TO: THE MEMBERS OF ALL SAINTS' PARISH

In establishing the Agricultural Labor Relations Act, it was our hope to bring peace to agricultural fields by providing collective bargaining rights for farm workers. Only through the support of citizens like yourselves, however, could the Act be implemented effectively and our dreams for peace be realized.

Your willingness to use your parish building as a place for contract negotiations exemplifies this community support that I feel is so vital to the success of the ALRB. Through your concern for justice and human dignity, you have helped to ensure the rights of many and are to be commended.

Best wishes in your future endeavors.

Sincerely,
