3. Academic Master Plan Policy-Discussion with Provost Ted Lucas
 - Mathematics and Computer Science will be submitting Short Forms to the Committee for approval before the end of the year.
 - The committee will not review any Short Forms until Fall 2004
 - Curriculum Plan (Internal) vs. Academic Master Plan (Chancellor's Office)
 - Lucas discussed the President's request to be given a 10 year plan for programs (Curriculum Plan)
 - Chancellor's Office requires each campus have an Academic Master Plan (5 years) on file. Changes to the Master Plan can only be submitted to the Chancellor's Office in January.
 - The Curriculum Plan Task Force has been putting together an Internal Plan for the campus. The Plan was presented to the President and he requested a more innovative plan.
 - Once on the Curriculum Plan for the Campus, faculty will be required to follow the Changes to Academic Master Plan Policy approved by the Senate.
 - To assist faculty the Curriculum Committee will send out the Chancellor's Office Evaluation Guide of New programs and the Criteria Form
 - Maria Denney suggested the Short Form include:
 - Assessment

- However does the program address the mission:
multicultural, interdisciplinary and international
3. Program Review Policy-Feedback from Chairs (Vaidya)
 - Vaidya received little feedback from the Chairs.
 - Approval of Program Review Policy m/s/p (Mozingo)
