Dear Jane:

As you know, our next regular meeting of the Board of Trustees was scheduled for January 28, 1965, and Mr. Baptista extended a generous invitation for us to hold our meeting at the Brown Derby.

I have learned, however, that there will be a Superintendents' Conference and a meeting of the Chairmen of the State Hospital Boards of Trustees during the first few days of February, at which time the important subject of salary savings will be a major topic for discussion.

I believe it important for the Board Members to be informed of the outcome of these meetings and for this reason I would like to change our Board meeting date to February 25, 1965.

In view of his kind invitation, I have discussed this schedule change with Mr. Baptista who extends his cordial invitation to the Board Members to meet at the Brown Derby on the new date.

Looking forward to seeing you on February 25, I am

Sincerely yours,

LOUIS R. NASH, M. D.
SUPERINTENDENT-MEDICAL DIRECTOR
