

RICHARD J. MAGGIO
Community Development and
Special Project Director

March 9, 1999

Mr. Rodney L. Murphy, CAE
Director of Airports
555 Airport Way
Camarillo, CA 93010

Subject: Request for Continuance of Hearing on *Final EA/EIR* for Oxnard Airport Master Plan

Not
Dear Mr. Murphy:

Thank you for providing a copy of the *Final EA/EIR* for review. After reviewing the text it has been concluded that there is enough new information to warrant recirculating the EA/EIR for public review and comment. Since the *Revised Airport Master Plan* and *FAA Part 150 Noise Compatibility Study* have resulted in increased public controversy, it is felt that the Master Plan EA/EIR should be advertised as available for public review and comment for at least 45 days.

Sincerely,

A handwritten signature in black ink, appearing to read 'Richard J. Maggio', is written over the word 'Sincerely,'.

Richard J. Maggio
Community Development and Special Projects Director
