

THE AMBASSADOR
Los Angeles

Sept. 1925

9/25/25
Dear Miss Morgan,

I am sending this by mail as picture telegraphy is not sufficiently advanced to transmit any of our plans, elevations, perspective sketches or what might be called ground and lobby drawing a collar and elbow designs

A lot of damage was done to telegraph wires in a previous attempt.

Yes'm. Mine are not ordinary drawings
Sincerely, WRAH
