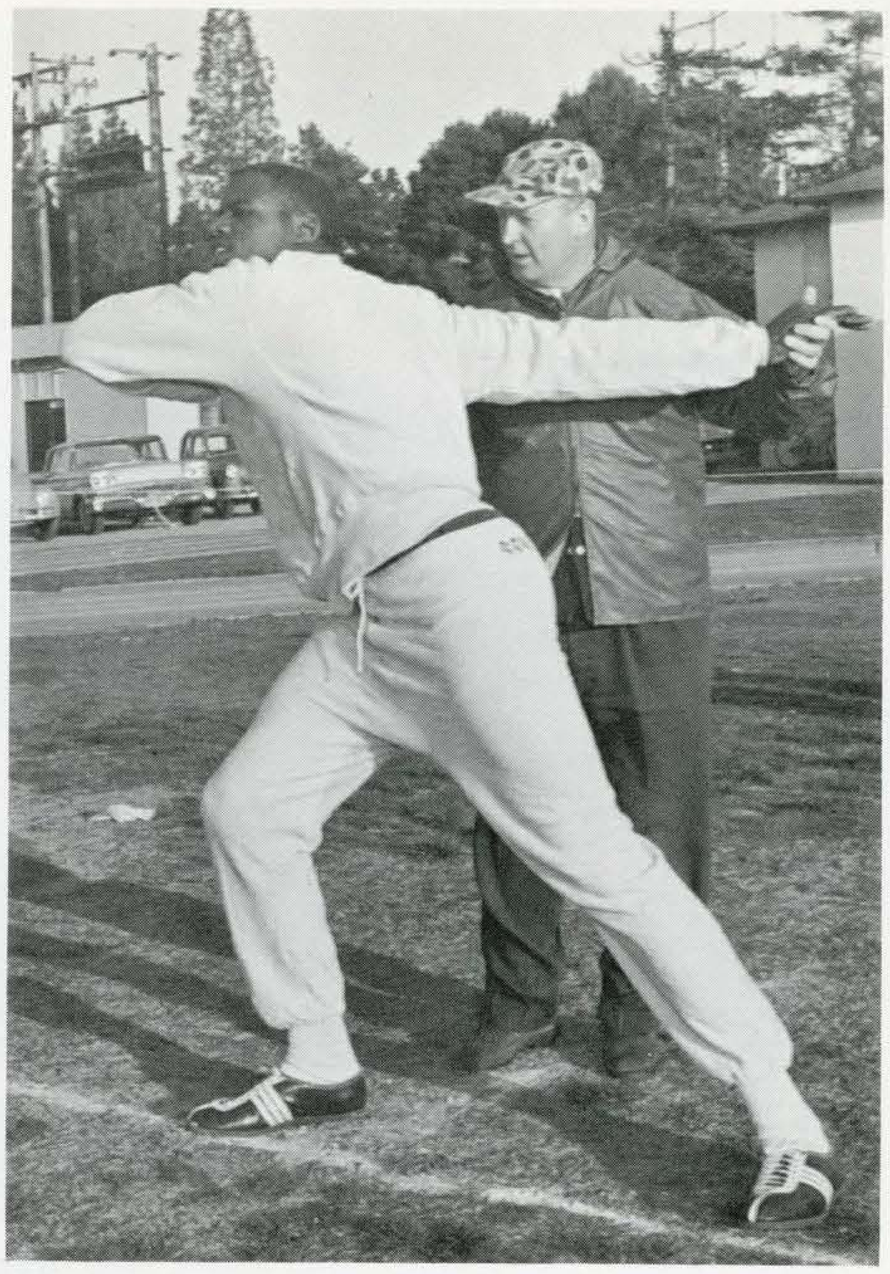

Only teams of the USC, Kansas, and Oregon caliber can match the local spikers for overall strength with the Spartans probably having the best sprinters in the nation and one of its finest distance men in the durable Charlie Clark.

Winter estimates that several school records could tumble by the season's end (including the discus (Edwards), the mile (Clark), the javelin (Studney), the 440 (Williams), plus possible new marks in the mile and sprint medley relays.

WEIGHT PROBLEMS . . .

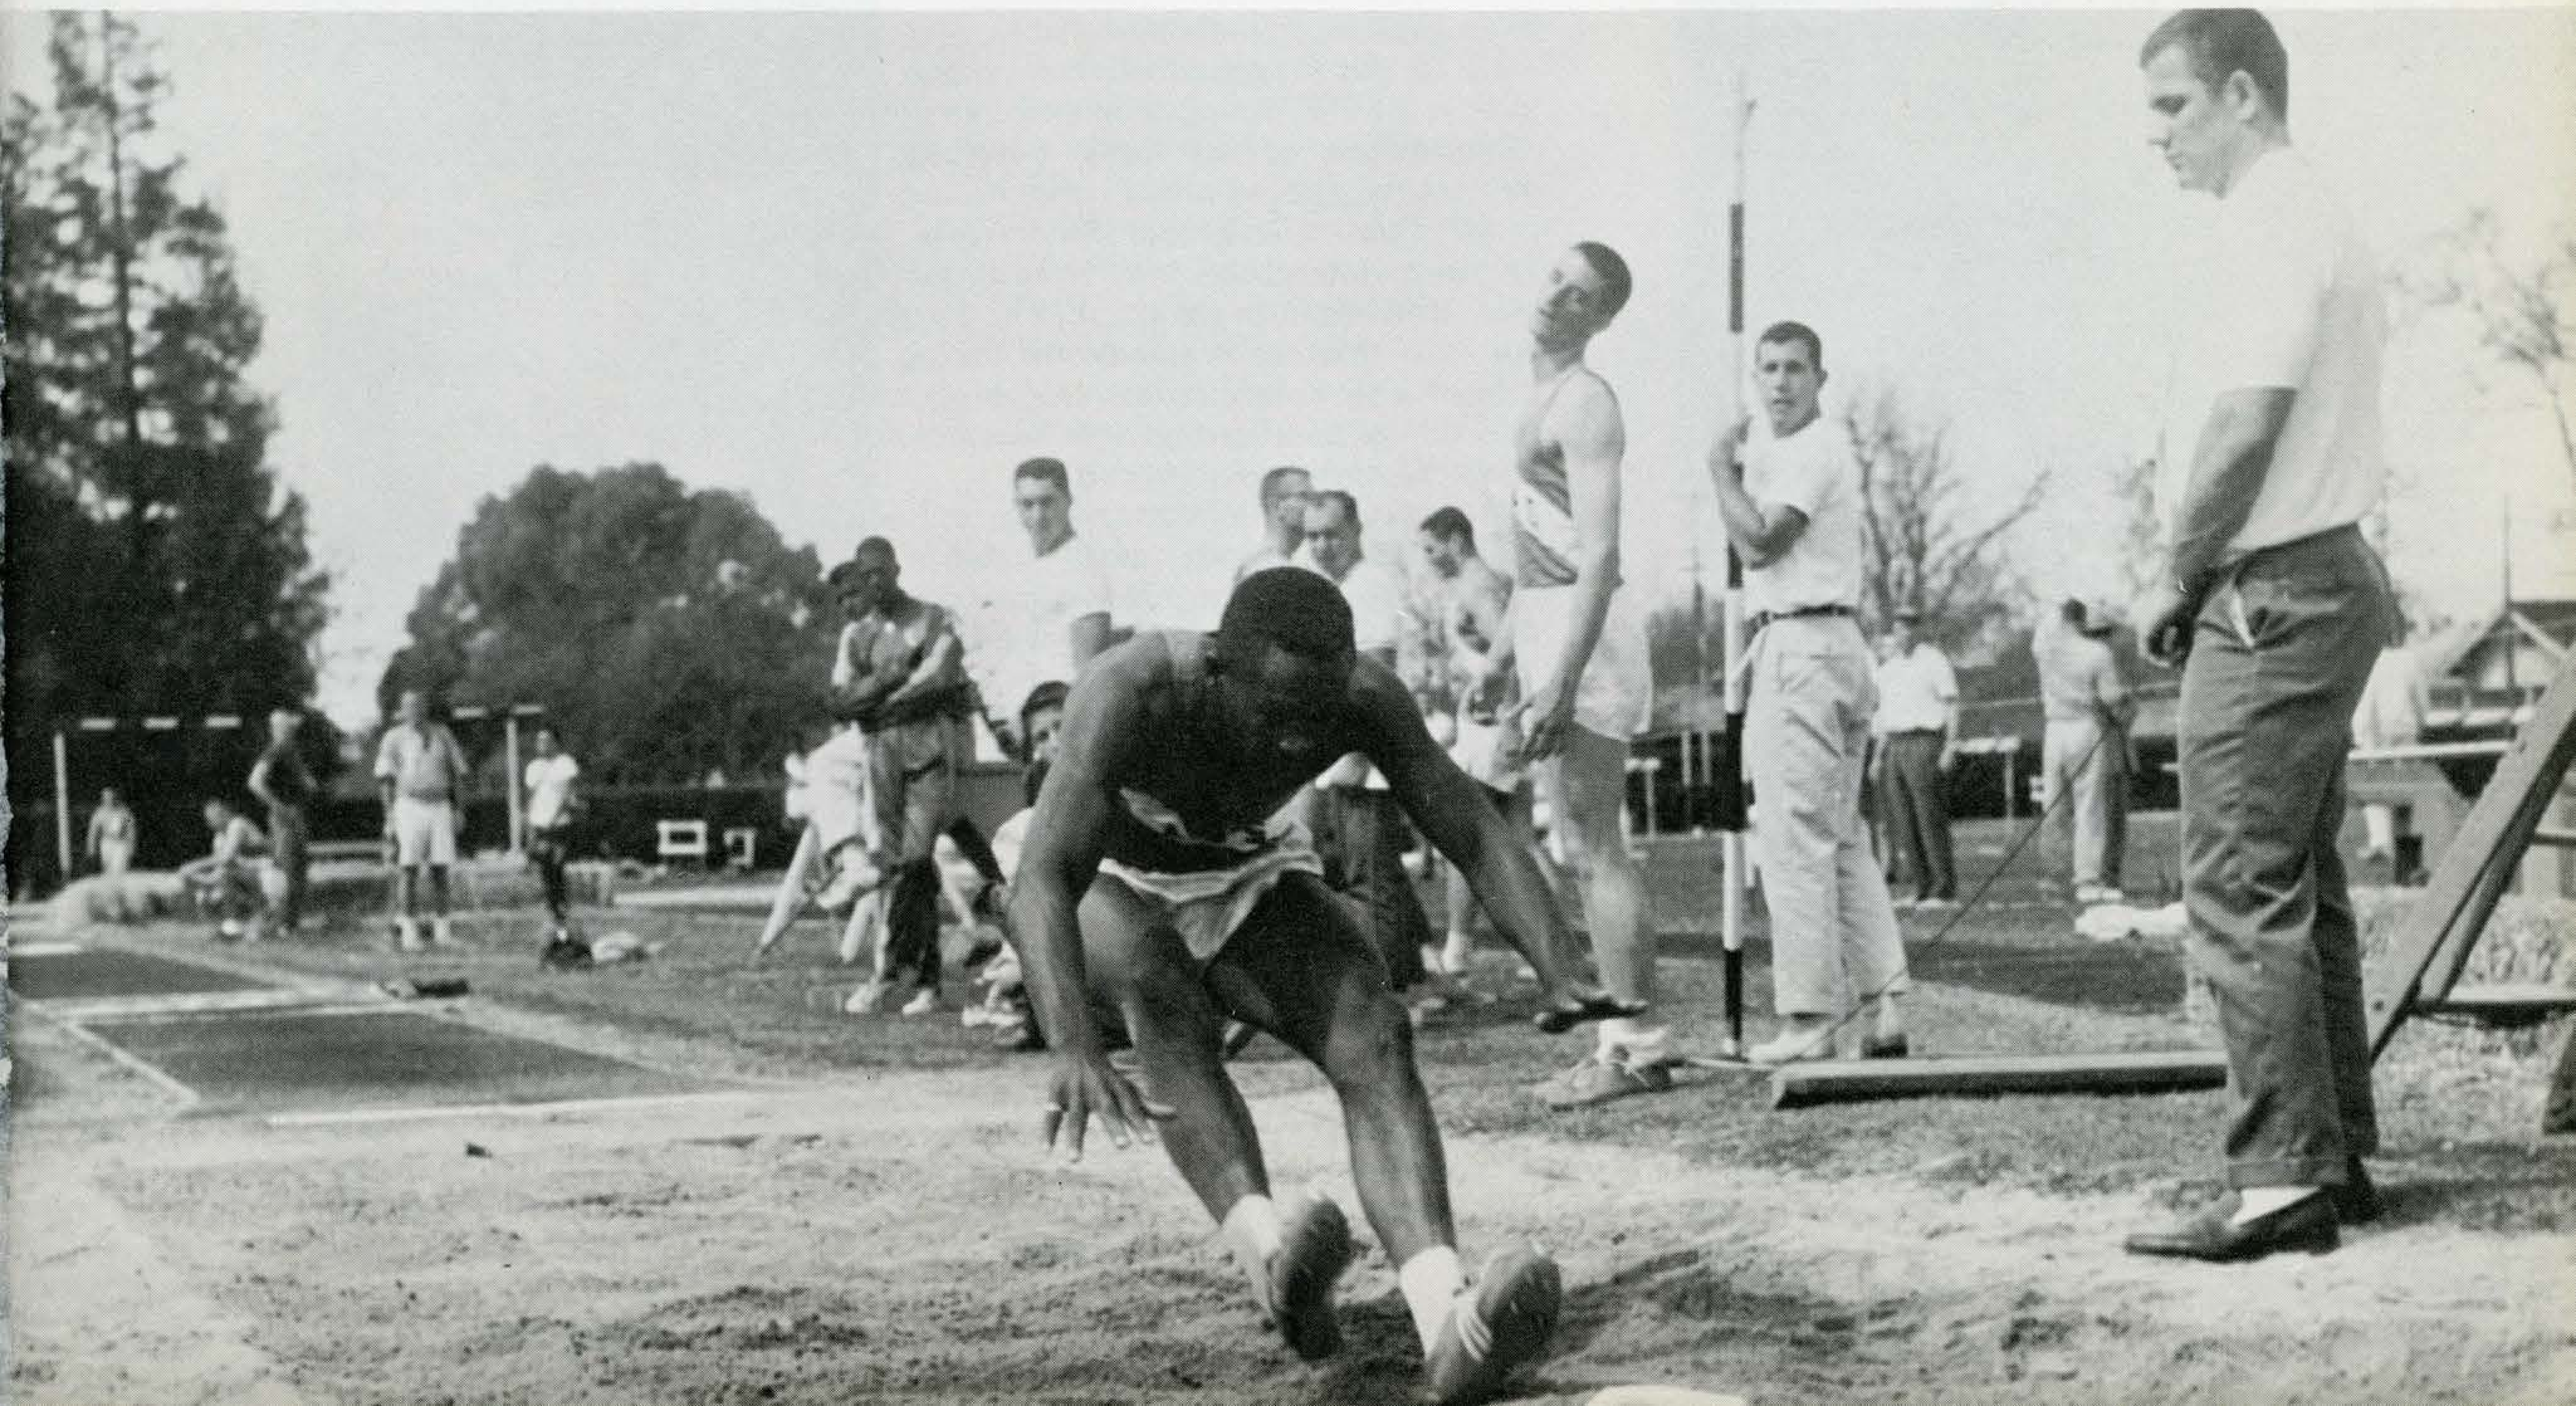

No longer receiving the versatile services of all-around weightman Tom Daniels, coach Winter must turn to a pair of sophomores for his biggest points in the weight department.

1960 JC discus champ Harry Edwards and 1960 Spartan frosh javelin ace Dan Studney are expected to re-write the record books in their respective specialties before they terminate their track tenure at SJS. Assistant varsity, and frosh, coach Vern Wolfe, a specialist in building champions through weight lifting, has worked with most of the weightmen and the results have been evidenced throughout the season.

In 1960 the SJS frosh were named the No. 1 freshman track squad in the country and with the talented Vern Wolfe taking over as coach of several prep champions the Spartababes should be right up there again.

Versatile Walter Roberts, hurdler Bob Bonds, and distance man Ben Tucker, No. 2 performer on the cross-country squad, should be the best of a bumper crop that is ticketed for fame in Bud Winter varsities of the future.

Finishing third behind the University of California and the SCVYV in the Northern California championships here in San Jose, the Spartans relied on Ron Davis and Ben Tucker for most of their points in the title run. The pair also was one-two during the dual meet season. Others who placed in the harriers' finale were Dan Landers, Horace Whitehead, and Allen Anetsky. John Phillips, Bill O'Hanlon, Elmer Rice, John Quick, and Ron Nichols rounded out the team of well-conditioned athletes who ran their hearts out for SJS under the talented tutorage of Bud Winter.

1961 baseball . . .

Coach Ed Sobzak's defending 1960 WCAC champions found the road a little rougher this past season after finishing a successful '60 campaign with a 27-14 mark. Although five regulars from '60 returned to bolster this year's squad—Jim Pusateri, John Jurivich, Larry Bachiu, Tom Rike, and Doug McChesney — the team was wanting of a sound mound corps and some consistent catching. Sobzak listed defense as the team's strong point, but after starting off on the losing side against California, Stanford, Cal Poly, and Fresno State, it was obvious that the SJS nine needed more than defense to win its share.

. . . BEST IN HISTORY

Coach Tom O'Neill's defending state college swimming champions were even better in '61, as they swept through eight dual meet opponents to record the first undefeated varsity swim season in SJS history. Victims included U C L A, Oregon State, Oregon U., California, and Stanford. By walloping the Indians 56-38, SJS defeated an always-strong Tribe t a n k team for the first time in history.

At the three-quarter mark of the season school records had been already toppled by Pete Wolfe (200 butterfly), Bob Wegman (200 ind. medley), and the 400 freestyle relay team of Ross Berry, Don Beukers, Austin Wiswell, and Wegman.

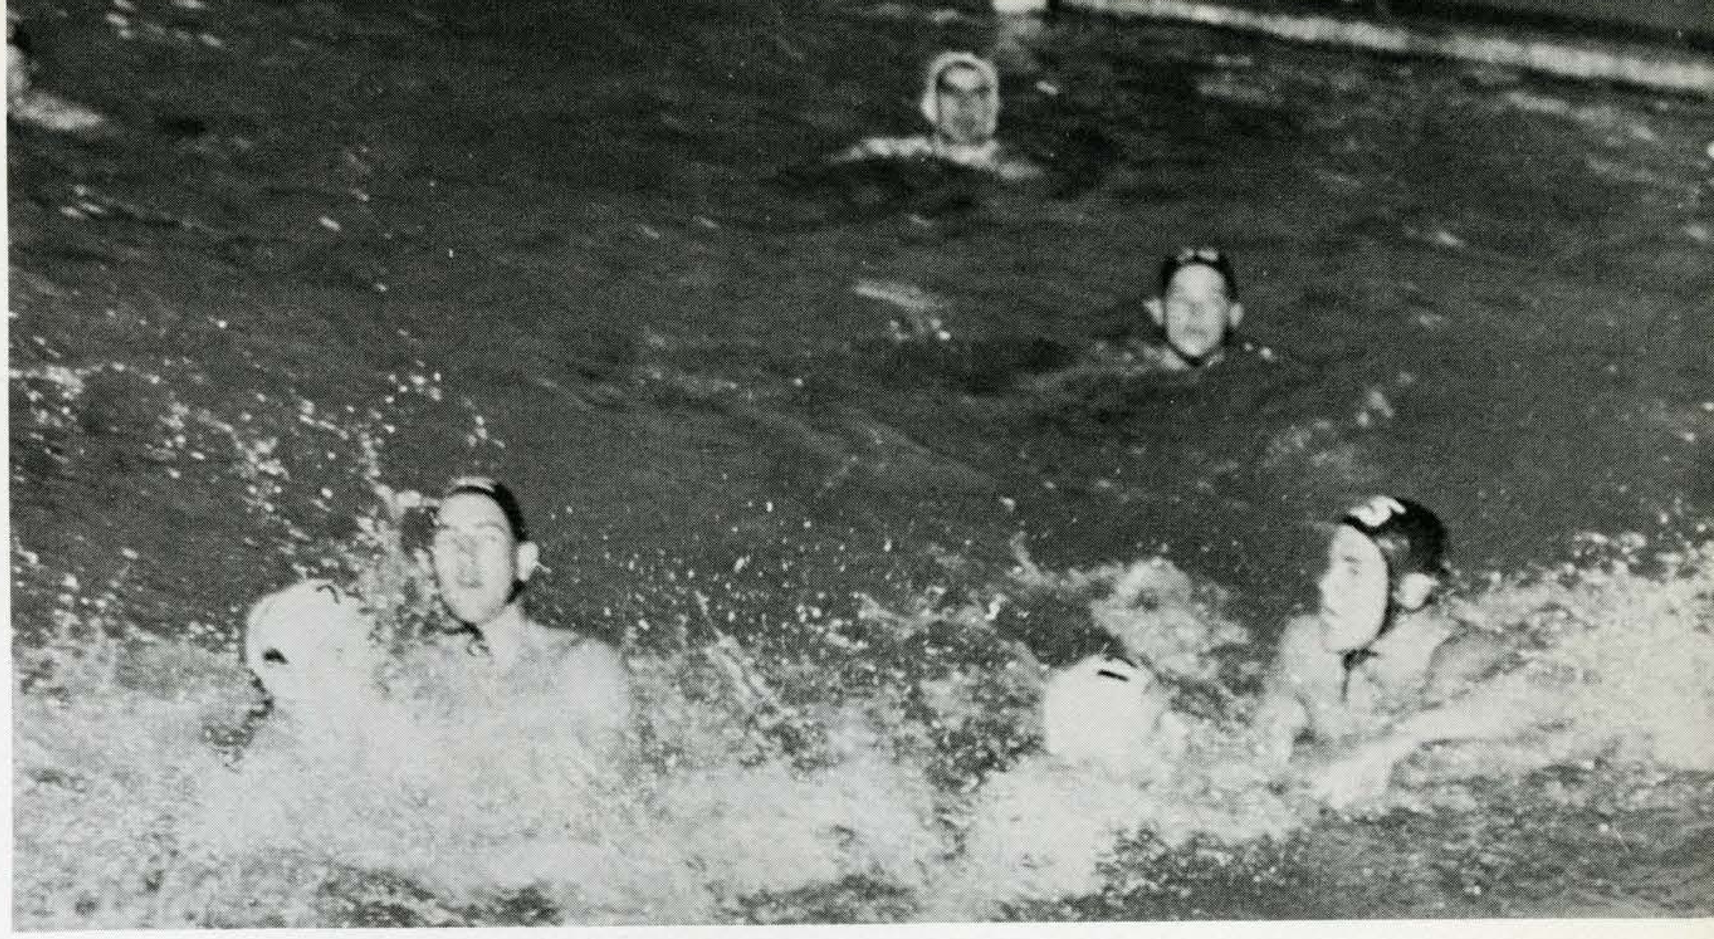

A few of the swimmers competed in the NCAA championships at Seattle, March 23-25.

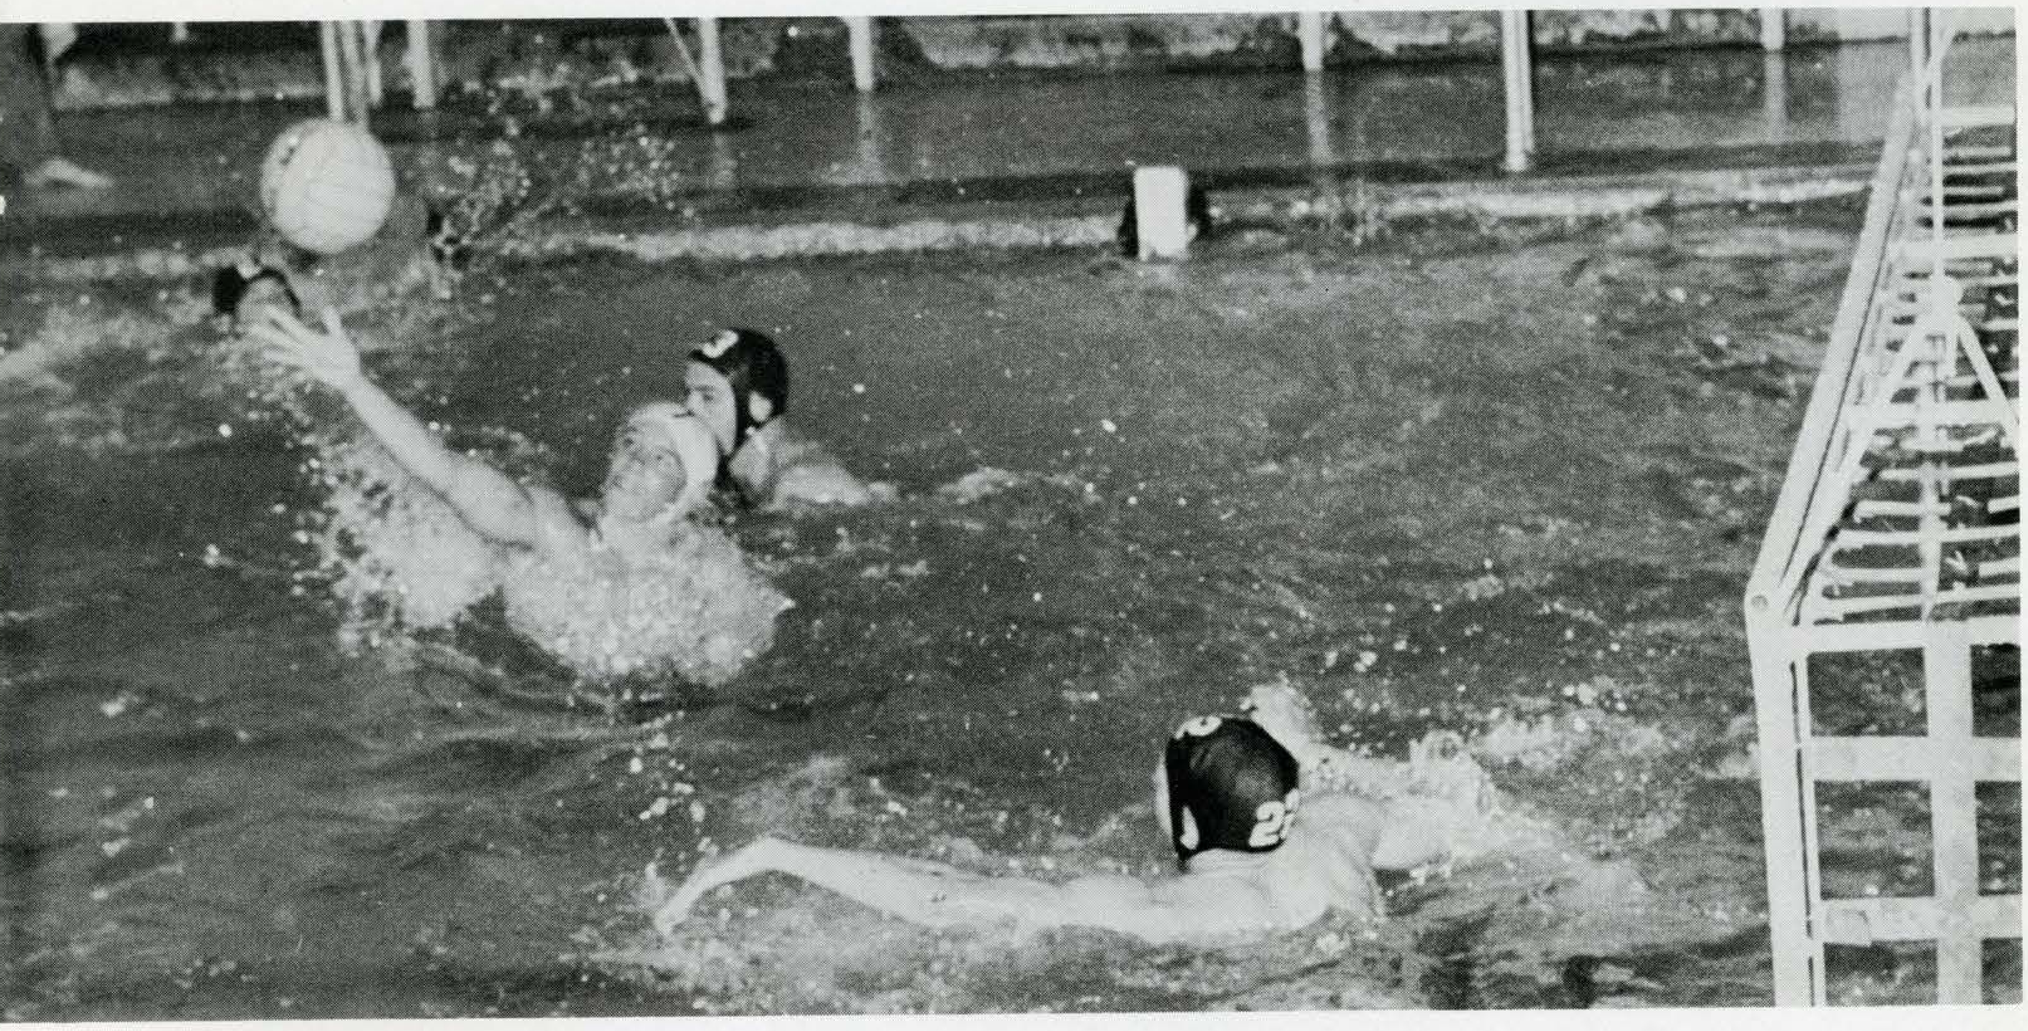

water polo . . .

Rookie coach Art Lambert's Spartan water polo charges completed the 1960 season with a 4-6 record, compiled against some of the finest teams in the state.

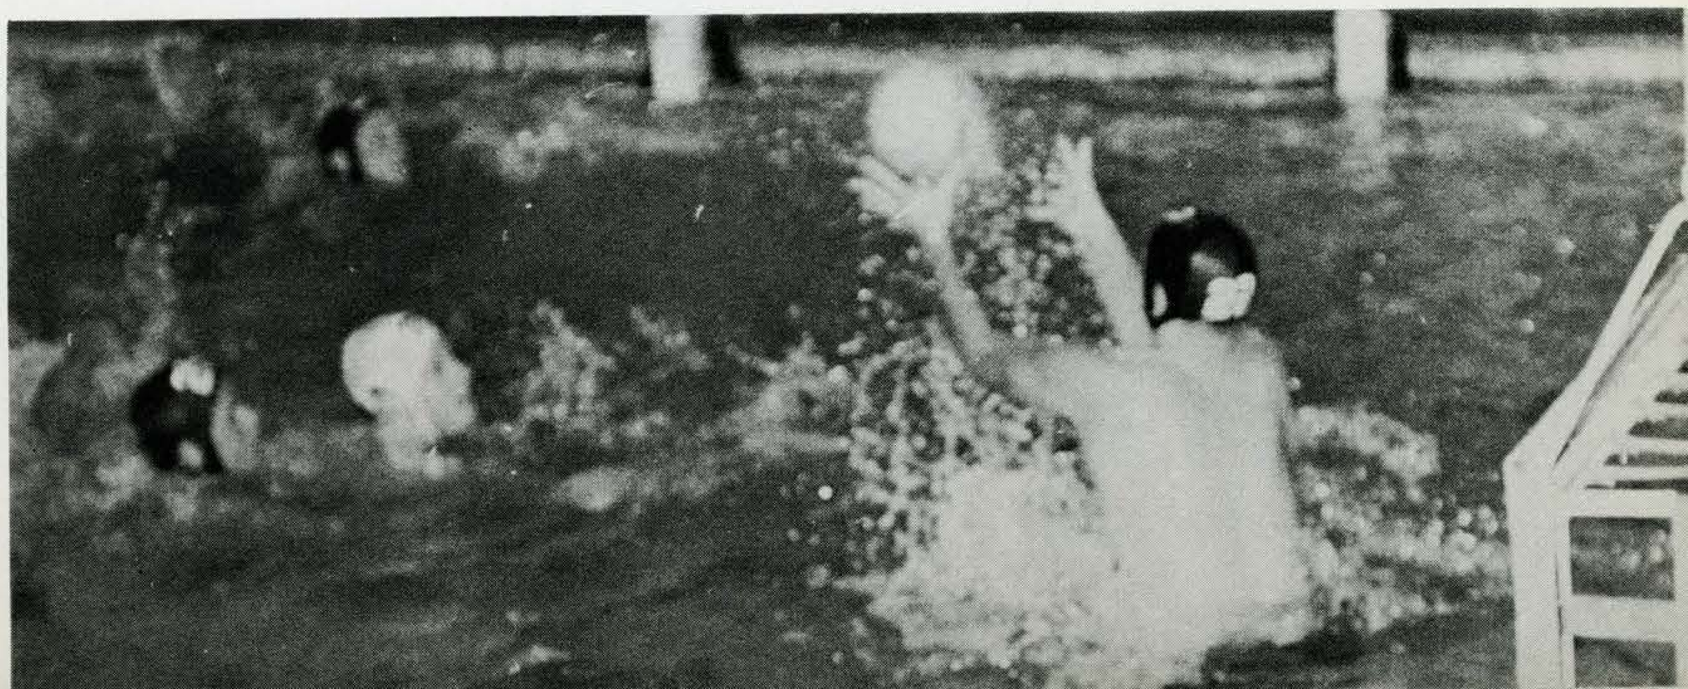

Four of the losses came at the hands of powerhouse California and Olympic Club squads. In one of their finest efforts, the Spartans were nipped 23-19 by the highly-rated O.C. in Spartan Pool.

Paced by leading scorer Lonnie Christensen, the team finished second in the state college tourney and fourth in the Northern California Championships. The freshman water polists compiled a sub-par record of 1-4.

golf...

Director of Athletics Walt McPherson rated his 1961 golf team as one which had certain individuals who were capable of winning consistently, but that it didn't contain the overall depth which has made SJS one of the state's top collegiate golf powers in previous seasons. In sophomore John Lotz, the team's No. 1 linker, SJS had a young golfer with an outstanding amateur reputation in the East Bay.
Needless to say, within two years he would have a good chance to finish high in the NCAAs.

Facing a rugged tennis schedule with a team that was mediocre in comparison to past SJS net squads, Butch Krikorian's outlook for a highly successful season was somewhat dimmed.

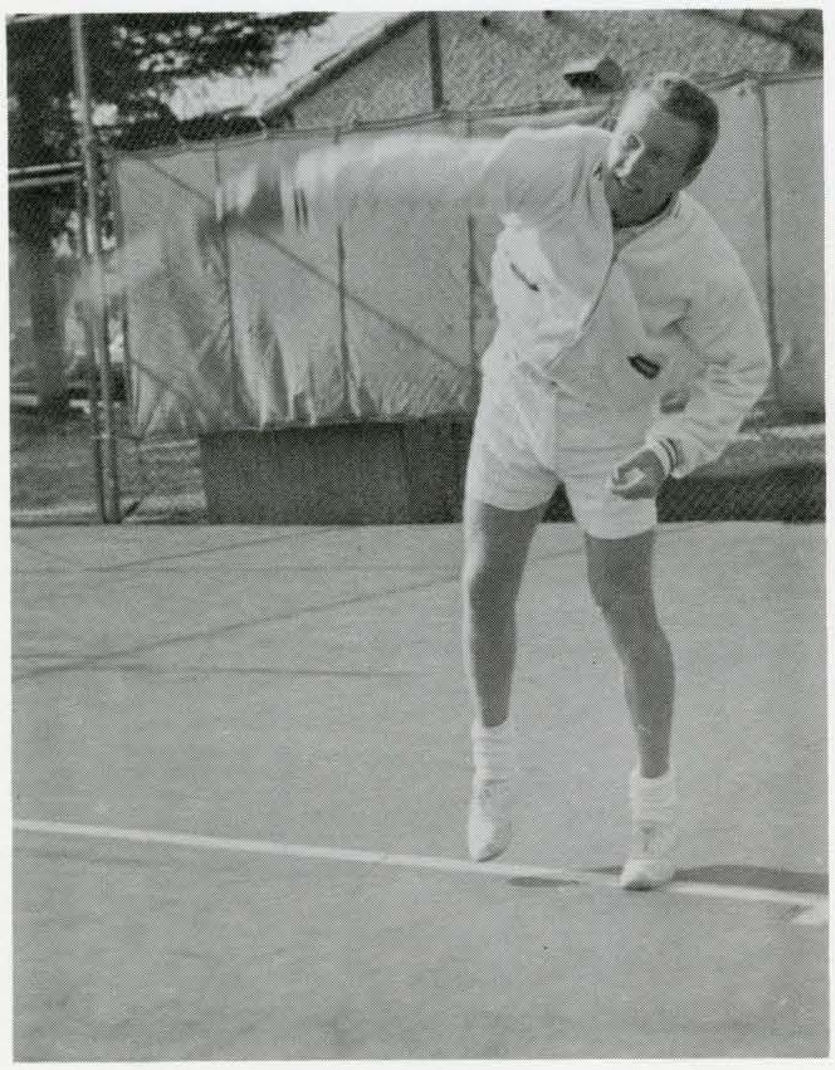

Graduation took its toll in talented 1959 NCAA champ Whitney Reed. Also gone were Bob Hill and Nick Scharf from a good '60 team.

In early season play senior Bill Schaefer topped the net ladder followed by Gordie Stroud, Lee Junta, Larry Willens, and Stillson Judah.

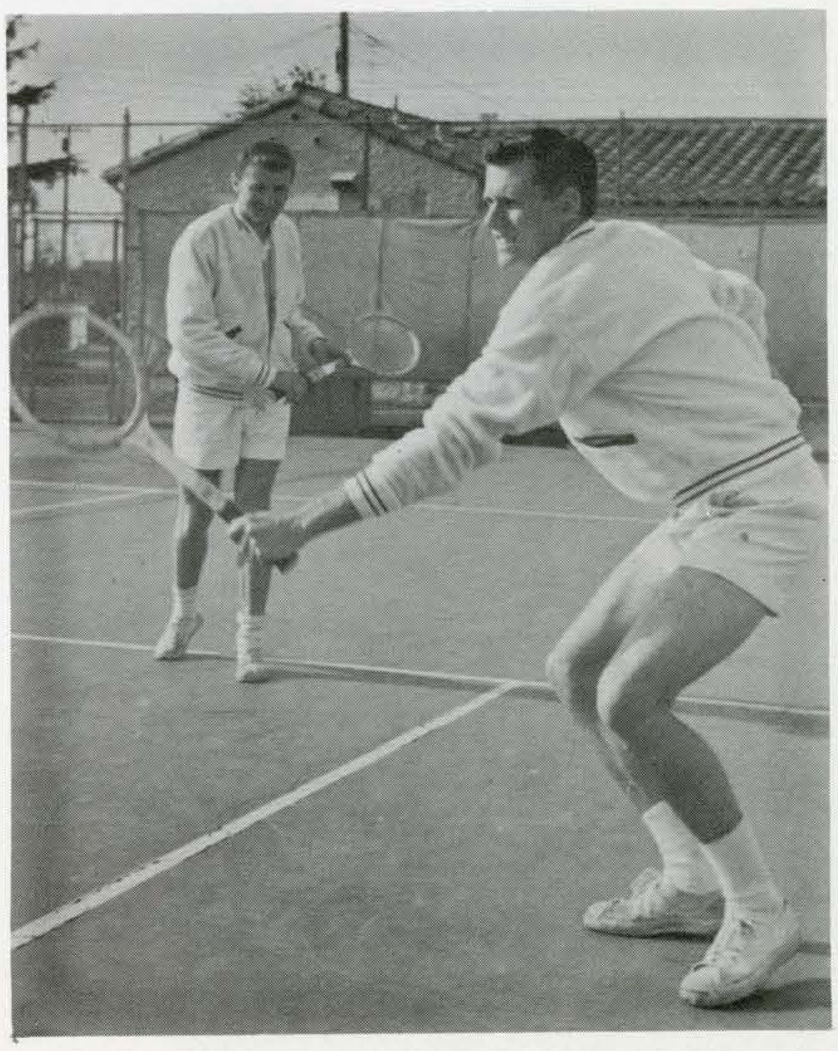

Feature matches on the schedule pitted SJS with Bill Hoogs-led Cal, Dick Ogden-led Stanford, USC, and a U.S. Marines squad featuring Jon Douglas and Allan Cranston.

Finishing their 1960 - 61 season with a sparkling 9-2 mark, marred only by losses to Cal and powerhouse Oregon State, Coach Hugh Mumby's Spartan grapplers had one of the most successful wrestling campaigns in SJS history.

In the Pacific Coast Intercollegiates won by Oregon State, the Spartans took an eighth with Bernie Slate, the biggest winner all year, advancing to the finals.

Other grapplers who recorded creditable performances throughout the season were Leroy Stewart, Bob Lopez, Fred Yrueta, Paul Hodgins, and Don Mall.

Coaching the skiiers for the third straight year, Mings is working with Gary Allison, Sam Ciofalo, Doug Gunn, John Kuoppamaki, Jerry Hanson and Mark Rocchio this season. The team competes against five to twelve schools at each meet. Their main competitors are the University of California, Stanford, Nevada, Chico State and Sierra College. The team competes in four events: downhill, cross-country, slalom and forty meter jump.

intramurals . . .

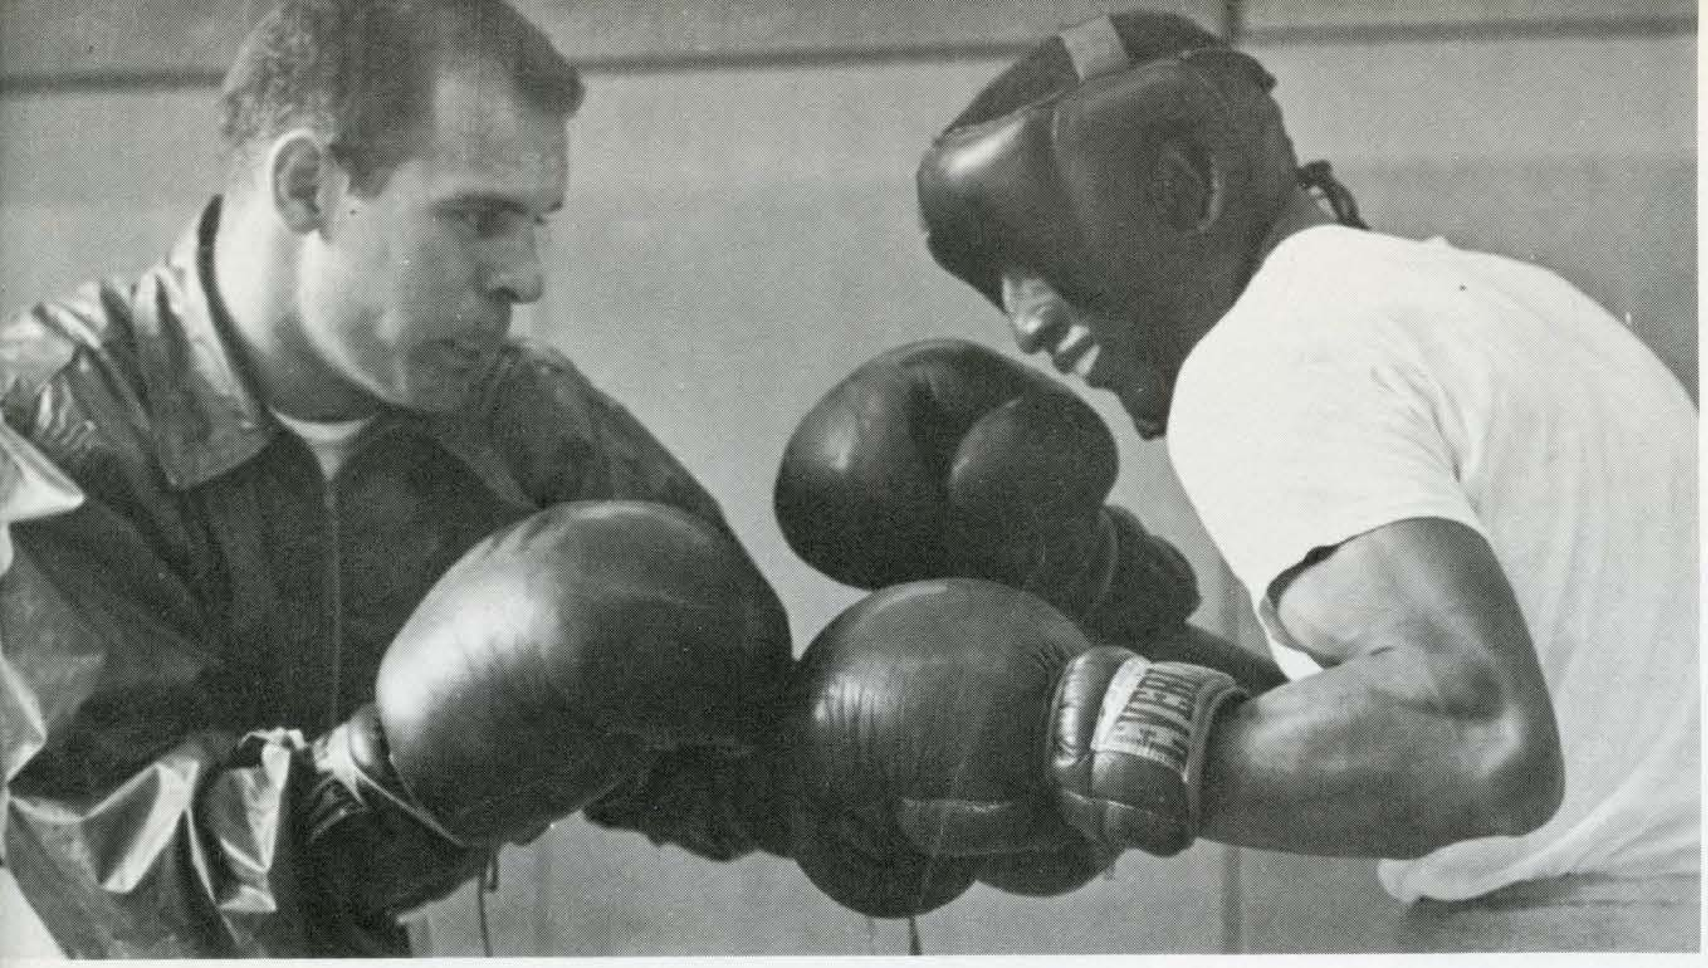

The SJS intramural athletic program, coordinated by faculty director Danny Glines and student aide Don Hogan, is an excellent means by which students can participate in competitive athletics on a lesser scale than their intercollegiate counterparts.

There are intramural sports offered for both men and women with independents and Greeks usually participating in different leagues. Football, basketball, and softball are the three most popular male sports with a record signup of intramural basketball teams early this semester.

IN MEMORY . . .

. . . Of San Jose State boxing on an intercollegiate level. An unfortunate tragedy which shrouded last year's NCAA finals brought to an end the three-year reign SJS had on college boxing. This pas tseason the Spartans were not allowed to compete against collegiate rivals because other glove squads were afraid to fight SJS. Such a waste of talent, and such a ridiculous outcome for an accident that could have occured in any sport, and has, without the drastic repercussions that resulted from a fatal injury to a Wisconsin boxer.

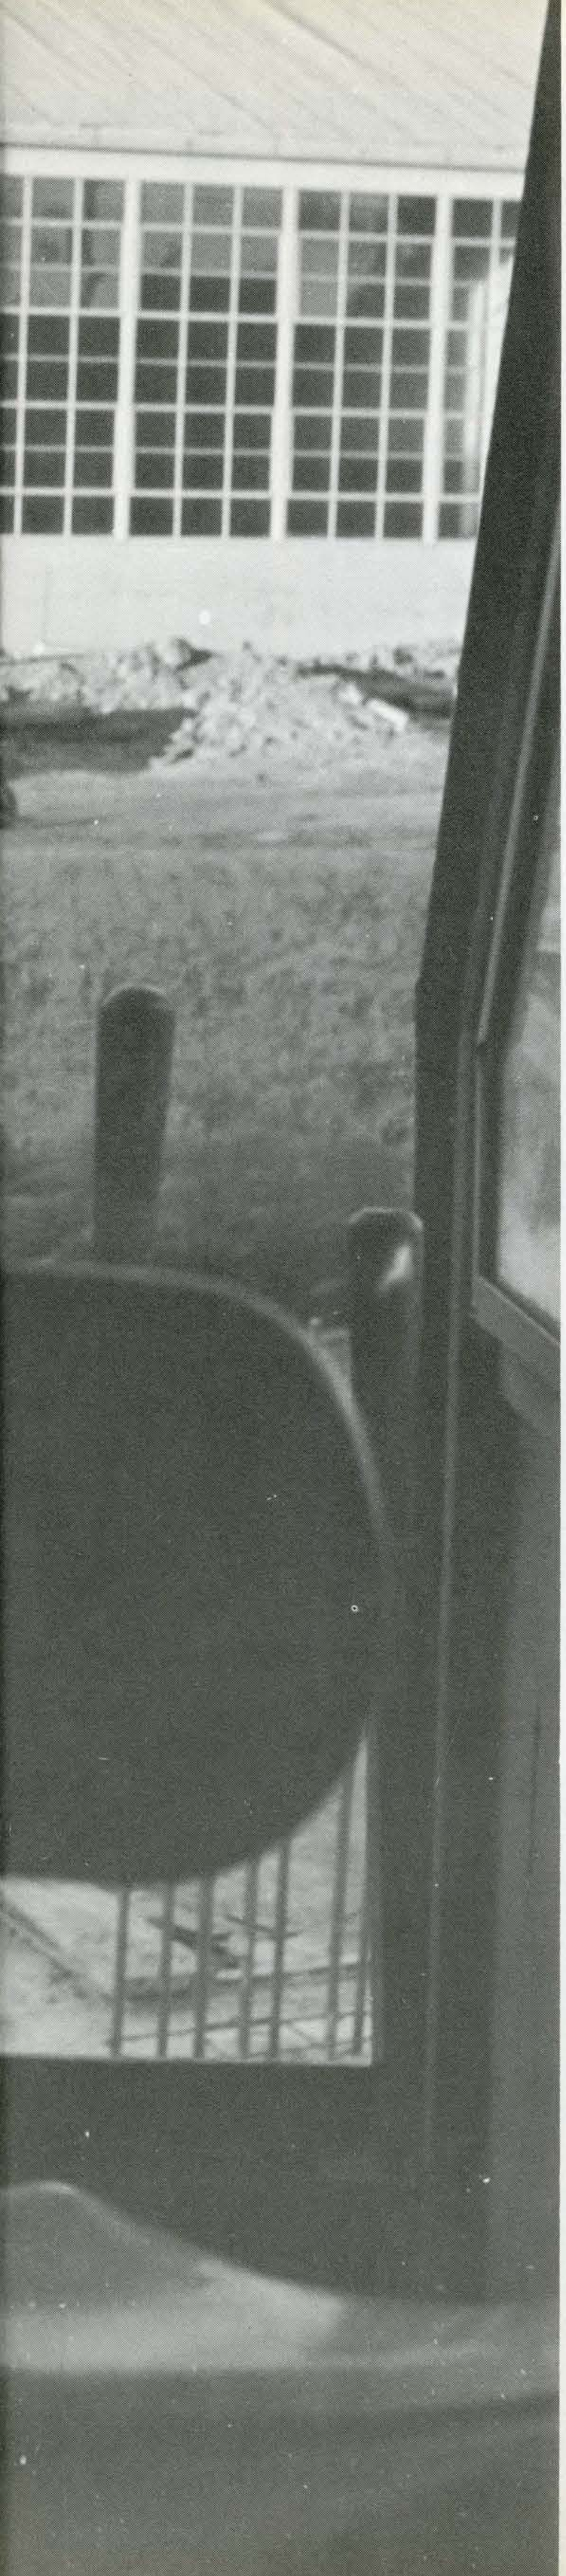

. . . GONE, BUT NOT FORGOTTEN

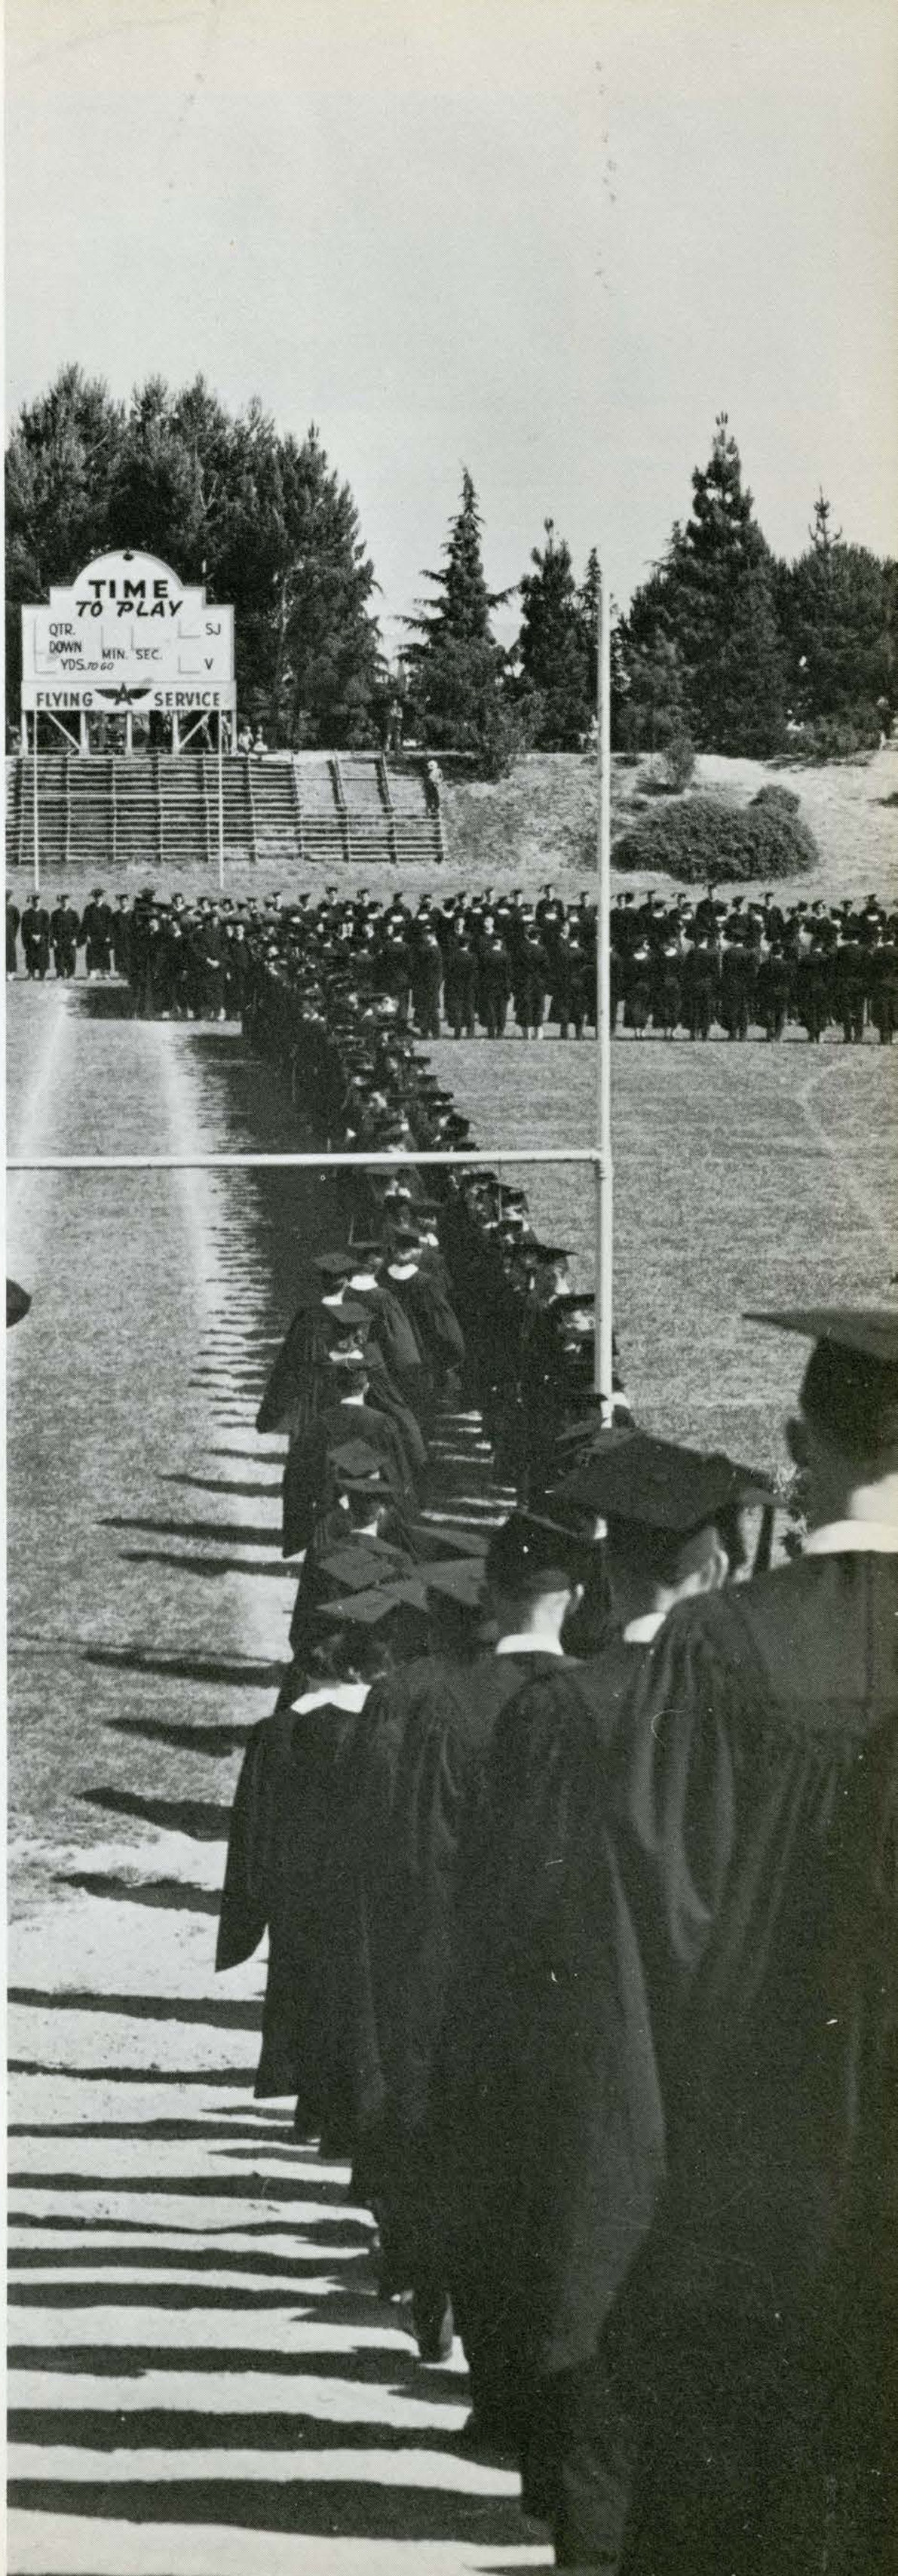

Today, very few people know the course of action SJS will take in organizing a collegiate boxing team. Although the organized sport may have died, interest at SJS is at a fever pitch. Julie Menendez, coach of the three-time N C A A champs and the U.S. Olympic boxing mentor, reports that attendance in beginning and intermediate boxing classes is the highest in SJS history. Should SJS be allowed to box on a collegiate level, students from these classes would serve as a nucleus to man a team.

ALL ALONE — JULIE MENENDEZ GAZES INTO EMPTY RING, PERHAPS RECALLING THE EXPERT TRAINING SESSIONS W H I C H BROUGHT THREE STRAIGHT NCAA BOXING TITLES TO SJS.

acknowledgements

Only with the capable and cooperative assistance of the administration, faculty representatives, student body, and other volunteer workers was the production of this, the 1961 La Torre, made possible.

Their patience and willingness to assist made our task easier, and aided greatly in speeding up final production.

To Mr. John Stewart, a very grateful thank you, for the innumerable hours he spent assisting us with organization and revision problems.

Many thanks to Brian and Ralph printers for the complete typography, including the Craw Modern Bold heading type which they purchased especially for the 1961 La Torre.

Jerry Ashton, Jim Balzaretti, Jim Lewis, Kent Forrest, Ed Rapapport, Jim Brock, Dwight "Rusty" Miller, Bob Christman, and Kathy Carroll deserve deep appreciation for their photography contributions which have enabled our book to excel the average yearbook.

For the outstanding artwork featured in the book and for the cover design, special praise and congratulations are given to Art Editor, Primo Villarruz. His conscientious efforts and original contributions make this book something very special.

Mr. J. B. Woodson, Mr. William Felse, Mr. Keith Cole, and Mrs. Mary Harris contributed much to this production.

Our gratitude extends to the Associated Women Students for their loan of the AWS Lounge used as a location for taking senior and greek portraits.

The Student Activities, Student Affairs Business and Public Relations Offices rendered us invaluable assistance.

Publicity Director of the physical education department, Art Johnson; the physical education coaches, and secretaries; and the San Jose Mercury were especially helpful in assisting with information and picture material used in the sports section.

And to Todd Phipers, a sincere thank you for the caricatures adorning the sports pages.

Thank you everyone.

Editor

la torre 61 art in transition . . .

The San Jose State College yearbook, La Torre, is a traditional, yearly publication. Its goals and aims have been consistent in an endeavor to preserve the prestige and dignity of San Jose State. The La Torre publication is a great accomplishment of team work of students who combine new ideas and progressive attitudes. This year the concentration of thought was placed upon a theme of progress, search, and transition. The motif was based on construction since our campus growth bares such considerable evidence.

Our cover was designed to give the feeling of growth in construction by indications of towering scaffolding and exciting colors. The colors are reflections of today's communication. We have stressed new forms of typography and introduced the reader to experiments with color. The type used was selected in order to stress a new feeling of transition.

Through new forms of art and typography we have been able to produce a different and unusual yearbook. In years to come, however, we shall experience even greater capacity in searching for effective and purposeful communication.

As a senior art major, the opportunity to contribute work and ideas to a publication of this size was both a challenge and a worthwhile experience.

Special thanks is given to my San Jose State art instructors for training received from them in the past; and to Mr. John Stewart, who assisted greatly in technical production.

Search, growth and transition depict today's San Jose State College. We have endeavored to portray this in the 1961 La Torre. I sincerely hope we have reached our goal.

Primo Villarruz,
Art Editor
