SOLANO COUNTY'S MORNING NEWSPAPER

SUNDAY, JANUARY 1, 1961

Midshipmen of the California Maritime Academy held their annual holiday dance recently at the Academy gymnasium. Two of the couples pictured above, are Bob Lindsay,

chairman of music for the evening; Miss Diane Manfredi, Miss Carolyn Barnes, and Bill Lightbown, who was chairman of the decorations.

A beautifully decorated Christmas tree emphasized the holiday theme at the affair, which was attended by a large group of midshipmen and their guests. Miss Sally Hamer

and Terry Ruff, president of the Third Class, admire the ornamented tree between dances. Other decorations gave a festive touch to the gymnasium for the event.

Waiting for the dance music to start are Miss Etta Pate, Stan Felland, Larry Carr, publicity chairman for the evening; Donna Mar-

shall, Cathy Azevedo and Dave Liughton. "Christmas in Fiddler's Green" was the theme for the traditional holiday event, which

was semi-formal. Bud Setnik was chairman of the refreshments committee. — Times-Herald Photos.
