Dear Earlybirds:

August 9th is our next meeting date at Keeley's. Plan to be there and bring a guest - someone who will benefit from our program. President Brooks reminds us that the New Member Reception will be held Saturday, August 26th. Mark that date on your calendars now. You can't miss this one!!!

Educational Vice-President Kramer ask that all Earlybirds bring their C & E Manual to the August 9th meeting. He wants to make certain your book is updated and signed by the Educational Vice-President. Also TM Kramer is still looking for Video tape equipment. He wants to use it to tape your speeches and give you the ultimate in evaluation. As an idea does anyone have one of these new Polaroid Instant Movie Cameras?? This maybe easier to find.

The big headlines in September will be made from the Humorous Debate and Humorous Speech Contests. The Earlybird contestants have to be decided upon by September 15th. If you are interested in participating in either the Debate or Speech Contest call TM Kramer at 485-7901 (work) or 484-1139 (home).

Welcome to Earlybirds Dr. David Paumier, our newest member - TM Paumier will make his Icebreaker at our August 9th meeting. Speakers for the August 23rd meeting will be TM's Maeno, Alen, Mera.

ENJOY!!!
