*What does your
handwriting reveal
about your personality -
Robert V. Rodriguez*

MARY A. HOELCK
"International
Grapho Analysis
Society"

To find this answer we interviewed Mary A. Hoelck, a Grapho Analyst certified by the International Grapho Analysis Society, Inc. Mrs. Hoelck resides locally and is doing much to further the Sciences of Handwriting.

Mrs. Hoelck, just what is Grapho Analysis?

"Stated simply it is the science and art of ascertaining thought habits and character traits of an individual from specimens of his handwriting and the evaluation of these findings in the interest of the individual's welfare."

What purpose does it serve?

"The prime purpose is to know and understand ourselves, to get along with people and through Grapho Analysis to build peace and harmony among men."

What can you learn about a person from analysing his handwriting?

"In analysing handwriting you are delving into the mind of an individual, depths that are deeply hidden and personal, the secret recesses of the subject's personality."

In Grapho Analysis there can be no guess work, one must be accurate, no use of the wild imagination on the part of the analyst."

Do you practice Grapho Analysis on a Professional basis?

"Yes, as a consultant to anyone who wishes my services. I also teach Grapho Analysis and intend to lecture before parent-teacher groups and also hope to establish Grapho Analysis in the schools."

Who are the people that come to you and why?

"Married couples, businessmen and women, everyday people who have problems and the desire to understand themselves."

Does a person's handwriting and what it reveals change from day to day?

"Yes, the way you think and the way you react to situations differs and so does your handwriting."

Who founded the International Grapho Analysis Society?

"Mr. M.N. Bunker who devoted over forty years of his life to research and testing and perfecting the rules and principles of Grapho Analysis. There are over 26,000 members in countries all over the world."

Mrs. Hoelck, one last thought?

"Well Bob, Grapho Analysis is not hocus pocus, it is YOU, the individual who puts on paper just what the brain dictates, the emotions, feelings and traits, his thinking process that forms a pattern of the person writing."

Mrs. Hoelck, it has been very interesting talking to you. Would you consider doing a brief analysis of our readers' handwriting as a special feature of this column?

"Yes Bob, if your readers will send their samples of handwriting to you I'll be very glad to analyse them for publication, and I do want to thank you for your interest."

If you wish to have your handwriting analysed in this column mail a sample to 2797 La Jolla Ave., San Jose, Calif. You may remain anonymous when it is published if you wish, but I must have your address and telephone number to contact you if necessary.

Till next time, Buena Suerte!

Un Rasgo de Humanitarismo que Salva una Vida

En una de las pasadas ediciones de este magazine, publicamos la biografía sintética de un prominente hombre de empresa de nuestra localidad, Mr. Clyde L. Fischer quien como antes lo dijimos desde tiempo atrás realiza obras de caridad y altruismo altamente meritorios secundado por la cooperación y ayuda económica que voluntariamente quieren prestarle sus amigos y conocidos que de buena voluntad se le asocian para hacer posible la realización de tan nobles empresas.

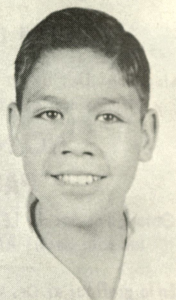

En el número de EL EXCENTRICO al que etoy aludiendo fue publicada una nomina inventarial del dinero, alimentos y enseres domesticos que el generoso Mr. Fischer ha recaudado para auxiliar a nuestra gente, o sean, los mexicanos de la region norteña de Ensenada, Baja California, Mexico, que con tal ayuda han salido altamente beneficiados. Creemos pertinente hacer del conocimiento de nuestro publico uno de tantos rasgos ejemplares que Mr. Fischer ha realizado en uno de nuestros hermanos de raza apuntados de esta manera un triunfo sobre la muerte y la desgracia. Queremos aclarar que el hecho que paso a reseñar hubo de contarmelo de viva voz el propio Mr. Fischer cediendo a reiteradas peticiones mias, pues quise con una prueba al canto, dar a mis lectores la certeza de que todos aquellos que ayudan al multitudinario Sr. Fischer en su laudable tarea de hacer el bien y salvar vidas, contribuyen a realizar actos tan hermosos como el que paso a reseñar, y que es de esos que dejan en el fondo del corazon una dulzura y una celestial felicidad que solo pueden disfrutar los que gustan de prestar una perfecta obediencia al divino mandato:

**"AMA A TU PROJIMO COMO A TI MISMO,
POR AMOR A TU DIOS"**

Gonzalo Medina, un jovencito originario de la hermosa ciudad de Guadalajara, Jalisco, Mexico, es el dieciochoavo hijo de la numerosa prole con que cuenta un humilde y pobre matrimonio de esa region.

Gonzalo, al sufrir la caída de un caballo se hirio espantosamente la pierna derecha en la cual le cayo una terrible infeccion que casi ameritaba la amputacion de dicha pierna. En tan dolorosas lo conocio Mr. Fischer, quien desde luego se constituyo en su generoso protector. Lo recogio y por su cuenta lo trajo a los Estados Unidos. En Englewood, California, lo puso al cuidado del famoso Dr. Karl Guidentfeld quien a fuerza de cuidados y costosos tratamientos consiguio

GONZALO MEDINA
18 años de edad

a Dios gracias, salvarle el desgarrado meimbro. Al dar de alta a Gonzalo, el medico pregunto a Mr. Fischer, "Que vamos a hacer con este muchacho?" a lo que el generoso protector contesto sin vacilacion, "Mandarlo a la escuela". Y asi desde el mes de mayo de 1954 ha corrido por cuenta de Mr. Fischer quien lo sostiene en la escuela y costea su educacion de su propio peculio. El jovencito mexicano ha pasado en esta bella ciudad de San Jose algunas de sus vacaciones alojandose en la propia residencia de su bienhechor.

En 1962, o sea el año proximo, Gonzalo terminara su instruccion secundaria en el Colegio de los Hermanos Cristianos de Sacramento, California, convirtiendose en un ser provechoso a la sociedad y a la Patria, capacitado para enfrentarse con ventaja a la dura lucha por la existencia. Acaso sea el, el unico cultivado entre sus pobres hermanitos, por haberle tocado en suerte ser el redimido de la desgracia su joven vida (ya que cuenta en la actualidad 18 años), ya le permite estimar en toda su enormidad el bien que recibio en los dias de su desgracia.

Siente un culto de respeto y gratitud para con su bienhechor cuyo nombre se ha acostumbrado a bendecir.

El caso de Gonzalo Medina, con ser tan interesante, no es el unico, si no mas bien uno de los muchos que honran el nombre de CLYDE L. FISCHER y sus cooperadores. Mr. Fischer, a la cabeza de ellos, sigue contribuyendo con abundantes donativos a la ereccion de tales monumentos de altruismo y generosidad. Los cooperadores de Mr. Fischer pertenecen a todas las clases sociales, a todas las condiciones y a todos los credos religiosos que no son, ni deben de ser jamas obstaculos para que los hombres se unan para el bien. Su corazon es lo suficientemente grande para recoger todo lo bueno de los hombres que tienen aspiraciones identicas a las suyas. Su casa y su negocio, DARLING & FISCHER GARDEN CHAPEL del 471 al Este de la calle Santa Clara en esta ciudad de San Jose, siempre estan abiertos para todos sus colaboradores. Todo lo acepta y lo recibe con gusto y compalcencia. Clyde L. Fischer, procer del amor a la humanidad espera seguir recibiendo la ayuda generosa de todos los que como el encuentran su felicidad en hacer el bien a sus semejantes, en socorrer a los necesitados, en llevar un poquito de alegria y esperanza a los desheredados de la fortuna, en saborear las dulzuras y la satisfaccion del deber cumplido y de la caridad practicada, dicha inapreciable que las victimas del egoismo jamas conoceran.

CONCERNING C. S. O.

Louis Zarate

In the past we have talked about probation and about certain laws which relate to minors. Many persons are confused about probation and its general meaning. Without going into much detail, a person on probation has not been in an institution whereas a person on parole has been in an institution and is serving his term in society. I shall attempt to explain more or less what probation means and perhaps give attention to parole in other issues. Probation as is explained here is applicable generally to minors. Probation is explained to you as though you, the reader, were on probation.

Whenever a person has done something that is not right and for which the law provides a penalty, such as stealing, being truant from school, violating the curfew law, refusing to be cooperative at home, breaking a traffic law, doing something intentionally which injures some other person, or any number of other things which might be mentioned, he can be investigated by a juvenile probation officer and if the conduct of the person appears to need court action, he may be brought before the Juvenile Court Judge after a petition has been drawn in behalf of the one who has done wrong.

Actually then, when the Judge tells you that he is placing you on probation, it means that it has been found that you have done something that you should not have done. But in spite of that the Court believes that you realize you have made a mistake and will not do it again and so you are allowed to prove to the Court you really want to be a good citizen. Probation is a plan to test character. It is a chance to prove your ability and character.

Usually the Judge and your Probation Officer will make suggestions which you are expected to follow to the best of your ability. If you cooperate well, you have nothing to worry about, but if you don't try to improve yourself and continue to do things which you know you should not be doing, you can be brought back to Court for violating your probation and then some new plan may be considered and put into effect.

When you are on probation, you are just expected to play the game of life according to the rules that have been made for all people to follow and specifically for persons of your age.

It sometimes takes longer for a person to prove that he is going to do what is right than it does for others. For that reason the Court usually doesn't tell you how

long you are going to be on probation. Everyone connected with the Court is well pleased when your effort is in the right direction and all are keenly disappointed when you indicate that you are not impressed and keep on going the same way you were going when you were brought before the Court.

Be sure to remember that you are on probation until your case has been dismissed.

For many persons the case is active until he is 21 years old; for others the Court may dismiss the case when he becomes 18 years upon the recommendation of the Probation Officer.

It frequently happens that your Probation Officer will not see you very often and sometimes not at all, if it appears that you are getting along all right. If you conduct yourself properly for about one year after you have been to court and do not get into trouble with the police by committing a new offense and if your school record is satisfactory and you have no trouble at home, you may discuss with your probation officer the possibility of having your case dismissed.

It is your duty to keep your probation officer informed when you move to a new address; when you change or quit school; when you get a new job that has an permanency to it; when there is a change in your family status, such as divorce, death of parent, illnesses, and other matters affecting your living conditions. The Probation Officer wants to know these things, not because he is trying to regulate your private affairs, but many times he can help you and give you good information that will be for your benefit.

The 2nd Mexican-American Tournament is now over. It has been a successful one. Proprietors donating to the trophy fund very strongly gave their support. Not one that was approached gave it a second thought. Names not listed here were not contacted because of a late start otherwise more names would appear. The most surprising proprietor came from distant Fremont (Centerville) was Vic Hernandez of the Township Body Shop not only bowled in the singles but insisted in donating because of the good this tournament is doing. He sponsors two mens teams and one ladies team in Fremont; Joe Puentes of Puentes Brothers who was instrumental in the Mexican Chamber of Commerce in starting the Mexican League in San Jose in which Eddie, Tony and Frank used to bowl; Gil Adair of Adair Insurance Agency, who not only sponsored bowling teams but also bowled with them; Lou Hevia, who in playing with Ticos Tacos has always sponsored a strong team and has a first place trophy to prove it. Aztec Chorrizo Co., Jose Rodriguez proprietor, whose sons Vic and Ralph have been among the best improved and are getting well known in City Tournament play; Muraira's TV with John Henry (Chapo) Muraira, best improved bowler this summer, who has teamed up with the strong San Jose Refrigeration Team; San Jose Refrigeration Team, Art Carrillo proprietor, who has been winning titles for the past three years and always a competitive team; Perk & Jerk Texaco, which sponsored in the winter league last year and with Harry Lambert, not only co-proprietor, but also a terrific bowler in his own right with our league; John Hernandez, local boxing manager & his store, Little Champ Shoes, knowing nothing about bowling but his interest in the Mexican-American advancement in bowling has made this donation possible; Jose Hector Moreno, along the same line with his interest mainly in the Mexican-American bowler; American G.I. Forum, who has plenty of bowlers also base their interest in the bowler; Dever Motors, whose proprietor Rudy Rudasill, now bowls at Ann Darling along with the team also has the same interest; Bud Lo Monaco of LoMonaco's Jewelers from where the trophies were acquired also made trophies available for the first Mexican Chamber of Commerce League; and Ann Darling Bowl, where both the Mexican-American Tournament was originated and where the remains of the Mexican Chamber of Commerce League now plays as the 825 Scratch League.

Without the above proprietors' donations the tro-

phies would not have been available. We thank them very much. Please patronize them.

The spectacular high game came with Mario missing the first frame, a strike in the 2nd, nine in the 3rd, and then striking 8 in a row with the last ball getting 9 pins. Total, nine strikes and three nine pin frames.

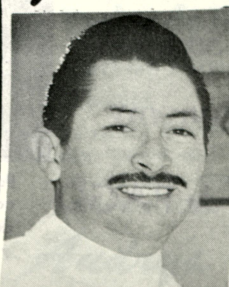

Total showed 51 bowlers rolling a total of 101 events. Last year there were only 32 events.

Surprise of the tourney was when Vic Ruiz traveled all the way from Fresno and to ask that we include them next year. He read about it in the Bowling News.

MADRE AMOR DULCURA REFUGIO ESPERANZA

Poema desarrollado el año de 1951 dedicado a mi madrecita Sra. Dionicia Aguilar.

La que ahora en paz descance, declamado en el teatro de Decoto el 1956, y a peticion de unas personas vuelta a declamar en el auditorio civico de San Jose, Calif. frente a 3,000 espectadores en el mes de mayo de 1958. Significado de la palabra madre, en forma de ACROSTICO.

Madre, ho cuan lejos estan aquellos dias
en que alegre en tus brazos me dormias,
y al contemplar mi faz tu repetias
sonoros cantos y alegres melodias.

Amor, tan puro y santo, solo existe
en ese ser tan grande incomparable,
de comparacion inextinguible
Vatidico que así lo predijiste.

Dulsura, ya como esta no la encuentro,
por ser la de mi Madre que es tan Santa
oir su dulce voz eso me encanta,
por que si no la escucho es mi tormento.

Refugio, Ella me dio desde que vine al mundo
me consolo en horas que tuve de iracundo
velo por mi en horas que tuve de agonía
sacrificandose así tambien por mi ironía

Esperanza, Virtud; que todo ser profesa
y mas nuestra Madre idolatrada
de abnegacion tan grande en su morada
y un Corazon tan lleno de grandeza.

"POMP AND CIRCUMSTANCE" PLAYS AGAIN FOR PROUD GRADUATES!!!!!!!!!!!!

The many people who received diplomas this June have certainly done and fulfilled a fine job of proving splendid possibilities of achievement in their later life. To all of you graduates Club San Felipe expresses sincere congratulations and blessings.

APOLOGIES, APOLOGIES, APOLOGIES!!!!!!!!!!!!

Seems that after Art and Candy have literary smashed pies on peoples faces they very humbly express apologies (they average ten apologies a week). So--here is another apology. This one goes to non other then ESTHER MEDINA (Club Zanzaree). Now that all apologies are completed here's hoping the sailing is pretty smooth.

DIZ N' DAT

Richard Martinez is off for Camp Roberts for a few weeks. Good luck and hurry back.

Father's Day Jamaica certainly proved successful for Cuathemoc, Bachelors and Club San Felipe.

Club Zanzaree and its train of charming young misses are certainly being a celebrity now-a-days.... The charming new look of Helen Solarez and the outstanding 'Pachanga' dancer Mary Hernandez really add color to the crew, nice going gang!!!!

Three cheers for Club San Joaquin on their Jamaica, it was a huge success.

Shirley Perez and Cesar Isais are always giving each other dragnet looks at the dances but somehow always end up at a drive inn movie.

Eddie Valdez has fallen on the popular tender trap, and Angie Reyes is, in this case, the trap.

Fernando Terasas from Club San Felipe is happy to welcome his parents Mr. & Mrs. Francisco Terasas & his sister Nora Elma.

Our thanks to Felix Toxedo Shop for their cooperation for the use of their tuxedos. We wholeheartedly recommend this place for good and courteous service. CONGRATULATIONS GO TO:

Mr. & Mrs. Naro Moran on the arrival of a new baby boy. Daniel Moran is the Moran's new pride.

Mr. & Mrs. Joe (Paye) Sanchez on the birth of twins. Double congratulations for the double hither!!

Mr. and Mrs. Joe Camarillo. They are also the proud new parents of Gary John Camarillo.

Mr. Pompeyo Garcia for being voted man of the year. Mr. Garcia is a very active and fine person. We are all very proud of him.

Speaking of awards, Club San Felipe was awarded CLUB OF THE YEAR at a dinner dance by the American Legion. I personally am very proud of the San Felipe gang. They have worked very hard to receive this award and are undoubtedly deserving of it.

SAN FELIPE CREATES ANOTHER SENSATION!!!!!!

Everybody is talking about it----- it's time for our 2nd anniversary FORMAL DANCE and everybody is paniced and excited about this significant event. Chico Ochoa will create the mood and San Felipe members will take reservations----- so do hurry and get your bids from any member. For special delivery call CL 8-2092 and ask for Tony. I'll be more than glad to deliver.

SPORTS HI-LITES

Santa Clara - 13 Sacramento C & C - 2

On Sunday, June 4 the Santa Clara baseball team managed by Joe Carrasco and Paul Morales won its first game of the second half by a tune of 13-2.

The big blows of the game were by Joe Bara, Bob Torres, and Marcos Ortiz who hit triples and collected two safeties apiece.

Joe Carrasco also got 4 for 4 and drove in five runs to spark the win.

Ken Hayes pitched an outstanding game by striking out 12 batters and giving up only 5 hits. He also collected 3 hits.

While Sacramento was having a hard time collecting 5 hits Santa Clara jumped on 4 pitchers for 19 hits and 13 runs.

Club Riviera is holding a general membership drive this month. Now this is an opportunity that very seldom happens so come on all of you young and aggressive fellows who may be interested in this opportunity, now is the time to join up by contacting our club Vice-President Paul Morales on evenings at CY-press 3-5111.

Then there was the fat man who made a rush thru the gate for the rear platform of a departing train. As he came back perspiring and frowning, the gate-man grinned: "Just missed her, eh?"

"Oh NO!" retorted the exhausted one, "I was just chasing her out of the station!!!!!!!"

Introducing Gilbert Gonzales, who graduated from San Jose High School on June 15, 1961. He is 19 years of age, was born in Brawley, California, and has been taking plumbing for the past 3 years which trade he intends to follow to its maximum now that he is out of school.

Gilbert is the son of Mrs. Amparo Gonzales & Mr. Edward Gonzales of San Jose.

In the photo appears Mr. John Reza who is considered one of the best drummers in the County of San Benito. John plays with the very well known band LOS MARCIANOS from Gilroy, Calif. Hearing and seeing is believing, said Richard Diaz, well I did, so I just set my camera on the side and started to kick my heels up in the air with the rest of the crowd. No wonder John is called "El Gene Krupa Mexicano".

Got a Batch of Tales For You!!!!!!!!!!!!!!

SHORT ONES:

Mr. & Mrs. Joe Rodriguez now operating a chorizo factory while their daughter Connie spends most of her time with Cheno Plata.

Mary Hernandez gets my vote for the best Pachanga dancer in the area, Rene Touzet called on her to demonstrate on the stage at the Rainbow and at the Sands, he nicknamed her "LA PACHANGERA."

Clara Alonzo and Johnny Flores very much engaged and in love busy planning their approaching wedding.

Wonder when Conrad Barrientos is marrying Rosie Regalado, kind of a long courtship!!!!

Same goes for Bubbles #2 and Nellie Regalado, so get on the ball, its the month for weddings.

Manuel Lopez says he's not working because he's looking for a job with vacation 365 days a year.

Alaska comments that some of these San Jose girls think they're really sharp and they've never been any place, he says, "You take them to a swank place and they stand there with their mouths open."

Congratulations to Club San Felipe on their American Legion Award as Club of The Year and to Pompeyo Garcia on his Man of The Year award.

Angelica Perez real serious over a San Francisco State College man by the name of Ted Shoffner, last I heard she wanted to move up there.

Le Gustan Los Gringos!!!!!!!!!!!!

Gil Solarez dating Gloria Pantoja a real cute redhead, heard it's real cozy.

Wonder where good-looking Frank Mercado keeps himself.....

Larry Spurr (Dancer of Yr) spending most of his time swimming now that he's got a new apartment...

Gloria Porras dating Primo Villarruz lately, he plays and sings at MARIO'S on El Camino. Primo is a doll and has tremendous talent, he sounds like Johnny Mathis. We're real proud of him cause he just got his degree from State as a commercial artist.

Can't think of three characters who have more fun than Ronnie Gonzalez, Sugar Zamora and Rudy Moya, they're typical bachelors having a ball.

Lilly Arista to marry Tony Martinez.

Richard and Ben Montes both engaged and planning weddings, Richard's marrying Nancy Cota and Ben's girl I haven't met!!!!!!!!

Terry Ochoa is a little doll and has a tremendous personality, if you haven't met her you're missing something.

Susy Chavez's graduation party was good, everyone showed up to congratulate her.

Norma Reyes going steady with Joe Sandoval.

Eleanor Solarez seeing Ernesto Martinez while he was on leave, she's sad cause he's on his way to Japan.

Yes, its true about Espi Alonzo being Club Zanzaree's advisor, its also true that we think she's the greatest.

Armando Guerra of Machito's band proposing to Helen Solarez for the second time, he insists she's the right one and she insists she isn't. Besides what would she do without the rest of the Zanzarees.

Wonder why handsome Manuel Lopez goes around telling people he doesn't like Angel Gonzalez.

Can't figure out why Art Cuellar's favorite passtime is getting girls mad at him.

San Jose girls disappointed now that baseball season is here cause we won't get to see Cesar Isais' beautiful legs!

ROSIE MACIAS

GRADUATES:

Graduates from High School and also members of Club Zanzaree are Gloria Montanes, Mary Hernandez (Lincoln High), and Rosie Macias (San Jose High).

This girls graduated with honors and there favorite passtime is dancing, of course.

Congratulations, girls!

ALL THAT'S FIT TO PRINT:

A little bit late but here nonetheless, the All UCC League Basketball Team for 1961! We waited this long to pick it so as to give the UCC Athletic Directors a chance to pick one on their own.

They usually wait until I make my selections & then cut them up and pick a team of their own, which makes for ridiculous selections at times.

Anyway, U.C.C. Athletic Directors, have fun with this team:

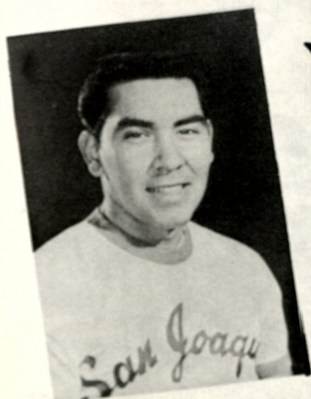

Forward..... Hank Paramo
Forward..... Paul Gary
Center..... Gil Solarez
Guard..... Jess Medina
Guard..... Candy Veliz

Honorable mention goes to Tabby Perez of El Dorado, Joe Perez of San Felipe, and Ron Stephenson, Larry Brady, and Jim Hartman of Casa Mañana.

Lou Molina's next victim will be Chico Santos of Portugal. And believe it or not, there was one guy at the Molina-Andrade fight who thought Cisco won!!!!

Good news for you residents of the area around 34th & San Fernando. The city has decided that the street is in need of repair between Santa Clara & San Fernando. The workmen are coming, be patient!

Is Aunt Nellie still pitching for Cleveland?

The men of CLUB SAN JOAQUIN would like to thank everyone who contributed toward making our recent tardeada the success that it certainly was.

A special thanks to Mr. Henry Plata of Plata's Market (See COVER), King & San Antonio St. for his greatly appreciated assistance. Also to announcer Joe Hernandez of the Lucky Lager Brewing Co. who did a splendid job at the mike; Bobby Zamora and his men for the top music in town; and to Club San CANDY for the menudo booth (it saved the lives of some of our best members!).

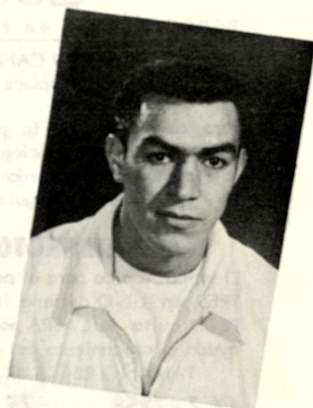

Credit must go to all the members who stayed to clean up after the show. To name a few, Vice-President Bob Jimenez, Cheno Plata, one of the hardest working guys in ANY club, John Zamora, the brains behind this project and CSJ's leader, Bob Garcia, Ken Saucedo, Joe Sanchez, Richard Gallardo, John Madrid, Kiko Madrid and others. GOOD JOB!

Frank Horvath, coach of the Pannonia Club Soccer Team called to ask our help in getting a job for one of his players, Bill Garanvogye. He is a 23 year old high school graduate with 3 years of college and has experience as a waiter, among other things. Bill just moved here from smoggy Los Angeles and would like very much to stay in this area, IF he can find employment. He is willing to do anything and is a hard worker. Dear Mr. Garcia:

As the 1961 Campaign Chairman of the New March of Dimes, I am most pleased to report that our Campaign receipts totalled \$127,036.84.

My heartfelt thanks to the Spanish speaking people, who gave so generously of their time to help make this Campaign a success as to their participation in the Mother's March, Special Events Activities, and every other facet of our Campaign that made for this successful drive.

It is the cooperation of the people of our County that made possible the Salk and Sabine vaccines, and it will be this same demonstration of cooperation that will lead to the ultimate defeat of birth defects and arthritis.

My thanks to you and the El Excentrico Magazine for the excellent support that you have given the New March of Dimes.

As a final word, I should like to ask you to encourage all of your readers to ascertain that their families receive the series of Salk vaccines to prevent them from the dreaded diseases of polio.

My best personal regards.

Sincerely,

Ray Davilla
