Frances Vernon Gold Leaving Leisure Village

By Betty Murray

We have known it was coming, but with the actual date having been set for her leaving, we are filled with a sense of being at loose ends without her valued counsel.

Fances Gold, for almost 20 years a villager, plans to leave L.V. in September for a home closer to her children in Sacramento. It is a step that has been planned in an orderly fashion and is entirely appropriate for her happiness and well-being.

But, she will be sorely missed. Frances was one of the organizers of *Inside Leisure Village* in 1979, and has been a mover on the ILV staff ever since. She is a former school teacher, mainly in El Monte, with extraordinary skills and artistic talents; she has knowledge picked up from her experiences and from her familial roots in Missouri: she has imagination, humor, and compassion as well as a good dose of pragmatism.

Besides being active with ILV, Frances plays bridge regularly, and is a member of AAUW and PEO. It surely won't be long before we hear that she's involved with something special in her new home, and we know that she will enjoy being closer to her precious 11 year old twin grandchildren (and their parents), as well as son Spike and granddaughter Becky.

Aloha..... Hasta luego.....
Adios..... Auf Wiedersehen.....
Au Revoir.....
Good-bye and best wishes to Frances Gold.

Frances Gold Roof Repairs

By Jack Whalen

Village Board member Dick Griswold reports that bids are now out for the repair/replacement of 130 roofs. That will close the current roofing project.

Dick stated that 106 roofs were repaired in 1993 at a cost of about \$300,000. "One of the problems over the years," he says, "is that under our shingles is a covering of 1/2" plywood. They don't make plywood like they used to, and had 3/4" been used, we would not have had as many problems with dry rot."

The replacement cost for the remaining roofs will be about \$350,000 and should villagers question where the funds come from, Griswold said that 7% of our expense budget goes into the roof replacement program.

Officers Win Recognition for Lifesaving Efforts

By Herman Waltzer

Security services are a major point when listing the Village's many advantages. This was illustrated at the August 1 open Board meeting with the presentation of plaques to two LV Security patrolmen. Max Moses, chief of security, reported that the prompt action of two of his officers helped to save the life of a villager.

On May 23 Sgt Jerry Runge and patrol officer Javier Bazaldua responded to an emergency call regarding James Mason, Jr. of V 3, who had collapsed in the Recreation Center office.

The officers immediately started cardiopulmonary resuscitation on Mason, who was in cardiac arrest and not breathing. After firefighters and paramedics arrived, Sgt. Runge and officer Bazaldua brought necessary medical equipment and provided helpful information to the rescue team. Mason was then successfully revived. According to Fire Capt. Fontana, Mason's survival was probably due to the Village officers' timely intervention.

Board Hires Don Nelson For Maintenance Supervisor

By Jack Whalen

"I dislike the word 'complaints,'" says new maintenance supervisor Don Nelson. "I call them 'citizen concerns' and believe me, that's the way I plan to face day-to-day problems that may arise within our beautiful 215-acre development."

Don Nelson brings a wealth of knowledge and experience to our Village. A Wisconsin native, he attended and graduated from Arizona State University in Tempe with a degree in construction engineering. A basketball star, his 1963 Sun Devil team reached the final game of the semi-finals, losing to the U. of Utah, just missing going to the Final Four.

He spent 17 years in Bakersfield as Supervisor of Public Works as well as serving as a construction engineer. Next was Angels Camp in northern California, where, in addition to being Director of Public Works, he headed the fire department, all building inspections, utilities and most of the city services. This was followed by a short period in Lancaster, again wearing a number of hats.

Over the years Don has

worked closely with large construction companies, with freeway contractors and is considered highly skilled in both vehicle and street maintenance management. He has taken state training in both earthquake problems and hazardous materials handling.

He's very comfortable with a computer and plans to increase his skills by attending night classes this fall.

He is father to an 8-year-old daughter, a 4-year-old son and calls Newbury Park his home.

His goals are to be efficient and productive in all aspects of Leisure Village maintenance. He adds: "I love working with people and like to believe that there's no problem that can't be solved."

INSIDE LEISURE VILLAGE

• OPINION •

The Wide, Wide World Of Volunteers

During August the Leisure Village Board of Directors appoint members and chairmen to standing Village committees, a group which numbers well over 100. But LV residents provide man and woman power for a great many other projects and groups in the Village and beyond into the wider community.

The Women's Club fall Bazaar would not be the same without the year long efforts of their workshop group of women meeting each Tuesday morning to make boutique items. The Bazaar also benefits from the efforts of a crew of woodshop men to create toys, windmills, etc. Did you know the latter group often does repairs on Village bulletin boards and cases? And the Women's Club Trading Post runs only with many volunteer hours.

Beyond the Village, residents get involved as hospital volunteers — at Pleasant Valley, St. John's, Los Robles and the State Hospital. Others act as tutors for youngsters at local schools or learn to teach teens and adults to read in the literacy program. They also volunteer at Ventura School for troubled teens.

Villagers unstintingly serve in city and county planning and advisory committees. We can boast of one resident who went on to serve several terms as a city councilman, with at least one term as mayor. Others work in AARP projects or the Senior Legislature, reaching out to the state and national levels. They work for Food Share, Meals on Wheels and Boys and Girls Club, or serve as docents at several museums.

The list seems endless. Seniors with free time and much talent and abilities to lend find groups eager for their volunteer help. It is known that retirees who are involved live happier and healthier lives in general.

The world certainly does not end at the Village walls. Many able retirees reach out to the wider community (Some even nation-wide) and demonstrate that Leisure Village is not an isolated island, but chooses to enrich the areas around us.

This influence of the Village is felt around us, and not just on voting day. So when one says the word "volunteer," there is a broad application which Villagers are expanding and stretching each day.

Letters

ILV has obligated itself to publish Letters to the Editors that are not profane nor libelous. Views or statements expressed as facts are the beliefs of the writer and are not necessarily supported by the Staff of ILV. We cannot accept unsigned letters. However, space in both ILV and the official Voice is so limited that we believe it is not practical nor desirable to repeat the same letters by the same writers in both.

Many of us living in the Village do not appreciate the value of the Security Dept. The men who drive the vehicles, who respond to your emergency calls are to be highly commended.

On a number of occasions we have found it necessary to call them. Within 2 or 4 minutes they are at your home. They take care of your needs, quickly, professionally and as they leave they smile and say call us again if we can be of assistance. They also leave with a big smile!

Max Goodman, V 19

ILV Editors

Your personal letter to the "Ethics Club" was certainly written by writers possessing, superior knowledge of the English language and very well able to express themselves.

I enjoyed reading the article over and over again and am of the opinion (shared by many of my neighbors) that the staff of Inside Leisure Village are extremely intelligent, have had excellent editorial experience, very well able to call a spade a spade, and exhort people who are critical of others, not to hide behind their anonymity; but offer solutions instead of caustic criticism

Harry Jacobs, V.42

Before Mr. Hawthorne gets his feet wet as a Board member, he pontificates in some of the whimsies of his fellow Leisurites which I find distasteful.

In the past members of the Board donned their regal robes and dispensed their form of justice.

If we as lowly dues paying members find we are frustrated by things we find wrong and are not corrected, a bit tad of sharpness is not something to be condemned.

If the heat, Mr. Hawthorne, becomes intolerable, then just get out of the kitchen

Bill Berman, V.7

Shirley and I want to thank our many friends for the get well cards and calls that were received during my illness.

I appreciate your thoughtfulness and caring concerns these last few months. I'm feeling better now and hopefully will be back soon enjoying all the wonderful activities that I used to be a part of. It's nice living in L.V. where people care.

Albert Law, V.30

Words cannot express my deep appreciation to all my friends in the Village for sending expressions of

their heartfelt concern over my recent illness in the hospital. Their hope for my total recovery will always play an important role in heightening my resolve to return home and engage in working for our mutually shared goals - to build a better world for afflicted people everywhere and encourage them to face the future with the hope of a better tomorrow.

Sol Robin, V.42

Moving

In order to be nearer to my family I am moving to a senior condo in Davis, near Sacramento. Although I have said goodbye to many of you personally, I feel that I cannot leave without wishing the Village as a whole "God-speed."

I know I leave many friends and that I shall have many happy memories of the years I have spent here. I especially am sorry to leave *Inside Leisure Village*, the staff and the many contributors that I have come to know over the years.

Again, best wishes to all of you.

Frances Gold, V 11

My dearest David, husband of 52 years, passed away on July 24. We want to thank everyone for caring and remembering him.

Rosalie Feyer, V 17

For over ten years my husband, Mort, and I have enjoyed all the joys and benefits of living in the beautiful, caring community of Leisure Village. It was a "little bit of heaven" each day to Mort, whether out on the golf course or enjoying a performance or relaxing poolside.

The outpouring of love and offers of help during Mort's illness and after his passing was overwhelming and gave me the

L. V. NAMES

By Oleg Lopatin

The L.V. names are a song to me.

From the coast of Maine to the western sea

They sing of the Danube, the Volga, the Seine,

The sun drenched fields of sugar cane

The Brooklyn Bridge of old New York,

The cobblestone streets of County Cork,

The Silver Crescent's minarets,

The Dodgers, the Yankees, the Redbirds, the Mets,

The Kazakh steppes endless and bare,

The Cockney chant of Trafalger Square,

The eternal hue of the Emerald Isles,

The haute couture of Parisian styles,

Adams, Chellini, Keller and Perren,

Bradley, Tamburro, Chudacoff, Merrin,

Stuebinger, Warneke, Richardson, Bell,

Tufts, Vanderhaven, Vasquez, Kordell,

Ramsey, Underwood, Trogon and Marlowe,

Costamanga and Saari, Urzi, De Carlo.

From Plymouth Rock to the mining claims,

They're a Yankee list of American names.

Be it Leisure Village or the towers of Manhattan,

There's even a name like Oleg Lopatin.

**THE LEISURE
VILLAGE
WOMEN'S CLUB**

By Blanche Follen

The program at the Leisure Village Women's Club meeting on August 4 called "Dance In America" was enthusiastically received by the members. Watching Janice Guerrero, a professional dancer, was like opening a music box to a whimsical journey through time.

While gracefully changing costumes on stage, she explained the origin of each dance. This accomplished professional brought members to their feet in appreciation.

The program for the September 1 meeting promises to be as exciting. A group of four women called the "Kaleidoscopes" will entertain. They are a "Sweet Adelines" International quartette, who sing a capella harmony by performing a variety of music that includes Broadway tunes, sentimental favorites from the 40's, 50's, and 60's, and a colorful assortment of old and new songs.

Dues will still be collected at the September 1 meeting. Join and become eligible to attend our appreciation luncheon on

The Kaleidoscopes will sing for Women's Club at the Thursday, September 1 meeting.

November 3. Tickets will be sold at the September and October general meetings. Cost will be \$6.00, with the club subsidizing a like amount.

Don't forget the yearly bazaar, to be held on Saturday, October 15. Many items will be on sale, so do

your holiday shopping, buy delicious baked goods, hot dogs, coffee, and soft drinks. Hope to see many villagers at this important event.

Trading Post will open at 10:00 a.m. and meeting at 1:30 p.m. on September 1.

Blue Ballots

By Herman Waltzer

Have you turned in your blue ballots yet? The number of ballots turned in must reach a quorum by Friday, September 2, or the Board of Directors will have to extend the voting period.

Two issues are on the ballots as detailed below. The CC&Rs revisions, item 1 below, need approval by 75% of homeowners or 1602 votes for implementation. The by-laws revision, item 2, requires a majority vote in order to pass.

The ballots may be returned either via U.S. mail or by depositing in the ballot boxes located in the Rec Center or the Association office. If you do not have ballots, they can be picked up at the Association office.

Association to seek payment of any amounts which are past due to the Association directly from tenants residing in the rented property. In such an instance, the Association would request payment directly from the tenant and the tenant would pay the amount due to the Association and remit the balance of the rent if any to the property owner. If you are in favor of the change, vote YES. If you are not in favor, vote NO.

2. CUMULATIVE VOTING: This deletion will eliminate cumulative voting; that is, the owner will not be able to cumulate (combine) his/her votes for one candidate. The elimination of cumulative voting will allow for one vote for each vacant seat on the Board of Directors. If you are in favor of this change, vote YES. If you are not in favor vote NO.

Valid ballots must have the unit address and homeowners signatures on the envelope. Please submit YOUR votes today.

MEET YOUR NEIGHBOR

By Carol Heyerick

Meet Your Neighbor meets on August 26 in the Garden Room at 1:30 p.m. Hildi Lustig, chair-person, will welcome new arrivals to the Village as well as residents.

After Hildi has said a few words about the many advantages of living in Leisure Village, the many clubs you can join, and the outside activities such as golf, swimming, and tennis etc., you can be busy every day.

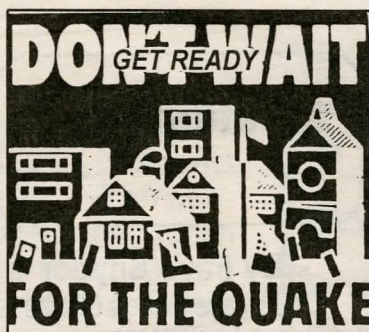

Newcomers will be introduced and asked to tell a little of their back ground, as well as how they found Leisure Village.

Our first guest speaker will be Doctor Ed Hawthorne who has lived in Leisure Village for the past eight years. Ed has a degree in Electrical Engineering and was a teacher for ten years. He was an Aerospace Engineer for 25 years at Hughes Aircraft. He was elected to the LVA Board of Directors in June.

Don Nelson, new maintenance supervisor, will also speak.

Mrs. Lillian Hawthorne was Asst. Dean in the Social Service Department at USC. She has handled many groups with various I.Q. as well as Gerontology patients.

We hope to see you on August 26th. Come for coffee and cookies.

By Jack Myers

Leisure Village is our home. Whether you live in V.1 or V. 44 or in between, we are one big, happy family. Since our community is very fluid, with many traveling, and some moving, Emergency Service Committee needs more volunteers in some villages, in order to be sure they are covered in any kind of an emergency, such as an earthquake. All villages can use more help, but these are the ones most needing volun-

We would like to invite all newcomers to Leisure Village to participate in our Emergency Services Organization. It involves welcoming new neighbors, and helping neighbors, - especially those who are handicapped during an emergency such as an earthquake.

By the last week of September or the first week of October we will be starting our C.P.R. and First Aid classes. Instructors will be

our own L.V. Security officers.

Sometime in October we will have a D.P.X. (Disaster Preparedness Exercise), we hope with the participation of Camarillo City Hall. In September we will have a meeting of all the volunteers.

Party for Clara Smith Marks 85th Birthday

By Lucy Gerhardt

A group of Clara Smith's friends gathered at her home in V 20 on August 7 to celebrate Clara's 85th birthday. A donation to the Village Beautification Fund was made in honor of Clara's many contributions to her church, the LV Spiritual Growth group, AAUW and PEO, as well as other gifts.

Clara and her late husband Wales were members of the Village Pioneers, the original 200 home buyers in LV. They spearheaded the formation of the Thanksgiving ecumenical services in the Village which still continues.

Clara was very active lecturing on England and her collection of Madonnas, both in the Village and in the community. Her Madonnas were Christmas Day front page features for many years in the Camarillo Daily News. She served as organist for several years at the Santa Paula Christian Church.

In recent years Clara has made and given away her "Joy Boxes," locally and all over the world. She has hand made about 85,000 of them and has had responses from Barbara Bush and Chinese

heads of state.

We are so thankful to have the privilege of knowing this talented, gallant lady and to call her friend.

PLAYERS GUILD

By Ruth Brott

What an astonishingly talented group we have in the Players Guild! Director Ed Weinberg found himself with an embarrassment of riches on audition days. So many gifted actors turned out in the AR that Ed found he could cast the fall play at least two times over. But after a difficult job of winnowing, a cast was selected, and those happy sounds you hear emanating from the stage indicate that rehearsals are well under way for "The Second Time Around." Some of our talented Villagers already diligently emoting are. Ruth Brott, Blanche Follen, Bob Freedman, Helen Gold, Bob Goodkin, Doris Siegel, Jack Silver, and

Gerry Stone.

Judging by the laughter from the cast and crew, the audience is in for a rollicking good time when the show opens on November 9. So be sure to mark your calendars now and watch for the ticket sale notices. This show is too good to miss.

The officers and members of the Players Guild invite all Villagers to join us at our regular meetings. The business proceedings are short and informative and are always followed by outstanding entertainment. Refreshments are served and there is ample opportunity for "schmoozing" with friends at evening's end.

Our August meeting brought to the stage (newly refurbished by the Players Guild) a Dance Kaleidoscope. Three separate groups, about three dozen dancers in all, entertained. The Leisure

Village Cloggers, the Leisure Village Swingers, and the Camelot Round Dancers dazzled us with their footwork. Come, attend the meetings, get involved in one of the most active groups in the Village.

Because of the Yom Kippur holiday in September, the monthly Players Guild meeting has been moved to the second Thursday of the month, September 8. Program Chairman Milt Mankoff is rehearsing his spirited cast for a stellar presentation of a vintage Burns and Allen radio show. Do plan to join us on the 8th and enjoy the comic antics.

Profile:**Marcel Lerner****By Ruth Carlson**

Marcel Lerner, a man of European background trained in the profession of acting, lived through the worst of times, experienced personal tragedy, escaped to the United States by good fortune and strength of his talent, and built a new life as an American citizen.

Lerner, born in Vienna, Austria, feels he inherited an acting talent from his father who was a prominent public speaker, and his mother, Fritz, an opera singer and voice teacher. After graduation from the Max Reinhardt Seminary where one of his instructors was the late Otto Preminger, Marcel performed on stages in Czechoslovakia and in the German sections of Poland and Austria. While performing in Vienna, he was "discovered" and received a contract to perform major roles in Switzerland.

Due to the war in Europe, the Swiss government permitted him to remain in that country for two years. At that point, Austria had been occupied by Hitler's army, and Marcel had no passport.

With the aid of some Quaker friends, Marcel managed to get to Paris to join his brother Arthur. In Paris, he met Maurice Schwartz of the Yiddish Art Theater in New York who was in Paris to put on several shows. He gave Marcel a job as an extra, and hired a teacher to give him lessons in Yiddish. Through fortunate and timely circumstances, Marcel was taken to London and obtained a passport and an affidavit (through his brother) to enter the U.S. In August 1939, Marcel arrived in New York and immediately applied for his first citizenship papers.

The war in Europe was now in full swing, but

Marcel felt secure in the U.S. In 1943, while playing in the Pasadena Playhouse, he received his draft notice. He joined the U.S. Army and went to Fort Knox, Kentucky, for basic training. He continued to entertain troops and received an award from the ARTC Special Service office for entertaining troops and civilian personnel.

On June 6, 1944, the day of the Normandy landing, he was transferred to Camp Gordon, Georgia. Private Lerner became an instructor of French and German for soldiers of the 10th Armored Division. In September he ironically was sent back to Europe. Marcel, who had never driven a car, was now a member of tank unit and became a combat interpreter and interrogator. By late 1944 his Division was

in the Battle of the Bulge in Bastogne, Belgium, where he received a Purple Heart and the Medal of Valor.

After the war, Marcel became an investigator for political and historical intelligence for the U.S. Government in the City of Munich. While stationed in Germany, he learned that his father, a survivor of the Theresienstadt concentration camp, was a patient in the Rothschild Hospital in Vienna. His mother did not survive. Marcel spent an unforgettable week with his father whom he had not seen for eight years.

After his discharge in 1946, Marcel came to Los Angeles where he met Esther who became his wife. (They just celebrated their 48th wedding anniversary.) He became a traveling salesman for Stratton and Sons of London, and after 37 years, he

Marcel and Esther are happy to have found Leisure Village - their children live in nearby Camarillo. Marcel has become a popular speaker in schools and various organizations. He is also a member of the Affirmative Action Advisory Commission of Ventura County.

When one realizes the terrible and chaotic conditions that people had to endure in Europe during World War II, it is not hard to understand the intense loyalty and patriotism that new U.S. citizens feel toward the flag and the democracy under which we live. Marcel Lerner, we salute you for your contributions to the world.

CAMERA CLUB

By Sam Weinstein

The August 3 Camera Club meeting was a competition meeting and the assignment was "Reflections". Our judge was Chris Zsarnay, who is a graduate of Brooks Institute of Photography and operates a large commercial studio in Ventura. Chris has won many professional awards and has earned the reputation of being on the cutting edge of photographic lighting and computer enhancement technology.

We are fortunate to have Dora Cronyn as our competition chairperson for she brings us well qualified, interesting people to judge our competitions and we do learn a great deal from their talks and critiques.

The winners in the "Reflections" Category were: first place and Picture of the Month to Duane Waln,

Jr., a newcomer to Leisure Village and the Camera Club. Congratulations, Duane, way to go! His excellent photo was titled "Double View". Second place went to Selma Seps for "Taj Mahal" and third place went to Ben Smithkin for "London Church".

The winners in the Open Category were: first place to Sam Weinstein for "Ship Clean-up", second place and Picture of the Month to Ed Pollaine for "Earthquake, 1994" and third place went to Bill Huffman for "Sunrise, Monument Valley".

Our next meeting on September 7 will also be a competition meeting and the assignment will be "Patterns/Textures", a very interesting theme which gives free play to the imagination and photographer's ingenuity. We meet every first and third Wednesdays at 7:30 p.m. in the CR. Watch for our announcements on Channel 12 and join us for an interesting, fun evening. Guests are always welcome.

CHORALE

By Jean Dearyan

The LV Chorale is seeking new members. Do you love to sing? Do you like friendly, energetic people? Then come join us at the first meeting of the 1994-1995 seasons. All villagers are welcome. Ability to read music is not required.

On Monday, September 13 the group meets from 12:30-2:30 p.m. in the MPR. Activities will include registration, assignment of parts, music distribution, socializing (bring bag lunch), and showing the video of the June Chorale concert.

On Monday, September 20 from 12:30-2:30 p.m. in the MPR the group begins rehearsals with Marcine Jardine, director, and Dorothy Weiss, accompanist.

VILLAGE PAINTERS

By Mildred G. Oberg

The Village Painters will meet Wednesday September 7 at 1:00 p.m. for a potluck luncheon. Please contact Mike Mancusi 484-5112 social chairman to make reservations for this popular event. There will

be a business meeting and announcements afterward.

The artist in the library in September will be Margaret Meyers. Be sure to stop in.

We look forward to our annual Art and Crafts Show on November 6. Please mark your calendar for this special artistic treat on a Sunday afternoon.

AMATEUR RADIO CLUB

By Benson Smithkin

The recent LV Amateur Radio Club meeting was ably chaired by Ben Perry (KC6PQT), Dick Travis (KC6URW) being temporarily laid low by minor surgery.

The material discussed had been prepared by Dick and included 17 projects to be completed by club members for the new ECC (Emergency Communication Center) room. All villagers will be pleased with the open house when all is in order.

The ECC room handled its first emergency when a minor fire flared up in the picnic area. Marge May (KB6HAG) at the radio contacted Frank Goldstein (W9JKN) who phoned security and the crisis was over. Is it still a secret that Marge sneaked out to take her Advanced license exam and passed?

Speaking of licenses, Floyd Cook (KE6BGX) rose from Novice to Tech to General to Advanced

and now to the top Extra Class license all in one year! Unique accomplishment, Floyd.

Mina Maxfield (N6UHK) distributed copies of everything you need to know about repeater stations, which fills a gap in club knowledge. Mina really loves her new Grundig radio.

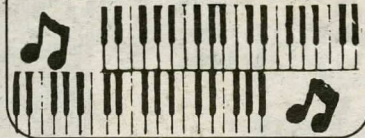

Mac McLeod (W7IZG) spoke by radio to former villager Ernie Mueller (KM6JR) in Oregon. Ernie will visit us on Sept. 1 and will stay with Mac, Dick Travis, and George Nolte.

The LVARC can use new blood-members, that is. By joining, you can learn to enjoy the Voice of America on the 40 meter band (7.450 mhz), according to George Stutsky (WB60IN).

Bob Guhl first got his ham radio license in 1925 and Frank Goldstein in 1932. Even electricity ran slower in those days. Bob donated a CB radio to the club and McLeod a 2-meter radio and power supply.

Next meeting will be on Tuesday, September 6 at 10:00 a.m. in the Sun room. All are welcome.

KEYBOARD CLUB

By Jules Nayfack

The Keyboard Club had, as usual, a great and entertaining musical program. We had soloists Bill Marvel, Libbey Pierce and Irwin Porges on piano, Art Stone on keyboard, Guy Moshier, Ed Stallman and Harold Wickham on the organ.

Closing the program was the always enjoyable toe tapping improvisations of the team of Bill Marvel on keyboard or organ, and Irwin Porges on piano. Both of these gentlemen were professional musicians, and it still shows.

Margarete Nayfack, vice president in charge of programming, is exploring the various entertainment possibilities for the concert of October 21.

The Keyboard Club which has always purchased musical instruments (i.e. organ, pianos and keyboard) which it has given to the Village without retaining exclusive use for itself, now takes pleasure in making a \$500.00 contribution to the Garden Beautification Fund and a \$250.00 contribution to Channel 12.

We encourage all villagers and their guests to attend our meetings which take place on the third Friday of every month at 1:30 p.m. in the AR.

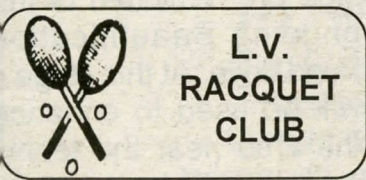

Hearing Impaired SUPPORT GROUP

By Gabriel Barkley

The Hearing Impaired Support Group will hold its monthly meeting for September on Wednesday Sept. 28 at 1:00 p.m. in the MPR. The group will be favored by two guest speakers. One is Ms. Barbara Singer, M.A., M.F.C.C. She is a private practitioner in community and private counseling in the matter of the ability to age positively in spite of a hearing loss. Barbara Singer lives in the City of Ventura but has done extensive social work in Metropolitan Los Angeles and Ventura County.

Our other speaker is Rabbi Aliza Berk, who currently serves as a marriage, family and child counseling intern at the Jewish Family Service in Ventura. Previously Rabbi Berk was the rabbi and educator at Temple Beth Solomon of the Deaf in Arleta, California. Rabbi Berk has been a rabbi and educator in a number of institutions of learning and cities throughout California. It is interesting to note that she was ordained a rabbi in 1980 at the famous Hebrew Union College in Cincinnati, Ohio. She is going to talk to us of her experiences as a rabbi for a deaf congregation.

Our Support Group had a marvelous turn-out at our July meeting for Dr. Auerbach. May our attendance be as responsive for Mrs. Laine Wagoner in August and the aforementioned guest speakers for September. Let us hope that all of us will see each other in the afternoon of Sept. 28 and enjoy the lectures of two very finely educated and experienced women. Light refreshments will be served. Neighbors, friends and relatives are cordially welcome.

L.V. WOMEN'S GOLF ASSOCIATION

By La Rue Boynton

We are anticipating some interesting game plans from the new Women's Golf board. They are as follows; Pres. June Rose; First VP Marianne Senko; Second VP Evelyn Lacy; Third VP, Georgia Griswold; Secretary Alda Kroll; Treasurer Jane Warneke; and Corres. Secy. La Rue Boynton. A very important factor for this board is all the excellent standing committee women.

Winners in the mixed couples tournament for July are: Flight A - 1st low gross was June Rose; first low net was Cynthia Maier; second low net was a tie between Freddie Mason and Carol Vaught. Flight B: first low gross was won by Della Gageby; first low net was a tie between Fran Thomas, Shirley Heller, Corky Milman and Hattie Stern. Flight C: first low gross, a tie between Shirley Fox and Eileen King. First low net, a tie between Millie Mullery and Rosemary Hanson. Second low net was Miriam Hockman.

For the month of July the best golf scores were as follows; Eighteeners-June Rose was tops. She has a 58 gross and a 48 net. For the niners, low gross winner was Maria Meyers with a 30B. Nancy Whitaker took the best low net score with a 20B.

This correspondent neglected to report the fact that Ginny Mettler also had a "Hole - in-One" in June. She shot it on the 11th green on June 15. What a joy to watch our lady golfers.

We are all growing older, therefore it is appropriate that we pay tribute to one of our dear golf members, Ruth Marler, who was 90 years young on August 10. We all love you, Ruth.

L.V. MEN'S GOLF ASSOCIATION

By Herb Warneke

The 20th Anniversary of LVMGA commenced with a special cake served at the July 12 meeting. This is just one of many surprises and special events that Ted Rose has planned for the next 12 months to commemorate our anniversary. Part of the celebration will be a shoot out followed by a mini picnic on September 20, but please attend our monthly meetings to learn of all upcoming activities.

The men played regulation golf at Camarillo Springs on July 20. No surprise that an 87 gross by Charlie Bellante took top honors. Low net in Flight A to Warren Sugg (68), while Harvey Shirk and John Rice tied at 70 for second place.

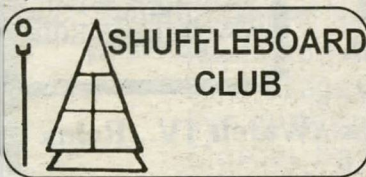

Former Pres. Dutch Filbry won low gross in Flight B with a 97. Joe Selber

took low net (70), one stroke ahead of George Fritz. Page and Calkins tied for third, each shooting 74.

In Flight C a gross of 108 by Don Dance took the honor. A net of 76 by J. Praeger was low, with Al Walker and Jack Rogers tied at 77 for second.

At the 19th hole party on July 31, Ted Rose announced another 20th Anniversary event. Hold Thursday, October 27 for a special tournament at Soule Park. This will feature players from both the Men's and Women's Golf Clubs -- shotgun format followed by lunch. Non-golfers definitely are welcome, more details later.

Low gross winners in the morning's Mixed Couples Tournament were Charlie Bellante (53), Gene Bookwalter (55) and J. Praeger (59). Net honors to Gus Honick (51) in Flight A. Don Laird and Ernie Ohmstedt tied (51) in Flight B, Don Dance winning Flight C with a 49.

SHUFFLEBOARD CLUB

By Cyril Maller

The August meeting of the Shuffleboard Club was conducted by Pres. Eleanor Kramer who announced that the Annual B.B.Q. was a huge success and enjoyed by all. Plans for a tournament were discussed and everyone agreed that the refurbished courts are bringing more players out for the M-T-W morning sessions. Watch channel 12 for further details regarding the tournament. Next meeting of the Shuffleboard Club will be Sept. 6 at 7:30 p.m. in the MPR.

BOWLING

By Jack Whalen

"All systems are ready to go," says Bowling president Al De Fusco, "as we approach the opening day of this year's bowling on Friday, September 9 at the Camarillo Lanes."

Seventy two bowlers have signed-up, meaning that there will be 18 teams to start at 10 a.m. each Friday for a season that runs until April 1995.

There's always a need for subs, Al reports and he encourages any who may be interested in occasional bowling to call him at 482-0568.

warm and friendly. Accolades to the good members who worked so diligently to make it such a successful day.

In September the Nominating Committee will be announced for the selection and elections of new Billiard Club officers. Have your suggestions ready and remember we will have the next meeting Tuesday September 27, in the M.P.R. at 7:30 p.m.

BILLIARD CLUB

By Anita Trindl

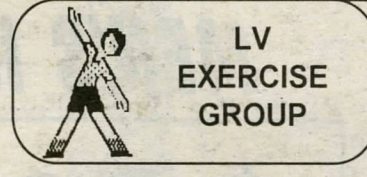

The Annual Billiard Club Picnic has taken place and from all indications, "A good time was had by all!" The day was perfectly beautiful, the food was good and plentiful, and the people attending were

more efficient food service. Each table will plan its own menu and provide a full course meal for that table only.

Wine, tea, coffee and soft drinks will be provided by the committee and after the sumptuous repast we will have tables for cards, mah jong, Scrabble and any other games until 11:00 p.m.

Discussions have been held with representatives of the Ed and Rec Committee regarding replacement of the pool patio cover destroyed as a result of the January earthquake. We are eagerly awaiting a decision and hope for the patio cover to be installed in as short a time as possible.

We continue to meet poolside M-F from 8:30 to 9:00 a.m. and invite all Villagers to join for an invigorating way to start the day.

LV EXERCISE GROUP

By Lillian Mankoff

The daily program of the L.V. Exercise Group was strongly supported by Hunter and Eileen Cohen's personal physician, Dr. Lynn Pluche. He not only observed our class but he enjoyed participating. He advised us that the exercises were excellent and to keep up the good work. He said he would like to come again.

The October 6 bus trip to Santa Barbara City College for lunch and a city visit is all booked up. We are taking names for the waiting list in case of cancellations.

The committee planning our October 28 pot luck in the AR has come up with a most creative and innovative plan to facilitate

FARMERS CLUB

By Hunter Cohen

The Leisure Village Farmers Club thanks you, ILV and Channel 12! The notices you published have reduced the number of "mysterious vegetable disappearances".

These are busy times for the Farmers. We are eagerly awaiting the reconstruction of the garden fence. We deeply appreciate the support of the Education and Recreation Committee and the Architecture and Landscape Committee for the project. We hope Don Nelson can schedule the work for early completion. The new fence will make competition between the rabbits and the Farmers more equitable.

Our next project will be the re-design of the gardens. We hope to standardize the individual plots and the walks. When this is done, we intend to make the vegetable gardens a source of pride for the entire Village.

Al Fox, chairman of our education committee, is preparing events of interest for "Green Thumbers" and "Wannabees". Watch for future announcements!

Writers Round Table

By Cele Porges

The July 12 meeting of the Writers Round Table began with announcements of writing contests and the possibility of a Poet's Corner on Channel 12, directed by two villagers. Citing the poetry of Dorothy Parker, Irwin demonstrated how poetry can become song lyrics.

Norma Jenkins began the readings with an essay on relationships. Oleg Lopatin read a poem *Requiem for the Nice People*. Jim Rogers had an idea for a longer work on the interesting character of his Uncle Fred. John Callas gave the first section of his mystery novel.

Irwin Porges opened the July 26 meeting with a discussion about writing on

"two levels" in both poetry and prose, what it means and what it should do. A newspaper article followed about a man in a retirement home who won an award from the National Library of Poetry. The man was 103 and had written his poem at 95!

The readers were Duane Waln, a character study, then his first piece using dialogue. Norma Jenkins read thought-provoking poem *The Dove*. Oleg Lopatin read the opening of his exciting mystery novel. Ruth Carlson concluded the readings with another part of her projected work on her nursing career.

We have a very interesting and challenging group. There are plenty of chairs for anyone who would like to attend the Round Table which meets every second and fourth Tuesdays at 1:30 in the Lanai Room.

INDOOR OUTDOOR GARDEN CLUB

By Doris Achterkirchen

The Garden Club had its annual picnic on Thursday, August 11 in lieu of its regular meeting. The members and their friends enjoyed a delicious catered supper and were entertained by Paul Sime, Pat's son, who plays the acoustic guitar and sings, including some of his own songs. It was a memorable evening.

Members and other concerned residents of the Vil-

lage are reminded of the ongoing Beautification Fund drive. At this stage it will be used to enhance the area near the tennis courts. It will be a beautiful, relaxing addition to the Village for everyone to enjoy and all villagers are encouraged to contribute money. Lucy Gerhardt (987-1194) is in charge.

The next club trip will be September 28 to Descanso Gardens in La Canada, and to the Gamble House in Pasadena. Contact Georgia Griswold (388-1383) or Ruth Miller (987-8162) for further information.

LOOKING AT
CHANNEL 12

By Janet Hof

Channel 12 has planned a varied series for September with entertaining, educational and medical programs on the agenda.

Monday, August 29, we will telecast the monthly Board of Directors meeting at 10:00 a.m., with a repeat the following Saturday.

Thanks to the Keyboard Club for their generous donation to the Channel 12 coffers.

We've planned some medical-interest programs for this month. Monday the 19th will be "Cholesterol, the Inside Story," with Regis Philbin and Kathie Lee Gifford. For this tape and others which we'll show at later dates, our thanks go to Village 17's Ben Perry, whose daughter is an executive with Bristol-Myers Squibb Co. On Wednesday the 28th will be YNCG's discussion on New Techniques of Heart Surgery, a substitute for angioplasty. How To Cope with Hard Of Hearing will be shown on September 7.

Lee Edwards will return at 5:00 p.m. September 12 with her always popular movie review. The July 4 picnic will be shown September 14, and for those of you who missed the live program in August on Homeowners' Rights, it will be broadcast on Saturday the 17th.

Last, but certainly not least, a book review is on tap for Monday the 26th, when Lillian Hawthorne will critique a mystery story.

THE
SAWDUSTERS
CLUB

By Dana M. Street

A notice was given that the Sawdusters Club has been disbanded. This notice was premature. The Sawdusters Club is alive and well. Let me recount what transpired.

At the June meeting of the club when officers for the coming year were to be elected, there were few in attendance. It should be noted that the summer months normally have a smaller attendance for a variety of reasons, and many interested members were not present. There being no candidates for offices, the six members present voted to disband the club. This was contrary to the wishes of other members who were not present.

Sixteen members met at the regular time in July. They decided that a quorum had not been present at the June meeting, and elected to continue the club. Since the club met at its regular time, it had

not been truly disbanded. Other members were contacted who were not able to attend this meeting, but still wished it to continue.

Each of the members present expressed his views on the nature and scope of the club and the activities which should be included. While working with wood and utilizing the woodshop is still the main focus of the club, it is not just building toys, but includes other construction and household repair as well, and is not necessarily confined to wood.

Many felt they could provide a program for the club. Also the club can serve as a forum for solving problems or offering advice with a project that is off the beaten path. Any villager may bring his problem to a walk-in clinic which will be part of each meeting and probably find a solution.

The next meeting will be at 2:00 p.m. in the MPR on Thursday, September 1. Visitors are welcomed.

Dance times are: Monday 12:30 - 1:30 p.m. For beginners. 1:30 - 3:00, for regular class teaching. Wednesday 9:00 - 10:30 a.m. Review and new dances. Friday 9:00 - 10:30 a.m. continuous dancing.

The club will have its annual picnic September 19, from 12:00 noon to 3:00 p.m. in the AR. Lunch will be catered. Members, spouses and friends are invited for a pleasant afternoon of lunch and dancing. Come and enjoy yourself. Everyone participates in dancing. No partners are needed.

Hospitality committee members are Mae Sheff, Ruth Helfer and Florence Friedman and Lil Bein. We welcome new villagers and encourage you to join our group and enjoy the camaraderie of friends and neighbors.

Village Cloggers

By Louise Houser

The Village Cloggers continue to meet in the AR every Tuesday from 9:30 until 12 noon. The latest "Beginners" are becoming pros.

Anyone wishing to come and visit is certainly more than welcome. Maybe when you see what fun we are having you will want to include clogging in your schedule and join the group when the next beginners class begins. This is tentatively planned for October and definite dates will be forthcoming; so read ILV and watch Channel 12!

LV ROUND DANCE

By Bob Vanicek

Whenever a month contains a fifth Sunday, the club suspends teaching on that day. Instead, instructors Al and Ruth Siegel put our dancing acumen to the test by selecting "classics" and other "oldies" for a broad review coupled with continuous dancing.

Al and Ruth's Wednesday workshops have been the guiding light in preparation for this day so that if we have done our "homework" properly, we are rewarded by wide smiles and applause from our two mentors. Otherwise, it's "back to the drawing board," as the saying goes.

During half-time "break" the club was treated to an impromptu demonstration of Advanced Round Danc-

ing. A small circle was quickly formed in the AR by couples Kay and Betty Murray, Al and Ruth Siegel, Gerry and Barbara Stone, and Art and Alice Rosner, who performed two delightful numbers followed by well-deserved applause.

Delicious gourmet goodies, donated by our always-generous members, served as "icing-on-the cake" for the occasion and amply rewarded everyone after almost two hours of continuous dancing.

You're missing a good bet if you don't drop in to visit us Sunday mornings to see what Round Dancing is all about. The doors to the AR are always open and we welcome all who want to observe. Our objectives concentrate on the Intermediate Phase-II and -III levels; so if you've Round danced before, come in and let's talk.

HAPPY HOOFERS

By Dorothy Karlin

The Happy Hoofers are most happy to announce that the Tapercise class is off to a toe-tapping start. Many villagers came ready to learn and get healthful exercise at the same time.

Two-dollar donations were cheerfully offered and Katy, our teacher, was delighted to share her

knowledge of terpsichory. It's not too late to join us. Come and see every Monday at 9:00 a.m. in the A.R.

The Hoofers have been spending the summer relaxing and vacationing, but they are also busy renewing old routines, perfecting present routines and learning new ones. We are also looking forward to performing for the Pleasant Valley Extended Care Unit as part of our community services activities.

SATURDAY NIGHT BALLROOM DANCE

By Anne Janoff

Tomorrow, Saturday August 27, Jean Aird and Bela Sampson will be hosting the dance. The dance on August 13 was hosted by Joe and Charlotte Romero. These late summer, warm and sultry days, don't stop our villagers from enjoying our

Saturday Night Ballroom dances. Our evenings provide lots of good dance music recorded on tape, as well as pleasant socializing with friends.

On September 10, "Y'all come on down" for our "Western" night. This is always a fun evening and an opportunity for our cowboys and gals to don their "out west" outfits in keeping with the theme. The usual casual attire is always appropriate, if pre-

ferred.

Dancing from 8-11 p.m. in the AR, only fifty cents per person. Refreshments; coffee, tea, punch and ice. BYOB. All are welcome, including visiting guests, to share the enjoyment of our dances.

Mark our dates on your calendar and watch Ch 12 for additional details. Hosting our dances can be fun too. Just call Ginny Dunnion 484-1238 for details.

VILLAGE SWINGERS SQUARE DANCE CLUB

By Sig Jaffe

The Village Swingers celebrated President Cyrus Boynton's 80th birthday with a surprise pizza party in July. He was gracious and grateful, and in good humor as usual. Gary Dane was the guest caller for the evening and

presented a lively program that was very enjoyable.

The Swingers were very pleased to welcome Joan and Bob Guhl, who danced for the first time since Joan's fall a few months ago. We were happy that she is making a successful recovery.

Programs Coming up are: September 6 General meeting, wear club colors. September 13 an evening of singing calls. September 20 Sadie Hawkin's

day, ladies will chase and choose partners. September 27 Bill Kramer will call and Bill Burrier will cut the rounds starting at 6:45 p.m.

Dances always take place in the A.R. starting at 7:00p.m. unless otherwise indicated. Rounds will be danced until 7:30p.m. Squares and Rounds alternate between 7:30 and 9:30 p.m. when refreshments are served. Visitors are always welcome.

Clip and Save Guidelines For Contributors To ILV

Reporters and publicity people submitting material to be used in Inside Leisure Village will help out the staff (and may enhance the reception of their material) if they will follow basic guidelines. These include:

1. Type all material, or we must take time to type it, a delay. If handwritten copy is absolutely necessary, submit it early.
2. Use full size 8" x 11" sheets of paper. Odd size sheets can get lost.
3. DO NOT TYPE IN ALL CAPS: stories in all caps must be retyped.
4. Put writer's name and phone number in upper left corner.
5. Leave 2" of space at top of page for our notations.
6. Type group's name and writer's byline.
7. Double space each line and indent each paragraph.
- (If we sound like English teachers, you're right!)
8. Put the name of your group into the FIRST sentence of your story. This makes it easier to match with the right logo, if you have one.
9. Be sure your copy can be easily read. Do you need a new typewriter ribbon? Do the keys need cleaning? No red ribbons, script type or Xerox copies, please. Clean copy prevents misunderstandings.
10. Submit your story on

time. Deadline is Monday at 5:00 p.m., usually the first Monday of the month. Deadlines for the next paper are listed on page 2 of each issue. Please check the exact deadline and meet it. All material should be placed in the ILV mailbox in the east hall of the Rec Center.

11. If your story must be late, call the coordinator and tell her when you can get it in and why it must be late. Coordinator has the OPTION to accept or refuse the copy.

12. Call the coordinator to arrange in advance for a photographer to cover your event. Do not call the photographer directly; he works on assignment from the coordinator only. Planning for each issue, including pictures, starts the first week of each month, so if you want pictures, we need notice.

13. A news story is not minutes of your meeting. Reading about events two months old is dull. What is coming up for your group? Feature future events.

14. If ILV must cut your article because of space, the cutting generally starts at the end, so put your important information at the top, and then give the details.

There are about 70 items submitted to ILV for each issue. If writers used these standard rules, the job of the coordinator and the staff is made easier.

BINGO !

By Cy Maller

Village Bingo is still on a roll! Every week our attendance tops the 100 mark. Still the "best buy in town". Your attendance governs the payoffs. What we take in goes back to you.

Our games are different, camaraderie among players where winners are applauded, is usually nonexistent, but Village Bingo is something different.

Marian Travano needs some more callers. Give it a try and you'll love it.

The Rhythmettes were together again for their annual picnic August 23. The next special day will be August 30, an extra practice day to prepare for the Rhythmettes' part in the Camarillo Fiesta entertainment in Constitution Park October 2.

There will not be any practice September 6, in observance of Rosh Hashana. The next practice will be September 13, one of only three rehearsals left to polish up the repertoire.

VILLAGERS COUNSEL CANCER PATIENTS

The statistics on breast cancer tell us that the number of cases is not diminishing, and that as we get older we are more prone to the disease.

One branch of the American Cancer Society is the "Reach to Recovery." There are three Volunteers here in the village, and we are here to help. If you ever find a lump in your breast, please, call us immediately.

All volunteers are trained and they all are victims of this disease, happy and healthy survivors. They have much helpful information to give, and if surgery should be necessary they will provide a temporary prosthesis and show you exercises that are essential for a good recovery.

Besides this they are good to talk to because they have gone through all the fears and anxieties, and they will listen with understanding.

We want to see you as soon as there is a diag-

nosis for cancer or even before, if you are concerned. If surgery is indicated there will be days before the procedure, and a visit will be most helpful at that time. So please call any of these numbers: The American Cancer Society 983-8864 or 656-3437. Their address is 1363 Del Norte, Camarillo 93010. In the village call: Sonia Brink, 484-2387.

Men, please know that you can get breast cancer too, though fortunately it does not happen often.

SPIRITUAL GROWTH GROUP

This is such an enjoyable time of fellowship once a week. All women in the Village are welcome. Hope to see you soon. For further information call Dorothy Holcomb, 482-5293.

Notes From The Past

This column, gleaned from back issues of ILV, reports events that occurred 5, 10 and 15 years ago. We believe this will interest residents who are new to the Village, as well as those who have been here only a few years and maybe those who were here when the events occurred.

5 YEARS AGO

The 1989 Leisure Village Association elected the following residents as the Board of Directors: June Niles, president; Bill Blauer, 1st vice president; John Lauten, 2nd vice president; Ann Levey, treasurer and Al Bennett, secretary. Approximately 200 villagers participated in the second Disaster Preparedness Exercise to test the ability of the Emergency Services Organization to respond in case of an emergency here in the village.

10 YEARS AGO

The 1984 Leisure Village Board of Directors consisted of Lou Okun, president; Dick Van Horn, 1st vice president; Bill Himstreet, 2nd vice presi-

dent: Phil LaPorte, secretary and Dave Corwin, treasurer. Leisure Technology contributed to funding to have the Ventura County Flood Control District remove growth and silt from Conejo Creek. The East Gate was opened and placed in operation with Security Department personnel.

15 YEARS AGO

Tom O'Brien was elected president of the LVA Board of directors, assisted by Henry Malkin, 1st vice president: Donaldine Weed, 2nd vice president: Martin Beckel, treasurer and Ronald Rarlow, secretary. This election had a turnout of 600 votes out of an eligibility list of 1600 homes. A 5% reserve fund was established to provide for replacements and repairs. The association budget has been set at \$1.8 million. Three villagers are on a committee to establish paramedic service for the City of Camarillo. The LVA declined to accept villages 29 through 38 until the poor paving supplied by Leisure Technology was repaired.

The Camarillo-Somis Tutoring Project needs additional people to tutor local elementary pupils. Volunteers will receive training and are given a choice of six local school sites.

An Orientation/Training session will be held on September 26 from 3:30 - 5:00 p.m. in the Trinity Presbyterian Church Fellowship Hall on Las Posas. For more information call Sarah Beth Tennison, 482-2285.

GARAGE DOORS

Residents are reminded that they should be thoughtful of their neighbors and close their garage doors. The view of the contents of a garage is seldom a pleasant sight.

Next ILV deadline

is Monday,
September 12
at 5:00 p.m.
