He's not doing this. He's kind of shy. So I said, I will do it for him. So a little bit about where the art show came from. It was originally conceptualized by my father, Lucas Milano, and Margie Guy, the members of the San Diego Forum, and they both believed in the importance of bringing our artwork to the Latino community as the purposes of the poverty of, event and Cinco de Mayo are to show our community, all the lovely things that we have and art being very important both in Mexico and here in the United States.

00:00:34:20 - 00:00:54:13

Speaker 1

And so they conceptualized the idea of the art show, where Latino artists from the Bay area, or anyone who collected Latino art, could display it to the community. And that's what brings us here today. And I'd like to thank you all for coming and for your patience. And I think the fact that it took me, our distinguished judges so long to come to a decision was just a test.

00:11:43:19 - 00:12:03:21

Speaker 4

Well, here we are again. I want to thank all of you people for being here today and participating in our show. this show is our, they're not very easy to put together. It requires a lot of work. But I can also see that you have worked very hard to, to have your voice in this show again.

00:12:03:24 - 00:12:26:03

Speaker 4

I see a lot of new work, and, I can see, you guys have been very busy, working since the last show, which was a year ago, 16th September to be here today. I hear that some of you cancel shows just to be here today. Thank you. Thank you. You're very generous. a lot of you are just waiting for the first time.

00:12:26:03 - 00:12:49:07

Speaker 4

Again. Thank you for for doing it. And I hope that it will not be the last time I hope that you will go out and talk to your friend artists and tell them about our show, and get them over here to participate with us. it's, I think it's, this is one faction of our culture, especially Mexican American culture, that, we don't see too much out.

00:12:49:09 - 00:13:07:23

Speaker 4

And, believe me, from what we did in 1986 to what it is now, it's gone a long ways. You know, at that time, I was in Santa Rosa. The day it's here, maybe someday we'll take over this whole building with art and, you know, it's, only you can make that possible.

00:13:07:25 - 00:13:14:28

Unknown

Working for us. Okay.

00:13:15:00 - 00:13:16:27

Unknown

You people and I really.

00:13:16:29 - 00:13:41:21

Speaker 4

Really want to thank you, because. Yeah, the family means it. they've been working with me for years now. for instance, all this, that she was one of the very first people that I, collaborated to do this show. Margie Guida, she and I collaborate together with the GI forum to get to go home to, to put this show was not an easy thing to do.

00:13:41:24 - 00:13:59:15

Speaker 4

did you have one? We mostly known as a party organization. But finally, after a lot of hard talking, a lot of discussion, they gave us the authority to do the show and they gave it the money. We lost money on this show. We show us that maybe this time we'll break even and make a little money.

00:13:59:15 - 00:14:14:25

Speaker 4

And, you know, we'll just continue, going, another question I want to thank is rod. Rod, because he has you know, he has been with me since 1986. I think that first show that we put on, we we got up at 4:00 in the morning to be there at five.

00:14:14:27 - 00:14:18:19

Speaker 3

Morning, but those were the good old days.

00:14:18:21 - 00:14:31:06

Speaker 4

and, my guest, well, Marcus, all right. With the creator from Gilroy. He has been very active with me for the last three years, and I certainly.

00:14:31:06 - 00:14:35:10

Unknown

Want to go public. to thank him for,

00:14:35:12 - 00:14:56:29

Speaker 4

For, participating in our show. I sure you want to think about the judges again. I want to thank my daughter Carmela, for, for taking some time off from our, working schedule to be here with us today. And, one question I really want to thank is, my wife, Carmen.

00:14:56:29 - 00:15:02:28

Unknown

Carmen. And please stand up.

00:15:03:00 - 00:15:04:25

Unknown

She's always walking in them like she's.

00:15:05:01 - 00:15:13:23

Speaker 4

Very quiet, but she's doing a lot of work for me to get this show, to get this show going. And getting this show on the road. The program you see here.

00:15:13:26 - 00:15:25:21

Unknown

She and she she she did all the work on that for me. And, I am very grateful that, that, she's, that I married her.

00:15:25:24 - 00:15:48:11

Speaker 4

And, but, that's about all I have. the GI forum again wants to thank you for your participation. And, we hope that Persico. Meyer, it will be a bigger and better show. One thing I do want to announce, that is very important. The last show we did, we started with these mannequins, and they've gone over very well with the show.

00:15:48:13 - 00:16:17:11

Speaker 4

But we have a new idea that we're doing a little bit of it today. But for Cinco de Mayo, we're going to get a collection of old pictures of our great grandfathers and grandmothers. Maybe you guys having these pictures at home or maybe in Paris have them. I was in Salt Lake City and, they had a museum of nothing but old enamel, old pictures from the turn of the century, 1920s, 1800s.

00:16:17:14 - 00:16:35:16

Speaker 4

I know that we have some of those pictures here in San Jose and, spread the one around the city by the wife. Maybe we can get a couple 20s panels. Just fill them with, our grandparents, what they like back in the turn of the century. maybe some of them had cars, maybe their car. They're in their,

00:16:35:18 - 00:16:55:17

Speaker 4

I would really like to, you guys could kick it around and talk to your parents about maybe, perhaps getting those pictures up to see whether my. I think they'll go over real well. We have 3 or 4 that are listed that we have here today. And, some people have already commented on it, and I hope we all jump on the bandwagon and participate on that program.

00:16:55:17 - 00:16:57:09

Speaker 4

Okay. Again, thank you.

00:16:57:09 - 00:17:07:13

Speaker 5

I don't know how to go. Oh, come on, come on.

01:48:11:08 - 01:48:12:18

Speaker 1

1 to 18 people think.

01:48:12:18 - 01:48:18:28

Unknown

They are recruiting people and.

01:48:19:00 - 01:48:20:16

Speaker 5

Are recruiting people.

01:48:20:18 - 01:48:26:22

Unknown

And then.

01:48:26:24 - 01:48:27:11

Unknown

I think.

01:48:27:13 - 01:48:48:13

Speaker 5

I'd like to say a few words. We made it to the parade this year. we didn't have that many marching band, musical units or things of that nature. And I believe that the reason for that is the cutbacks in education. that plus the fact that school just started in September and maybe the groups haven't got together yet.

01:48:48:15 - 01:49:17:06

Speaker 5

Normally in May, we have a lot better showing, but, we, we really don't know with, budget cuts in education will do. And I do know that many a school music programs have been eliminated or cut back. And I have a feeling that that's going to be is going to reflect their lack of participation in parades.

01:49:17:08 - 01:49:49:01

Speaker 5

but, we think that, this year or this coming year, we're going to be working more closely with the family Mercury to see if we can put more money into the parade budget so that these groups can, in fact, show up and participate. We understand it. Cost is somewhere in the neighborhood of \$700 for a marching band to show up to any parade gasoline, the bus driver, the bus instruments, instructors, all of that stuff.

01:49:49:03 - 01:50:02:01

Speaker 5

So that's that's one of the reasons I believe that, we didn't have that many marching bands in our previous year. I have to say, the great. now you want to continue with the second part of our.

01:50:02:01 - 01:50:06:27

Speaker 4

Award ceremony here.

01:50:07:00 - 01:50:17:00

Speaker 4

my name is El Castellano, and, I'm. I remember that you have to go.

01:50:17:02 - 01:50:54:28

Speaker 4

Thank you. I just want to mention, I work with the central, with our seventh exhibit in the exhibition hall for the, six in September. And I think we're the major. we have been doing this. I've been working on it

since 1986, 1986. In 1986, Margie Gardner and I, talked to the forum about possibly putting a cultural event in the fiesta, and, we, proceeded to, talk to the, members and, after a lot of discussion, they decided to give us a go ahead.

01:50:54:28 - 01:51:14:28

Speaker 4

And, we first put on our first show at the Santa Clara County Fairground in 1986, which was pretty successful. And from there, we won the leaps and bounds to what we have now at the exhibition hall, to what some of you saw here in the in the, video today. And, we've been working very hard to make it better every year.

01:51:15:00 - 01:51:38:09

Speaker 4

And, it seems like every year it's catching more interest among the, the culture, culture artists in the area. And more people are exhibiting their works in our show. And, I don't doubt that in the next two years, we're going to have the largest Hispanic art show in the Bay area. if not now, I don't know when, but we will.

01:51:38:15 - 01:52:00:18

Speaker 4

it is just a matter of time. We started with about 15 artists. Now we get at this last year we had about 42, and it's increasing all the time. And, I'm here to make the awards for the artists who won. who won? what we do is we have a contest, and, I'm here to make the award for the winners.

01:52:00:21 - 01:52:33:04

Speaker 4

We are awarding a price. We have prizes of \$50 for each first prize, and then we have an award, \$150 for best of show. And, has Luis Garcia, who was not here, won the best of show. And, John Flores won one of first prize in the, and the watercolors and but today, present we have here, the winners in two classes.

01:52:33:07 - 01:52:45:19

Speaker 4

what is one the first place on general general class. And what was here to take is \$50.

01:52:45:22 - 01:52:48:07

01:53:44:00 - 01:54:06:19

Speaker 4

I will add to also our, our central has been a lighting, program for the last, three, a couple of shows that we've had, but, we're finally I think we're getting some sponsors that, maybe, perhaps will be breaking even. And, our sponsors this year are, AT&T and, Wells Fargo and our sponsors are here.

01:54:06:19 - 01:54:16:11

Speaker 4

Speaker 4

A good relationship with us, and I hope they continue sponsoring our program. And I'll guarantee then we're just going to grow leaps and bounds. But it's going to grow. Thank you very much.

01:54:33:20 - 01:54:46:17

Speaker 5
