## Pool Lifeguard Hours Limited

Until the Board of Directors comes to a conclusion regarding safety factors and liability of the Association, hours when the pool lifeguard will be on duty have been temporarily shortened. A guard will always be on duty during children's swimming hours, but at other times, villagers will swim at their own risk.

The Board has requested the Ed & Rec Committee to review and make recommendations regarding the need for a lifeguard, and the association lawyer is studying the problem from the stand point of insurance liability. There is no specific policy mentioning lifeguard service in the Rules and Regulations.

## LVA Committees Recognized

By Bob Atz

On Friday September 8 approximately 150 Leisure Village homeowners gathered in the AR for the 1995-1996 Committee Orientation. Each attendee was given a copy of the committee Orientation booklet and the L.V.A. Committee Roster.

Opening remarks were made by Ed Hawthorne, Board president, and were followed by a few comments by Jean Verbeck, LVA general manager, who introduced the LV staff members who arranged for the refreshments.

The following committees, their liaisons and chairmen were recognized: Architecture and Landscape, Hunter Cohen, Board liaison, See Committees.....pg 4

## Fall Classes Will Start In October

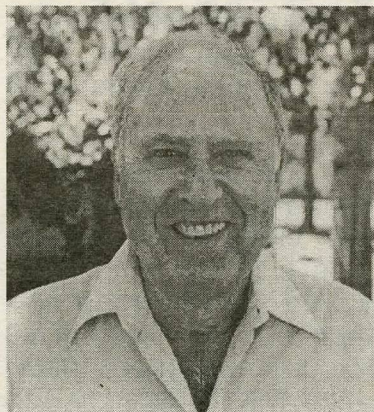

Photo by A.D. Flowers

**Ed Pollaine**

By Jack Whalen

"The response to our three classes starting in October has been overwhelming," reports Genevieve Leventhal, chairperson of the Education and Recreation Committee.

She still encourages people to sign-up, should one or more of the subjects interest them, because there's always a chance there may be some cancellations.

Villager Ed Pollaine, a veteran investment broker for many years in New York City, will present four lectures on "Investments." Ed's subjects will include stocks, bonds, mutual funds and miscellaneous.

**Terry LeVine**

His presentations will start on Tuesday, October 10, 10:00 a.m. in the Village Room and will last one hour. For further information, call Jean Aird at 482-6660.

Dr. Terry LeVine, who is a relative newcomer to Leisure Village, will teach "Anthropology: a cross-cultural study of gift exchange from the perspective of economics and social relationships." She received her BA in anthropology from UCLA and later a Ph.D. in archaeology which included study in the country of Peru.

Her classes will start Wednesday, October 11 in the Sun Room from 2 p.m.

**Sig Jaffe**

until 4 p.m. There will be six sessions and you are encouraged to call Alice Hinig at 482-8855 for additional information.

Dr. Sig Jaffe, who earned his BA at Wesleyan University in Connecticut, obtained his Ph.D. in chemistry at Iowa State University, will discuss "What's The Matter?" This course of six sessions will examine the structure of matter as it relates to everyday substances.

Classes will start Thursday, October 12 in the Village Room, from 10:00 a.m. till noon. For further information, call Ginny Dunnion at 484-1238.

## Progress Achieved In Flood Control Insurance Issue

By Betty Murray

Within the past month, notable progress has been made in obtaining a change in the section of the flood plain map which includes Leisure Village. When this is accomplished, Leisure Village will no longer be obligated to carry flood insurance.

The Ventura County Flood Control District has completed repairs on the Conejo Creek levee bordering the Village; the City of Camarillo has forwarded

the documentation required by FEMA (Federal Emergency Management Agency) which included the certification of completion, certified drawings of the configuration of the area, and a maintenance plan.

LVA Board of Directors president Ed Hawthorne and Donna Duke, liaison to the Insurance Committee, met with U.S. Congressman Elton Gallegly and two of his assistants to help expedite FEMA's

response

Rep. Gallegly sent a letter to FEMA on our behalf requesting speedy action and promised to watch the progress closely.

In a remarkably timely fashion, Hawthorne has received a letter from FEMA acknowledging receipt of the documents.

There is a time goal: the flood insurance policy premium becomes due the first of December, and the policy must be renewed or See Progress.....pg 3

## Flu Shots

By Sandy Okum

A flu immunization shot clinic will be held in L.V. on Friday, October 6 from 9:00 a.m. to noon in the AR.

Sponsored by Your Neighbors Care Group (Y.N.C.G.) and Livingston Memorial Nurse Association, the \$10.00 fee will be covered by Medicare for qualified Medicare enrollees. This really means that it is free if you have a Medicare card and do not belong to an HMO such as Kaiser, Secure Horizon, etc. Otherwise, the \$10.00 fee is payable.

Be sure to bring the Medicare Card, or \$10.00.

Join "Your Neighbors Care Group" for only \$1.00 per year. We do good things for you: free blood pressure clinics every third Monday of the month from 7:00-8:00 p.m. in the AR; flu clinic and health clinic free once a year. We loan wheel chairs, walkers, canes, crutches, potty chairs, etc., all year long.

## Fair Prizes

The Ventura County Fair, held last month, was the occasion for a number of villagers to receive recognition for their skills in photography, painting and crafts projects. ILV is pleased to identify the following residents and the awards they received:

Jackie Pope, V.15, miniature cactus garden, honorable mention; Lindsey Merrill, V.39, painting, first place; Florence Jones, V.3, counted cross-stitch Christmas stocking, first place, velvet embroidered evening bag, first place.

### Push Red Button.....

Safety in Leisure Village has always been a major concern for residents and the Board of Directors. One recent matter of concern is the pedestrian crossing at the main gate. Most foot traffic from the Village to the Santa Rosa Plaza and its shopping center walks along the edge of Village 13 to reach the new pedestrian gate; this causes little problem. It is the foot traffic which crosses Leisure Village Drive to reach the Plaza which is of concern.

This was identified as a safety hazard several years ago by the Board and the Security and Safety Committee, because pedestrian visibility to incoming motorists was impaired and the walking route unclear. The Board hired a safety consultant to design a safer crossing route. This design was installed at the main gate months ago.

However, pedestrians crossing the street are bypassing the safety precautions provided; many are not using the system. They cross in the striped walkway provided, but ignore the red button.

It is unnerving for a motorist coming into the Village to have the gate arm raised for their entrance signifying "all clear" - then start to move their car only to find one or two pedestrians in the middle of the drive peering around the Gate House to check on traffic, trying to cross. They were standing right next to the red traffic button, but they DID NOT push it to alert the officer in the Gate House that there was foot traffic present. When the button is used, the gate officer does not permit vehicular traffic to enter until the pedestrians are safely across the street.

Their unexpected presence is a jolt to alert motorists who have been given an "all clear" sign. What about the effect on unwary drivers? This is the exact danger which the system was designed to prevent.

Perhaps some pedestrians are still unaware of the protection available for them. Here further education is needed.

Pedestrians crossing Leisure Village Drive at the main entrance are urged to push the button when they want to cross on foot in either direction. This will halt vehicular traffic and give pedestrians the right of way to cross. Please use the system which was put in place for your safety.

#### OPEN LETTER

For the past year and a half there has been an ongoing argument concerning the by-laws and the question of the legality of the additions made to the Nominating Committee by a past Board. At the meeting of August 7 the Board was asked to meet with a small representative group to discuss the issue in an effort to come to some resolution to the question.

On Thursday, August 10 the undersigned Association members met with the Board at the invitation of the President, Ed Hawthorne. Present were Ed Hawthorne, who chaired the meeting, and Board members Bill Blauer, Hunter Cohen, and Donna Duke, and the Association Manager, Jean Verbeck. Nick Fiore was not present.

After a great deal of open discussion with arguments pro and con, it became clear that the continuing position of the Board was that the letter from Attorney Lingl was the authority that permitted the additions. The undersigned Association members request to see the letter was denied on the grounds that it was privileged information. However, it was evident from the discussion that there was agreement on both sides of the table that the additions to the Nominating Committee in February 1994 was not in keeping with the original intents and purposes of the CC&Rs and the by-laws as understood and voted on by the As-

sociation membership.

In the interest of harmony, we have accepted the position of the present Board, and put our trust in this, and future Boards, to conduct the affairs of Leisure Village in a manner that will avoid the type of confrontations that have occurred this past year and a half.

Robbie Karlin, V 38

In the '30s, the State of California designated a new entity as the Department of Employment (DE). When Californians lost their jobs and filed claims for unemployment insurance, they referred to it as the "unemployment office." In the '60s, a new administration, in its wisdom, renamed it the Human Resources Development Department (HRDD). The unemployed continued to refer to it as the "unemployment office." In the '80s, a new regime, in its infinite wisdom, renamed it the Employment Development Department (EDD). The unemployed, (what do they know?) still call it the "unemployment office" which it always was and is to this day.

A gazebo, by its very name is a readily identifiable structure, and a cabana is similarly recognizable. Why the name changes to Village Park and Village Pavilion which say nothing? Pronouncements from "a higher source" will not change villagers' references to the "Gazebo" and "Cabana." Why not continue to "call a spade a spade?"

#### WATER AEROBICS

I would like to thank Bernice Knebel, Lee Dosick, and Fay Snyder for the wonderful catered luncheon. It made my birthday celebration very special.

I want to thank Maxine Hollingsworth for her en-

chanting music at the organ, and Grace Cary for her magnificent belly dancing. Last but not least, I want to thank all of the Water Aerobics class for their thoughtful gift.

Thank you all very much. See you in the pool. Marie Hergenroeder, V. 6 Water Aerobics Instructor

I want to give special thanks to all my friends for all the get well cards, food and good wishes. It helps to cheer one up and get well sooner.

Ruth Helfer, V. 4

In September, the Camarillo Star printed a front page story pertaining to area residents living next to an agricultural field suffering illness when helicopter sprayed pesticides wafted into their homes.

On two sides, Leisure Village is bounded by fields currently being farmed. Months ago residents complained of very foul odors emanating from the fields. The residents living alongside the creek frequently see helicopters spraying something close to their homes. Several residents living near the farms have complained of breathing difficulties.

Clout comes from collective, not individual action. I urge the Board of Directors and the Security and Safety Committee officially to discover from those farming the fields so near the village what chemicals they are using and when they are spraying. If villagers could know in advance (through Channel 12) when substances will be helicopter-sprayed, residents could close their windows and even arrange to be away for the day.

Alan Rosin, V. 26

To all of Harvey's and my wonderful friends - thank you! My heart is filled by your friendship and support at this critical time in my life.

My family and I want to thank everyone for being so nice to us in the passing away of my dear husband, and to me for breaking my hip at the same time. I am mending very well. Thank you for all the lovely cards and goodies which meant a lot to us.

Flora Di Biase, V. 11  
and Family

I want to thank each and every one of you for your phone calls and get well cards after my recent surgery. It was greatly appreciated. I am up and around now and your good wishes were very encouraging.

Lou Saunders, V. 37

To all of our caring friends, my heartfelt appreciation for your kind and loving support during this difficult time.

My Robert truly lived a wonderful life, so creative, so fulfilling, surrounded by the love of his family and friends. I feel very fortunate

nate to have shared a "lifetime" with him.

I will always treasure your friendship!

Lil Bein, V. 20

Heartfelt thanks to our many friends who made phone calls, sent tributes, made donations and gave us offerings of food. Your loving, caring support has helped me through this trying time of losing my beloved husband Sol.

We have both enjoyed living here for 12 years. My sister-in-law calls Leisure Village Shangri-La. I agree.

Honey Robin, V. 42  
and Family

Thanks to all of my friends in the Village who gave their support and condolences on the loss of my wife and your friend, Janet. I hope to be able to continue her work at Channel 12 and the Camarillo Library.

## THE FORGE

By Esther Robbins Maltun

Life is like a blacksmith's shop  
Where metal is twisted and bent.  
In its forge your "mettle" is cast,  
It leaves you battered and spent.  
And yet you cannot run from it  
For life will follow you.  
So you must stop and face it,  
There is nothing else to do....  
Whenever problems loom so big  
You feel you can't go on,  
You'll find inside an untapped source  
That you can draw upon,  
And summoning that inner strength  
You'll turn and see them through,  
And from the forge there will emerge  
A steel that's tempered and true.

PROGRESS.....From pg 1  
canceled at that time.

Much credit is due to all the people who have worked for more than a year to secure almost \$300,000 from Ventura County for levee repair, obtain the documentation

and patiently pursue officials who are authorized to make the changes. All villagers stand to benefit because of the protection from flooding and the cost savings resulting from the elimination of flood insurance premiums.

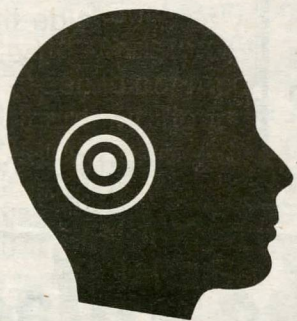

## LOOKING AT CHANNEL 12

By Jack Whalen

It is with deep sorrow that Channel 12 members mark the passing of Janet Hof, truly a "spark-plug" in our organization. She was our publicity chief and revised a file system to account for the 100+ tapes currently in inventory, plus those being erased and those made week after week. It is a never-ending task and one she filled with skill and good spirit.

Donations in Janet's memory may be made to Food Share and/or Friends of the Camarillo Library. Her son, Richard of Malibu, just donated over 100 books to Friends in memory of his mother.

We are pleased to announce that Janet's husband, Dick, told us that within two months, he will join Channel 12 and assume the position she held. Welcome aboard, Dick.

## PLAYERS GUILD

By Irv Goodnick

Players Guild is on a roll! It's been one socko show after another. At the August meeting, a packed house cheered Miriam Hasen's production of "Those Fabulous Decades." This sentimental yet bouncy show had the audience humming along with the songs and dances of the '20s and '30s.

There's more to come at our October 19 meeting! If you liked "A Chorus Line", you'll love "Dance Says It All." Directed, choreographed and produced by Helen Gold, this review of terpsichore includes Round, Ballroom, Hawaiian, Western and Belly Dancing. Don't miss the fun!

Assisting Jack in construction are Marty Alfred, Sid Baum, Max Pacter and Jim Rybin.

Rehearsals have started for the November play, "A Talent For Murder." The all-star cast, directed by Mary Hollander, includes Morris Erney, Bob Freedman, Muffi Shutes, Jack Silver, Gerry Stone, Helen Theis and Betty Wagner. Jackie Solway is the producer.

Put these show dates on your calendar: November 15, 16, 17, 18, 19. Watch Channel 12 for ticket sales dates. Don't miss this comedy/mystery. A special welcome goes to the three women in the cast. This is their first major role with the Players Guild.

## E.S.O. REPORT

By Ken Wilson

The Emergency Services Committee suggests *A WORTHY CAUSE* for consideration by LV clubs and organizations.

The solution to the knot-tiest problem faced by the ESC in recent years requires a cash outlay of \$10,000. This would put a radio into the hands of each Village Coordinator which is capable of clear transmission between each village and the "Ham" relay stations.

The ESC is considering several ways to raise cash toward this goal and hopes to be assisted with unspent money from its budget.

Since the purpose of this project affects every resident in a very important and necessary manner, your support is vital. The ESC is certain, with agreement by the TADS Committee, that this project, which can be provided on a reliable basis, will afford the much needed protection for LV lives and property.

For details or to pledge support please phone Ken Wilson 482-6821.

## THE LEISURE VILLAGE WOMEN'S CLUB

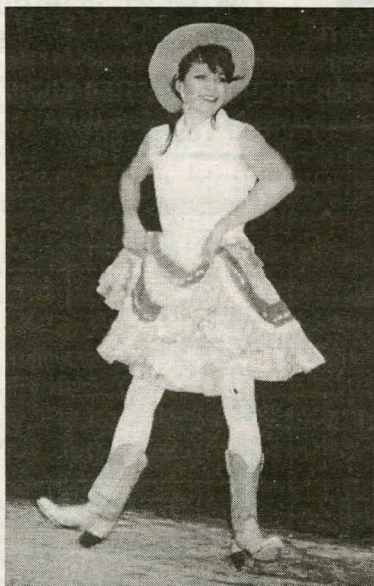

By Eileen Cohen

Renee Greene, president, opened the September meeting of the LV Women's Club with a reminder that the October meeting will be on the 12th, the second Thursday, instead of the usual date. Featured will be an all new show by Janice Guerrero, who has delighted us in the past with her unique performances.

Dorothy Fencil said that the Workshop is doing well and will have many items available at the October 28 Bazaar -- the Halloween Carnival -- but donations of items made at home are welcome also.

The Saturday Carnival will also include a super Trading Post and the Women's Club Bake Sale. Refreshments will be available during the event.

Just in case you haven't

Janice Guerrero

paid your \$5.00 dues yet, there are still three more exciting shows this year plus the January Installation Luncheon, which you may only attend if you are a paid-up member.

Mary Kay reminded us that with holidays coming along, See's Candy Certificates are an excellent buy at \$8.50, to be exchanged at any See's store for any \$9.90 box of candy.

So far this year, the Trading Post has earned \$6,780.00! Gifts of the Women's Club this year have reached \$5,200.00, including \$1000 for a sound system for the Pavilion (more is needed and will be contributed), \$2200 for a new camcorder for Channel 12 and \$1200 for new library shelves.

Renee adjourned the meeting and presented Pamla and Jon, a musical duo, who introduced themselves in song. They sang several songs from the 20's and 30's in their own distinctive style and numbers from *Annie Get Your Gun* and *Fiddler on the Roof*. They introduced their accompanist, arranger and lyricist, Gene Casey, and sang a delightful version that Gene wrote of "I Remember it Well."

Don't forget -- Janice will be here on October 12 and the Halloween Carnival is coming on October 28.

## SUPER TRADING POST

By Irene Cunningham

No Trading Post will be held on the meeting day of the Women's Club on October 12. Instead the entire inventory will be available at a Super Trading Post held in conjunction with the fall Bazaar on Saturday, October 28. Items will be displayed both in the AR and the GR.

Some of the inventory items are: bicycles, golf clubs, golf bags, a battery-driven Kangaroo Kaddy golf cart, fishing equipment, and air mattresses. Also on hand are an electric chain saw, screen door, kitchen table, lamps, mirrors, folding chairs, TV trays, etc.

Villagers are asked to donate more salable items for the big event. Please call Betty, 484-5606, or Irene, 987-2627 for pickup. They appreciate your support.

## FARMERS CLUB

By Hunter Cohen

With the help of hard-working volunteers, not only Farmers, but many friends of the Farmers, the First Annual Farmers Barbecue was a resounding success.

Two hundred forty Villagers feasted on scrumptious food including Joe Kremer's world famous bread.

Bess Lopatin and her team of judges awarded prizes for vegetables and arrangements in several categories.

Al Fox has been selected as interim president of the club, replacing Hunter Cohen, who resigned due to the demands of Board business.

Al conducted his first membership meeting on September 8. Topics discussed were plant diseases, soil preparation, vegetables which can be planted now for cold-weather crops and plans for future meetings.

## SATURDAY NIGHT BALLROOM DANCE

By Anne Janoff

On September 23, The Saturday Night Ballroom Dance ushered in its fall schedule, featuring lots of good dance music recorded on tape. Donnie and Bill Weigel were hosts for the evening. On October 14 the dance will be hosted by Wanda Saari and Milt Dixon.

Our Halloween dance will be on October 28. For those of us still young at heart, this is the time and place for "costume fun," in keeping with the evening theme.

Dancing from 8-11:00 p.m. in the A.R. costs only fifty-cents per person. Refreshments, coffee, tea, punch and ice are furnished; BYOB.

Hosting our dances can be fun, too. Just call Ginny Dunnion 484-1238 for information.

## ROUND DANCE CLUB

By Bob Vanicek

Strains of the Fourth Anniversary Buffet Dance still linger as the Club looks forward to Fall classes to improve Intermediate-Level dancing. "Top Drawer" instructors, Al and Ruth Siegel, continue as motivators toward expanding a repertoire of over 125 pleasing waltzes, rhumbas, tangos, cha-chas & two-steps.

That, plus practicing a continuous string of Golden Classics numbers "keeps us going" Sunday morning before noontime in the AR. Why not drop in for a visit?

The Club is pleased to announce a monetary donation to Channel 12 in appreciation for its 24-hour service in keeping members well-informed. It helps other villagers with round dance experience to learn of the existence of the club.

## INTERNATIONAL FOLK DANCE CLUB

By Florence Friedman

General meeting of the International Folk Dance Club was Wednesday, September 6, 10:00 a.m. in the AR. Meetings are held every other month; board meeting is the last Wednesday of the month, October 25.

## L.V. SWINGERS SQUARE DANCE CLUB

By Sig Jaffe

Webster's dictionary defines August as inspiring, awe imposing, which is an apt description of the August program of the LV Swingers Square Dance Club. The tee shirts and shorts dance was a great success. Mr. and Mrs. Charles Swonsen, who are presidents of the Camarillo Springs Square Dance Club, arrived with two squares to join us in an entertaining dance called by guest caller Gary Dane who filled in for Bill Kramer. A special pizza and wine party, sponsored by Norman and Gerry Fuller, Bob and Joan Guhl, Mary Franey, and Fran Gunningham, topped off the evening. The party was

was given in honor of Herman and Jessica Reishel who are moving to Santa Rosa.

The birthdays of Midge Dektor, George Nolte and Anne Wolfson, and the anniversaries of Elaine and Sig Jaffe and Pat and Florence Murphy were celebrated during the general meeting dance. It was reported that Reub Goldstein is recovering well from surgery at his daughter's home.

All dancers are invited to come to the Tuesday evening dances in the AR and to share the enjoyment and healthful activities of the club.

## CAMERA CLUB

**By Sam Weinstein**

The Camera Club's historic association with the Ventura County Fair has reached a new level of reciprocity. This year, the Fair Board appointed a new Photography Department Superintendent, Anne Losito. Anne asked Sam Weinstein to help get her message to the Camera Club membership. Briefly stated, she needed volunteers to host and monitor the Fair's Photography exhibits. The Leisure Village "can-do spirit" is alive and well!

On Friday August 4, Club Curator Sam Weinstein, assisted by Jack Burden and Duane Waln, delivered 150 entries (from 10 members) to the County Fairgrounds and registered, recorded and tagged them. The entries were put on display in the Photography Building. We have 37 wins including the Best of Show in color prints.

At the August 2 competition meeting, the assignment was "Reflec-

tions/Shadows". The regular judge had to cancel at the last minute so members Howard Cohenour and Sam Brown were pressed into service. They chose the following winners in the assigned category; a tie for first place (the first time in club history) between Betty Murray for "British Columbia Panorama" and Joan Ennis for "Bottle on the Beach." Betty and Joan will share the Picture of the Month honors. Congratulations to Betty Murray, who, as a new member, took a first place in her very first competition. Third place went to Duane Waln for "Monuments in Repose".

The winners in the Open category were first place and Picture of the Month to Duane Waln for "Vermillion Skies," second place to Bill Huffman for "You Did What?" and third place to Joan Ellis for "Approaching Storm."

The club meets every first and third Wednesday at 7:30 p.m. in the Village Room. Visitors are always welcome.

Her assistants were Mike Mancusi, Rita Reuter and Maxine Fritz.

The Painters were pleased to note that Lindsey Merrill won first prize in the Amateur Art category at the Ventura County Fair for a portrait of a clown. Betty Cagan will be showing her paintings in the Library during September and October.

## VILLAGE PAINTERS

**By Mildred Oberg**

The Village Painters will meet on Wednesday, October 4 at 1:00 p.m. in the MPR for a critique by Marion Jayne.

There was a fine turn-out for the potluck luncheon in September. Grace Smith was chairman of the lovely event.

## BELLES OF HARMONY

## AMATEUR RADIO CLUB

**By Benson Smithkin**

The L.V. Amateur Radio Club ran two video films at its last meeting, including the Channel 12 interview of club pres, Dick Travis (K06KU) by Jack Whalen, with backup by Marge May (KB6HAG) and Ed Vasquez (KC6UQO).

In addition, club members were pleased to meet our general manager Jean Verbeck. Jean is a Marine Corps vet who worked with emergency communications equipment during national disasters and affirms that the quicker we can communicate the quicker we can get outside help.

The Sulphur Mountain Repeater Assoc. is in the final state of negotiations with Leisure Village to place a repeater on our antenna tower site. The purpose of this transmitter is to increase the range of our low-powered radios, which will be quite an advantage in calling for outside help. The City of Camarillo has sent letters approving the move.

Marge May and Mina Maxfield (N6UHK) returned from three days of intense radio seminars on the Queen Mary. Mina won a radio noise eliminator, and Marge purchased a Kenwood TM 141-A transceiver.

Next club meeting is on Tuesday, October 3, at 10 a.m. in the Sun Room. Please join us and enjoy the surprise program.

## GARDEN CLUB

**By Doris Achterkirchen**

The Garden Club will meet on Thursday, October 12 at 9:30 a.m. in the MPR. Now that fall is here and almost everyone is back from vacation, its time to get back to basics.

Georgia Schneider, program chairman, announces that Hal Meadows, owner of the Orchard Drive Nursery in Ojai, will talk on herbs. In the fall, cooks use more herbs in their food, so come and learn about them.

## RV CLUB

**By Joan Bernard**

The annual RV Picnic held on September 9 was a huge success. What a wonderful way to spend a warm, sunny afternoon, visiting with friends, feasting on a delicious chicken dinner with all the trimmings, sipping cold drinks, and topping off the afternoon with mouth-watering, home-made cake while listening to fine entertainment by Ken and Jean Baker (Music By Choice).

The Club's plans for the balance of the year are as follows:

September 19 meeting: Formation of a nominating committee. Names will be voted upon at the October meeting.

Thursday, November 16, Ottavio's Dinner Theater where Agatha Christie's "The Mouse Trap" will be playing. The senior discount price is \$24.00 per person. Contact Jeanette Tyler, 987-6101 for reservations.

A brunch is planned on December 17 to install newly elected officers. The time and place have not yet been decided.

## CERAMICS PLUS CLUB

**By Don Holmes**

The Ceramic Plus Club meeting in August was a discussion of some new glazes. There are books available in the ceramic room library. Feel free to use them but please return them so that others may enjoy and learn. The Club will subscribe to Ceramics Magazine, which will be available in the Ceramics room.

The kiln room is being remodeled for safety reasons. It is hoped that it will be completed by the time this is published.

Louise Long talked about and demonstrated "Origami," the Japanese art of folding paper. The next meeting will be Thursday, October 26, at 10:00 a.m. in the MPR.

## COMPUTER CLUB

**By Ben Perry**

The Computer Club met September 1 in the GR with Rudy Regen and Jim Willett as co-chair persons.

The 40 members present voted to have an annual assessment of \$5.00 for the purchase of a presentation screen.

A presentation of "A Byte of Your Time" by Trisha Zakas featured various community projects which would help children advance their educational level by the use of computers.

Eddie Saeta fielded questions from the floor regarding the new "Windows 95" and other problems some of the users experienced.

Jim Willett advised the membership that there were computer classes available for various levels of computer education. Computer classes, in particular, will be through the Oxnard Adult School and will be held at the Camarillo airport. Telephone 385-2578 for information. There is a 25% discount for seniors for the class.

Jon Rust from "Internet Access of Ventura County" will be the speaker at the October general meeting. His presentation will be on the "The Adventure of Cruising the Net."

## ORCHESTRA

**By Don Holmes**

The Leisure Village Orchestra rehearses every Thursday at 7:00 p.m. in the MPR. All instrumentalists are invited to join or to rejoin. The music consists of the same old "standards" the orchestra has been playing for many years, although new selections are occasionally introduced.

The orchestra played for the Victoria Convalescent Center in September and would be happy to do an hour of the old "standards", waltzes and marches, and other light classics for similar groups. No charge.

## SHUFFLEBOARD CLUB

**By Cyril Maller**

The Leisure Village Shuffleboard Club is pleased to learn that the Association has approved the installation of one poly-indoor shuffleboard court. Shuffleboard clubs in Florida have been using this type of court for several years and find it very good to play on. The Poly Court is 5/8" thick and weighs 248 lbs. Therefore there is no need to anchor it down. It is practically indestructible.

We are going to use the deluxe court which measures 52 ft. long and 6 feet wide. The court surface is green and the standing and shooting areas are red. There is no waxing or dusting required to maintain this court. Installation requires 20 minutes. All lines and numbers are pre-painted on the surface so play can resume immediately after a rain.

We are now planning our annual holiday dinner for December 5.

We still need more enthusiastic participants so come on out and join the fun group on Monday, Tuesday and Wednesday at 9:30 a.m.

## BOWLING

**By Vee Flowers**

The Leisure Village Friday Bowling League began their 95-96 season with 18 enthusiastic teams of four, and substitutes filling in the few vacant spots. At this time; there is a need for regular bowlers, please call Rosemary (445-9076) to sign up.

There was an abundance of 200 games bowled by the men. Joe Kremers' 213 was tops, followed by Al DeFusco 205, Chet DiLallo and Al Sparkman 203, and A. D. Flowers 201. The ladies weren't far behind, with Esther Knopp rolling a nice 196 and Roz Weinstein a 183, all scratch games.

Teams this year will be identified by names as well as numbers, so get busy and come up with something interesting!

Subs are always needed, so please sign up, with your name, average, and phone number. Call Rosemary.

## BILLIARD CLUB

**By Irene Cunningham**

As of September 19 Dutch Filbry has resigned as president of the Billiard Club. His easy-going demeanor will be sorely missed. Get well soon, Dutch.

We are faced with assembling new club officers. We must have a slate to present at our October general meeting. It appears necessary to poll verbally every member to personally request they assume some of the responsibility for running our club.

Please give us a "YES" answer when we call on you.

The next meeting is October 24 at 7:30 p.m. in the MPR.

## L.V. WOMEN'S GOLF

Low net for the Niners was Mary Kovach with a great score at 35-16=19. Eighteeners: Donna Duke is playing again and it is good to see her around. She scored 59 gross on 18. Low net, another good score, Nettie Baum who shot 69-21=48.

## RACQUET CLUB

**By Shirley Law**

Plans for the annual Racquet Club dinner-dance are in full swing, with Jerry Banchik chairman of the affair. This will be on Saturday, October 7 in the AR. There will be live entertainment, dancing, a catered dinner and a home-town show. Racquet Club members will take part in several skits reminiscent of old vaudeville days

## L.V. MEN'S GOLF

**By Jack Whalen**

The Port Hueneme Seabee golf course was the scene for August regulation golf, and Warren Sugg with a fine 89 low gross took top honors. Don Laird and Paul White tied for 1st low net with 67s, while Sid Gerchick's 70 was good for 3rd low net. In all fairness to Don Laird it should be reported that his low gross was also an 89 but he lost the tie in the matching cards system.

In B Flight, Dave O'Connor fired a low gross 88 to top the field while Vern Tyler and Dick Griswold tied for net with 65s. Paul Lindsey with a 67 placed third.

In C Flight, Ken Wilson's 94 won low gross while Jay Praeger and Al Sullivan tied for low net with 65s. Jack Rogers with a 67 came in third.

End of the month play saw Charlie Bellante and Jerry Orth tie for low gross with 59s, with Al Sullivan's 52 good for low net. John Lacey was just one stroke behind for third.

Jay Praeger fired a great low gross 60 to take top honors in Flight B while Paul Eberle took low net with a 53, followed by Jim Mason's 54 and Neils Pederson's 55 for 3rd.

Flight C saw Bill Fox shooting a low gross 64 while three men tied for low nets: Ben Hanson, Charlie Kent and Mike Senko.

Cliff Kemp, one of the most improved golfers, made his first hole-in-one recently on the 10th hole.

Congratulations to venerable Wayne Wisehart, who, when he was 70, shot a 69, lower than his age, and this past month, at age 81, fired an 81, again at Mountain View, equaling his age. There are not too many of us who can do that.

# Profile: Celia Cantor

By Selma Lich

Handcrafted pottery filled with exotic plants against a background of delicately colored ceramic sculpture lines the walkway approach to Celia Cantor's home in V9. Beyond the threshold is a dazzling display of art, a world of sparkling color and beauty combining fantasy and reality. All the decor, both inside and out, was created by this incredibly talented lady and her husband, Louis.

Born in New York, Celia attended elementary school in Montreal before returning to New York. Her father died when she was thirteen, and she was forced to leave school; lied about her age, took a job as typist, attended evening high school and graduated in four years. There was little in home or school to foster interest in art, but her talent was recognized early on by an observant teacher.

She attended evening classes at Brooklyn College, but her studies were frequently interrupted by family responsibilities. She and Lou married in 1946, moved to California in 1957, and she resumed her education at Cal-State Northridge where she earned her B.A. degree in 1969 with a major in painting and ceramics, and a certificate from UCLA to teach adult education. She returned to school, and in 1990 when she was approaching her 80th birthday received her M.A. degree at Northridge with majors in clay and stained glass. She studied painting with Morton Dimondstein and Gordon Wagner.

Celia has worked in a variety of media including oil, wax, ceramics, glass and acrylic, taught her craft

Photo by Klapperman  
**Celia Cantor**

for 20 years and is currently offering instruction in ceramics in LV. She feels art can be therapeutic for all ages, that experimentation and perception determine the quality of the results, and she draws a distinct parallel between art and music.

Among the interesting pieces of art in her home are an abstract of an unusual plant, a ceramic of her perception of the dropping of the first atomic bomb, an oil allegorically depicting the passage of time and the evolution of motion, and countless stained glass pieces of extraordinary beauty and design. Her work has been exhibited in many public places, she has earned innumerable awards, and

private collections exist worldwide.

Prior to coming to LV, the Cantors lived in West Hills where Lou was a successful draftsman and an accomplished vocalist. His water colors done in China many years ago are on display in their home. His debilitating illness prompted their move to LV in 1993. Here in a secluded park-like enclave, Lou can feel secure and safe on his daily walks. They have a son and a daughter, and two grandchildren. Two of Celia's three sisters, Dorothy Lemchen and Muriel Summer, live in LV.

Celia's studio and workroom in her home reveal that she is still hard at work at her craft. After a visit with this remarkably gifted and gracious lady, there is the feeling of having been, for a brief moment, in a world apart, a world of magic and rare beauty. Alfred Eisenstaedt, the eminent photographer, said, "I love art but I can't paint, so I express myself in photography." Celia Cantor is the artist Eisenstaedt wished to be but could not.

In the Leisure Village galaxy of stars, Celia is truly one of its brightest. What good fortune to have her among us!

LET'S PLAY

BINGO !

**By Cyril Maller**

The Leisure Village Wednesday night Bingo Game is still riding the crest of the wave. The dedicated panel of workers keeps the games exciting and varied. Regular games and jackpots are still holding their own and the special games, which Marion Tavano, our president, throws in every now and then, makes for happy faces and a profitable evening.

Games start promptly at 6:30 p.m. in the AR. Late comers will not be admitted. Gratefully, our plea for additional callers has brought forth two really good ones: Charlie Babcock and Libby Pierce. Come out and join us and maybe you, too, can become a Bingo Caller.

**KEYBOARD CLUB****By Mimi Kaufman**

The meeting of the Keyboard Club once again hit the jackpot at its August meeting. Listening to good music played by fellow neighbors provides a most enjoyable couple of hours, and the refreshments are delicious. Come and join us. Meetings are every third Friday of the month in the AR at 1:30 p.m.

Now hear this! The Keyboard Club takes pleasure in presenting Frank Umbro and Bob Andrews, a musical duo. They play jazz, big band, show tunes, and old favorites. This program takes place on Friday, October 6 at 7:30 p.m. in the AR. Admission is free, but by ticket only, for those who have been most supportive of our concerts.

**Need Volunteers For Tutoring****By Beverly Wallace**

If you enjoy working with children, you are invited to join the Camarillo-Somis Elementary School Tutoring Project.

The Tutoring Project's goals are to provide one-on-one tutors for students, to encourage students' academic success, and to help them develop self-confidence and a love for learning.

Tutors meet with students one hour a week from October through May in their schools.

If you are interested in becoming a volunteer in this project, please call Sara Beth Tennison at 482-2285. The first orientation meeting will be on October 2, from 3:00 - 5:00 p.m. in Fellowship Hall at Trinity Presbyterian Church, corner of Las Posas and San Antonio.

*"When you're living at the Ventura TowneHouse, you're as independent as you can be."*

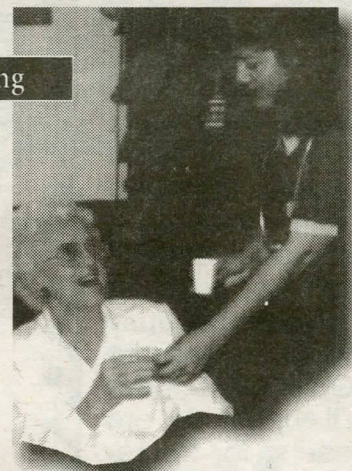

#### Independent Living

I talked a lot about independence when I had a house, a garden, and a car. There were so many things I needed to take care of. But that was before I discovered the joy of Ventura TowneHouse. Now I have a roomy apartment with maid service, delightful meals, transportation on a regular basis, and plenty of time to enjoy new activities. At the Ventura TowneHouse, I've learned a whole new definition of independence.

My sons used to worry about me living alone, as I can't take care of myself as

#### Assisted Living

easily anymore. They were afraid I'd fall and I was concerned about having to trade my freedom for security. When we learned about Assisted Living at the Ventura TowneHouse, all of us were pleased. I receive the help I need with bathing, dressing, and remembering my medicines. They make and clean my apartment, and prepare three delicious meals. Best of all, though, is that I'm part of things and feel like I'm on my own—but now I'm not alone.

#### Skilled Care

This illness of mine was at a point where Anne couldn't take care of me at home any longer. At least for now, I needed to be in a skilled nursing facility. We both knew, however, that being separated would make things harder for both of us. It was a real problem, but Ventura TowneHouse had the answer. Now I'm here at Venturan Convalescent and Anne is just a garden away in her own TowneHouse apartment. She says the meals are marvelous and the maid service is likely to spoil her. She feels wonderfully taken care of, and I can understand why. Here, at Venturan Convalescent, so do I!

## CAMARILLO CLINIC HELPS RECOVERING STROKE AND T.I.A. VICTIMS

The clinic helps clients in a remarkably effective way with Motion Therapeutics, a breakthrough technology that uses gentle, full-body, antigravity and rotational motion (in a special individualized program). It facilitates the increase of brain vitality and readiness to think and perform effectively; it improves fluency, word-retrieval and other speaking skills, as well as reading skills, in recovering stroke and T.I.A. victims.

The motion is produced by patented equipment, and is experienced, by the comfortably reclining client, as deeply relaxing, yet arousing and strengthening.

Ann Bloom, of Leisure Village, ready to experience multi-directional motion at Kerner Motion Therapeutics

Scientists theorize that certain anti-gravity motions calm and soothe the nervous system while certain rotational motions produce arousal and readiness to think and perform, through their different effects on the brain and nervous system.

When these precisely orchestrated motions are experienced, virtually simultaneously, without participant thought or effort, over and over continuously, a toning and balancing of the nervous system can result that facilitates a state of increased brain vitality and readiness to think and perform effectively. It is this state that supports the goals of therapy: the strengthening of the brain and nervous-system pathways disrupted by the stroke or T.I.A. -- through individualized thinking and language training that completes and perfects the profound effects of the motion.

**Kerner Motion Therapeutics maintains a TOLL-FREE, 24-hour information line so that readers can learn more about Motion Therapeutics. Call 1-800-796-5555. A sliding scale makes treatment affordable at Kerner Motion Therapeutics, 155 Granada St., Suite "O", Camarillo, CA 93010, (805) 383-3141.**

**LIBRARY NOTES**

By Eileen Cohen

A heartfelt "Thank you" to the LV Women's Club for their generous donation of \$1200.00 for new shelves for the library. We will soon have more space for books and magazines.

Thanks, too, to Genevieve Leventhal, chairman, and the Education and Recreation Committee, for guiding the project through the torturous channels that finally ended with Board approval. Thanks, also, to Sam Chadnow for drawing the plans and going out for bids.

We hope you will soon be enjoying the added space. We hope it will help us arrange the books in a more orderly way. Please excuse any inconvenience we may cause as we reorganize the library for your increased enjoyment.

**L.V. EXERCISE GROUP**

By Lillian Mankoff

The Leisure Village Exercise Group continues to attract new members as many new and long-time residents recognize the benefits to their health and well-being of participating in this exercise program.

We also look forward to the many exciting social events being planned. On October 11 we will car pool to Mandalay Beach in Oxnard for a stroll along the shore and picnic lunch.

The annual potluck dinner is planned for November 3 in the AR.

Marian Tamkin has arranged a bus trip for December 7 to Santa Barbara with a gourmet lunch at the college culinary school followed by a visit to the historical museum. The \$20.00 fee covers all of this. Space is limited, so get your reservations now.

We invite you to join us at the new poolside Pavilion area every Monday to Friday at 8:30 a.m. for exercise and fun.

The Happy Hoofers, as usual, have been busy with various activities. That should come as a huge surprise to everyone. The Hoofers are performing in it, so we are busy rehearsing. Come and see it all on October 19. We know you'll enjoy it. We are also appearing for the retired navy women in the near future. Our famous pot luck will be here soon, too.

#### By Robert Brackenbury

The L.V. Parkinson's Support group continues to meet the second Wednesday of each month at 10:00 a.m. Sessions often feature a speaker who addresses some aspect of Parkinsonianism. Other times, a videotape may be the focus.

At every meeting, if time permits, there are exercises and rap sessions. All those attending the meeting are invited to participate in exercises within their ability. Therapy is provided when members share their feelings and problems. Also, literature pertaining to facets of Parkinson's is usually available. A theater-dinner party is currently in the planning stage.

Whether you are a care-recipient, care-giver or an interested party, you are welcome to attend the meetings. For more information phone Milton Dixon, pres. (388-1320) or Robert L. Brackenbury (987-3563).

### SELF AWARENESS GROUP

#### By Maxine Fritz

The Self Awareness Group meets on Mondays in the Lanai from 7:00 to 8:30 p.m. It is open to all interested villagers.

Everyone in the group is a teacher as well as a student. We are all still learning and growing in knowledge as well as becoming aware of our thoughts, feelings and behavior.

We do not give advice, we share experiences. We do not criticize or set judgments. Instead, we recognize that others may think, feel and behave differently from ourselves and it is human to do so. A Workshop with Joy Sanders of Kay's Nutrition meets on the second and fourth Tuesday of the month in Sun Room at 7:30 - 9:30 p.m. She will speak about Alternative Health and answers questions.

## HEARING IMPAIRED SUPPORT GROUP

By Gabriel Barkley

The Hearing Impaired Support Group will meet on October 25 1:00 p.m. in the MPR. The guest speaker will be Ginny Paja, an outreach specialist for the Connections program, an educational program serving the deaf and hard of hearing in Ventura County. She is also a Community Client Advisor at Tri-County Glad. Ginny Paja is a member of the 1997 Asian Deaf Conference Planning Committee which will host the 1997 National Conference in Los Angeles. She is an alumna of the California State University in Northridge and of the California School For The Deaf in Riverside. Ginny was born deaf to a hearing family. Her topic will be "Growing Up in a Hearing World."

Everybody is cordially invited to the October meeting to listen to this remarkable person.

Because Thanksgiving and Christmas come so close to our meeting dates there will be no meetings for November and December.

## FRIENDS OF LIBRARY SPONSORING GIANT BOOK SALE

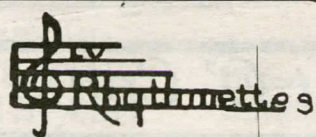

By Jack Whalen

More than 10,000 books will be on sale next Saturday and Sunday, October 7 and 8 as Friends of the Camarillo Library stage their semi-annual book sale at the Las Posas Plaza shopping area.

All books, including many collectors' items, will be under a giant white tent in this shopping area at the western end of Camarillo.

A long-time member of "Friends" is George Kroll, V20. He will answer questions at 482-0824. "Friends" will be happy to accept donations of books.

Additional information is available by calling Harold Wilson, president of "Friends", at 482-9988.

By Margaret Hines

The Rhythmettes have welcomed some new members, but there is plenty of room for more. Come to a practice session on a Tuesday at 1:00 in the AR.

Kazoos are needed now, played by those who can hum the melody, and stay on the beat. Bring with you whatever you decide to play, and show it to director Piff De Simone.

Practice will begin soon on Christmas-Hanukah music and entertainment for the village tree trim.

GEM AND  
MINERAL  
CLUB

By Don Holmes

At the September meeting of the LV Gem and Mineral Club, Don Holmes showed a set of slides "The Four Seasons of Yosemite." This was considered appropriate because of the recent hot weather. It was refreshing to see some snow and ice, even without "the banner with the strange device."

The next meeting will be Wednesday, October 25 at 7:30 in the MPR. The program has not been decided, but there will be refreshments, so please come.
