

**GRADE POINTS**

For each unit of credit the student receives grade points as follows:

- A**—Four grade points and four progress points per unit of credit.
- B**—Three grade points and three progress points per unit of credit.
- C**—Two grade points and two progress points per unit of credit.
- D**—One grade point and one progress point per unit of credit.
- F**—No grade points; units counted. No progress points.
- I**—Not included in computations until grade is assigned.
- CR**—No grade points; units counted. Two progress points for an undergraduate course, three progress points for a graduate course.
- NC**—No grade points; no units counted. No progress points.
- W**—No units allowed. Not included in progress point computation.
- AU**—No grade points or units allowed. Not included in progress point computation.
- SP**—No units allowed and not included in progress point computation until grade is assigned.

A student may repeat any course in which a mark lower than C was received. Degree credit will be allowed only once for any course. A repeated course is counted as units attempted and is credited with the appropriate grade points and progress points earned by the repetition. Although not recommended, a student may also wish to repeat a course in which he earns a C. Such repetition is recorded on the transcript but is not figured in unit or grade-point totals.

**SCHOLARSHIP STATUS****SATISFACTORY SCHOLARSHIP**

Satisfactory scholarship means at least a C average (2.0 grade-point average or twice as many grade points as units attempted) and satisfactory progress toward a degree (twice as many progress points as units attempted).

**PROBATION**

A student will be placed on probation if either his grade-point average based on total units attempted at all colleges is below a 2.0 (C average) or his grade-point average based on all units attempted at CSUF is below a C average or if he fails to earn twice as many progress points as all units attempted during that semester. A student will be continued on probation until both his over-all and his CSUF grade-point average are 2.0 or better, or until he is disqualified under one of the provisions of the disqualification regulations.

**DISQUALIFICATION**

A student will be disqualified under the following provisions: (a) if during two consecutive semesters he fails to earn twice as many progress points as all units attempted during that semester; (b) if he is admitted on probation and fails to meet the conditions established at the time of his admission; (c) if he has a cumulative deficiency on either his overall or CSUF record equal to or greater than that indicated below.

*Freshmen, Sophomores (0-59 units completed):*

15 grade-point deficiency

*Juniors (60-89 units completed):*

9 grade-point deficiency

*Seniors (90 or more units completed):*

**READMISSION**

A student disqualified from CSUF may be readmitted for a regular semester only by special action and if the facts in the case seem in the opinion of the appropriate university authorities to warrant such action. A disqualified student may enroll for summer session or extension classes without readmission.

Consideration for the readmission of lower division students will require that a student arrange a personal interview with a member of the admissions staff. A former student who has obtained upper division status will be required to obtain an upper division readmission
