

I am honored that Governor Brown has come to Ventura County, to Oxnard, to lend his support to my campaign.

I look forward, when I go to Sacramento, to working with the Governor for the benefit of the people of the State and the people of Ventura County--- and to bring the attention of the Governor the particular needs of Ventura County.

As I have campaigned all over this district for the past year, there is one overriding issue that people here are concerned about --local property taxes.

Every bill that moves through the legislature must be examined for its financial impact on the local property tax. I intend to tackle that job with enthusiasm to protect all of you.

Ten years ago the State began a shift of State costs down to the local property tax. I am going to work to reverse that. Services of State wide interest, such as welfare and education should not be born by the inequitable, uneven local property tax.

*digital*  
To tackle these and other problems, you need an independent legislator. The people of this district are not going to be fooled by the imagery and words of the other candidate for this office who pretends to be of a new cut. All you need to do is to examine the large financial backers of ~~his~~ his campaign to know that he represents the same old special interest politics of the past.

Our campaign is a people, grassroots campaign that is going to elect an assemblywoman who will represent the people of the district.

I want to thank all of you who have come this evening to welcome the Governor and to assist my campaign. In addition I want to thank the hundreds of *volunteers* volunteers so much and for so long, and especially to thank all of you

who have helped with this grand party. John and Diane Flynn, Russ and Mary Westall, Pat Weinberger <sup>very</sup> ~~are~~ the chief movers of this event. Thank you and all those who have helped you. ( Two of our key workers are celebrating their birthday today with us one 44 and one 24 Lois Gohrband and Kathy Diaz )

1. Honored
2. Look forward
3. Campaigned
4. Every bill financial impact on local P 1 a
