

## California Democratic Delegation

Hon. Jesse M. Unruh  
Chairman

Dear Delegate:

We are writing to ask that you join with us in supporting a uniquely qualified group of candidates seeking election to party office at the meetings of the California Democratic Presidential Delegation and the Democratic State Central Committee in Sacramento the week-end of August 10-11.

These candidates, we believe, offer the best opportunity for the revitalization of the Democratic Party in California, to ensure victory for our party not only for this year but for the years ahead. Moreover, they provide our party with a broad base of support to bring all Democrats together for the good of our common cause.

Certainly, none of us can ignore the political realities facing the Democratic Party at this time: We occupy only a single statewide office; our majority in the State Assembly hangs by a narrow thread; we are deadlocked with the Republicans in the State Senate; our Congressional delegation majority is in some jeopardy; we face a tremendously difficult fight to capture one of California's two U.S. Senate seats, and victory for the Democrats in the Presidential race is by no means assured.

The candidates for party office whom we are endorsing have pledged themselves to work in total harmony, to establish joint headquarters both North and South for all officers and volunteer party organizations, to participate in joint fund-raising activities and to develop positive new programs for the election of Democrats from top to bottom. Obviously, such steps are vitally important if we are to win elections, now and in the future.

Therefore, we are asking your support as delegates to the National Convention for the following candidates, at our caucus, August 10.

Democratic National Committeeman -- Steve Reinhardt  
Democratic National Committeewoman - Carmen Warschaw

We are also supporting these candidates for state party office at the State Committee meeting August 11:

State Chairman -- Roger Boas  
Southern Chairman -- Leon Cooper  
Northern Chairman -- G.W. (Joe) Holsinger  
State Womens Chairman -- Adele Leopold  
Southern Womens Chairman -- Jane Tolmach  
Northern Womens Chairman -- R.E. Fowle  
Southern Treasurer -- William Mitchell

Northern Treasurer - Jack Brooks  
Southern Secretary - Henry Lecayo

Our goal is a simple one -- to develop the kind of a party operation which will lead to victory. For this, we need the help and support of everyone.

Sincerely,

Jesse M. Unruh, Delegation Chairman

Congressman Philip Burton, San Francisco
