Mr. and Mrs. Daniel M Tolmach

Oxnard, Calif. 93030

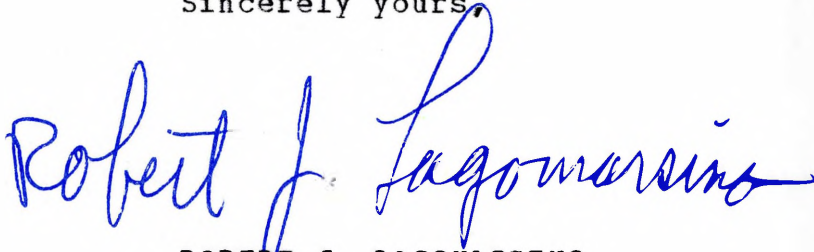

Dear Mr. and Mrs. Tolmach:

Now that the elections are over, I would like to take this opportunity to report to you on some of the problems we will be facing when we return to Sacramento for the new legislative session on January 6. I believe that an informed and knowledgeable electorate is a key factor in a successful democracy. It was for this reason that I initiated this series of "letters to the people" last January. I hope to be able to continue this practice periodically throughout the year.

I know you are concerned with the many unresolved issues now before us. The crime rate is rising, drug misuse is an ever increasing problem, and the campuses are in turmoil. Taxes are higher than ever.

We will only be able to solve these problems by determination and with your support. I hope, Mr. and Mrs. Tolmach, that the enclosed newsletter will be useful to you as an indication of what we must do. In conclusion, may I extend to you my best personal wishes for the holiday season.

Sincerely yours,

ROBERT J. LAGOMARSINO
