HAPPY BIRTHDAY LEISURE VILLAGE

Sunday Celebration Of Our Own Olympics

Sunday, September 25, will see the culmination of a two-day celebration of the birthday of Leisure Village with a program of awards for Our Own Olympics, sponsored by the Women's Club.

The idea was proposed last January by Women's Club president, Dorothy Barrus. Each organized sport was asked to take part by having its own contests and interested individuals were also asked to set goals for themselves, (miles walked, laps swum, etc.). The idea was to celebrate health, well-being, and love of our country. The response was enthusiastic and we shall see the results next Sunday.

The program will begin at 11:00AM in the picnic area and will open officially with the C.B.C. Color Guard of Port Hueneme. Arthur Kates will be on hand with his band to play "The Star Spangled Banner" and Dorothy Barrus will give an opening prayer.

Carmen Read, member of the Board of Leisure Village Association, will act as Mistress of Ceremonies and deliver a welcoming message. Selma Simon, pianist, will play the theme from "Chariots of Fire" and the official Olympics music. Mrs. Read will then introduce the honored guests who are all Villagers who have represented the United States in past Olympics. They are: Urho Saari, U.S. Coach in Water Polo in both Pan-American Games and Olympics; Roy Saari, gold and silver medalist,

Pioneer Remembers Early Days In L.V.

By Clara Smith

Ten years! Yes, ten years ago, we decided to move to Leisure Village. To find a new home in a to-be-built community for people in their "golden years" took courage somewhat dimmed with uncertainty.

We joined other pioneers breaking the frontier of a new lifestyle. We all were paving the way for the next hundreds wishing to escape threats to one's life, property and security.

Professional reasons caused us to search for such dwellings throughout the United States; after purchasing a condominium in Leisure World, we cast our lot for an ideal climate and promised country-club living with Leisure Tech. A staff of pearly-mouthed super salesmen assured us of a paradise away from the "swish" of humanity.

Difficult as it was to forfeit ocean views and spacious

home, the new villagers were relieved not to hear motorcycle roars nor to behold RV's permanently parked next door. Peace of mind and heart conquered those first feelings of loneliness. We were here to fill our days and those friends who were to follow.

Wearing our name badges soon helped us to know others' first names. As weeks sped by and our homes were in order for guests, we delighted to share anecdotes of our travels, our life-experiences, our children, our work. We shared; we cared; so YOUR NEIGHBORS CARE GROUP was born. It is significant that this is one of the oldest still - organized groups in L.V.

Then soon the artists surfaced; painting was the common love of many. Art exhibits revealed talent that might have been overlooked elsewhere.

Saturday's The Day

By Jeanne Carlson

There are a lot of very busy ladies in the Village right now because, on this coming Saturday, September 24, the Women's Club presents its traditional Bazaar. That's why the phones are busy and there's a good deal of baking and price-tagging, and hurrying-and-scurrying going on. The two chief hurrier-and-scurriers (and worriers) are President, Dorothy Barrus, and Kate Marks, 2nd Vice President and Chairwoman of Ways and Means although they have a lot of help from the membership (and a lot of husbands, including their own.)

Since Women's Club is also sponsoring the celebration of O.O.O., Our Own Olympics, the whole day might be considered a day of the games. The starting gun will go off at 9AM and Villagers will find plenty of events; ie, seeing, eating, doing, and buying. There will be races (to the various sales tables), jumping (for joy at the bargains), and a whole marathon of entertainment beginning at 12AM. The finale will be the Grand Raffle at 8PM. Someone will take home a hundred dollar bill as first prize and another lucky person will win the beautiful designer afghan hand-knit by Harriett Miller.

Coffee and doughnuts will be sold from 9 to 11AM. Hot dogs, coffee, and cake will be sold during the rest of the day. If the weather is hot, there will be a cold drink stand. Sales items this year feature many

• OPINION •

Me, Too

With apologies to "The Godfather" we offer you a "PREPOSITION YOU CANNOT REFUSE TO RECOGNIZE:"

How many times have you heard the expression, "to Jim (or Mary) and I"? Or, "to he and I"? If you watch much television, chances are that such misuse of language is noticed often; likewise in Hollywood movies and even in plays produced by the BBC.

H. W. Fowler, in his DICTIONARY OF MODERN ENGLISH USAGE, states: "'Between you and I' is a piece of false grammar which, though often heard, is not sanctioned, like its opposites 'It's me' and 'That's him', even in colloquial usage."

Yet, he quotes Shakespeare: "All debts are cleared between you and I."

Fowler continues: "To Dickens it seems to have been natural that Nell's grandfather should say 'Leave Nell and I to toil and work,' and more than a hundred years later it seems to have been no less natural for a broadcaster giving a serious talk to say 'These things are for the betterment of you and I.' Perhaps this use of 'I' is partly due to a vague recollection of hearing 'me' corrected when wrongly used in a subjective partnership, as . . . 'Mrs. Forster and me are such friends.'"

Why focus on a fairly common grammatical error at this time? The school year begins in the month of September, and our thoughts naturally turn to the quality of education offered in our public schools, a "mediocrity" reflected in our adult population.

"Education is the primary activity of 60.2 million Americans. More than one of four persons will be a direct participant in the educational process as a student or teacher," reports Secretary of Education Terrel Bell.

To list just some of the problems facing our public schools is to illustrate the complexity of modern society:

Severely restricted budgets stemming from inadequate state funding--a direct outgrowth of the depressed economy and the "tax revolt" of recent years.

Declining enrollment in many districts due to demographic changes and transfers to private schools.

Declining caliber of new teachers.

Low pay and poor working conditions.

Student boredom and the drug culture.

Leisure Villagers will be delighted to learn that they will have an opportunity to discuss the future of the public school system with a panel of education experts invited by the Current Issues Forum for an appearance in the AR on Friday, September 30, at 7:30PM (See the Forum Calendar for details.)

And remember: Elementary school was once called grammar school.

ABOUT NEXT MONTH

Coordinator for next month will be Romaine Lambert. Copy should be placed in the box by the parking lot door of the Rec Center by October 10. Final deadline for LATE-BREAKING NEWS ONLY is noon, October 17. To arrange for photographer call coordinator at least 3 days in advance.

LETTERS

At the Board meeting of Sept. 6, 1983, a resolution was unanimously passed, without discussion, regarding all recognized clubs in the Village. Most of us belong to one club or another, some to two or three. The new rules as read at the Board meeting contain among other things:

1. Clubs must carry no cash on hand.

2. All bills must be paid by check.

3. All books must be audited by a delegate of the Board.

4. Future activities, fund raising, etc., must be scheduled for the coming year.

5. And some others.

Noncompliance voids use of facilities.

This ruling had not been presented to the Villagers at any previous monthly meeting so far as I know. As it was obvious that this change in rules was going to pass, before the vote was taken, I asked the chairman if it would be possible to address the chair. I was refused. I did speak at the end of the meeting, after the vote was taken.

In most changes of this kind, the Board has a "Reading," letting the Association members know that the Board intends to vote on the matter at the next Association meeting. Not this time, however. After some eight years of club activities, boom, the rules are changed before the Association, (you and I, club members), can have any input as to the changes.

I think this is "shooting from the hip," ill-advised and, in this case, stepping in where it is largely none of the Board's business! The rule should be discussed and then reversed.

Don Moore V.34

In my opinion, the rule to refuse motorists the right to pass another vehicle on Mountain View or Leisure Village Drives is unreasonable. While talking to numerous Villagers regarding this rule, they have expressed the opinion that when we are anxious about a medical appointment, making connection with an airport bus or have other emergencies, it doesn't make sense to poke along behind a L.V. truck hauling equipment at 10 miles an hour, or behind a real estate salesman pointing out the beauties of the Village to a prospective buyer, or behind another Villager who has all day to get wherever he or she is going.

The Drives are wide enough to permit passing safely, and passing someone while traveling 25 miles per hour is not exorbitant speed.

Please! Don't overdo the restrictions.

Richard Ojeda, V.24.

John and I both are grateful for your prayers, cards and visits.

John is home now and improving. It truly was a miracle when John was to have surgery Friday morning and the lesion or blood clot dissipated itself Thursday.

We thank God for his wonderful blessing. Once again, thanks and love to you all.

John & Emily Rapp, V.31

Words cannot express or gratitude to all our dear friends in Leisure Village for all your help, concern, cards and tributes during Bob's recent heart surgery. Along with these came your love which hastened the healing.

Letters

from page 2

There are no words to express adequately my deep feelings of gratitude and appreciation for your caring and thoughtfulness and for all the help and many kindnesses you, our friends in Leisure Village bestowed on Bill and me since our traffic accident.

There was always someone to take me and my wheel chair to visit Bill at the Northridge Hospital and also take me for my doctor's appointments.

I want to say "Thank You Villagers" for all your prayers, assistance, your many gifts of food, flowers, plants, cards, phone calls, letters, your visits, shopping for me and the continuous offers to help me while I have been incapacitated.

And now finally on Bill's death--your continued help and loving concern, your prayers, masses, flowers and charitable contributions in Bill's name.

God bless you wonderful people in our Village -- my family and I thank you from the bottom of our hearts.

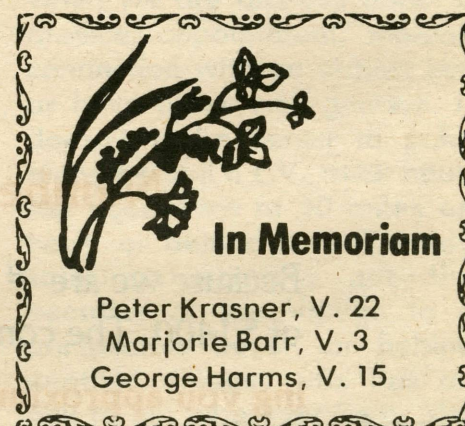

Mary Lee V.5.

I want to thank all my friends and neighbors for the beautiful cards, flowers, kind thoughts, etc. during my recent surgery.

Thank you all for your helpfulness and support.

INDOOR OUTDOOR GARDEN CLUB

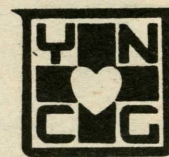

By Henny Sills

Ward off the Winter Blahs! Paint a Palette of color on your patio and in your garden with colorful floral hanging baskets and plants. The Garden Club, in conjunction with the Women's Club Bazaar, will hold a flowering plant bazaar at the French Cafe (East Entrance to the Recreation Center) Sept. 24th!

The next meeting to be held on Thursday, Oct. 13th at 9:30 A.M. in the WCR will surely appeal to all Villagers. The theme is "Fuchsias, Camellias, Azaleas and Gardenias" which do so well in the Village. You will delight in the beauty of these colorful flowering plants.

Reservations should be made now for the bus trip on Thursday, Oct. 20. This trip includes a visit to the Will Rogers Estate with a guided tour of the house and grounds and the

John Paul Getty Museum. Members \$8.00 and Guests \$9.00. Call Louise Colbert, 482-6456 or Mary Hale, 484-2688.

Your Neighbors Care Group

Gerald Karpman, M.D. is known to many of our Villagers and very much liked and appreciated, not only because he is an excellent dermatologist but also because he is a kind and concerned doctor and human being.

We asked Dr. Karpman to give a talk again and speak about the various common skin problems, about prevention of skin cancer and other skin growths and about normal skin care.

He will show slides and answer your questions. All Villagers are invited to this free lecture on Monday, October 17th at 7:30 p.m. in the A.R.

SWING DISCO JAZZ

By Marguerite Abdelnour

Decorating chairperson, Marguerite Abdelnour and talented assistants Dolly and David Berlant, Marge Grayson, Lois Kissinger, Alice and Tom McMahon and Louise Herbert, created the theme and setting of the Assembly Room, September 3, with hibiscus and orchid blossoms; palm fronds, coconuts and fishing nets heavy with tropical fish, resulting in an enhancing background for the "Polynesian Night Dance," presented by Swing-Disco-Jazz Dance Group.

Tape Master Ed Abdelnour set the beat, while dancers in their South Seas costumes weaved and swayed to the rhythmic tones of the guitars and drums. All enjoyed a very good time.

M.C.'s Charles and Dorothea Ward introduced many visitors and Anniversary cele-

brants. Leading the Anniversary Waltz and celebrating their forty second wedding anniversary were Will and Anne Janoff, and Fred and Jane Tanner who celebrated their third wedding anniversary.

Our next happy dance event will be October 22 when Swing-Disco-Jazz will feature Octoberfest--for your dancing pleasure--in the AR at 8PM. Costume or casual dress. We'll serve the munchies, tea, coffee and punch. BYOB--Donation 50¢.

HAPPY HOOFERS

By Roie Beck

The Happy Hoofers will help celebrate the 10th anniversary of the Village with four dances at the Women's Club Bazaar, Sat. Sept. 24. Be there at 2 o'clock to see our fabulous Grams with Gams.

Also see us on Thurs. Sept. 22, when our gals will dance in the Variety Guild Ticky Tacky Show.

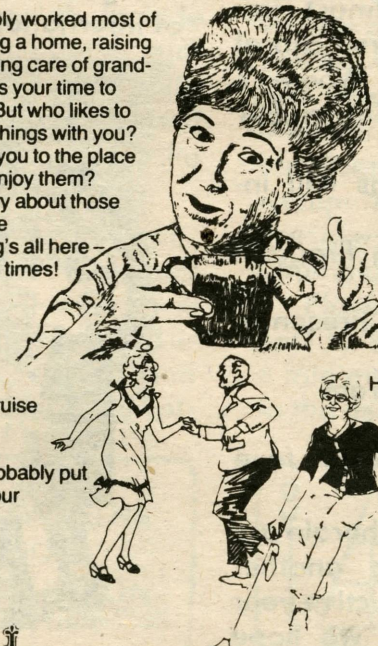

Put a Little Lift in Your Life

You've probably worked most of your life: creating a home, raising a family, and taking care of grandchildren. Now, it's your time to have some fun. But who likes to share the same things with you? And who'll drive you to the place where you can enjoy them?

You don't worry about those things at Heritage House. The gang's all here--sharing the good times! Moreover, our recreational director will probably make you feel like you're on a TV cruise ship. And, if you'd like to "go ashore" she'll probably put you on a tour in our chauffeur-driven limousine.

There's a lot more to Heritage than fun-and-games. Here, you'll dine on cuisine that is making our chef famous, even among those demanding special diets. If you want, enjoy cocktails before supper. And, have a continental breakfast before ordering your eggs, or any other entrees, the way you love them in the morning. There's even more. But, it'll be the Heritage House gang you'll love the most because they're ready to share the good times...with you.

Call today for a free brochure, or come in and meet the gang.

Wednesday, Sept. 14th, in the MPR, marked the beginning of our 1983-84 season. Our initial practice on that date will be followed almost immediately by our first choral presentation at the Women's Club Bazaar on September 24th.

Future productions will include:

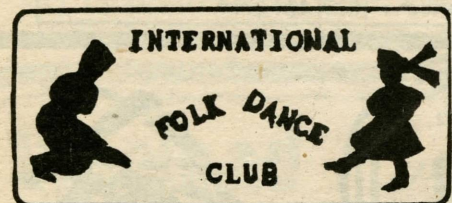

Annual Thanksgiving Program - November 24th.

Christmas-Hanukkah Presentation - December 16th.

St. Patrick's Day Program - March 16th.

Our annual June Concert - June 8th and 9th.

Members of the Chorale are eagerly anticipating another interesting and productive year of programs, which we hope will be supported and enjoyed by our Village neighbors.

By Lillian Skellenger

"Hats off!" to Leisure Village, the Women's Club and all the clubs and organizations that will make our birthday a success.

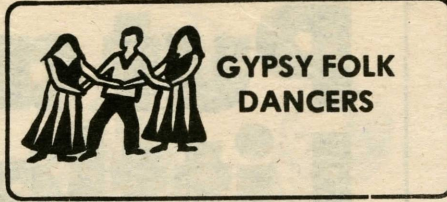

Our thanks to the Women's Club Bazaar for including us as a part of the entertainment. It is indeed a pleasure to participate in such a worthy cause.

A dance group from the club recently entertained the residents of the Ventura Townhouse, a retirement complex. Max Gardner very generously sang many songs to complete the program.

EZ Squares Dance Club

EZ Squares 1st beginners class was a rousing success and will continue every Sunday, 4:30 to 7:30 pm in the AR or lattice area at rear of pool. See bulletin board or Channel 12. Caller-teacher is Sam Atkinson.

Experienced dancers are also welcome.

Appointments for the annual show were: Show and Publicity, Lillian Skellenger; Costumes, Marge Grayson; Tickets, Kay Collier.

We are very pleased to have Earle Cunningham as an honorary member and our music director. Jean Silverstein and Piff De Simone were designated as alternate conductors.

cluding two new dances taught by yours truly, Lucie Falk.

Our group meets every Thurs. (EXCEPT the 3rd) from 7:30-10PM in the MPR. In addition, we will meet Tues. Oct 11, and Oct. 18, same place, same time. We'll step into the fall with new dances from Greece, Yugoslavia, Romania, Serbia and other Balkan countries, as well as Israel.

Circle and line dances, mostly, no partners necessary!

The Leisure Village Women's Club

By Jeanne Carlson

The Sept. 1 meeting of Women's Club was a matter of last-minute details and planning for the traditional Women's Club Bazaar to be held, Saturday, Sept. 24, from 9AM to 8PM.

Members who are planning to contribute baked items for the goodie sale are asked to bring them to the AR from 3:30 to 8PM on Friday or between 8 and 9AM on Saturday. Please bring them in containers which you do not want to have returned to you.

Tell your friends that raffle tickets will still be available at the door on Bazaar day. We hope to see you all.

The program was a speech by Ventura County Supervisor Maggie Erickson. She is an excellent speaker.

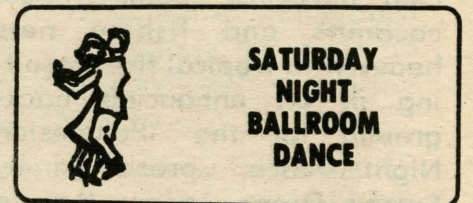

VILLAGE PAINTERS

By Sally Becker

October is the month when you can help the Village Painters Club.

Come and join us in making Holiday Greeting Cards for the Art Affaire. Samples will be on hand, and we'll help you if you've not made them before. Two great artists will be there to inspire us: Ruth Boyd and Marion Jayne.

This is every Wednesday at 1:00 p.m. in the MPR during the month of October.

By Anne Janoff

"Something to please everyone" is the kind of music the Saturday Night Ballroom Dance provides for Villagers who enjoy dancing to good tape dance records.

Foxtrots, waltzes, Latin and swing tunes are presented, with some polkas, disco and other dance rhythms rounding out the musical fare. In addition, coffee, tea or punch are an available 'help yourself' treat.

Max and Helen Lustig and Paul and Luella Kelwin hosted the September 10th dance night. The Saturday, October 1st, evening will be hosted by Sid and Ruth Dubin and Ben and Rosalie Miller.

Everyone is welcome and the modest 50¢ per person admission can't be beat for a pleasant evening of sociability with fellow Villagers.

Orchestral Society

By Betty Murray

The Symphonette Orchestra had its official concert debut in July, after being accepted as a bona fide L.V. club, and thereafter took a summer recess from rehearsals.

The club hosted a luncheon at Mercury S&L on Sept. 1, at which selected string groups from the orchestra entertained the guests. The orchestra will also be represented at the Ticky Tacky Show on Sept. 22.

Director Kates will resume orchestra practice when he and the President, Mrs. Kates, return from their vacation, late in September.

L.V. RACQUET CLUB

By Ellis and Maxine King

Regular meetings of the Racquet Club are held on the second Wednesday of each month at 7:30PM in the WCR. The October meeting will be on Wednesday, October 12.

Tickets for the October 23 Dinner-Dance Show are on sale for \$8.00.

In spite of two brief showers, the August 6 Midsummer Classic Tournament was a great success. In paddle tennis, Lloyd Crane and Eliot Leonard prevailed in "A" Flight. Damon Durham and Shirley Kordell were winners in "B" Flight, while "C" Flight was captured by Flo Doctrow and Bill Morgan. In tennis, Lou Mickelson and Niels Pedersen were winners in the men's doubles. In

mixed doubles, Kay Bell and Lee Gardens were the successful players.

In the afternoon following the tournament was the Club's Annual Picnic which was widely acclaimed the best yet. Leo Gardarian and his crew of experts provided a smoothly operating event with an excellent lunch.

Sylvia Gardarian has been appointed by President Hasen to be the Club's Sunshine Committee for the balance of the year. Please let her know of any illness among our members.

The October Paddle Tennis Tournament will be held on Thursday, October 20. The Tennis Tournament will follow on Thursday, October 27. Signup sheets will be posted on the bulletin board by the courts.

Orders for paddles, Racquet Club caps and insignia (patches) may be placed with Sam Woronow. Call him at 484-1631.

LV MENS GOLF ASSOCIATION

By Dick McDonald

The LVMGA will host the Mixed Scotch Twosomes tournament and picnic scheduled for October 18 and 19. Other events for the month include regular play on October 4, mid-month tournament and monthly meeting on October 11, and regulation golf at Camarillo Springs on October 13.

Sid Dubin, Handicap Chairman, advises new members that a provisional handicap is assigned as soon as five 18-hole score cards, signed and dated by the player and at-

tested by another member, have been submitted. These handicaps will be adjusted weekly. When twenty 18-hole cards have been turned in, the player will receive a regular handicap, based on the 10 lowest scores of his last 20 rounds. These handicaps are adjusted monthly, using only scores from LVMGA tournaments. Regular handicaps will be maintained so long as 6 scores are posted over the previous 12 month period. Members with a provisional handicap may enter any event except the LVMGA Match Play, President's Cup and the Club Championship.

Players are requested to report to the tournament starter a minimum of 10 minutes prior to the assigned tee-off time.

L.V. WOMENS GOLF ASSOCIATION

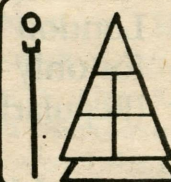

By Elise Eymann

An orientation Tea-Par-Tee for new members of the L.V. Women's Golf Association was held on Fri., Sept. 23, in the W.C.R. Carra Hatfield, as vocalist, accompanied by Freda Drezner at the piano provided the entertainment.

The centerpiece for the Tea Table was a masterfully executed replica of a golf course fairway. Following remarks by various chairpersons and officers of the club each new member was presented with a miniature golf bag containing the rules and etiquette of golf. Marion Clayton, a club member, was responsible for providing both the centerpiece and the golf bags, which she had personally made. Hostesses were Sylvia Zittel and Marion Clayton.

Congratulations to Dottie Zukerman, Martha Nunn and Wini Moffett who were the winners of our OOO (Our Own Olympics) Tournament held on Aug. 24th. At the ceremony to be held on Sept. 25th, the Women's Club will award them the gold, silver and bronze golf medals respectively.

The President's Cup, our next major tournament, will be held on Oct. 26th and Nov. 2nd. Please watch for sign-up times.

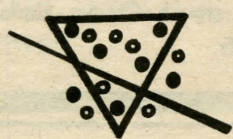

SHUFFLE BOARD CLUB

By Will Schreiber

At the Shuffleboard Club meeting Sept. 6, a decision was made to have our annual luncheon for members only and their guests at the China Palace which is between Von's and Thrifty's on Oct. 8 at 12:30PM. Members are being called to buy tickets. Price is \$6.50 for members and \$7.50 for guests. Most of us remember the delicious luncheon we had at the China Palace last year. The restaurant has limited capacity so members are urged to buy their tickets as soon as they are called or to call the ticket sellers whose names will be posted at the courts and on the Recreation Center bulletin boards.

President Louise Colbert showed the members at the meeting the attractive banners she made to be worn in the Olympics parade by all who entered the Olympics tournament. Louise also explained a different type of tournament which we might try.

Our next meeting will be in the MPR at 7:30PM on Oct. 4. Members are urged to attend and visitors are welcome to join our friendly group and share the complimentary refreshments during the social period that follows.

BILLIARDS CLUB

By David Robbins

There is a lot of activity going on in the Billiard Club: committee meetings, board meetings, rehearsals, club meeting, lots of excitement between tournaments, and most of all the coming show, the Leisure Village Billiard Club Beauty and Talent Pageant. All male, of course, it will be funny, a real riot.

Come and see it, Sunday, Oct. 9, Monday, Oct. 10. Tickets are \$2.50. We have outstanding talented people assisting: Lillian Skellenger, Director, Producer; Helen

Gold, Choreographer; Max Lustig, lighting; Ron Neiss with help of several others, set-builder. Many other volunteers are working on costumes and make-up. A salute is due to Joe Levinson for his beautiful art designs, posters, programs, and tickets. Others are Russ Sievert, Tony Pacewic, Bob Smith, Stefan Pronasko, and others. The reason for this show is to supply entertainment for the Village. The proceeds will also go for improvements and a donation to Channel 12. Tickets should be bought as soon as possible because there is a limited supply. The L.V. Board of Directors has volunteered to judge the contestants. It will be the funniest show ever held in the Village. Come one, come all.

VARIETY GUILD

By Jeanne Carlson

Variety Guild "turned the rascals out" when they held the "oustallation and installation" of officers at their Sept. meeting. In a clever skit written by Dorothy Karlin, outgoing President, Corky Milman and Lorraine Friedman, the retiring officers were handed their "pink slips" with expressions of regret. "Interviews" were then held from a waiting-room full of applicants anxious to get a job.

New officers are as follows: Treasurer, Lil Heimowitz; Corr. Sec., Sylvia Altes; Rec. Sec., Roie Beck, 2nd Vice Pres. (publicity,) Jeanne Carlson; 1st Vice Pres., Ike Abrams; Exec. Vice Pres., Daisy Bien; and President Bob Barrus. Part of the dialogue was sung with Renee Greene acting as the interviewer. Faith Saunders directed and acted as well.

The new President thanked

all the former officers and pointed out what an outstanding record they had. 1982-83 would be a banner year for the production of "Showboat" alone.

Profile: Hardworking And Happy, Fred And Gertie Dorward

By Jeanne Carlson

Photo by Stabler

Fred and Gertie Dorward, V.1, are friends and neighbors of everyone they meet. They are two of the hardest-working people in the Village because they have chosen one of the hardest volunteer jobs available. There's no glamour involved.

Gertie, supported 100% by Fred, has served for 4 years as organizer of the Women's Club Trading Post. This involves endless telephone calls, gasoline, pickups of contributions, and the physical moving of large quantities of sales merchandise out of and back to

storage for every club meeting. Gertie also has a hard-working committee composed of Betty Keeler, Helen Thomsen, Kay LaPrell, and Doris LaPrell (and their husbands get pulled in, too) who are right with her. They can sell anything.

For the benefit of the few who might not know, Trading Post is a large indoor garage sale held before each Women's Club meeting. All items are contributed and may vary widely from a dozen hand-crocheted antimacassars, to a bird-cage, or a ravioli-maker. Right now their stock contains a knitting machine and a rollaway bed. Prices are low with most from \$.15 to \$1.00 with larger items a few dollars more.

People who browse at the Trading Post often laugh at the display of goods but the monthly sale is the second-highest revenue producing resource of Women's Club (next to the Bazaar itself), and last year brought in \$2,800. There are no expenses.

Gertie says that it is re-

warding to watch the expressions on the faces of the buyers when they realize what a terrific bargain they are getting. She also says that sometimes a sold article returns as a donation in a few months.

Gertie has a hand in all the club's charity work because of her interest and energy. Just recently she organized the redecoration of the Intake Room of the Children's Ward of Camarillo State Hospital. This is the room where newcomers must wait (often several hours), children, parents, and guardians together and it was a gloomy run-down room until Women's Club took hold. President Dorothy Barrus asked Village artists Helen Gold and Edith Ward to paint bright murals on the walls and in the nearby corridor and Gertie was given a budget of \$300 (contributed anonymously), to buy paint, a couch, chairs, a table, lamp, and bookcase. She did this by careful shopping for used items. The bookcase was new and unpainted but Max Smith,

V.7, finished it to match. Gertie also provided toys, magazines, and books. Florence Caulkins furnished some charming macrame wall-hangings and a very attractive room resulted. Total cost was \$207.76. The remainder has been given to Woodlands Boy Scout Troop 126 who volunteered to paint shabby areas of C.S.H. and clean up grounds and gardens as an Eagle Scout project.

In addition Gertie organized a used clothing drive for the Hospital patients and a food drive for needy Camarillo citizens during the holidays. Fred was in to everything every step of the way. Last year when Women's Club was trying to buy solar heating for the whirlpool at the Rec. Center, Fred took several trips out of town to examine and compare existing systems.

Who are these hard-working and happy people? Gertie is from Pennsylvania and Fred is from Nebraska. They met in California. Gertie was working in a Savings and Loan with Bet-

ty Walker, V.25, and it was through the Walkers that the Dorwards met: Fred was just out of the Merchant Marine which had afforded him two trips around the world and a lifelong wish to travel.

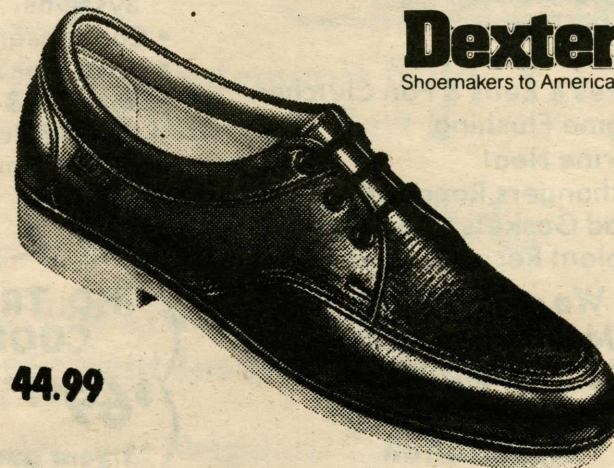

The Dorwards have been married 35 years. Fred had a career in selling pneumatic tools and appliances. Together they raised two daughters: Sharon (Mrs. Robert Andrews), mother of two-year-old Tracey; and Denise (Mrs. Royal Wittschen), who teaches in the Garden Grove School System. By the time this story is printed, Tracey should have a new brother or sister.

Gertie and Fred lived a good many years in Ventura and travelled as much as they could. They have been in every state of the union, Spain, England, Scotland, and took a memorable trip to Tokyo on the Queen Elizabeth II. There was also an unforgettable trip (for different reasons) on a houseboat on the Sacramento Delta.

About the time that Leisure Village was starting, Fred had knee surgery that began to make retirement look good and after Betty and Al Walker moved in, the Dorwards did too.

So here they are: working hard and loving it and taking a trip whenever they can. Gertie is a golfer and has a hole-in-one to her credit. Fred is studying organ and has always been a photographer. He is also a shrewd comparison shopper and coupon-cutter. He threatens to get a license plate holder that reads, "This Car Brakes at all Yard Sales." Instead they bought one that said, "We're spending our kids' inheritance." This has been replaced by a new one, "Happiness is Being a Grandparent."

They say that their philosophy of life is expressed on their calling card.

Glimpse Of Channel 12 Potential

By Jeanne Carlson

The Channel 12 Committee is proud of the experimental telecast of the September Association Meeting. On less than 24 hour notice, Art Kaufman (cameraman) and Al Pachter (sound and back-up) assembled their equipment and photographed the meeting very successfully. It was broadcast live; three other showings followed and requests are coming in for more repeats. Western Cable who donates most of the equipment was fully supportive and equally pleased at the results.

It is agreed now that the main problems are those of flexibility in the regular message sending. It is sometimes very difficult to get messages on and off at the proper times. However the computer is capable of doing this and more experience in programming will soon have this under control.

Please be patient and keep watching!

Village Of Leisure

By Edward H. Abdelnour, 1977

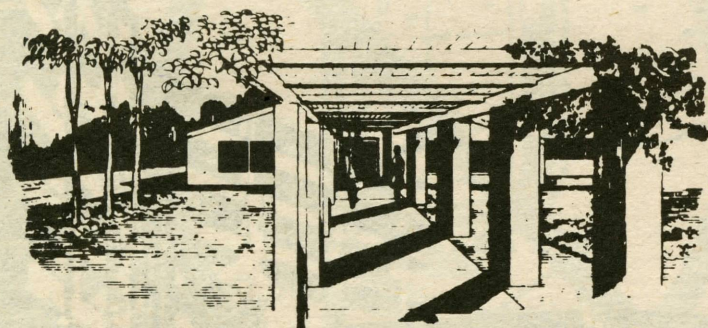

As we traversed Conejo Pass; on our way
Winding down the road known as the Royal Highway,
The panorama of the valley opened like a door
And shown through the morning mist in ethereal splendor.

On the breast of the valley and pleasing to the eyes,
With purple hills silhouetted against azure skies,
Reposed a village in pastoral tranquility,
A pleasant haven of leisure and felicity.

The gallant gentry in their autumnal years,
Have cast out yesterday's trials and fears,
Fulfilling their dreams with each golden day
With swimming, dancing, and all sorts of play.

Here in these surroundings we are proud to say,
We have found contentment, the will to stay.
No longer do we desire to search and roam
We now call Leisure Village our happy home!

Joe Gaynes And Others Looking Out For Seniors And Young People

By Romaine Lambert

At the September Homeowners meeting, Herb Schwartz, Chairman of the Educ. & Rec. Comm., reported on the status of the Oxnard Community College classes within the village. On Aug. 11th at the Committee's regular meeting, Susan Norris, Director of Educ. & Rec., informed the Committee that all classes in the village had been cancelled. Joe Gaynes, one of the newly-elected Representatives to the Senior Assembly Legislature, was at the meeting. The following day, Friday the 12th, Joe met with "the Brass" at the College which resulted in a meeting of the community-at-large held in L.V. the following Tuesday. Those in attendance included, among others, the President of Oxnard College, a member of the Board of Trustees of the Ventura County Community Colleges, a representative from Assemblyman

McClintock's office, Dallas Sidlo, present Assemblywoman to the Senior Legislature; Tony Lamb, Dr. Strohhahn, Susan Norris, Herb Schwartz, and Bill Himstreet, Community Relations Comm., represented Leisure Village.

Political, financial and educational problems faced by the District were discussed, particularly the drastic cuts which have been made in the budget. Gaynes, long an advocate of the community college system, has consistently stressed the importance of college classes to older citizens so that they might continue to be intellectually stimulated, and who might find it a hardship to attend classes on campus. But, as a former teacher, Gaynes also is deeply concerned about the effect on young students when over 300 off-campus classes are cut, particularly when many young people are working part-time and trying to con-

tinue their education.

Two days later a minimum number of classes at L.V. had been reinstated. Additional fees, however, were imposed in addition to the former \$7.50 health fee charged in the past. But school is again in session in the Village.

TICKY-TACKY TONIGHT

Tonight at 7:30 in the AR, Variety Guild presents their first show of the season, i.e. "The Ticky-Tacky Show." This is a combination of songs, spoofs, comedy acts, a menu of pure fun served up for a rapidly-moving evening.

Hope you were lucky enough to get Ticky-Tacky-tickets. You'll have a good time!

Traffic Control At Woodcreek

It was announced at the last Association Meeting that the Woodcreek - Santa Rosa intersection will be under traffic control. It will be some eight or

Villagers On Exhibit At Camarillo Library

The Channel Islands chapter of Embroiderers' Guild of America, Inc. has an exhibit of needlework at the Camarillo Library all this month. The exhibit was coordinated by Betty Tytler, V.7, Past President, and includes the work of Village members.

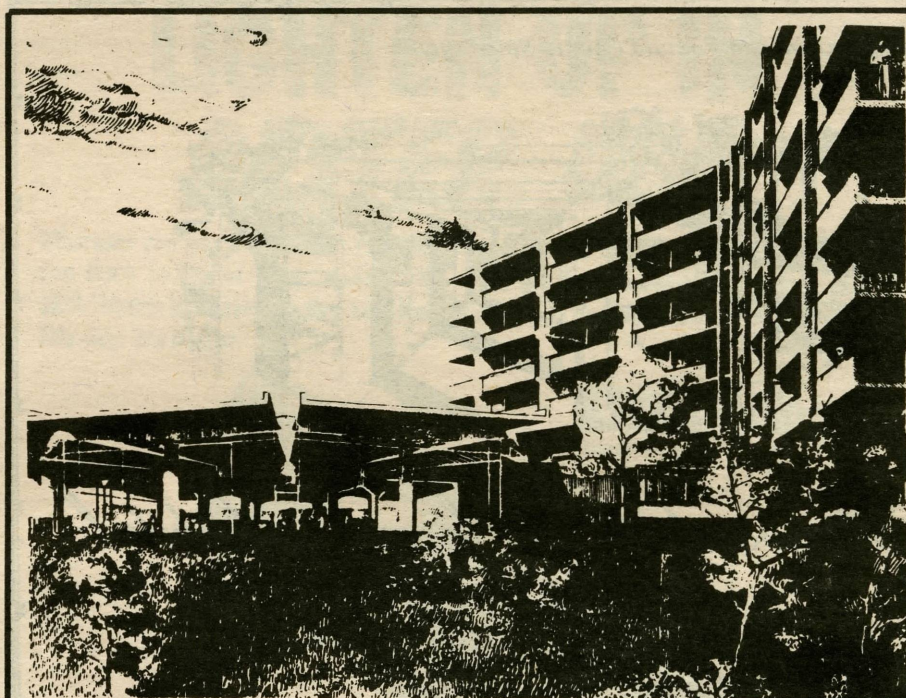

Helen Esty, V.7 has a petit point doll-house rug, some exquisite counted-thread Christmas decorations, and one of her crocheted angels on display. Elva Ward, V.7 has two quilted applique and patchwork wall decorations in the show. Betty Tytler has a work in progress in couching and a stitchery picture of a Siamese cat on the wall. The whole exhibit is charming. Don't miss it.

Our minds kept growing as we participated in adult classes in the Village. Those who were experienced in ceramics, woodworking, gemology, writing and many other skills shared their talents with their neighbors. Many a resident has learned to swim since retirement. Games were not overlooked. Bridge, chess, poker, bingo and many others became popular. There were other mind-stretchings to be sure as the Current Events cluster met. Evening get-togethers likewise were as stimulating as paid-for lectures. Aware that many wells of knowledge were among us, we became even more appreciative of our fellow villagers.

Such exuberance and joy could not have been found in any other group as we staged activities celebrating the Bicentennial of '76. The real "plus"

for LV newcomers was evident as warmth of cooperation became surfaced in shows, sing-alongs, rallies, etc.

Common LV facilities were treated by each as though they were his own. We gathered litter; we placed sun-faces on glass doors for safety. Good will was demonstrated by volunteering wherever we were needed to save monies for the Association.

All Hart

By Ruth Hart

September is here and the summer is nearly over, the children are back in school and it's time to resume our activities here in the Village. I've missed these things and am happy to be back and enjoy.

Happy Anniversary to Harry and Anna Jacobson, V.7, Aug. 5, 60 years. (What a couple, always there if you need anything.) They spent a few days at Highland Springs. Also to Valerie and Charles Birgy, V.17, 50 years in August. They celebrated with a party for relatives and friends in the M.P. Room. Edna and George McCormick, V.3, Aug. 5, 50 years. Their two daughters and son and families held a dinner party at the Pt. Mugu Officers Club which was attended by relatives and Village neighbors. George claims that they were so young and broke he had to borrow the money for the license. (Many of us did, George). Happiness and good health to all.

Ben and Shirley Kossack, V.17, were busy last month. Their grandniece was married at the Dorothy Chandler Pavilion with 300 people present. Ben's brother, Sam, came from Detroit for the wedding and spent a few days here in the Village with the Kossacks. Now they are enjoying their new grandson, Corey Frederick Kossack in Danville, Calif. Corey's big brothers, Kevin and Casey, are helping Mom and Dad with the new bundle of joy. Frank and Mildred Worth, V.20, also announced the birth of their 8th grandchild on Aug. 19; Louisa, 9 lbs. and 3 oz. has a brother, Franz.

Borrowed this from "Cam and Eggs" in the Daily News, proving once again that it's a small world. Local couple traveling through London's Heathrow Airport on their way home spotted a familiar face. It turned out to be Sandy Okum, V.7, and his brother and wife, who were on their way to Pa-

ris, Rome, Egypt, Israel, and other points on their 3 week tour. (Just try to get away quietly on your own.) Incidentally they were not from the Village but Sandy is well known all through Camarillo for his good work for the whole community.

George Goldfarb, V.18, attended his 50th high school reunion in Duluth, Minnesota. Nearly 200 people from all around the country showed up. Many of the women teased George about losing his curly red hair. (We love you anyway, George). He spent a week or so visiting with relatives in nearby Minneapolis, St. Paul, and Duluth.

Paula Mogill, V.23 and Bette Silverberg, V.25, beaming as they arrived home from the A.M.C. Cancer Research Center convention in Colorado. They were honored with awards for their continuous fund-raising efforts on behalf of the organization. Congrats, gals and let us not forget Herman and George who are always right out there working along side of them.

Connie Andrews, V.16, re-

tired in June after 18 years of teaching school. She plans to spend more time now with her friends and working in her garden and growing her beautiful flowers.

Needless to say, Grandma Rawza Kates, V.19, is bursting with pride. Her Bridget Michele, at 16, has made it, (show biz, that is). She is appearing at the Dorothy Chandler Pavilion in "Chaplin" with Anthony Newly. She does a solo dance number in the show and then heads to Broadway with a 6 month contract. Some of us here in the Village were lucky enough to meet her and see her dance a few years ago. "Break a leg, Bridget." oooh, don't you feel warm and mushy all over?

Welcome back to those globe-trotters, Doris and Sidney Siegel, V.33, Birdie and Jack Segel, V.39, Sylvia and Norman Lefton V.33. They all travelled through the English countryside and had a Mediterranean Cruise. Just back and looking forward to an exciting cruise around Japan next July.

Two Clubs Have Mini-Bazaars This Weekend

Two Leisure Village Clubs are holding sales concurrently with the Women's Club Bazaar this week-end.

The Garden Club will be having a sale in the walled off area at the entrance to the east parking lot. They will also arrange a sitting and resting area for patrons. The club will be selling small plants, pots, etc. Proceeds are ear-marked for improvement of Village gardens.

Bus Changes

City Councilman, Bill Esty, V.7, who is also Vice-Mayor of Camarillo, spoke at the Sept. Association Meeting on possible changes in the Leisure Village-East Camarillo bus system. Changes have to be made for the sake of economy but will make no difference to the Village in that fares will not be changed. Fares will be raised on the west Camarillo bus only.

It is hoped that changes will be in effect by October 1 and that printed schedules will be available before then.

dens.

The Gem and Mineral Club will have a sale of jewelry made by the club and will also hold a raffle. They plan to contribute to Village improvement.

The above are just two more attractions to make it worth the while of all Villagers to visit the Bazaar and Olympics during the two-day celebration.

Pioneers _____ from page 19 that a spiritual bond joined brotherhood and peace.

Every pioneer has a story to tell of appreciation for the concerns he has found in Leisure Village. However, no one can blame him for remembering the camaraderie of the "good old days" when he first found his Shangri-La!

Olympics _____ from page 5 clude notice to Nick de Simone and Ben Miller.

Max Gardner will sing a closing solo to mark the end of the ceremonies.

All are welcome. If you did not get a ticket, bring a folding chair and come out!

SWIM AND STAY FIT

By Sylvia C. Altes

Any morning, noon or evening if you are in the vicinity of the pool you will see men and women swimming laps; back and forth, doggedly, some keeping track with peg boards, others just silently mouthing the numbers as they go.

Some of our most faithful daily swimmers are: Sylvia Feldman, Sylvia Altes (completed 500 miles), Faye and Karl Cannon, Lorraine Friedman, Garnette Holmes, Rosamund and Norbert Kohen, Betty Murray (completed 800 miles), Rachel McLennan, Zella Robinson (completed 400 miles), Millie Silberman, and Mel Erbsen.

Come on, all you Olympic possibilities, get out there and SWIM, SWIM, SWIM!

CERAMIC WORKSHOP

Last month there was just not room to include a fuller description of the remarkable work done by the Ceramics Committee for Women's Club Workshop. Under the leadership of Minnie Gorelnik; Catherine Case, Mildred Worth, Hazel Fitch, Hazel Cazier, Gladys Gray and Nancy Gallagher are hard at work making charming ceramic articles for the Bazaar. They have an inventory of soup-cups, ashtrays, statuettes, spoon-holders, etc., all of which look professionally made.

Another satellite workshop is the Decoupage group, Dorothy Fencil, instructor. Their wares include tiny pictures, frames, and other decorative objects.

Now is the time to do some of your holiday gift-shopping.

Dean Witter can keep the AT&T breakup from breaking up your stock.

After January 1, 1984, life is going to get very complicated for AT&T shareholders. Suddenly, you'll own shares in a smaller AT&T and seven regional telephone companies.

Fortunately, Dean Witter has a way to keep your investment in one piece. And keep your life simple.

Just exchange your AT&T shares for units of the new Equity Income Fund. Each share gets you one unit of the Fund.* After the breakup, each unit will represent all eight of the companies in the same proportion as received in the breakup. It will be almost as if the breakup never occurred.

Exchanging your shares can be as easy as phoning a Dean Witter Account Executive.

And here are the benefits:

- Own one certificate instead of eight.
- Get a single dividend check every month instead of quarterly checks from eight sources.
- Your investment stays together, no matter how many shares you own.

AT&T may be splitting up, but Dean Witter can spare you the pain and inconvenience. To get the entire story on keeping your AT&T investment whole, ask your Dean Witter Account Executive or send in the coupon.

Having been a resident of Leisure Village for the past year and one half, there are a few things I feel should be said regarding matters which concern us all.

We are privileged to have two lovely nine hole golf courses which many of us enjoy tremendously. However, with pleasure comes responsibility. Replacing divots, raking sand-traps and repairing ball marks on the greens are cardinal rules of golf etiquette. Being considerate of one's fellow players is only one of the advantages. It saves maintenance.

Dropping papers or cigarette butts in the streets or at the center is done most casually, when there are designated places for trash, and shows lack of consideration for our neighbors, creating a non-caring attitude which denies all of us the pride we should feel in our surroundings. This need for clean-up, also costs us unnecessary expense, since maintenance fees must go up.

If we treat public areas of our village as we would indi-

vidual homes we can all benefit and share with pride.

Mrs. William Katz, V.42.

VILLAGE SWINGERS SQUARE DANCE CLUB

By Romaine Lambert

The Village Swingers Square Dance Club's annual picnic has been put away for another year, but besides its enjoyment, it will be remembered for a couple of firsts. It was the first time that the picnic was held in our own lovely and convenient picnic area, and it was the first time that we had a live caller instead of dancing to tapes. The sound system was flawless and Wyane Simpson outdid himself, coming through lively and clear. As an added treat, not only for dancers, but for spectators and guests around the pool, Wyane sang several country hits as only he can. Dancing under lattice and over concrete can be a great hindrance, but neither seemed to deter the enthusiastic dancers. Even the weather accommodated--perfect picnic weather. Games intrigued many, while

others were content to sit in the cool of the shade and visit. The many helpers with Dave and Isabel Dominguez in charge are to be congratulated for a beautiful afternoon, and sincere thanks go to Wyane and Mary Ann Simpson for going beyond the call of duty.

National Square Dance Week was celebrated by the Square Dance world starting on Monday, Sept. 19, and the Swingers marked this event with their own "Hands of Friendship Dance" by inviting all villagers who might be interested in this pastime to a free dance on Sept. 20. The first hour was devoted to initiating the uninitiated in the dance with Wyane making it easy for even the shyest to get a taste of the fun and relaxation involved. Now all you newcomers, get out to at least one of the beginners classes starting now in the area, and you recent graduates might find it profitable to reinforce your new hobby by enrolling in a class again. Hurry, before the classes close.

Even though our club cal-

Center, a Sunday afternoon, with a buffet after-party. If interested, call Dominguezes.

At home, Sam Atkinson of Pt. Mugu will be guest caller on Sept. 27 and Dick Hodnefield of Chatsworth will host on Oct. 25.

A feature of this club is a "Picture of the Month" which is displayed on the west wall of the LV clubhouse main lobby. Each month a picture is selected from those that members bring to our friendly competition and is enlarged, framed and hung in the lobby. This month we are showing "Riverwalk," taken in San Antonio, Texas by Ben Goldberg. Faithful club members Marvin Gordon and Rankin McIntyre take care of this service.

Our next meeting will be on October 5, 7:30pm MCR with judging of slides and prints submitted by members. Leo Sachs of PSA will judge.

On October 19, same time and place, Al Elson will direct members and guests in taking portraits with models and lights, following the methods he explained and showed by example at our last meeting.
