Req. #19755

An act to amend Sections 21661.5 and 21664 of the Public Utilities Code, relating to aviation, and declaring the urgency thereof, to take effect immediately.

The people of the State of California do enact as follows:

Section 1. Section 21661.5 of the Public Utilities Code is amended to read:

both 21661.5. No political subdivision, any of its officers or employees, or any person may submit any application for the construction of a new airport to any local, regional, state, or federal agency unless the plan for such construction is first approved by the board of supervisors of the county, ~~or the city council of the city in which the airport is to be located and~~ unless the plan is submitted to the appropriate commission exercising powers pursuant to Article 3.5 (commencing with Section 21670) of Chapter 4 of Part 1 of Division 9, and acted upon by such commission in accordance with the provisions of such article. ~~or and~~

Sec. 2. Section 21664 of the Public Utilities Code is amended to read:

21664. (a) Any political subdivision or person desiring or planning to construct or establish an airport may apply to the department for approval of the site prior to the acquisition of the site or prior to the construction or establishment of the proposed airport. The application shall set forth the location of all highways, railways, mains, pipes, conduits, wires, cables, poles, and other facilities and structures of public service corporations and of persons engaged in radio or television broadcasting located within the area proposed to be acquired or zoned, and the names of the owners of the facilities and structures, and such other information as may be required by the rules and regulations of the department.

(b) Whenever an airport owned or operated by the United States ceases to be so owned or operated, any political subdivision or person desiring or planning to own or operate said airport shall apply to the department in compliance with the provisions of this article. The department shall not grant approval or issue a permit under this subdivision unless the board of supervisors of the county and the city council of any city in which the airport is located have both first approved such plan for ownership or operation. If such an airport holds a permit issued by the department, the application shall be confined to consideration of the matters enumerated in subdivision (e) of Section 21666.

Sec. 3. This act is an urgency statute necessary for the immediate preservation of the public peace, health or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting such necessity are:

There exists uncertainty and doubt as to the meaning of present provisions of law governing the approval required when an airport is established. In order to clarify the law and end the confusion and uncertainty as soon as possible, it is necessary that this act take effect immediately.
