Financial aid recipients should consult a financial aid representative regarding the implications of a complete withdrawal. Please see Registration Experience section of this Schedule of Classes for procedures.

Statement of Nondiscrimination and Disability Services Information

California State University Channel Islands prohibits discrimination or harassment based on sex, gender, race, color, religion, national origin or ancestry, age, disability, marital status, sexual orientation, cancer-related medical condition, or genetic predisposition. The University also prohibits discrimination against anyone due to a relationship or association with an individual with a known disability.

The University practices equal opportunity in admission to, access to, and operation of instruction, programs, services, and activities. Also, the University provides equally effective communication.

The University considers reasonable accommodation for these purposes: (a) completion of the admission and enrollment processes; (b) participation in instruction, programs, services and activities; and (c) equally effective communication, upon request by persons with legally protected disabilities.

Questions, concerns, complaints, and requests for reasonable accommodation or additional information may be forwarded to Disability Resource Programs at (805) 437-3331 (V/TTY).

Use of Social Security Number

Applicants are required to include their correct Social Security number (taxpayer identification number) in designated places on applications for admission pursuant to the authority contained in Section 41201, Title 5, California Code of Regulations, and Section 6109 of the Internal Revenue Code (26 U.S.C. 6109). The University uses the Social Security number to identify students and their records as well as to identify the student for purposes of financial aid eligibility, disbursement, and the repayment of financial aid and other debts payable to the institution. Also, the Internal Revenue Service requires the University to file information returns that include the student's Social Security number and other information such as the amount paid for qualified tuition, related expenses, and interest on educational loans. This information is used by the IRS to help determine whether a student, or a person claiming a student as a dependent, may take a credit or deduction to reduce federal income taxes.

Privacy Rights of Students in Education Records

The Federal Family Educational Rights and Privacy Act of 1974 (20 U.S.C. 1232g) and regulations adopted thereunder (34 C.F.R. 99) set out requirements designed to protect students' privacy in their records maintained by the campus. Specifically, the statute and regulations govern access to student records maintained by the campus and the release of such records. In brief, the law provides that the campus must provide students access to records directly related to the student and an opportunity for a hearing to challenge such records on the grounds that they are inaccurate, misleading, or otherwise inappropriate. The right to

a hearing under the law does not include any right to challenge the appropriateness of a grade as determined by the instructor. The law generally requires that written consent of the student be received before releasing personally identifiable data about the student from records to other than a specified list of exceptions. The institution has adopted a set of policies and procedures concerning implementation of the statutes and the regulations on the campus. Copies of these policies and procedures may be obtained at the Enrollment Center in Sage Hall. Among the types of information included in the campus statement of policies and procedures are: (1) the types of student records and the information contained therein; (2) the official responsible for the maintenance of each type of record; (3) the location of access lists that indicate persons requesting or receiving information from the record; (4) policies for reviewing and expunging records; (5) the access rights of students; (6) the procedures for challenging the content of student records; (7) the cost which will be charged for reproducing copies of records; and (8) the right of the student to file a complaint with the Department of Education. An office and review board have been established by the Department to investigate and adjudicate violations and complaints. The office designated for this purpose is: Family Policy Compliance Office, U.S. Department of Education, Washington, D.C. 20202-4605.

The campus is authorized under the Act to release "directory information" concerning students. "Directory information" may include the student's name, address, telephone listing, electronic mail address, photograph, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous educational agency or institution attended by the student. The above designated information is subject to release by the campus at any time unless the campus has received prior written objection from the student specifying information which the student requests not to be released. Written objections should be sent to the Admissions and Recruitment office in Sage Hall.

The campus is authorized to provide access to student records to campus officials and employees who have legitimate educational interests in such access. These persons are those who have responsibilities in connection with the campus's academic, administrative, or service functions, and who have reason for using student records connected with their campus or other related academic responsibilities. Disclosure may also be made to other persons or organizations under certain conditions (e.g., as part of the accreditation or program evaluation, in response to a court order or subpoena, in connection with financial aid, in relation to other institutions to which the student is transferring).

Policy on Communication with Students

In order to ensure accurate, timely, and effective communication of University business with students either by mail or email, University policy SA.07.005 has been adopted.

1. Mail

- a. Students shall provide the University with a current mailing address. Mail shall be defined as letters and parcels conveyed by the United States Postal Service.

2. Electronic Communication

All students shall receive an email account from the University. Email shall be defined as the system whereby letters, messages and other data are transmitted from one computing or electronic communication device to another through an electronic communication network.

- a. Official student email addresses end in @dolphin.csuci.edu. Students may have email privileges restricted for disciplinary reasons.
- b. Administration shall utilize the “Dolphin Email” system as the official means of communication to CSUCI students. In the event that Administration is unable to communicate with a student using the “Dolphin Email” system, Administration shall communicate with students via the U.S. Postal Service.

- d. Faculty shall determine how electronic forms of communication (e.g. email) will be used in their respective classes and will specify requirements to their students.
- e. All electronic communication shall meet federal and state accessibility requirements.
- f. All email sent to students shall include the name, title, email address and telephone number of the person sending the email so that the student may verify the integrity of the email.
- g. Personal or identifying information in emails sent to students may only include directory information as defined in the University Catalog under the section entitled “Privacy Rights of Students in Education Records (FERPA)” unless the student has specified in writing to the Admissions and Recruitment office not to release directory information.
- h. It is a violation of University policy to use University mail or a University email address to impersonate a University office, administrator, faculty, staff member, or student.
- i. Students who are suspended or expelled may have their “Dolphin Email” account closed. The account shall only be re-opened with approval from the University Judicial Affairs Officer.
- j. Complaints involving harassing email shall be investigated by the University Judicial Affairs Officer.
- k. Students who voluntarily withdraw from the University and have not completed their program degree or have not enrolled for more than one academic year, will have their email account closed at that time.

- l. Only designated University offices are eligible to send global student emails.
- m. Student email addresses shall not be provided for commercial purposes, personal gain or spamming.

ACADEMIC POLICIES

This section contains summary information about academic policies. These policies are provided in their entirety in the Policies and Regulations section of the University Catalog. Please consult the Catalog for complete information about these policies.

Course Load for Undergraduate Students

An undergraduate student may enroll in 18 units without advisor approval. Students enrolling in 19 or more units are required to have a faculty advisor's written approval. Students who have not declared a major and are seeking permission to enroll in 19 or more units should contact the Advising Center.

Declaration of Majors

To help ensure timely completion of graduation requirements, students who have a total of 60 units completed and in progress must have declared a major before they may register for the next term. Upper-division transfer students are required to declare their intended major on their application for admission.

Undergraduate Minors

Students may declare any minor offered by the university, with the following restrictions. In order to declare a minor, a student must have a declared major. Generally students will not receive a minor in a discipline in which they are majoring. However, some Program Areas may allow students to major in one discipline and minor in a different discipline within that same Program Area. Each Program Area will specify in the catalog when this is allowed, clearly stating the major and minor combinations for which this is permissible.

Academic Leave

Students who take a one semester leave of absence from CSUCI are considered continuing students and do not need to take any action prior to registration. Any student in good academic standing may apply to take a leave of absence from the university for up to four consecutive semesters.

Semester Honors

CSUCI undergraduate students completing 12 or more units with a letter grade in a single semester or completing 12 or more units with a letter grade in one academic year assessed at the end of the Spring semester, shall be named to the Semester Honors list if they earn a 3.75 or higher grade point average.

Participation in Commencement Ceremonies

Commencement is held annually at the end of the spring semester. Students who have completed degree or credential requirements the previous summer or fall terms are eligible to participate in the ceremony along with those who plan to complete their work in the spring or subsequent summer and have filed an Application for Degree and Diploma. Names of graduates and degree candidates who have applied for graduation by the published deadline will be published in the Commencement Program.

The catalog also contains information concerning:

- Program Honors
- University Honors

Academic Probation and Disqualification

Academic Probation: An undergraduate student is subject to academic probation if at any time the cumulative grade point average (GPA) in all college work attempted or the cumulative GPA at CSUCI falls below 2.0. Probationary students will be advised of their status at the end of the semester. The communication will include conditions for removal from probation and the circumstances that would lead to disqualification. All probationary students are required to receive academic advising no later than the second week of the following semester. Students shall be removed from academic probation once they have received such advising and both the cumulative GPA in all college work attempted and the cumulative GPA average at CSUCI are at least 2.0 or higher.

Academic Disqualification: An undergraduate student on academic probation will be academically disqualified when the student's GPA in all units attempted or in all units attempted at CSUCI falls below the following: as a freshman, 1.50; as a sophomore, 1.70; as a junior, 1.85; as a senior, 1.95. Students' records will be evaluated for disqualification at the end of each semester. Students cannot be placed on probation for the first time at CSUCI and be disqualified in the same semester. However, students who have previously been on probation at CSUCI and fall below the GPA listed above will be academically disqualified, even if the probation and disqualification semesters are non-consecutive. A student may appeal disqualification no later than three weeks before the start of the semester following the disqualification. Appeals should be made to the Office of the Provost or Designee. Appeals will be decided by the Academic Appeals Board. Typical grounds for a successful appeal include significant improvement towards meeting the GPA requirements and/or extraordinary circumstances beyond the student's control, as determined by the Academic Appeals Board. A successful petition of appeal for disqualification will result in the student remaining on academic probation. Students who appeal unsuccessfully will need to apply for reinstatement as specified in the Policy on Reinstatement if they wish to continue at CSUCI.

Postbaccalaureate Students: A postbaccalaureate student will be subject to academic probation if, after attempting 12 or more graded units, his or her postbaccalaureate cumulative GPA for units attempted at CSU Channel Islands falls below a 2.50 average. The GPA will determine whether a student is subject to probation only when the student has attempted 12 semester units. A student enrolled in a graduate degree program in either conditionally classified or classified standing shall be subject to academic probation if he or she fails to maintain a cumulative GPA of at least 3.0 in all units attempted; no course in which the student receives lower than a C may be counted toward a Master's degree.

Students may also be placed on Administrative-Academic Probation or Administrative-Academic Disqualification subject to the conditions described in the Catalog.

Reinstatement

In order to be considered for reinstatement to CSUCI, a disqualified student must demonstrate academic ability by completing additional coursework. All classes taken must be applicable for degree credit at CSUCI. After eliminating the

grade-point deficiency, the student may petition the Academic Appeals Board for reinstatement. *The student must submit the petition for reinstatement no later than three weeks before the beginning of the semester that the student intends to return.* The Academic Appeals Board will only consider the petition for reinstatement of students who have remained outside of the university for at least one regular (Fall or Spring) semester after their dismissal. *Students who are disqualified, reinstated, and become disqualified a second time will not be granted a second reinstatement.*

Acceleration of University Studies

The University provides several means by which students may accelerate their studies; these are discussed below. Each of the following options may be subject to restrictions and regulations within individual academic programs. Therefore, students interested in any of these options should consult with the catalog and/or chair of the concerned program.

- Advanced Placement
- Unit Credit by Examination
- Substitution of Courses
- Waiver of Course Requirement
- Credit Toward Graduation for Courses Taken Outside CSU Channel Islands

Graduation

To qualify for graduation, students must complete all requirements for the bachelor's/master's degree by the official graduation date listed in the Schedule of Classes. Graduation is not automatic upon the completion of requirements. Students who intend to graduate must take the initiative and file by the appropriate deadline below. While students are ultimately responsible for completing all degree requirements, assistance is available through faculty advisement, the Advising Center, and Graduation Evaluations. It is important that students meet regularly with an advisor to avoid graduation problems and delays.

The Application for Degree and Diploma, and filing fee entitle students to an official graduation evaluation of progress toward meeting degree requirements. Students qualifying for graduation by the designated graduation date may participate in the annual commencement ceremony. The application for degree is available at the Advising Center in the Bell Tower and at the Enrollment Center in Sage Hall and on-line on the Records and Registration web page. Submit your Application for Degree and Diploma to the Cashier's Office with the \$45 fee by the deadlines listed below. More information about the graduation process is available on the Records and Registration web site at <http://www.csuci.edu/students/GradFAQ.htm>.

Grade Policy

1. The "ABCD" is the default grading system.
2. Although it is not required, individual faculty members may add a "+" or "-" to any grade except "F." By adding a "+" to a grade, the grade points earned increase by 0.3 (except an A+ shall still be 4.0 grade points). By adding a "-" to a grade, the grade points earned shall decrease by 0.3. Course syllabi are required to state clearly whether "+/-" grading is used.
3. A student may take a course "CR/NC" if the course is designated as allowing "CR/NC" grading in the course approval process.
4. No more than 12 units of General Education courses may be taken "CR/NC."
5. The decision as to how many units of courses may be taken "CR/NC" and which courses can be taken "CR/NC" is left up to each individual program.
6. Course syllabi shall include a discussion of the instructor's grading policy.

Other Grading Symbols Assigned:

I (Incomplete Authorized). The "I" symbol indicates that a portion of course required course work cannot be met within the prescribed time period due to unforeseen circumstances, and that there is still a possibility of earning credit. It is the responsibility of the student to bring pertinent information to the attention of the instructor and to determine from the instructor the remaining course requirements which must be satisfied to remove the Incomplete. An "I" must normally be made up within one calendar year immediately following the end of the term during which it was assigned. A final grade is assigned when the work agreed upon has been completed and evaluated. Failure to complete the assigned work will result in an "I" being converted to an "IC" symbol, unless the faculty member assigns a specific letter grade at the time the Incomplete is assigned.

IC (Incomplete Charged). The "IC" symbol may be used when a student who received an authorized incomplete ("I") has not completed the required course work within the allowed time limit. The "IC" replaces the "I" and is counted as a failing grade for grade point average calculation.

RP (Report in Progress). The "RP" symbol is used in connection with courses that extend beyond one academic term. It indicates that work is in progress, but that the assignment of a final grade must await completion of additional work. Work is to be completed within one year except for graduate degree theses.

W (Withdrawal). The "W" symbol indicates that the student was permitted to withdraw from the course after the third week of the semester with the approval of the instructor and appropriate campus officials. It carries no connotation of quality of student performance and is not used in calculating grade point average. See withdrawal procedures in the Catalog.

WU (Withdrawal Unauthorized). The “WU” symbol indicates that an enrolled student did not formally withdraw from the course according to University policy and also failed to complete course requirements. It is used when, in the opinion of the instructor, completed assignments or course activities or both were insufficient to make normal evaluation of academic performance possible. For purposes of grade point average, this symbol is equivalent to an “F.”

Forgiveness of Previously Earned Grade (Repeat & Delete)

The Forgiveness of Previously Earned Grade Policy may be used only by undergraduate students. It may not be used by graduate/post-baccalaureate students working on master’s degrees, graduate certificates, teaching credentials or by unclassified post-baccalaureate students, even when they might take undergraduate courses. This policy applies only to courses taken at CSUCI and repeated at CSUCI. In the case of a repeated course, the subsequent grade is substituted for the earlier one in the computation of units attempted and grade point average. The previous course grade(s) remain(s) on the record, but is/are annotated as being discounted from grade point average calculations.

1. Undergraduate students may repeat up to a total of sixteen (16) semester units taken at CSUCI, for forgiveness. Beyond 16 semester units, all grades received will be averaged into the GPA.
2. Undergraduate students may repeat an individual course for grade forgiveness no more than twice (3 times total).
3. This policy may be used only on grades of “WU,” “F,” “D-,” “D,” “D+,” “C-,” “IC.”
4. This policy may not be used on grades of “A+,” “A,” “A-,” “B+,” “B,” “B-,” “C+,” “C,” “I.”
5. A grade assigned as a result of student disciplinary procedures cannot be forgiven and will be computed in the grade point average.

Graduate / Postbaccalaureate Student Course Repeat

A graduate/postbaccalaureate student may take a course a total of 3 times with no grade forgiveness. All grades will be calculated into the GPA. Unit credit for the courses will be granted only once unless courses are repeatable as specified in the catalog.

Policy on Course Grade Appeals

1. Each student has the right to appeal the final course grade, but only the final course grade. For example, a student may not appeal grades on individual assignments and/or examinations.
2. Appeals are limited to situations in which the student believes the grade was “prejudicially,” “capriciously,” or “arbitrarily” assigned.
3. The appeal must be initiated within the first seven weeks of the first regular semester after assignment of the grade* (See item 6 below). A student who believes that a course grade has been assigned inappropriately must follow the proper steps in the appeal process, observing the time limits for completion of the steps as follows:

Step 1: The grade appeal must first be directed to the instructor of the course, in writing by the end of the seventh week of the semester and copied to the Chair. If the grade is not correct, the instructor can change the grade with a change of grade form. The instructor

has two weeks to respond to the student’s request in writing and copied to the Chair. Students who file after the fifth week may not have their appeals settled by the end of the semester.

Step 2: If the grade is correct and the student is not satisfied with the instructor’s explanation, and intends to appeal the grade, the student must make an appointment to speak with the program chair. If the instructor is not available or does not respond to the student’s appeal within the given time frame, the Program Chair may act on behalf of the instructor. If the program chair is the instructor, the student should speak with the Vice President of Academic Affairs (or designee). The program chair or Vice President of Academic Affairs (or designee) cannot change the grade, but will then discuss the issue with the instructor and provide a response by the end of the ninth week of the semester to the student.

Step 3: If the student is not satisfied after receiving the response from the appropriate administrator, the student should submit a written appeal by the end of the eleventh week of the semester to the University Appeals Committee through the office of the Dean of the Faculty.

Step 4: The University Appeals Committee will forward the student’s statement to the instructor. The instructor will be required to respond in writing by a specified date within the semester. The student’s statement and the instructor’s response will be reviewed by the entire committee, after which the committee can:

- a. Request more information from the student and/or the instructor
- b. Decide to change or maintain the grade

Step 5: When the committee has made its decision, it will notify the student and instructor in writing, and the student will be given copy of the instructor’s written response by the end of the semester.

4. The University Appeals committee shall consist of faculty and at least one student.
5. Individuals may not participate as a member of the University Appeals Committee in review of an appeal if they are a participant in the appeal. The decision of the University Appeals Committee is final.
6. If a student is a candidate for graduation, the office of the registrar must be notified in writing of the intent to appeal the grade, within 30 days of the last day of the semester. The final degree evaluation will not be performed and the degree will not be granted until the grade appeal process has been completed.
7. No grades can be appealed or changed for any reason after a degree has been granted.

Academic Dishonesty

The catalog defines academic dishonesty to include “such things as cheating, inventing false information or citations, plagiarism and helping someone else commit an act of academic dishonesty. It usually involves an attempt by a student to show possession of a level of knowledge or skill that he/she does not possess.” The catalog describes the process for evaluating cases of dishonesty and assignment of appropriate penalties.

Honor Code

Academic integrity is the responsibility of all members of the CSUCI community. We, as members of the university community, share equally in the responsibility to ensure that the honor code instills self-respect; fosters scholarship and achievement; builds habits of honesty; promotes ethical behavior; inspires mutual fellowship and respect; and confers prestige on California State University Channel Islands and members of the university community. All university community members should be familiar with the Honor code. Students share with faculty and staff the responsibility of sustaining a climate of integrity. These values are to be maintained at all times.

A. Introduction

In a university community, there can be no doubt that honor and the pursuit of knowledge are inexorably intertwined.

An honor system must be believed in, supported, and administered by those who belong to it. Upon enrollment at California State University Channel Islands (CSUCI), each student is automatically subject to the provisions of the Honor system. Each student has a duty to become familiar with the Honor Code and the provisions of the Honor system. Ignorance of what constitutes an Honor Code violation cannot be used as a defense in an honor hearing.

The Honor system at CSUCI does not discriminate based upon race, color, religion, national origin, political affiliation, gender, sexual orientation, age, or disability.

A faculty or staff member may require examination, paper, and other written or electronically submitted assignment contain the following pledge (or similar pledge approved by the faculty or staff member) of the student(s) submitting the work: "This work complies with the CSUCI Honor Code." The pledge shall be signed by the student(s) unless it is submitted electronically, in which case the faculty or staff member may require a different method of proof of a student's pledge.

B. The Honor Code

Students shall observe complete honesty in all academic matters. All students are strongly urged to ask their faculty or staff members to clarify what types of conduct are authorized or unauthorized in each course.

Catalog Rights

Undergraduate students remaining in attendance in regular sessions at a California State University campus, a California community college, or any combination of these institutions, may for the purposes of meeting all graduation requirements elect to meet the requirements in effect at CSUCI either: (1) at the time the student began attendance, or (2) at the time of entrance to CSUCI, or (3) at the time of graduation from CSUCI.

If while enrolled the student declares or changes the major, a major option, or a minor, the student shall follow the requirements either in effect at the time of the declaration or change, or in effect at the time of graduation. Other catalog years may be approved by department petition. Students do not lose catalog rights for GE and other graduation requirements by declaring or changing their major, if they maintain continuous attendance.

Absence related to an approved educational leave or for attendance at another accredited institution of higher learning is not considered an interruption, providing such absence does not exceed two years. The absence must be consistent with the CSU definition of educational leave and with CSU policy.

Students who have been academically disqualified lose previously established catalog rights.

At CSU Channel Islands, the role of advising is shared by faculty advisors and professional academic advisors. Academic advising is a continuous process that supports students throughout their academic journey at the University. Students are ultimately responsible for their educational planning and meeting all graduation requirements. Students need to be familiar with the University Catalog policies, as well as major and degree policies. In order to ensure academic success and remain on course, students are encouraged to maintain regular contact with academic and faculty advisors.

Students may stop by the Advising Center check-in counter to schedule an appointment with one of our professional academic advisors. Academic advisors are busiest during registration periods and the first few weeks of the semester. Students are encouraged to schedule advising sessions during the non-peak times. Major faculty advisors are available on a walk-in basis or by appointment. Each semester, office locations, hours and phone numbers of major faculty advisors are posted in the display case outside the Advising Center.

New Transfer Students

Students will receive information about advising workshops, registration procedures, and Island View Orientation by invitation after officially being admitted to the University. At CSUCI, a student's first experience with academic advisors will take place through group advisement workshops. All newly admitted transfer students will be invited to attend a new student advisement workshop. Workshops will be offered for each major, but general workshops will also be offered for students unable to attend the scheduled workshop for their particular major. The following dates are scheduled for advisement workshops:

June 15-19 July 10

Workshops will include information about how advising takes place at CSUCI, as well as information about general education, graduation and major requirements. Advisors will provide assistance for interpreting the University catalog, schedule of classes and will provide helpful tips for first semester course planning. Students will receive important materials such as major checklists, the class schedule, articulation agreements and the University Catalog. During the workshop students will receive

registration procedures and instructions for registering on-line. Once students receive their invitation and pre-advising guide from the Advising Center, they need to RSVP at 437-8971.

Island View Orientation (Transfer Students)

Systemwide Placement Test Requirements

The California State University requires each entering undergraduate, except those who qualify for an exemption, to take the CSU Entry Level Mathematics (ELM) examination and the CSU English Placement Test (EPT) prior to enrollment. These placement tests are not a condition for admission to the CSU, but they are a condition of enrollment. They are designed to identify entering students who may need additional support in acquiring the basic English and mathematics skills necessary to succeed in CSU baccalaureate-level courses.

Undergraduate students who do not demonstrate college-level skills in mathematics will be placed in appropriate remedial programs and activities during the first term of their enrollment. Students placed in such programs in mathematics must complete all remediation in their first year of enrollment. Failure to complete remediation by the end of the first year may result in denial of enrollment for future terms. Students register for the EPT and/or ELM at their local CSU campus. Questions about test dates and registration materials may be addressed to the Student Life office located in the Bell Tower Building, Room 1769, (805) 437-8510.

Directed Self Placement (DSP)

Directed self placement will be the only method used on the CSU Channel Islands campus to place students into freshman composition courses. EPT scores will not be used. Students will be given guidance in directed self placement during orientation and will select either English 105, Composition and Rhetoric, or the English 102/103 Stretch Composition sequence. Completion of either English 105 or English 102/103 satisfies the freshman writing requirement.

University Writing Center and Learning Resource Center

The University Writing Center and the Learning Resource Center is located on the second floor of the John Spoor Broome Library.

University Writing Center

At the University Writing Center, trained tutors are available to assist students with composing a first draft, organizing their ideas, and polishing their completed work. Students who would like to review the fundamentals of grammar, syntax, and word usage are invited to work with tutors on an individual basis or in small group sessions with the center's director. The center is also available to assist students with organizing their studies, taking notes, and using research materials.

The University Writing Center is open to talk with any student about writing—whether it's a term paper, lab report, or employment letter. Our writing tutors are available to help with editing, organizing a paper, and improving writing skills. Tutors assist students with any step in the writing process, from brainstorming to creating a final draft. The Writing Center provides individual and group tutoring, writing workshops, and other services to meet the writing needs of undergraduate and graduate students. Appointments are at least 30 minutes, and can be as long as an hour. For more information, visit the Writing Center web site at <http://www.csuci.edu/writingcenter/>. The Writing Center's services are free of charge. The Center is open Monday through Thursday from 9:00 a.m. to 7:00 p.m. and Friday from 9:00–2:00 p.m.. For an appointment or more information please call 437-8409.

Learning Resource Center

The Learning Resource Center offers individual and group tutoring for many general education and undergraduate courses. Trained tutors guide and assist students to develop content area knowledge and skills. Tutoring is offered for subjects such as ASL, Biology, Chemistry, Physics and Spanish. Students should contact the Learning Resource administrative assistant to obtain information regarding discipline tutoring available each semester. Students can receive extensive assistance in courses dealing with basic mathematics, geometry, statistics, calculus, as well as higher mathematics. Drop-in assistance is available throughout the semester. The Learning Resource Center is open Monday through Thursday from 9:00 a.m. to 7:00 p.m. and Friday from 9:00–2:00 p.m.. For more information please call 437-8409.

BLACKBOARD

Blackboard is a web-based course management program that enables instructors to present course content and interact with their students via the Web.

CSUCI's Blackboard can be found at:

<http://csuci.blackboard.com>

If you are new to CSUCI, your Blackboard account will be created along with your Peoplesoft account. Once this has occurred, and you have registered for courses, your account will be activated in Blackboard.

To login:

Username = your myCSUCI login (eg. pat.smith123)

Initial Password = your 9 digit University ID Number

This password will always be the same as the password your use to access your email, login to a computer on campus, or access the wireless network.

Blackboard courses are created automatically using the Registrar's data. If you do not see your courses appear, it may mean that your course instructor has not made the course available yet, or has chosen not to use Blackboard for the course.

For more information, contact the IT Help Desk at 437-8552 or 437- 8924.

REGISTRATION

Registration takes place on the web at my.CSUCI.edu. This is the University's student information system. Students register for classes at appointment times, which are set based on class level and descending number of units earned (seniors, then juniors, etc). New students will also register on-line, during Orientation and new student advising workshops. Access to the system is secured by a unique user ID and password. *A How to Register for Classes* guide is available on line at the following link: <http://www.csuci.edu/students/F07--HowToUsePeopleSoft.pdf>

The my.CSUCI.edu system also allows students to maintain their address and phone number, view their grades at the end of the term, and review their transcripts of classes taken at CSUCI. As new features are implemented, they will become available on the my.CSUCI.edu site.

Help documents covering login procedures and minimum browser requirements for use of myCSUCI are available at <http://www.csuci.edu/cicms/help/>. The Office of Records and Registration has a "How To" guide posted on its webpage along with various forms available on the web, such as Change of Program form. Schedule of Classes on the Web

This Schedule of Classes publication will also be available online on the University web site. Additionally, changes, added sections and class cancellations will be posted to the web site prior to the start of the semester. The most current listing of classes is available by using the *View Schedule of Classes* link in my.CSUCI.edu to search current offerings.

Course Load

An undergraduate student may enroll in 18 units without advisor approval. Students enrolling in 19 or more units are required to have a program advisor's written approval. Advisors may sign the Change of Program form or a Course Overload form. Forms are available from, and must be processed at the Enrollment Center.

Waitlist

Students may opt to be placed on a waitlist for a class that is full at the time of registration. The student will be informed at the time of registration in my.CSUCI.edu of his/her position on the waitlist for a class. Students opting for the waitlist are not guaranteed entry to the class. However, prior to the start of classes, if sufficient space becomes available, and the student has not enrolled in another section of the same class or in another class that would cause a time conflict, the student will be enrolled into the class from the waitlist. Students who opt to be waitlisted for a class are encouraged to check their schedules often to determine if their position on the waitlist has changed or if they have been enrolled in the class from the waitlist.

Students will not otherwise be notified of their enrollment in a class from the waitlist. If a waitlist exists for a class at the start of the semester, a waitlist roster will be provided to the instructor which lists students in the order that they waitlisted for the class. The instructor may, at his / her discretion, use the waitlist to determine who may be allowed to add the class.

The waitlist is not available for class sections that have been cancelled nor is it available for non-enrollment components of classes.

Time Conflicts

Students may not enroll in classes that conflict in time. If the faculty members involved believe a student may participate fully and attend two classes that conflict in time in the schedule, the student must obtain the signature of both instructors for these classes on the Time Conflict form, and state the reasons why this is possible. Time Conflict Forms are available in the Enrollment Center for this purpose and on the Records and Registration webpage.

Change of Program

Students are responsible for managing their programs of study; obtaining any authorizations required to add, drop or swap classes or to change the basis of grading for a class. Such changes can be made on the web in my.CSUCI.edu prior to the start of classes without any authorization. Once classes begin through the end of the third week of the semester, the authorization of the instructor is required to add. Beginning with the fourth week of instruction, all enrollment changes must be requested by obtaining required signatures on the Change of Program form and having the form processed at the Enrollment Center.

Students are responsible for any additional fees incurred as a result of adding classes. Please refer to the Change of Program Table in this Schedule of Classes for information on Change of Program deadlines and required authorizations.

Late Registration

Students who have not registered prior to the start of classes must follow the late registration procedures in order to enroll. Students must obtain authorization from the instructor to add a class prior to the published deadline. Students may add classes by obtaining the signature of the instructor on the Change of Program form, available in the Enrollment Center in Sage Hall, and having the form processed at the Enrollment Center.

Late registration must be completed by the end of the third week of instruction. A \$25.00 Late Registration fee is charged in addition to all regular registration fees. Refer to the University Fees section of this publication for more information. Late registration is available only to students admitted to the University. Please refer to the Change of Program Table in this Schedule of Classes for information on Change of Program deadlines and required authorizations.

Adding Classes

Once classes begin, students must obtain authorization from the instructor to add a class prior to the published deadline. Students may add classes by obtaining the signature of the instructor on the Change of Program form, available in the Enrollment Center in Sage Hall, and having the form processed at the Enrollment Center.

Students are responsible for any additional fees incurred as a result of adding classes. Please refer to the Change of Program Table in this Schedule of Classes for information on Change of Program deadlines and required authorizations.

Dropping Classes

Prior to the start of classes and through the end of the third week of the semester, students may drop classes on the web in my.CSUCI.edu without any authorization of the instructor. Alternatively, once classes begin, students may complete the Change of Program form and have it processed in the Enrollment Center until the deadline. Although a record is kept of the drop, the course will not appear on the student's permanent record.

Beginning with the fourth week of instruction and prior to the tenth week of instruction, withdrawal is permissible only for serious and compelling reasons. The approval signatures of the instructor and the Program Chair are required to withdraw from a class during this period. Documentation of the serious and compelling reasons may be required. A "W" grade will be recorded on the student's permanent record.

Withdrawal during the final six weeks of instruction is not permitted except in cases where the circumstances causing the withdrawal are clearly beyond the student's control, and the assignment of an "I" (Incomplete) grade is not practical. Ordinarily, withdrawal in this category will involve complete withdrawal from the University. The approval signatures of the instructor and program chair are required to withdraw from classes during this period. Documentation of the circumstances causing the student to request withdrawal may be required. A "W" grade will be recorded on the student's permanent record for each course.

Failure to properly withdraw from class(es) may result in the student receiving failing grades ("WU" grade). Please refer to the Change of Program Table in this Schedule of Classes for information on Change of Program deadlines and required authorizations.

Complete Withdrawal from the University

Students who find it necessary to withdraw from CSU Channel Islands after enrolling are required to follow the official withdrawal procedures. Students must provide proof of a serious and compelling reason for withdrawal. Complete Withdrawal from the University is requested by completing a Change of Program form. Beginning with the fourth week of instruction, the signature of the Instructor and Program Chair is required. Please refer to the Change of Program Table in this Schedule of Classes for information on Change of Program deadlines and required authorizations. Failure to properly withdraw may result in the assignment of failing grades in all courses. Students receiving financial aid are advised to consult with the Financial Aid office, prior to withdrawing from the University, regarding any required return or repayments of grant or loan assistance received for that academic term. If a recipient of financial assistance under federal Title IV financial aid programs withdraws from the institution during a payment period, the amount of grant or loan assistance received is subject to return and repayment provisions governed by federal law. Consult the University Fees section of this publication for information on refunds as a result of Complete Withdrawal from the University.

Instructor Initiated Drop Non-Attendance

An instructor may drop a student who does not attend class and who has not made prior arrangements with the instructor. This may occur as early as the first class meeting or any time during the first three weeks of the semester.

Note: It is the student's responsibility to manage his / her class schedule and any change of program. Failure to properly drop a class may result in the student receiving a failing ("WU") grade for the course.

Prerequisites

An instructor may drop a student who has enrolled in a class requiring permission of the instructor or completion of prerequisites if the student has not properly secured this permission or satisfactorily completed the prerequisites before enrolling.

Change of Grading Basis

A student may opt to change the grading basis for a class, only if an alternate grading basis is available to that course as indicated in the Catalog. Some classes are not available to be taken on a Credit / No Credit grading basis, conversely, some classes are only offered on a Credit / No Credit basis and may not be taken for a letter grade. Consult the Catalog for the options available to each course. Additionally, the student should be aware that courses taken for the major may not be allowed to be taken on a Credit / No Credit grading basis.

Changes of Grading Basis must be requested by completing a Change of Program form and having the form processed at the Enrollment Center.

Please refer to the Change of Program Table in this Schedule of Classes for information on Change of Grading Basis deadlines.

Special Enrollment Programs**Disability Related Priority Registration**

In order to allow for required accommodations to be arranged, including ordering of alternate format texts, scheduling of interpreters, etc, students may request for priority registration in order for them to finalize their schedules as far in advance as possible. Contact Disability Resource Programs at (805) 437-3331 (V/TTY).

Intrasystem Concurrent Enrollment

This program permits students to enroll for classes at CSU Channel Islands and another CSU campus simultaneously. There is no limitation to the number of times a student may enter this program, as long as an application is filed each semester within the application deadlines outlined by the host campus. This deadline is four weeks prior to the start of the term, but can vary by campus. Please consult your program advisor and financial aid representative at your home campus. Contact Enrollment Services for the Intrasystem Concurrent Enrollment application.

Intrasystem Visitor Enrollment

This program permits students to enroll solely at a CSU campus different from their home campus. Registration fees are paid to the host campus (the campus which the student is visiting). Financial aid recipients should check with a financial aid

representative at their home campus. Applications must be filed within the application deadline outlined by the host campus. This deadline is four weeks prior to the start of the term, but can vary by campus. Contact Enrollment Services for the Intrasystem Visitor Enrollment Application.

Veteran's Benefits and Responsibilities

Veterans or their eligible dependants may be entitled to education benefits from the Department of Veterans Affairs as students of CSU Channel Islands. Students utilizing VA benefits will need to meet regularly with the VA Certifying Official in Enrollment Services. Appointments can be scheduled by calling (805) 437-8500. Note: Enrollment is certified after the end of the Add/Drop / Late Registration period.

Students receiving VA benefits are responsible for promptly notifying the VA Certifying Official of changes in academic program, course load, address, marital or dependant status, and of withdrawal from class.

Questions about enrollment status should be directed to the VA Certifying Official in the Enrollment Center at (805) 437-8500. Registration Fee Installment Payment Plan

The California State University Channel Islands Installment Payment Plan (IPP) enables participants, in good financial standing with the university, to pay for all registration related fees in three payments without interest. Financial aid recipients and sponsored students with waivers are not eligible to sign up for the IPP. Any outstanding balance due to the University must be paid prior to applying for the IPP.

The IPP contract and the first payment must be submitted to the Cashier's office by the published due date. Failure to submit the IPP contract or payment will put the student in jeopardy of being dropped. The IPP contract can be obtained on-line through the Cashier's website or in person at the University Cash Services' office. A non-refundable administrative fee of \$33 per semester is required for participation in the installment plan. Payments must be received on or before the due dates regardless of whether or not an invoice is received. Late payments will be assessed a \$25 late fee. Failure to complete the obligations under the terms of the IPP will prohibit students from being able to participate in this plan for future semesters. For more information, please contact a University Cashier or refer to the University Cash Services website.

Returned Checks

A \$25 returned fee is applied to student accounts for any returned items by the bank or for declined credit card transactions. If enrollment has already occurred, classes may be cancelled. Students will be required to register late and will incur a \$25 late registration fee.

Payments for returned items must be paid by cash or certified funds only. Resolve financial balances and clear registration holds to avoid delays in registration and/or fulfilling graduation requirements.

Special Course Fees

Lab Fees

Several courses require the payment of special course fee (lab fees) as a condition of enrollment. These fees may be indicated in the Schedule of Classes next to the course listing. Lab fees

must be paid with registration fees and are subject to the payment deadlines. Lab fees range from \$15 to \$100 per course. Lab courses dropped by the add/drop deadline will automatically be credited on the student's account. Lab courses dropped after the deadline will not be refunded.

Breakage Card Fees

In addition to the above lab fees, several courses require a refundable breakage card fee. The fee is \$25 per course and is refunded at the end of the semester only if confirmation is sent to the Cashier's Office that nothing has been broken.

All new CSUCI students must purchase a Photo ID card. To obtain your Photo ID, you must bring \$15.00 and additional photo identification (e.g. valid California Driver's License, a DMV ID, or a passport) to University Cash Services. Financial Aid

If the student account does not show “anticipated aid” by the payment due date, the student is responsible for paying all fees. Students will be able to defer payment only for the amount indicated. If a student’s financial assistance does not pay off the entire balance, the student must pay the difference according to the scheduled due dates. Students who apply for Financial Aid 10 business days before a due date or after the start of the semester will be held responsible for paying all fees by the deadline and will be reimbursed, as applicable, when Financial Aid is applied to the student account. It is the student’s responsibility to obtain their account information through my.csuci.edu prior to the payment due dates.

Financial aid awards will first be used to satisfy any obligations owed to the University. If the total aid available is not sufficient to pay fees in full or if the student loses financial aid eligibility, the student is responsible for payment of fees. Students are responsible for their fees whether or not an invoice is received. For questions regarding your aid, contact the Financial Aid office at (805) 437-8530.

All disbursements rules must be met before aid will be paid out. Financial aid awards will be disbursed to accounts the first week of the semester and weekly thereafter. The first three disbursements of the semester will be mailed out via US mail. After that, checks will be available for pick up in person at the cashier’s office, every Friday from 9:30 am to 11:30 am at the University Cash Services’ Office. Checks remaining in the office after that time will be mailed out to students via US mail.

To qualify for a financial aid disbursement, students must be enrolled in at least 12 units. This is considered the minimum full-time load and will result in full financial aid eligibility. Students enrolling less than full time may have their aid reduced. Most financial aid programs have minimum unit requirements that must be met or aid from those programs may be cancelled completely. If you completely withdraw from school, you may be required to repay some or all of your financial aid.

Aid Disbursements/Address Change

Financial Aid is applied to a student’s account the week before school starts and weekly thereafter. If there is an overpayment

on a student account after all fees and residence costs are deducted, a check will be mailed to the student at the address on file through their my.csuci.edu account. Please review your information and keep it updated to ensure that you receive all correspondence.

Federal Military Selective Service Act

The Federal Military Selective Service Act (the “Act”) requires most males residing in the United States to present themselves for registration with the Selective Service System within thirty (30) days of their eighteenth birthday. Most males between the ages of 18 and 25 must be registered. Males born after December 31, 1959 may be required to submit a statement of compliance with the Act and regulations in order to receive any grant, loan, or work assistance under specified provisions of existing federal law. In California, students subject to the Act who fail to register are also ineligible to receive any need-based student grants funded by the state or public postsecondary institution.

Selective Service registration forms are available at any U.S. Post Office, and many high schools have a staff member or teacher appointed as a Selective Service Registrar. Applicants for financial aid can also request that information provided on the Free Application for Federal Student Aid (FAFSA) be used to register them with the Selective Service. Information in the Selective Service System is available and the registration process may be initiated online at www.sss.gov.

Sponsorships

Students enrolling under one of the following University sanctioned programs may have some portion or all of the registration fees waived or paid by a sponsor organization. The signed authorization/voucher must be submitted to the University Cash Services office prior to registration. Authorizations with payment restrictions will not be accepted. Students will be responsible for differential payment by the published due date if the employer/agency is not assuming responsibility for the full amount of registration fees. The employer/agency will be billed for the authorized (or actual if less) amount with payment due within thirty days of the invoice date.

Corporate/Organization

A contractual agreement with the University or prior arrangement with Cash Services is required from the sponsoring agency. Students must enclose authorization obtained from the employer/agency. The agency authorization must be on company letterhead stationery with an authorized signature.

Federal Government

A signed authorization must be on letterhead stationery of a recognized branch of the Federal Government. The student is responsible for any portion of the fees not covered by the agency.

Military/ROTC

Enclose authorization on letterhead stationery or 1556 form which clearly indicates the sponsoring agency to be billed. The authorization must bear the signature of the commanding officer or recognized official. Conditional authorizations will not be accepted. Payment from the sponsoring agent is required within thirty days of the invoice date.

State and Veterans Vocational Rehabilitation

Enclose signed authorization from the appropriate sponsoring agency (State Department of Rehabilitation or Veterans Administration).

Veterans Services

Students seeking education allowances under provisions of any Veterans Act must be eligible with the Veterans Administration to receive benefits. All students wishing to draw benefits who are enrolled for any semester must have their current program on file with the VA Certifying Official who can be reached at (805) 437-8500. This rule applies each time you register with the University.

Waivers**CSU Employee Fee Waiver and Reduction Program**

The California State University offers eligible employees the opportunity to enroll in the CSU Employee Fee Waiver and Reduction Program. This program provides for the waiver or reduction of certain fees for employees who enroll in work related courses offered by the CSU for the purpose of improving skills for existing jobs, or advancement in accordance with a career development plan. This program allows the employee to transfer their benefit to a spouse, dependent, or domestic partner. The CSU employee must apply for this program through the Human Resource department each semester. Payment of fees and the approved fee waiver form must be received in the Cashier's office by the published due date to avoid disenrollment from classes. The student must submit a copy of the approved waiver form and the appropriate payment by the due date to avoid enrollment cancellation.

Intrasystem Concurrent Enrollment

California resident students participating in this program pay their registration fees at the home campus. Nonresident participants must pay any additional fees to CSUCI.

Intrasystem Visitor Enrollment

California resident students participating in this program pay their fees at the host CSU campus.

Veteran's Dependents

Contact the Division of Veteran Services of the State Department of Veteran Affairs for eligibility requirements. Submit the waiver authorization letter to the campus VA Certifying Official and fee payment (if applicable) by the deadline date. A Veteran Dependent recipient will receive an authorization letter and will be invoiced for the cost of campus-based fees as listed in the Schedule of Classes. For more information call (805) 437-8500.

Refunds

All refunds for mandatory fees are now automatic. Any refund due to a student will be reduced to offset any outstanding obligation to CSUCI. Refunds, excluding financial aid disbursements, will be processed after the add/drop date. Refund checks will be mailed to the student's address on file with Admissions and Records. Students can check their address and make any necessary changes through "myCSUCI." Payments made by credit card will be credited back to the original card used.

Cancellation of Registration Prior to the Beginning of the Term

A student will be eligible for a full refund if fees are paid but no enrollment occurred or if all classes have been dropped prior to the first day of instruction for the term. Procedures for withdrawal are available in the Enrollment Center or in this Schedule of Classes.

Students will also receive a full refund of mandatory fees and nonresident tuition under the following circumstances:

- The tuition and mandatory fees were collected in error.
- The course for which the tuition and mandatory fees were assessed or collected was cancelled by the University.
- The University makes a delayed decision that the student was not eligible to enroll in the term for which the mandatory fees were assessed and collected, and the delayed decision was not due to incomplete or inaccurate information provided by the student.
- The student was activated for compulsory military service.

Prorated Refunds for Complete Withdrawals

Beginning with the first day of instruction for the term, refunds for complete withdrawals will be prorated based on the date of withdrawal and the length of the academic period up to the 60 percent point of the term. Refunds are processed automatically. A student who officially withdraws after the 60 percent point in the academic period will not be entitled to a refund.

Refunds for Partial Withdrawals

A student who drops some, (but not all) units resulting in a lower mandatory fee obligation by September 11, 2009 will be entitled to a prorated refund of the applicable difference in fees. Refunds are processed automatically. A student who fails to drop classes that would result in a lower fee category by the deadline will not be entitled to a refund.

NOTE: It is the sole responsibility of the student to withdraw from classes. Refunds can only be issued to students who withdraw from classes by the published deadlines. Students are responsible for verifying their withdrawal from classes.

ATTENTION ALL STUDENTS!**Important Fall 2009 Refund Policies and Procedures**

- For a full refund, all classes must be dropped prior to the first day of instruction. Beginning the first day of classes, your refund will be pro-rated.

Parking Permits

Semester and daily permits are valid in all “A” lots and “general permit” designated parking areas, with the exception of student housing permits, which are valid only in the SH lots.

Semester Permits

All semester parking permits are available for sale through PPS and the Cashier’s office. The purchase of a parking permit does not guarantee availability of space in a particular lot. Parking

permits are available on a semester basis. The cost of the permit is \$145.00 (Student Housing – \$135.00). Permits purchased after the start of the semester are prorated accordingly: 1) 31-60 days, 75 percent; 2) within 61-90 days, 50 percent; and 3) 91+ days, 25 percent.

Student Housing (SH) Permit

The SH permit is only issued to student housing residents, and is only valid in the SH Lots.

Daily Permits

Daily parking permits can be purchased from permit dispensers located in Lots A1, A2, A4, or the lobby of the PPS and are valid only on the date of purchase. The cost of the daily permit is \$6.00. The dispensers will accept coins; and \$1, \$5, and \$10 bills; and give change in one dollar coins. There are no refunds for daily permits.

Semester Refunds

Permit refunds after the start of the semester are prorated accordingly: 1) within 30 days, 75 percent; 2) within 60 days, 50 percent; 3) within 90 days, 25 percent; and none thereafter. Refunds will be made within 30 days of receipt of request. There are no parking refunds for daily permits or for any amount less than \$10.00.

Transit card refunds after the start of the semester are prorated accordingly: 1) within 30 days, 67 percent; 2) within 60 days, 33 percent; and none thereafter.

If you have additional questions or would like to receive a brochure of the parking regulations, contact PPS at (805) 437-8430, e-mail parking@csuci.edu, or visit the Web site at www.csuci.edu/parking/index.htm.

DIVISION OF STUDENT AFFAIRS

Please consult the University Catalog, Student Guidebook, or www.csuci.edu for more information on the following areas.

Mission of the Division of Student Affairs

Placing students at the center of *their* educational experience, the Division of Student Affairs supports and enhances learning and the University community through quality co-curricular programs, activities, facilities, and services.

OFFICE OF THE VICE PRESIDENT FOR STUDENT AFFAIRS

The purpose of the Office of the Vice President for Student Affairs is to recommend policies and procedures that will ensure a coordinated delivery and assessment system of student programs and services throughout the Division of Student Affairs (DSA), which includes Enrollment Services, Student Life, Housing and Residential Education, and Campus Recreation. This includes a comprehensive clearing system which tracks and reports budgets and expenditures; implements or manages special projects; produces and distributes internal and external student communication; and hires, trains and provides staff development for the DSA. The Office of the Vice President for Student Affairs, in its support of the educational mission of the institution, also provides co-curricular education initiatives while coordinating program assessment and evaluation for all units within the Division.

ASSOCIATED STUDENTS INCORPORATED

Associated Students Incorporated (ASI) is a direct report to the Vice President for Student Affairs and governed by the ASI Board, which is comprised of students, administrators, faculty and a member of the community. Various programs, services and support are provided through the area of Student Life for the day-to-day functions of ASI. All registered students are members of ASI and pay both an associated student fee and a student body center fee as part of their registration. ASI is the umbrella organization for Student Government, Student Programming Board, the *CI View* student newspaper, and *The Nautical* yearbook.

ATHLETICS

Intercollegiate athletics at CSUCI supports the University mission by providing comprehensive co-curricular programming through competitive sports. Athletics at CSUCI will be designed and maintained to reflect its role as a campus and community service. However, it should be noted that the primary focus of athletics will always be student-athlete based.

CAMPUS RECREATION

Through its programs and services, Campus Recreation assists students in creating and maintaining healthy lifestyles by balancing the demands of academic pursuits with the benefits of “wellness” through physical fitness, competition and recreation. Campus Recreation provides programming and activities in the following eight categories: Intramural Sports, Informal Recreation, Sports Clubs, Instructional Programs, Health and Fitness, Waterfront, Outdoor Adventures and Special Events. Campus Recreation programs are created using the Division’s “Dimensions of Development,” which include: Values & Integrity, Expression, Health, Intellectual, Intra/Interpersonal, Citizenship, Creativity, Cultural, and Life & Career Planning.

HOUSING AND RESIDENTIAL EDUCATION

CSUCI is a very special place and students get the very best of what our campus has to offer when they live right in the center of it all! Anacapa and Santa Cruz Villages boast some of the newest and very best residential facilities available, and our well-trained staff ensures a community atmosphere focused on student success, relationship development and full engagement in the CSUCI educational experience.

Santa Cruz Village

Opened in 2007, Santa Cruz Village (SCV) is home to 460 freshmen. SCV offers two-bedroom, one bathroom, furnished semi-suites shared by four students. There are also a limited number of single rooms. The fitness center, game room, and music, art and dance studios are located in SCV.

Anacapa Village

Reserved primarily for sophomores and upper-division students, Anacapa Village (AV) offers four-bedroom, two bathroom apartments. These apartments offer private bedrooms for each of the four apartment mates. Each apartment is fully furnished and includes living and dining room furniture. Community conference rooms, computer labs, and the swimming pool and spa are located in AV.

ENROLLMENT SERVICES

Enrollment Services includes the Enrollment Center, Admissions and Recruitment, Financial Aid, and Records and Registration. Student questions concerning admission, graduation, degree audits, scholarships, federal work study, veterans’ benefits, and California residency eligibility may be answered in the Enrollment Center.

Office of the Dean of Enrollment

The purpose of the Dean of Enrollment’s office is to coordinate a wide range of campus initiatives relative to student access, retention and success. Working closely with both Student and Academic Affairs, the office seeks to develop, implement and assess policies, processes and comprehensive programs that support students and the mission of the University.

Records and Registration

Records

The Records and Registration office maintains timely and accurate records on enrollment, and the academic progress and accomplishments of its students, while maintaining the privacy and security of those records.

Registration

Registration activities for new and continuing students include eligibility for registration and assignment of registration appointments. Students enroll via the Internet at myCSUCI (<http://my.csuci.edu>). Assistance in registering for classes is available on the Records and Registration web page located at www.csuci.edu.

Graduation

Verification of degree requirements is a function of the Records and Registration office. Students must file for graduation for the term in which they will have completed all requirements. Application for graduation must be made by the published deadline.

Veterans Affairs

CSU Channel Islands supports the California Veterans Education Opportunities Partnership (VEOP). Students who are eligible for benefits as a veteran, dependent or reservist should contact the V.A. Specialist in the Enrollment Center for assistance in applying for educational benefits and education certification. Required paperwork must be completed each semester.

Financial Aid

The Financial Aid office assists students in obtaining financial aid resources to meet their educational costs. Students interested in financial aid must complete a Free Application for Federal Student Aid (FAFSA) through the online application at www.fafsa.ed.gov. A variety of financial aid resources are available to students, including grants, loans, federal work study, and scholarships. After students have completed and submitted the FAFSA, they may be considered for a variety of grants, loans, and scholarships. CSU Channel Islands' federal Title IV School Code is 039803.
