Professionally trained counselors at CSUF offer a broad range of services to new or returning students relating to life goals or career plans, study skills training, or just coping with problems of personal growth. While every effort is made to assist the students in meeting the challenges of campus life, it is the responsibility of individuals to acquaint themselves with announcements, procedures and regulations of the University contained in this *Bulletin* and the *Schedule of Courses*. Neglect on the part of students to do this will not relieve them of whatever consequences may occur.

CHANGES IN RULES AND POLICIES

Although every effort has been made to assure the accuracy of the information in this bulletin, students and others who use this bulletin should note that laws, rules, and policies change from time to time and that these changes may alter the information contained in this publication. Changes may come in the form of statutes enacted by the Legislature, rules and policies adopted by the Board of Trustees of The California State University, by the Chancellor or designee of The California State University, or by the President or designee of the institution. Further, it is not possible in a publication of this size to include all of the rules, policies and other information which pertain to the student, the institution, and The California State University. More current or complete information may be obtained from the appropriate department, school, or administrative office.

Nothing in this bulletin shall be construed, operate as, or have the effect of an abridgement or a limitation of any rights, powers, or privileges of the Board of Trustees of The California State University, the Chancellor of The California State University, or the President of the campus. The Trustees, the Chancellor, and the President are authorized by law to adopt, amend, or repeal rules and policies which apply to students. This bulletin does not constitute a contract or the terms and conditions of a contract between the student and the institution or The California State University. The relationship of the student to the institution is one governed by statute, rules, and policy adopted by the Legislature, the Trustees, the Chancellor, the President and their duly authorized designees.
