

International Transfer Center (ITC)

Encouraging Student Success and Retention!

OBJECTIVE:

Provide a service for all students with international coursework to ensure proper enrollment for a successful and timely completion of graduation requirements.

FUNCTION:

Provide timely confirmation of transfer course equivalency prior to student arrival.

Work with faculty, staff, and students on the applicability of international credit toward degree requirements.

Advise students interested in study abroad programs.

Offer continuous advisement related to graduation.

STUDENTS

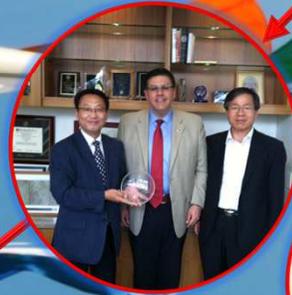

INTERNATIONAL PARTNERS

Partnership with international institutions and organizations to encourage recruitment to Fresno State.

Foster good will and bolster the reputation of Fresno State.

Optimize opportunities for Fresno State students to study abroad with assurance of receiving acceptable transfer credit.

FACULTY

Access students' transcripts (and relevant course documentation) from international institutions to determine course content equivalency.

Provide students with accurate information regarding graduation requirements.

Expand outreach opportunities for international students and encourage study abroad.

STUDENT AFFAIRS

Provide advisement to students regarding graduation requirements.

Assist students with academic planning.

Guide students through the registration process.

Ensure integration into campus life.

FRESNO STATE

Discovery. Diversity. Distinction.
