Mr. William Randolph Hearst,
137 Riverside Drive,
New York, New York.

Dear Mr. Hearst:

In regard to the little south terrace
of House "A" you recently approved the design
for. Do you wish this carried out in marble
to match the little fountain, or in cast stone?
In marble the cost would be about \$750.00 and
in stone about \$450.00.

Very truly yours,
